To the Stockholders of Akerna Corp.:

You are cordially invited to attend the special meeting of stockholders (the "Special Meeting") of Akerna Corp. ("Akerna," "we," "us," "our," or the "Company"), to be held at Akerna's headquarters at 1630 Welton Street, Denver, Colorado 80202, on Friday, June 26, at 9:00 a.m., Mountain Time to vote on matters related to two transactions.

As part of Akerna's precautions related to the outbreak of novel coronavirus ("COVID-19") and in light of the priority we place on the health, safety, and well-being of our stockholders, employees, and directors, we are planning for the possibility that the Special Meeting will be held solely by means of remote communication. If we determine that the Special Meeting will be held remotely, we will announce the decision in advance, and participation details will be publicly announced in a press release, available on our website at www.akerna.com and filed with the U.S. Securities and Exchange Commission (the "SEC") as additional proxy solicitation materials. Please check our website one week in advance of the Special Meeting for any such additional information. If we hold a virtual meeting, you will need the control number included on your proxy card in order to participate.

As previously disclosed, on December 18, 2019, Akerna entered into an arrangement agreement (the "Agreement") to acquire all of the issued and outstanding shares of Ample Organics Inc. ("Ample") in a cash and stock acquisition. Under the terms of the Agreement and the plan of arrangement attached thereto, the aggregate consideration to be paid for Ample's common and preferred shares consists of (1) CAD\$7,500,000 in cash, (2) 3,294,574 redeemable preferred shares of 2732805 Ontario Inc., a company existing under the laws of the Province of Ontario and a wholly owned subsidiary of Akerna ("Purchaser"), which are exchangeable for shares of common stock, par value \$0.0001 per share, of Akerna on a 1:1 basis (such redeemable preferred shares of Purchaser being the "Exchangeable Shares"), as determined in accordance with the Agreement (and the assumption of out-of-money warrants and options to acquire capital stock of Ample on the terms specified in the Agreement) and (3) contingent value rights to be issued pursuant to a rights indenture entitling the holders thereof to receive, subject to certain adjustments as set forth in the Agreement and the related plan of arrangement, an aggregate of up to CAD\$10,000,000 of Exchangeable Shares that will be issued upon exchange of the Exchangeable Shares issued upon conversion of contingent value rights and the occurrence of certain events set forth in those contingent value rights issued to Ample shareholders in the event that Ample achieves certain revenue targets as specified in the Agreement (the "CVR Shares"). As previously disclosed, on February 28, 2020, the Agreement was amended by that certain Amendment to Arrangement Agreement (the "Amendment") entered into by the parties, and further amended by that certain Amendment No. 2 to Arrangement Agreement ("Amendment No. 2") and that certain Amendment No. 3 to Arrangement Agreement ("Amendment No. 3") each entered into by the parties. The Amendment primarily revised the Effective Date and Closing Date of the Arrangement (as later defined). Amendment No. 2 primarily revised the Arrangement (as later defined) to incorporate the terms of an agreement entered into between the holders of preferred shares and common shares of Ample. Amendment No. 3 primarily revised the Arrangement (as later defined) to clarify the method of issuance and registration of the Exchangeable Shares.

In relation to the Agreement, to satisfy Canadian legal requirements, the parties entered into a "Plan of Arrangement" pursuant to the Business Corporations Act, R.S.O. 1900, c. B.16, as amended, including the regulations promulgated thereunder (the "OCBA"). The "Arrangement" means the arrangement under the provisions of Section 182 of the OBCA on the terms and conditions set forth in the Plan of Arrangement, as supplemented, modified or amended in accordance with Article 8 of the Plan of Arrangement.

Upon completion of the acquisition (and prior to the issuance of the CVR Shares, if any), former Ample stockholders would beneficially own approximately 20.3% of the outstanding shares of the combined company.

The issuance of shares of Akerna common stock (the "Akerna Shares"), which are exchangeable for the Exchangeable Shares, requires the approval of Akerna stockholders under the requirements of the Nasdaq Stock Market Listing Rules. At the Special Meeting, you will be asked to consider and vote on a proposal to approve the issuance of Akerna Shares pursuant to the Agreement (the "Stock Issuance"). You will be asked to consider and

vote on a proposal to approve the Arrangement and related Plan of Arrangement (the “Arrangement Approval”). The attached notice of the Special Meeting and proxy statement provide additional information about the proposed arrangement with Ample and the proposals for stockholder approval.

As previously disclosed, on November 25, 2019, Akerna entered into a stock purchase agreement (the “Solo SPA”) with substantially all of the shareholders (the “Shareholders”) of Solo Sciences, Inc., a Delaware corporation (“Solo”), Ashesh C. Shah, Lokesh Chugh and Palle Pedersen, each an adult individual (collectively, the “Shareholder Representatives”) and Solo, pursuant to which Akerna would acquire all right, title and interest in 80.40% of the issued and outstanding capital stock of Solo (calculated on a fully diluted basis), free and clear of all liens. The consideration amount under the Solo SPA was 1,950,000 Akerna Shares, less 570,000 Akerna Shares to be held in escrow subject to the satisfaction of certain conditions stipulated in the Solo SPA. This consideration may be subject to an adjustment no later than 120 days following the closing date.

On January 15, 2020, Akerna closed on the acquisition of 80.40% of the issued and outstanding capital stock of Solo (calculated on a fully diluted basis) pursuant to the Solo SPA.

The Solo SPA also contained an option for Akerna to purchase all (but not less than all) of the remaining 19.6% of the issued and outstanding capital stock of Solo, to be exercised within twelve months after the transaction closing date (the “Solo Option”). The Solo Option may be paid, at the sole option of Akerna, in either cash or Akerna Shares in an amount equal to either (1) if Akerna Shares are trading at an amount less than or equal to \$16.00 per share, the greater of (i) 800,000 Akerna Shares or (ii) the difference between the number of Akerna Shares worth \$20,000,000 valued at Market Price (as defined in the Solo SPA) and 1,950,000 Akerna Shares, or (2) if Akerna Shares are trading at more than \$16.00 per share, the number of Akerna Shares equal to the (i) difference between (A) the product of the Market Price and 1,950,000 Akerna Shares and (B) \$44,000,000, divided by (ii) the Market Price.

The issuance of Akerna Shares as consideration for the Solo Option requires the approval of Akerna stockholders under the requirements of the Nasdaq Stock Market Listing Rules. At the Special Meeting, you will be asked to consider and vote on a proposal to approve the issuance of shares of Akerna Shares to pay for the Solo Option pursuant to the Solo SPA. The attached notice of the Special Meeting and proxy statement provide additional information about the proposed transaction with Solo and the proposals for stockholder approval.

In connection with both transactions, the board of directors of Akerna (the “Akerna Board”) expects that it will increase its number of employees. Therefore, the Akerna Board believes an amendment to the 2019 Long Term Incentive Plan (the “Incentive Plan”) providing for an increase of 525,000 Akerna Shares would allow Akerna to properly incentivize new employees (the “Incentive Plan Amendment”). The Incentive Plan Amendment requires the approval of Akerna stockholders under the requirements of the Nasdaq Stock Market Listing Rules. The attached notice of the Special Meeting and proxy statement provide additional information about the proposed amendment and the proposals for stockholder approval. You will also be asked to consider and vote on a proposal to approve the adjournment of the Special Meeting, if necessary or appropriate, to solicit additional proxies, in the event that there are not sufficient votes at the Special Meeting to approve the Stock Issuance, Arrangement Approval, Solo Option or Incentive Plan Amendment.

The Akerna Board expects that the acquisition of Ample and acquisition of the remaining shares of Solo will provide significant strategic and financial benefits to the stockholders of Akerna. The Akerna Board expects that both transactions will provide Akerna with a significant advantage as it accelerates its vision to create the preeminent global technology platform, addressing the entire supply chain and its regulatory bodies through accountability and transparency.

After careful consideration, the Akerna Board has unanimously determined that the proposed acquisition of Ample is advisable and in the best interests of Akerna and its stockholders and, subject to the approval by Akerna’s stockholders, authorized and approved the issuance of shares of Akerna Shares in accordance with the Agreement. The Akerna Board has unanimously determined that the proposal to approve the Arrangement and related Plan of Arrangement is advisable and in the best interest of Akerna and its stockholders. The Akerna Board has unanimously determined that the proposal to approve the Solo Option is advisable and in the best interest of Akerna and its stockholders. Further, the Akerna Board has unanimously determined that the proposal to amend the Incentive Plan is advisable and in the best interest of Akerna and its stockholders. Finally, the Akerna Board has also unanimously

determined that the proposal to approve the adjournment of the Special Meeting, if necessary or appropriate, in the event that there are not sufficient votes at the time of the Special Meeting, is advisable and in the best interest of Akerna and its stockholders. The Akerna Board therefore unanimously recommends that you vote “**FOR**” the Stock Issuance proposal, the Arrangement Approval, the Solo Option, the Incentive Plan Amendment and the adjournment proposal.

Your vote is important. You are requested to carefully read the proxy statement for a more complete statement of matters to be considered at the Special Meeting.

By Order of the Board,

/s/ Jessica Billingsley

QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING

The following are answers to certain questions that you may have regarding the Special Meeting. Akerna urges you to read carefully the remainder of this proxy statement because the information in this section may not provide all of the information that might be important to you in determining how to vote. Additional important information is also contained in the annexes to this proxy statement.

Q: Why am I receiving this document?

A: Akerna is delivering this document to Akerna stockholders to solicit proxies from Akerna stockholders to approve the Stock Issuance, Arrangement Approval, Solo Option, Incentive Plan Amendment and the adjournment proposal.

Q: What will happen in the Arrangement?

A: The Arrangement will combine the businesses of Akerna and Ample. Akerna's wholly-owned Ontario corporation, 2732805 Ontario Inc. (the "Purchaser"), will acquire all right, title and interest in 100% of the issued and outstanding common shares and outstanding Class A Preferred Shares of Ample, being all the issued and outstanding equity securities of Ample (collectively, the "Ample Shares"). The consideration for the Ample Shares consists of (1) CAD\$7,500,000 in cash, (2) 3,294,574 redeemable preferred shares of the Purchaser which are exchangeable for shares of common stock, par value \$0.0001 per share, of Akerna on a 1:1 basis (such redeemable preferred shares of Purchaser being the "Exchangeable Shares"), as determined in accordance with the Agreement (and the assumption of out-of-money warrants and options to acquire capital stock of Ample on the terms specified in the Agreement) and (3) contingent value rights to be issued pursuant to a rights indenture entitling the holders thereof to receive, subject to certain adjustments as set forth in the Agreement and the related Plan of Arrangement, an aggregate of up to CAD\$10,000,000 in Exchangeable Shares, in the event that Ample achieves certain revenue targets as specified in the Agreement.

Q: What will happen in the Solo Option?

A: Should Akerna decide to exercise the Solo Option, Akerna will acquire all (and not less than all) of the remaining 19.6% of the issued and outstanding capital stock of Solo. The Solo Option may be paid, at the sole option of Akerna, in either cash or shares of common stock in the authorized share capital of Akerna ("Akerna Shares") in an amount equal to either (1) if Akerna Shares are trading at an amount less than or equal to \$16.00 per share, the greater of (i) 800,000 Akerna Shares or (ii) the difference between the number of Akerna Shares worth \$20,000,000 valued at Market Price (as defined in the Solo SPA) and 1,950,000 Akerna Shares, or (2) if Akerna Shares are trading at more than \$16.00 per share, the number of Akerna Shares equal to the (i) difference between (A) the product of the Market Price and 1,950,000 Akerna Shares and (B) \$44,000,000, divided by (ii) the Market Price.

Q: What is the Akerna 2019 Long Term Incentive Plan?

A: The purpose of the Incentive Plan is to enable Akerna to offer its employees, officers, directors and consultants whose past, present and/or potential future contributions to Akerna have been, are, or will be important to its success, an opportunity to acquire a proprietary interest in Akerna. The various types of incentive awards that may be provided under the Incentive Plan are intended to enable Akerna to respond to changes in compensation practices, tax laws, accounting regulations and the size and diversity of its business. The Incentive Plan is administered by the compensation committee of the Akerna Board (the "Compensation Committee") or by the full Akerna Board, which may determine, among other things, (1) the persons who are to receive awards, (2) the type or types of awards to be granted to such persons, (3) the number of shares of Akerna Shares to be covered by, or with respect to which payments, rights, or other matters are to be calculated in connection with the awards, (4) the terms and conditions of any awards, (5) whether, to what extent, and under what circumstances awards may be settled or exercised in cash, Akerna Shares, other securities, other awards or other property, or cancelled, forfeited, or suspended and the method or methods by which awards may be settled, exercised, cancelled, forfeited, or suspended, (6) whether, to what extent, and under what circumstances the delivery of cash, Akerna Shares, other securities, other awards or other property and other amounts payable with respect to an award, and (7) make any other determination and take any other action that the Compensation Committee deems necessary or desirable for the administration of the Incentive Plan.

The Incentive Plan provides that in the event of a change of control event, (a) all of the then outstanding options and stock appreciation rights granted pursuant to the Incentive Plan will immediately vest and become immediately exercisable as of a time prior to the change in control and (b) any performance goal restrictions related to an award will be deemed achieved at 100% of target levels and all other conditions met as of a time prior to the change in control. In the event of the sale of all of Akerna's assets or a change of control event, then the Compensation Committee may (1) accelerate the vesting of any and all stock options and other awards granted and outstanding under the Incentive Plan, (2) require a holder of outstanding options to relinquish such award to Akerna upon the tender by Akerna to holder of cash, stock or other property, or any combination thereof pursuant to the terms of the Incentive Plan and (3) terminate all incomplete performance periods in respect of awards in effect on the date the acquisition occurs, determine the extent to which performance goals have been met based upon such information then available as it deems relevant and cause to be paid to the holder all or the applicable portion of the award based upon the Compensation Committee's determination of the degree of attainment of performance goals, or on such other basis determined by the Compensation Committee.

The Akerna Board may at any time, and from time to time, amend alter, suspend or discontinue any of the provisions of the Incentive Plan, but no amendment, alteration, suspension or discontinuance shall be made that would impair the rights of a holder under any agreement theretofore entered into hereunder, without the holder's consent, except as set forth in this Incentive Plan or the agreement. Notwithstanding anything to the contrary herein, no amendment to the provisions of the Incentive Plan shall be effective unless approved by the stockholders of Akerna to the extent stockholder approval is necessary to satisfy any provision of the Akerna Ethics Code or other applicable law or the listing requirements of any national securities exchange on which Akerna's securities are listed, including the Nasdaq Stock Market Listing Rules.

Q: Why did Akerna decide to enter into the Agreement with Ample?

A: Akerna believes that the Arrangement will provide strategic and financial benefits, including:

- as Canada's leading seed-to-sale compliance tracking and eCommerce platform, with approximately 70% market share of licensed producers under the Cannabis Act (Canada) and approximately 80% of Canadian medical Cannabis patients, we believe Ample is well positioned to continue to grow within the Canadian market and expand internationally;
- Canada is the largest federally legal market, where Ample is well positioned to provide technology solutions that enable software tracking, payments, data, analytics and more;
- Ample has a large cannabis dataset with aggregate anonymized data of all aspects of the supply chain; and
- Ample has a proven management team with strong track record of innovation.

Q: Why did Akerna decide to enter into the Solo SPA with Solo?

A: Akerna believes that the Solo SPA and related Solo Option will provide strategic and financial benefits, including:

- Solo is a leader in the anti-counterfeiting and consumer engagement market in the cannabis industry, adding new capabilities to Akerna that strengthens cannabis supply chain transparency. By enabling consumers to determine if a product is real or fake, providing detailed product information and promoting loyalty for brands and manufacturers, Solo extends Akerna's ability to create a more transparent cannabis supply chain;
- with Solo, Akerna extends its supply chain reach to the consumer, accessing a large addressable market that was previously untapped by Akerna;
- Solo enables Akerna to differentiate its Leaf Data Systems product with Solo's unique authentication tagging technology. Akerna and Solo have already won a joint contract with the state of Utah, where authentication with the solo*TAG was a critical factor. Utah mandates the use of both technologies for their closed loop program; and
- Solo has a proven management team with strong track record of innovation.

Q: Why does the Akerna Board wish to amend the Incentive Plan?

A: In connection with the transactions described in proposals 1, 2 and 3, Akerna expects that it will increase the number of its employees. Therefore, the Akerna Board believes an amendment to the Incentive Plan providing for an increase of 525,000 Akerna Shares would allow Akerna to properly incentivize these new employees.

Q: When and where is the Special Meeting?

A: The Special Meeting will be held at Akerna’s headquarters at 1630 Welton Street, Denver, Colorado 80202, on Friday, June 26, at 9:00 a.m., Mountain Time. However, as part of Akerna’s precautions related to Novel Coronavirus 2019 (“COVID-19”) we are planning for the possibility that the Special Meeting will be held solely by means of remote communication. If we determine that the Special Meeting will be held remotely, we will announce the decision in advance, and participation details will be publicly announced in a press release, available on our website at www.akerna.com and filed with the U.S. Securities and Exchange Commission as additional proxy solicitation materials. Please check our website one week in advance of the Special Meeting for any such additional information. Additional information relating to the Special Meeting, including the potential for holding the Special Meeting solely by means of remote communication, is set forth beginning on page 40.

Q: Are there any risks in the Arrangement or Solo Option that I should consider?

A: Yes. There are risks associated with all business combinations, including the Arrangement and Solo Option. Certain of these risks and other risks are described in more detail under “*Risk Factors*” beginning on page 22.

Q: What are the holders of Akerna Shares being asked to vote on?

A: Holders of Akerna Shares are being asked to:

- approve the Stock Issuance;
- approve the Arrangement Approval;
- approve the Solo Option;
- approve the Incentive Plan Amendment;
- approve the adjournment of the Special Meeting, if necessary or appropriate, to solicit additional proxies in favor of approval of the Stock Issuance, Arrangement Approval, Solo Option and Incentive Plan Amendment; and
- act upon other business that may properly come before the Special Meeting or any adjournment or postponement of the Special Meeting.

Q: Am I being asked to vote to approve the Arrangement?

A: Yes.

Q: Am I being asked to vote to approve the Solo Option?

A: Yes.

Ample will hold a separate meeting of its stockholders to obtain the required approval of the Arrangement.

Q: What is required to complete the Solo Option?

A: In order to complete the Solo Option, Akerna's stockholders must approve Proposal 3, authorizing the issuance of Akerna Shares as consideration for the remaining Solo shares. In addition, all other conditions set forth in the Solo SPA must be satisfied or waived. For a more complete discussion of the conditions to closing, see the section entitled "*The Solo SPA — Conditions to Effectiveness*" on page 102 of this proxy statement.

Q: What is required to complete the Incentive Plan Amendment?

A: In order to amend the Incentive Plan, Akerna's stockholders must approve Proposal 4, authorizing the Incentive Plan Amendment. For a more complete discussion of the Incentive Plan, see the section entitled "*Summary — 2019 Long Term Incentive Plan Summary*" on page 13 of this proxy statement.

Q: Will Akerna stockholders receive any shares as a result of the Arrangement or Solo Option?

A: No. Akerna stockholders will continue to hold the Akerna Shares they currently own. However, as a result of the Stock Issuance and/or Solo Option, each outstanding Akerna Share immediately prior to the transactions will represent a smaller percentage of the aggregate number of Akerna Shares outstanding after the transactions, and each Akerna stockholder before the transactions will hold a smaller percentage of Akerna after them. However, the combined value of the companies (Akerna, Solo and Ample) will likely be greater after the closing of the Arrangement and Solo Option than the value of Akerna prior to the closing of the Arrangement and Solo Option.

Q: When do you expect to complete the Arrangement?

A: The Arrangement will be completed when all the conditions in the Agreement are satisfied (or, where permitted, waived). Such conditions are described further in "*The Arrangement Agreement — Conditions to the Arrangement Becoming Effective*" beginning on page 95. Assuming the requisite stockholder approvals of both companies are received, the approval of the Ontario Superior Court of Justice is received, and all other conditions are satisfied or waived, Akerna and Ample expect to complete the Arrangement before the end of the third quarter of 2020, although completion of the Arrangement cannot be assured by any particular date or at all.

Q: When do you expect to complete the Solo Option?

A: Subject to the terms and conditions of the Solo SPA, Akerna was granted, during the time period commencing on the closing date of the transaction (January 15, 2020) and ending on the twelve-month anniversary of such closing date (the "Option Period") the option to purchase all (but not less than all) remaining Solo shares; provided, that Akerna obtain the approval of its stockholders to the exercise of such Solo Option prior to exercising such option.

Q: Am I entitled to appraisal or dissenters' rights for the Arrangement or the Solo Option?

A: No. Akerna stockholders are not entitled to appraisal or dissenters' rights in connection with the Arrangement or the Solo Option.

Q: Are the Arrangement or the Solo Option expected to be taxable to stockholders?

A: Akerna's existing stockholders will simply retain their Akerna Shares, and accordingly there will be no material U.S. federal income tax consequences to Akerna's existing stockholders resulting from the issuance of Akerna Shares in the Arrangement or the Solo Option.

Q: Who is eligible to vote at the Special Meeting?

A: Only Akerna's stockholders' proxies are being solicited. We are not soliciting any proxies or votes from Ample or Solo stockholders through this proxy statement. If you are an Ample or Solo stockholder and are not an Akerna stockholder as of the record date, and you have received or gained access to this proxy statement, you should disregard it completely and should not treat it as any solicitation of your proxy, vote or support on any matter. If you are an Akerna stockholder as of the record date and an Ample stockholder or Solo stockholder, you should treat this proxy statement as soliciting only your proxy with respect to your Akerna Shares, and should not treat it as an offer or invitation to subscribe or purchase Akerna Shares or as a solicitation of your proxy, vote or support on any matter with respect to your Ample shares or Solo shares.

Holders of Akerna Shares as of the close of business on June 5, 2020 the record date for the Special Meeting, are eligible to vote. As of the close of business on the record date, there were 13,258,707 Akerna Shares outstanding and entitled to vote at the Special Meeting.

Q: How many votes do Akerna's officers and directors have?

A: As of the record date, directors and executive officers of Akerna as a group beneficially owned and were entitled to vote approximately 1,879,952 Akerna Shares, representing approximately 14% of the shares of Akerna Shares issued and outstanding. All of the directors and executive officers of Akerna who are entitled to vote at the Special Meeting have advised Akerna that they intend to vote their Akerna Shares in favor of each of the proposals and the directors and executive officers have entered into agreements obligating them to do so.

Q: What vote is required to approve the Stock Issuance, the Arrangement Approval, the Solo Option, the Incentive Plan Amendment and related matters?

A: For Akerna, assuming a quorum is present:

- The affirmative vote of a majority of the votes present in person or represented by proxy at the Special Meeting and entitled to vote is required to approve the Stock Issuance. Abstentions have the same effect as an "AGAINST" vote on the outcome of this proposal. Broker non-votes will have no effect on the outcome of this proposal. If the Stock Issuance is not approved, Akerna will not be able to effect the Arrangement under the terms set forth in the Agreement.
- The affirmative vote of a majority of the votes present in person or represented by proxy at the Special Meeting and entitled to vote is required to approve the Arrangement proposal. Abstentions have the same effect as an "AGAINST" vote on the outcome of this proposal. Broker non-votes will have no effect on the outcome of this proposal. If the Arrangement is not approved, Akerna will not be able to effect the Arrangement under the terms set forth in the Agreement.
- The affirmative vote of a majority of the votes present in person or represented by proxy at the Special Meeting and entitled to vote is required to approve the Solo Option. Abstentions have the same effect as an "AGAINST" vote on the outcome of this proposal. Broker non-votes will have no effect on the outcome of this proposal. If the Solo Option is not approved, Akerna will not be able to effect the Solo Option under the terms set forth in the Solo SPA.
- The affirmative vote of a majority of the votes present in person or represented by proxy at the Special Meeting and entitled to vote is required to approve the Incentive Plan Amendment. Abstentions have the same effect as an "AGAINST" vote on the outcome of this proposal. Broker non-votes will have no effect on the outcome of this proposal. If the Incentive Plan Amendment is not approved, Akerna will not be able to amend the Incentive Plan under the terms set forth in the Incentive Plan Amendment.

- The affirmative vote of a majority of the votes present in person or represented by proxy at the Special Meeting and entitled to vote is required to approve an adjournment. Abstentions have the same effect as an “AGAINST” vote on the outcome of this proposal.

Additional information on the vote required to approve the Stock Issuance, Arrangement Approval, Solo Option, Incentive Plan Amendment, adjournment proposal and related matters is located on page 10.

Q: Why is my vote important? What happens if I don't vote?

A: In order to complete the transactions as specified above, Akerna stockholders must approve the Stock Issuance, Arrangement Approval, Solo Option and Incentive Plan Amendment. If you submit an “**Abstain**” vote or fail to vote (either in person or by proxy), your shares will be treated as present and thus have the same effect as an “AGAINST” vote on the Stock Issuance, Arrangement Approval, Solo Option, Incentive Plan Amendment and the adjournment proposals, and consequently will have a negative effect on the outcome of the vote.

If you are the beneficial owner of shares held in “street name” (that is, if you hold your shares through a broker, bank or other holder of record), the broker, bank or other holder of record who holds your Akerna Shares will have authority to vote on “routine” proposals. However, banks, brokerage firms and other nominees are precluded from exercising their voting discretion with respect to non-routine matters, such as the Stock Issuance, Arrangement Approval, Solo Option and the Incentive Plan Amendment. As a result, absent specific instructions from the beneficial owner of such shares, brokers, banks or other holders of record are not empowered to vote such shares on non-routine matters, which we refer to as a “broker non-vote.” The effect of not instructing your broker, bank or other holder of record regarding how you wish your shares to be voted will **NOT** be counted as “FOR” or “AGAINST” and will **NOT** have an effect on the proposals before the Special Meeting.

Q: How does the Akerna Board recommend that I vote?

A: The Akerna Board unanimously recommends that you vote “FOR” the Stock Issuance, Arrangement Approval, Solo Option, Incentive Plan Amendment and, if necessary or appropriate, “FOR” the adjournment of the Special Meeting to solicit additional proxies.

Q: Do any executive officers or directors of Akerna have interests in the Arrangement, the Solo Option or the issuance of Akerna Shares in relation to the Arrangement or Solo Option that may be different from, or in addition to, those of other stockholders?

A: None of Akerna’s directors or executive officers have any substantial financial interest, direct or indirect, in the Arrangement, the Solo Option or the issuance of Akerna Shares in relation to the Arrangement or Solo Option, other than being a director or executive officer and a stockholder of Akerna.

Q: What agreements have Akerna officers and directors entered into in connection with the Arrangement?

A: Each of the officers and directors of Akerna has entered into voting support agreements obligated them to vote in favor of the transaction.

Q: What agreements have Akerna officers and directors entered into in connection with the Solo Option?

A: Each of the officers and directors of Akerna has indicated that they intend to vote in favor of the Solo Option, although they have not entered into an agreement obligating them to do so.

Q: What do I need to do now?

A: After carefully reading and considering the information contained in this proxy statement, please vote promptly by calling the toll-free number listed on your proxy card, accessing the Internet website listed on your proxy card or by completing, signing and dating your proxy card and returning it by mail in the enclosed postage-paid envelope. If you hold your stock in “street name” through a bank or broker, you must direct your bank or broker to vote in accordance with the instructions you have received from your bank or broker. Submitting your proxy by telephone, Internet or mail or directing your bank or broker to vote your shares will ensure that your shares are represented and voted at the Special Meeting. For information on how to vote your shares in person at the Special Meeting, see “*Can I attend the Special Meeting and vote my shares in person?*” below.

Q: How will my proxy be voted?

A: If you vote by telephone, over the Internet, or by completing, signing, dating and returning your signed proxy card, your proxy will be voted in accordance with your instructions. The proxy confers discretionary authority to the named proxies. Accordingly, if you complete, sign, date and return your proxy card and do not indicate how you want to vote, your shares will be voted “**FOR**” the approval of the Stock Issuance, “**FOR**” the approval of the Arrangement Approval, “**FOR**” the approval of the Solo Option, “**FOR**” the approval of the Incentive Plan Amendment, and, if necessary or appropriate, “**FOR**” the adjournment of the Special Meeting to solicit additional proxies.

Q: If my broker holds my shares in “street name,” will my broker automatically vote my shares for me?

A: No. Brokers are not authorized to vote the shares that they hold for your benefit on non-routine matters, such as the proposals set forth in this proxy statement. If you do not provide your broker with instructions on how to vote your “street name” shares, your broker will not be permitted to vote them on your behalf. You should therefore be sure to provide your broker with instructions on how to vote your shares, following the directions your broker provides to you. Please check the voting form used by your broker to see if the broker offers telephone or Internet voting.

All stockholder are urged to have their voices heard on this important matter — please vote your shares today.

Q: Can I attend the Special Meeting and vote my shares in person?

A: Yes. All holders of Akerna Shares, including stockholders of record and stockholders who hold their shares through banks, brokers, custodians or any other record holder, are invited to attend the Special Meeting. Holders of record of Akerna Shares as of the record date can vote in person at the Special Meeting. If you are not a stockholder of record, you must obtain a valid proxy, executed in your favor, from the record holder of your shares, such as a bank, broker, custodian or other record holder, to be able to vote in person at the Special Meeting.

If you plan to attend the Special Meeting, you must hold your shares in your own name, have a letter or recent brokerage statement from the record holder of your shares confirming your ownership or have a valid proxy authorizing you to vote shares at the meeting, and you must bring a form of personal photo identification with you in order to be admitted. Akerna reserves the right to refuse admittance to anyone without proper proof of share ownership, proper authorization to vote shares, or proper photo identification.

Q: What does it mean if I receive more than one set of materials?

A: This means you own Akerna Shares that are registered under different names. For example, you may own some shares directly as a stockholder of record and other shares through a broker, or you may own shares through more than one broker. In these situations, you will receive multiple sets of proxy materials. You must complete, sign, date and return all of the proxy cards or follow the instructions for any alternative voting procedures on each of the proxy cards you receive in order to vote all of the shares you own. Each proxy card you receive will come with its own postage-paid return envelope; if you vote by mail, make sure you return each proxy card in the return envelope that accompanied that proxy card.

Q: What constitutes a quorum for the Special Meeting?

A: The presence in person or by proxy of the holders of record of a majority of the issued and outstanding Akerna Shares entitled to vote at the Special Meeting constitutes a quorum under Akerna’s amended and restated bylaws. Akerna will treat shares of common stock represented by a properly signed and returned proxy, including abstentions, as present at the Special Meeting for the purposes of determining the existence of a quorum. If there be no such quorum, the holders of a majority of such shares so present or represented may adjourn the meeting from time to time, without further notice, until a quorum shall have been obtained. When a quorum is once present it is not broken by the subsequent withdrawal of any stockholder.

Q: What can I do if I want to change or revoke my vote?

A: Regardless of the method you used to cast your vote, if you are a holder of record, you may change your vote by completing, signing, dating and returning a new proxy card with a later date, by calling the toll-free number, if any, listed in your proxy materials or by accessing the Internet website, if any, listed in your proxy materials, in either case by 11:59 p.m. Eastern Time on the business day before the day of the Special Meeting or by attending the Special Meeting and voting by ballot at the Special Meeting. You may also revoke your proxy card by sending a notice of revocation, which must be received prior to the Special Meeting, to Akerna Corp., Attention: Secretary, 1630 Welton Street, Denver, Colorado 80202.

If you hold your shares in “street name,” and wish to change or revoke your vote, please refer to the information on the voting instruction form included with these materials and forwarded to you by your bank, broker, custodian or other record holder to see your voting options.

Q: Whom should I call if I have questions about the Special Meeting, the Arrangement, the Solo Option or the Incentive Plan Amendment?

A: You should call Advantage Proxy, Akerna’s proxy solicitor, at (206) 870-8565, or Akerna’s corporate secretary at (888) 932-6537.

Akerna’s Reasons for the Arrangement and the Solo Option (Pages 47 and 58)

The Akerna Board expects both transactions to provide significant strategic and financial benefits to the stockholders of Akerna, including:

- as Canada’s leading seed-to-sale compliance tracking and eCommerce platform, with approximately 70% market share of licensed producers under the Cannabis Act (Canada) (“LPs”) and approximately 80% of Canadian medical Cannabis patients, we believe Ample is well positioned to continue to grow within the Canadian market and expand internationally;

- Canada is the largest federally legal market, where Ample is well positioned to provide technology solutions that enable software tracking, payments, data, analytics and more;
- Ample has a large cannabis dataset with aggregate anonymized data of all aspects of the supply chain;
- Ample has a proven management team with strong track record of innovation;
- Solo is a leader in the anti-counterfeiting and consumer engagement market in the cannabis industry, adding new capabilities to Akerna that strengthens cannabis supply chain transparency. By enabling consumers to determine if a product is real or fake, providing detailed product information and promoting loyalty for brands and manufacturers, Solo extends Akerna's ability to create a more transparent cannabis supply chain;
- with Solo, Akerna extends its supply chain reach to the consumer, accessing a large addressable market that was previously untapped by Akerna;
- Solo enables Akerna to differentiate its Leaf Data Systems product with Solo's unique authentication tagging technology. Akerna and Solo have already won a joint contract with the state of Utah, where authentication with the solo*TAG was a critical factor. Utah mandates the use of both technologies for their closed loop program; and
- Solo has a proven management team with strong track record of innovation.

Following closing of the two acquisitions, Akerna, Ample and Solo will be combined to create a larger, more diversified cannabis compliance technology provider.

Opinion of Financial Advisor to the Akerna Board (Page 48)

Akerna retained Cowen and Company, LLC ("Cowen") to act as its exclusive financial advisor and to render an opinion to the Akerna Board as to the fairness, from a financial point of view, to Akerna of the consideration paid in the Arrangement.

On December 17, 2019, Cowen delivered certain of its written analyses and its oral opinion to the Akerna Board, subsequently confirmed in writing as of the same date, to the effect that and subject to the various assumptions, qualifications and limitations set forth therein, as of December 17, 2019, the consideration paid in the Arrangement was fair, from a financial point of view, to Akerna.

The full text of the written opinion of Cowen, dated December 17, 2019, is attached as *Annex E* and is incorporated by reference. Holders of Akerna Shares are urged to read the opinion in its entirety for the assumptions made, procedures followed, other matters considered and limits of the review by Cowen. The summary of the written opinion of Cowen set forth herein is qualified in its entirety by reference to the full text of such opinion. Cowen's analyses and opinion were prepared for and addressed to the Akerna Board are directed only to the fairness, from a financial point of view, of the consideration paid in the Arrangement, and do not constitute an opinion as to the merits of the Arrangement or a recommendation to any stockholder as to how to vote on the proposed proposals. The consideration paid in the Arrangement was determined through negotiations between Akerna and Ample and not pursuant to recommendations of Cowen.

Security Ownership of Certain Beneficial Owners and Management of Akerna Shares (Page 40)

As of the record date, directors and executive officers of Akerna as a group beneficially owned and were entitled to vote approximately 1,879,952 Akerna Shares, representing approximately 14% of the Akerna Shares issued and outstanding. All of the directors and executive officers of Akerna who are entitled to vote at the Special Meeting have advised Akerna that they intend to vote their Akerna Shares in favor of each of the proposals, and the directors and executive officers have entered into agreements obligating them to do so.

The Arrangement Agreement (Page 94)

The terms and conditions of the Arrangement are contained in the Agreement, which is attached to this proxy statement as *Annex A*. We encourage you to read the Agreement carefully, as it is the legal document that governs the Arrangement. Capitalized terms used in this section and not otherwise defined have the meanings ascribed to them in the Agreement.

Arrangement Consideration (Page 94)

The consideration paid for Ample's common and preferred shares consists of (1) CAD\$7,500,000 in cash, (2) 3,294,574 Exchangeable Shares, which are exchangeable Akerna Shares on a 1:1 basis, as determined in accordance with the Agreement (and the assumption of out-of-money warrants and options to acquire capital stock of Ample on the terms specified in the Agreement) and (3) contingent value rights to be issued pursuant to a rights indenture entitling the holders thereof to receive, subject to certain adjustments as set forth in the Agreement and the related plan of arrangement, an aggregate of up to CAD\$10,000,000 in Exchangeable Shares, in the event that Ample achieves certain revenue targets as specified in the Agreement.

Conditions to the Arrangement Becoming Effective (Page 95)

The respective obligations of Ample and Akerna to complete the Arrangement are subject to the satisfaction or mutual waiver of the following conditions:

- receipt of the Interim Order and Final Order of the Ontario Superior Court of Justice;
- the Arrangement Resolution will have been passed by the Ample shareholders;
- the Akerna stockholder matters (including the Stock Issuance and Arrangement Approval) will have been passed by the Akerna stockholders;
- no governmental entity shall have enacted, issued, promulgated, enforced or entered any order or law which is then in effect and has the effect of making the Arrangement illegal or otherwise preventing or prohibiting consummation of the Arrangement;
- all regulatory approvals will have been obtained on terms and conditions satisfactory to each of Akerna, Purchaser and Ample, each acting reasonably;
- the Akerna Shares to be issued upon the exchange of Exchangeable Shares shall, subject to customary conditions, have been approved for listing on the Nasdaq Stock Market; and
- the Exchangeable Shares and the CVRs (as later defined), in each case to be issued pursuant to the Arrangement, shall be exempt from the registration requirements of the U.S. Securities Act pursuant to Section 3(a)(10) thereof.

Non-Solicitation (Page 97)

The Agreement contains customary non-solicitation covenants that prohibit Ample or any of its representatives from soliciting an alternative proposal or entering into, engaging in, continuing or participating in any discussion or negotiations, with any person regarding an alternative proposal.

Termination (Page 99)

- Both Akerna and Purchaser or Ample may terminate the Agreement in certain circumstances.

The Solo Option (Page 101)

The terms and conditions of the Solo Option are contained in the Solo SPA, which is attached to this proxy statement as *Annex F*. We encourage you to read the Solo SPA carefully, as it is the legal document that governs the Solo Option. Capitalized terms used in this section and not otherwise defined have the meanings ascribed to them in the Solo SPA.

Solo Option Consideration (Page 101)

The Solo SPA also contained an option for Akerna to purchase all (but not less than all) of the remaining 19.6% of the issued and outstanding capital stock of Solo, to be exercised within twelve months after the transaction closing date (the “Solo Option”). The Solo Option may be paid, at the sole option of Akerna, in either cash or Akerna Shares in an amount equal to either (1) if Akerna Shares are trading at an amount less than or equal to \$16.00 per share, the greater of (i) 800,000 Akerna Shares or (ii) the difference between the number of Akerna Shares worth \$20,000,000 valued at Market Price (as defined in the Solo SPA) and 1,950,000 Akerna Shares, or (2) if Akerna Shares are trading at more than \$16.00 per share, the number of Akerna Shares equal to the (i) difference between (A) the product of the Market Price and 1,950,000 Akerna Shares and (B) \$44,000,000, divided by (ii) the Market Price.

Exercise of the Solo Option (Page 102)

The procedure for Akerna to exercise the Solo Option is as follows: Akerna must exercise its purchase option during the time period commencing on the closing date of the Solo transaction and ending on the twelve-month anniversary of the closing date (the “Option Period”) by giving written notice. The date of Akerna’s or the Solo shareholders’ receipt of such notice shall be the “Date of Exercise”. The Solo Option closing will take place at 10:00 A.M. Eastern Standard Time on the date which is no later than sixty days after the Date of Exercise (the “Akerna Option Closing Date”) or at such other date and place as is mutually agreed upon by the parties.

Repurchase Option (Page 104)

In the event the Solo Option is not exercised by the Akerna during the Option Period and consummated within ninety days after the Date of Exercise, Akerna granted to the Solo shareholders, during the time period commencing on the day following the expiration of the Option Period and ending on the three month anniversary of such date (the “Repurchase Option Period”), the option to purchase an amount between 40% and 55% of the issued and outstanding capital stock of Solo (the “Repurchase Shares”) from Akerna (the “Repurchase Option”) for the Shareholder Repurchase Price (as defined below). All of such Repurchase Shares would be delivered free of liens, encumbrances or options. Such Solo shareholders may exercise the Repurchase Option by delivering written notice of exercise to Akerna, along with proof of a bona fide financing offer, within the Repurchase Option Period. The date of Akerna’s receipt of such notice shall be the “Repurchase Date of Exercise.” The “Shareholder Repurchase Price” will equal the lesser of (1) the product of (X) \$20,000,000 and (Y) the percentage of Solo’s shares to be repurchased from Akerna, or (2) the difference between (i) the product of (X) \$20,000,000 and (Y) the percentage of Solo’s shares to be repurchased from Akerna and (ii) the product of (A) 1,950,000 Akerna Shares and (B) \$8.00 minus the Market Price.

Interests of Akerna’s Executive Officers and Directors in the Arrangement and Solo Option

None of Akerna’s directors or executive officers has any substantial financial interest, direct or indirect, in the Arrangement, the Solo Option or the issuance of Akerna Shares in relation to the Arrangement or Solo Option, other than being a director or executive officer and a stockholder of Akerna.

2019 Long Term Incentive Plan Summary

The purpose of the Incentive Plan is to enable Akerna to offer its employees, officers, directors and consultants whose past, present and/or potential future contributions to Akerna have been, are, or will be important to its success, an opportunity to acquire a proprietary interest in Akerna. The various types of incentive awards that may be provided under the Incentive Plan are intended to enable Akerna to respond to changes in compensation practices, tax laws, accounting regulations and the size and diversity of its business. The Incentive Plan is administered by the compensation committee of the Akerna Board (the “Compensation Committee”) or by the full Akerna Board, which may determine, among other things, (1) the persons who are to receive awards, (2) the type or types of awards to be granted to such persons, (3) the number of Akerna Shares to be covered by, or with respect to which payments, rights, or other matters are to be calculated in connection with the awards, (4) the terms and conditions of any awards, (5) whether, to what extent, and under what circumstances awards may be settled or exercised in cash, Akerna Shares, other securities, other awards or other property, or cancelled, forfeited, or suspended and the method or methods by which awards may be settled, exercised, cancelled, forfeited, or suspended, (6) whether, to what extent, and under what circumstances the delivery of cash, Akerna Shares, other securities, other awards or other property and other amounts payable with respect to an award, and (7) make any other determination and take any other action that the Compensation Committee deems necessary or desirable for the administration of the Incentive Plan.

The Incentive Plan provides that in the event of a change of control event, (i) all of the then outstanding options and stock appreciation rights granted pursuant to the Incentive Plan will immediately vest and become immediately exercisable as of a time prior to the change in control and (ii) any performance goal restrictions related to an award will be deemed achieved at 100% of target levels and all other conditions met as of a time prior to the change in control. In the event of the sale of all of Akerna's assets or a change of control event, then the Compensation Committee may (1) accelerate the vesting of any and all Stock Options and other awards granted and outstanding under the Incentive Plan; (2) require a holder of outstanding options to relinquish such award to Akerna upon the tender by Akerna to holder of cash, stock or other property, or any combination thereof pursuant to the terms of the Incentive Plan and (3) terminate all incomplete performance periods in respect of awards in effect on the date the acquisition occurs, determine the extent to which performance goals have been met based upon such information then available as it deems relevant and cause to be paid to the holder all or the applicable portion of the award based upon the Compensation Committee's determination of the degree of attainment of performance goals, or on such other basis determined by the Compensation Committee.

The Akerna Board may at any time, and from time to time, amend alter, suspend or discontinue any of the provisions of the Incentive Plan, but no amendment, alteration, suspension or discontinuance shall be made that would impair the rights of a holder under any agreement theretofore entered into hereunder, without the holder's consent, except as set forth in this Incentive Plan or the agreement. Notwithstanding anything to the contrary herein, no amendment to the provisions of the Incentive Plan shall be effective unless approved by the stockholders of Akerna to the extent stockholder approval is necessary to satisfy any provision of the Ethics Code or other applicable law or the listing requirements of any national securities exchange on which Akerna's securities are listed.

Akerna is a Delaware corporation and its affairs are governed by its Amended and Restated Certificate of Incorporation and Amended and Restated By-laws.

The Akerna Shares are listed on the Nasdaq Capital Market under the symbol "KERN".

All outstanding Akerna Shares are of the same class and have equal rights and attributes. The holders of Akerna Shares are entitled to one vote per share on all matters submitted to a vote of stockholders. Subject to the prior rights of all classes or series of stock at the time outstanding having prior rights as to dividends or other distributions, all stockholders are entitled to share equally in dividends, if any, as may be declared from time to time by the Akerna Board out of funds legally available. Subject to the prior rights of creditors of the corporation and the holders of all classes or series of stock at the time outstanding having prior rights as to distributions upon liquidation, dissolution or winding up of the corporation, in the event of liquidation, the holders of Akerna Shares are entitled to share ratably in all assets remaining after payment of all liabilities. The stockholders do not have cumulative, preemptive rights, or subscription rights.

Further, under the Agreement, Akerna agreed to cause the Purchaser to create a special voting share prior to the Effective Time (as later defined). Such special voting share will be a certificated share in the capital of Akerna to be deposited with Odyssey Trust Company (the "Trustee") selected by Akerna pursuant to the Voting and Exchange Trust Agreement, which, at any time, entitles the Trustee to that number of votes at meetings of holders of Akerna Shares equal to the number of Exchangeable Shares outstanding at such time (excluding any Exchangeable Shares held by Akerna or any affiliate) (the "Special Voting Share"). At the Effective Time, the Voting and Exchange Trust Agreement will be entered into by and among Akerna, Purchaser, 2732804 Ontario Inc., a subsidiary of Akerna incorporated under the laws of Ontario and the Trustee. With respect to all meetings of shareholders of Akerna at which holders of Akerna Shares are entitled to vote, each registered holder of Exchangeable Shares (each, a "Beneficiary") shall be entitled to instruct the Trustee to cast and exercise, in the manner instructed, that number of votes equal to the "Equivalent Vote Amount" (with respect to any matter, proposition, proposal or question on which holders of Akerna Shares are entitled to vote, consent or otherwise act, the number of votes to which a holder of one Akerna Share is entitled with respect to such matter, proposition or question) for each Exchangeable Share owned of record by such Beneficiary at the close of business on the record date established by Akerna or by applicable law for such meeting, in respect of each matter, question, proposal or proposition to be voted on at such meeting.

In sum, certain voting rights will be vested in and exercisable by the Trustee, including the right to consent to or vote in person or by proxy the Special Voting Share, on any matter, question, proposal or proposition whatsoever that may properly come before the Akerna stockholders at an Akerna special meeting.

Description of Exchangeable Shares

The Exchangeable Shares are exchangeable on a one-for-one basis at any time at the option of the holder of the Exchangeable Shares into Akerna Shares. The following is a summary description of the material provisions of the rights, privileges, restrictions and conditions attaching to the Exchangeable Shares and is qualified in its entirety by reference to the Plan of Arrangement and the Voting and Exchange Trust Agreement.

- **Retraction of Exchangeable Shares by Holders:** Subject to applicable law and the due exercise by either us or Purchaser of our of its retraction call right, holders of Exchangeable Shares will be entitled at any time to retract (i.e., to require Purchaser to redeem) any or all Exchangeable Shares held by them and to receive in exchange one Akerna Share, plus the full amount of all declared and unpaid dividends on the Exchangeable Shares and all dividends and distributions declared on an Akerna Share that have not yet been declared or paid on the Exchangeable Shares, if any (the “**Dividend Amount**”), subject to restrictions based on applicable solvency requirements or other provisions of applicable law.
- **Distribution on Liquidation of Purchaser:** Subject to applicable law and the exercise by either us or Purchaser of our or its liquidation call right, in the event of the liquidation, dissolution or winding up of Purchaser or any other distribution of its assets among its shareholders for the purpose of winding up its affairs, holders of Exchangeable Shares shall be entitled to receive from the assets of Purchaser a liquidation payment that will be satisfied by issuance of one share of our common stock plus the Dividend Amount, if any, for each outstanding Exchangeable Share.
- **Automatic Exchange Upon Liquidation of Akerna:** Under the Voting and Exchange Trust Agreement, in the event of our liquidation, all of the then outstanding Exchangeable Shares will be automatically exchanged for shares of our common stock.
- **Redemption of Exchangeable Shares by Purchaser:** Subject to applicable law and the due exercise by either us or Purchaser of our or its redemption call right, Purchaser will, on the redemption date, redeem all of the then outstanding Exchangeable Shares for a purchase price equal to one share of our common stock for each outstanding Exchangeable Shares plus the Dividend Amount, if any. As further described in and pursuant to and subject to the conditions of the Exchangeable Shares, the board of directors of the Purchaser may accelerate the redemption date.
- **Call Rights:** As further described in the Plan of Arrangement, we and Purchaser will have certain overriding rights to acquire Exchangeable Shares from the holders upon certain events including but not limited to a change of law, a retraction event, a liquidation event, or a redemption event. In each case, we have the initial call right and to the extent we do not exercise our right, a Purchaser may exercise its right.
- **Purchase for Cancellation:** Subject to applicable law and the Articles of Incorporation of Purchaser, Purchaser may at any time purchase for cancellation all or any part of the outstanding Exchangeable Shares by private agreement with any holder of such Exchangeable Shares or by tender to all holders of record of the Exchangeable Shares or through the facilities of any stock exchange on which the Exchangeable Shares are listed or quoted at any price per share together with the dividend amount for which the record date has occurred prior to the date of purchase.
- **Voting Rights:** Under the Voting and Exchange Trust Agreement we will enter into with Purchaser and other parties thereto, holders of Exchangeable Shares will be entitled to receive notice of and attend any meeting of our shareholders and to vote at any meetings. For more information on the Voting and Exchange Trust Agreement, review the section of this proxy statement titled “Description of Akerna’s Common Stock.”
- **Dividends:** Holders of Exchangeable Shares will be entitled to receive dividends equivalent to the dividends, if any, paid from time to time by us on shares of our common stock. The declaration date, record date and payment date for dividends on the Exchangeable Shares will be the same as that for any corresponding dividends on shares of our common stock.

Terms of the Contingent Value Rights and Rights Indenture

Pursuant to the Agreement, each Ample shareholder immediately prior to the time at which the Arrangement becomes effective on the Closing Date (the “Closing Time”) (other than Ample shareholders that validly exercised dissent rights in connection with the Arrangement) will be entitled to one CVR at the Closing Time. Each CVR entitles the holder thereof to receive that portion of Deferred Consideration (as defined in the Agreement) that the initial holder of such CVR is entitled to receive in its capacity as an Ample shareholder. The amount of the entitlement attaching to each CVR will be determined in accordance with the Arrangement and with reference to the shareholder register of Ample.

In the event that Ample’s recurring revenue derived from or associated with Ample’s core seed-to-sale, AmpleCentral and “Last Call Analytics” products (“Recurring Revenue”) is equal to or more than CAD\$9,000,000 during the period beginning on the Effective Date (as later herein defined) and ending on the date that is 12 months after the Effective Date, each CVR will entitle the holder to additional Exchangeable Shares in the aggregate value of CAD\$10,000,000. In the event the Recurring Revenue is less than CAD\$9,000,000, the amount of Deferred Consideration will be reduced by an amount equal to the product of CAD\$6.67 multiplied by the difference between CAD\$9,000,000 and the amount of Recurring Revenue (up to a maximum reduction of CAD\$10,000,000).

The aggregate number of additional Exchangeable Shares to be issued in respect of all CVRs shall be equal to the quotient obtained by dividing: (i) the amount of the Deferred Consideration payable, divided by (ii) the 20-day volume weighted average price of the Akerna Shares (converted to Canadian dollars from US dollars using the exchange rate applicable on the Deferred Consideration payment date) as quoted on the Nasdaq Stock Market on the last trading day immediately preceding the Deferred Consideration payment date.

All issued and outstanding CVRs shall rank *pari passu*.

No certificates or other entitlements to fractional Exchangeable Shares shall be issued to any holder of CVRs, and any holder otherwise entitled to a fractional interest in an Exchangeable Share will receive the nearest whole number of Exchangeable Shares (with fractions equal to or greater than 0.5 being rounded up and fractions less than 0.5 being rounded down).

The CVRs shall, as at the Termination Date of the Rights Indenture (as defined in the Agreement), be null and void and of no effect. The “Termination Date” is the date that Akerna and Purchaser fully pay to the holders of CVRs all Deferred Consideration to which such holders are entitled (if any).

Transfer of CVRs

The CVRs may only be transferred in certain limited circumstances. Any attempted sale, assignment, transfer, pledge, encumbrance or disposition of the CVRs shall be void and of no effect unless the terms of the Rights Indenture and all applicable securities legislation and regulatory requirements are complied with.

Covenants of Akerna and Purchaser

Among other covenants, Akerna and Purchaser have agreed to the following covenants in the Rights Indenture. If Akerna and Purchaser fail to perform the covenants, the Rights Agent (as defined in the Agreement) may perform the covenants:

- *Maintain Existence* — So long as any CVRs are outstanding, Akerna and Purchaser shall use commercially reasonable efforts to at all times maintain their existence, carry on and conduct their business and that of their material subsidiaries in accordance with good business practice.
- *To Pay Rights Agent’s Remuneration and Expenses* — Akerna will pay the fees and expenses of the Rights Agent.
- *To Perform Covenants* — Akerna and Purchaser will perform and carry out all of the acts or things to be done by them as provided in the Rights Indenture and will promptly advise the Rights Agent in writing of any material default in the performance by them of any of the covenants in the Rights Indenture.

The foregoing summary of certain terms of the CVRs and the Rights Indenture that may be entered into among Akerna, Purchaser, the Shareholder Representative and the Rights Agent is qualified in its entirety by the full text of the Rights Indenture.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This proxy statement contain or may contain forward-looking statements. Forward-looking statements may be identified by the use of forward-looking terms such as “may,” “will,” “should,” “can,” “expect,” “believe,” “anticipate,” “intend,” “plan,” “estimate,” “potential,” “project,” “assume,” “guide,” “target,” “forecast,” “is confident that” and “seek” or the negative of such terms or other variations on such terms or comparable terminology.

Such forward-looking statements include, but are not limited to, statements about (1) the timing and completion of the proposed transactions described in this proxy statement, (2) expectations as a result of the proposed transactions described in this proxy statement, (3) the ability to optimize technical and operational components of a future combined business, (4) capital resources, capitalization and ownership, including relationships with major stockholders and other statements that are not historical facts. Such statements are based upon the current beliefs and expectations of the respective managements of Akerna, Ample and Solo and are subject to significant risks and uncertainties that could cause actual outcomes and results to differ materially.

You should not place undue reliance on these forward-looking statements. Akerna does not undertake any obligation to update or revise any forward-looking statements to reflect events or circumstances after the date of this proxy statement, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. Important factors that could cause actual results to differ materially from those indicated by such forward-looking statements include, without limitation, the risks and uncertainties set forth under the section entitled “*Risk Factors*” beginning on page 22 of this proxy statement, as well as the following:

- the inability to complete the Arrangement on time or at all due to the failure to obtain stockholder approval or governmental or regulatory clearances or the failure to satisfy other conditions to the completion of the Arrangement or the failure of the Arrangement to be completed for any other reason;
- the occurrence of any event, change or other circumstances that could give rise to the termination of the Agreement;
- any disruption from the Arrangement making it difficult to maintain business and operations;
- the incurrence of unexpected transaction and combination-related costs in connection with the Arrangement;
- the impact of potentially immediate sales of Akerna Shares tangentially received in the Arrangement by Ample shareholders;
- the future financial performance, anticipated liquidity and capital expenditures of Akerna;
- the ability to raise additional capital in the future;
- success in retaining or recruiting, or changes required in, Akerna’s and Ample’s officers, key employees or directors following the Arrangement;
- the risk that the businesses will not be coordinated successfully, or that the coordination will be more costly or more time consuming and complex than anticipated;
- effectiveness of Akerna’s and Ample’s systems of internal controls;
- adverse developments in general market, business, economic, labor, regulatory and political conditions, including worldwide demand for cannabis and the spot price and long-term contract price of cannabis;
- the impact of competitive risks;
- market reaction to negative publicity of cannabis;
- government regulation of the cannabis industry;
- the impact of any cyber-breaches, acts of war or terrorism or natural disasters;

- the impact of any unanticipated geological, processing, environmental, regulatory and legal or other restrictions which may be encountered;
- the impact of the coronavirus 2019 (COVID-19) pandemic and measures taken in response; and
- other factors which are more fully described in the Akerna's Annual Report on Form 10-K and as updated by subsequent Quarterly Reports on Form 10-Q, and other filings with the U.S. Securities and Exchange Commission (the "SEC").

RISK FACTORS

You should carefully consider the following risk factors and all of the other information contained in this proxy statement, including the matters addressed under the caption “Cautionary Statement Regarding Forward-Looking Statements” on page 20 and the annexes hereto, before deciding how to vote your shares on the proposals presented. If any of the risks described below, or elsewhere in this proxy statement, actually occur, the business, financial results, financial condition, operating results or stock price of Akerna or the combined company could be materially adversely affected.

Risks Relating to the Arrangement

The benefits of integrating the companies may not be realized.

To be successful after the Arrangement, Akerna will need to combine and integrate the operations of Akerna and Ample. Integration will require substantial management attention and could detract attention from the day-to-day business of the combined company. Akerna could encounter difficulties in the integration process, such as the need to revisit assumptions about future production, revenues, capital expenditures and operating costs, including synergies, the loss of key employees or commercial relationships or the need to address unanticipated liabilities. If Akerna cannot integrate the Akerna and Ample businesses successfully, it may fail to realize the expected benefits of the Arrangement.

Failure to complete the Arrangement or delays in completing the Arrangement could negatively affect Akerna’s stock price and Akerna’s and Ample’s future businesses and operations.

If the Arrangement is not completed for any reason, Akerna and Ample may be subject to a number of risks, including the following:

- the separate companies will not realize the benefits expected from the Arrangement, including potential operational efficiencies and improved access to capital;
- the current market price of the Akerna Shares may reflect a market assumption that the Arrangement will occur and a failure to complete the Arrangement could result in a negative perception by the stock market of Akerna and a resulting decline in the market price of its common stock; and
- there may be substantial disruption to Akerna’s business and distraction of its management and employees from day-to-day operations because matters related to the Arrangement (including integration planning) may require substantial commitments of time and resources, which could otherwise have been devoted to other opportunities that could have been beneficial to Akerna.

Delays in completing the Arrangement could exacerbate uncertainties concerning the effect of the Arrangement, which may have an adverse effect on the business following the Arrangement and could defer or detract from the realization of the benefits expected to result from the Arrangement.

Akerna stockholders will suffer immediate dilution to their equity and voting interests as a result of the Stock Issuance.

In connection with the Arrangement, Purchaser will issue up to 3,294,574 Exchangeable Shares which are exchangeable for Akerna Shares, on a 1:1 basis. Further, the transaction consideration also consists of an aggregate of up to CAD\$10,000,000 worth of CVR Shares. Additionally, the Special Voting Share issued by Akerna will entitle the holder of record to that number of votes at meetings of holders of Akerna Shares equal to the number of Exchangeable Shares outstanding at such time (excluding any Exchangeable Shares held by Akerna or any affiliate). Immediately following the completion of the Arrangement (and prior to the issuance of the CVR Shares, if any), former Ample stockholders will own collectively approximately 20.3% of the total number of Akerna Shares outstanding and the existing stockholders of Akerna will own approximately 79.7% of the outstanding Akerna Shares. Accordingly, the issuance of Akerna Shares in relation to the Arrangement will have the effect of reducing the percentage of equity and voting interest held by each of Akerna’s existing stockholders. Consequently, Akerna stockholders as a group will have less influence over the management and policies of the combined company after the Arrangement than they currently exercise.

If the Ample holders sell Akerna Shares received in the Arrangement, they could depress Akerna's stock price.

If the Ample holders who receive Akerna Shares in the Arrangement, or other holders of Akerna Shares, sell significant amounts of Akerna Shares following the Arrangement, the market price of Akerna Shares could decrease. These sales may also make it more difficult for Akerna to sell equity securities or equity-related securities in the future at a time and at a price that Akerna otherwise would deem appropriate.

The unaudited pro forma condensed combined financials are presented for illustrative purposes only and may not be indicative of Akerna's financial condition or results of operations following the Arrangement or the exercise of the Solo Option.

The pro forma financial statements contained in this proxy statement are presented for illustrative purposes only and may not be an indication of Akerna's financial condition or results of operations following the Arrangement or the exercise of the Solo Option for several reasons. For example, the pro forma financial statements have been derived from the historical financial statements of Akerna, Ample and Solo, and certain adjustments and assumptions have been made regarding the combined company after giving effect to the Arrangement and option exercise by which each entity would become a part of the combined company. The information upon which these adjustments and assumptions have been made is preliminary, and such adjustments and assumptions are difficult to make with complete accuracy.

Moreover, the pro forma financial statements do not reflect all costs that are expected to be incurred by the combined company in connection with the Arrangement and option exercise. For example, the impact of any incremental costs incurred in integrating the companies is not reflected in the pro forma financial statements. As a result, the actual financial condition and results of operations of the combined company following the Arrangement may differ significantly from these pro forma financial statements.

In addition, the assumptions used in preparing the pro forma financial statements may not prove to be accurate, and other factors may affect the combined company's financial condition or results of operations following the Arrangement and option exercise. Any potential decline in the combined company's financial condition or results of operations may cause significant variations in the stock price of the combined company. See the section entitled "*Unaudited Pro Forma Condensed Combined Financial Information*" beginning on page 28.

Akerna will incur significant transaction and combination-related costs in connection with the Arrangement.

Akerna and Ample expect to incur significant costs associated with the Arrangement and combining the operations of the two companies. Akerna's fees and expenses related to the Arrangement include financial advisor fees, filing fees, legal and accounting fees, regulatory fees and mailing costs, some of which will be paid regardless of whether the Arrangement is completed. Such fees and expenses will reduce Akerna's cash on hand. Furthermore, following the completion of the Arrangement, the combined company will incur costs associated with combining the operations of the two companies. However, it is difficult to predict the amount of these costs before the combined company begins the integration process. The combined company may incur additional unanticipated costs as a consequence of difficulties arising from efforts to integrate the companies.

The fairness opinion obtained by Akerna from its financial advisors will not reflect changes in circumstances subsequent to the date of the fairness opinion.

Akerna obtained an opinion from its financial advisor regarding the fairness, from a financial point of view, that the aggregate consideration to be paid by Akerna pursuant to the Agreement was fair to Akerna. See "*The Arrangement — Opinion of Financial Advisor to the Akerna Board*" on page 48 of this proxy statement. The fairness opinion is provided as *Annex E* to this proxy statement. Such opinion does not reflect changes that may occur or may have occurred after the date of the opinion, including changes to the operations and prospects of Akerna, changes in Akerna's stock price, changes in exchange rates, general market and economic conditions or regulatory or other factors. Any such changes, or changes in other factors on which the fairness opinion is based, may materially alter or affect the fairness of the Arrangement to the stockholders of Akerna.

If Akerna fails to implement an effective system of internal controls with respect to Ample after the Arrangement, it may not be able to accurately report its financial results or prevent fraud and, as a result, its business could be harmed and current and potential stockholders could lose confidence in Akerna, which could cause Akerna's value to fall.

If Akerna is not able to establish and maintain, effective internal controls with respect to Ample in a timely manner following the Arrangement or with adequate compliance, it may not be able to accurately report the financial results of the combined company or prevent fraud and might be subject to sanctions or investigation by, among others, the Nasdaq Capital Market. Any such action could harm its business or investors' confidence in Akerna, and could cause its stock price to fall.

Risks Related to the Businesses of Akerna, Ample, Solo and the Combined Company

The combined company will require significant capital to fund its future operations, which may not be available on terms acceptable to Akerna or at all.

The continued operations of the combined company will be dependent on its ability to obtain financing through debt and equity financing, or generating sufficient cash flows from future operations. There is a risk that the combined company may not be able to access capital from debt or equity markets (or via any other forms of available financing) for future projects or developments, which could have a material adverse impact on the combined company's business and financial condition. If, after the Arrangement or Solo Option are finalized, financing is undertaken through the issuance of new equity or equity-linked securities of the combined company other than on a pro rata basis, existing stockholders may experience additional dilution and the control of the combined company may change.

The combined company will face significant competitive risks from other companies in our industry.

In addition to Akerna's existing businesses, the businesses to be acquired as a result of the Arrangement and the Solo Option are highly competitive. The combined company will face competition from existing companies, which are capable of producing cannabis compliance software. Many of these companies are larger companies with greater financial resources than the combined company, which companies are more able to withstand price volatility, should the price of cannabis significantly decrease.

Any potential growth in the cannabis industry continues to be subject to new and changing state and local laws and regulations.

Continued development of the cannabis industry is dependent upon continued legislative legalization of cannabis at the state level, and a number of factors could slow or halt progress in this area, even where there is public support for legislative action. Any delay or halt in the passing or implementation of legislation legalizing cannabis use, or its sale and distribution, or the re-criminalization or restriction of cannabis at the state level could negatively impact the combined company's business. Additionally, changes in applicable state and local laws or regulations could restrict the products and services that the combined company offers or impose additional compliance costs on the combined company or their customers. Violations of applicable laws, or allegations of such violations, could disrupt the combined company's business and result in a material adverse effect on operations. We cannot predict the nature of any future laws, regulations, interpretations or applications, and it is possible that regulations may be enacted in the future that will be materially adverse to either companies' business.

The cannabis industry faces significant opposition, and any negative trends will adversely affect the combined company's business operations.

Each of Akerna, Solo and Ample is substantially dependent on the continued market acceptance, and the proliferation of consumers, of medical and recreational cannabis. It is possible that with further legalization, cannabis may become more accepted, potentially resulting in a growth in consumer demand. However, we cannot predict the future growth rate or future market potential, and any negative outlook on the cannabis industry may adversely affect the combined company's business operations.

Large, well-funded business sectors may have strong economic reasons to oppose the development of the cannabis industry. For example, medical cannabis may adversely impact the existing market for the current "cannabis pill"

sold by mainstream pharmaceutical companies. Should cannabis displace other drugs or products, the medical cannabis industry could face a material threat from the pharmaceutical industry, which is well-funded and possesses a strong and experienced lobby. Any inroads the pharmaceutical, or any other potentially displaced, industry or sector could make in halting or impeding the cannabis industry could have a detrimental impact on the combined company's business.

The combined company's operations are subject to government regulations and licensing.

The future operations of the combined company require licenses, permits or other approvals from various federal, state or local governmental authorities and such operations are or will be governed by laws and regulations. Current and possible future cannabis legislation, regulations and actions could prohibit the combined company's operations or cause additional expense, capital expenditures, restrictions and delay the combined company's operations, the extent of which cannot be predicted. Failure to comply with applicable laws, regulations and permitting requirements may result in enforcement actions thereunder, including orders issued by regulatory or judicial authorities causing operations to cease or be curtailed, and may include corrective measures requiring capital expenditures, installation of additional equipment, or remedial actions.

Hiring or retaining qualified people or obtaining all necessary services for Solo's and/or Ample's operations may be difficult.

Hiring or retaining qualified people or obtaining all necessary services for Solo's and/or Ample's operations may be difficult. It may be difficult to hire qualified people, or to retain service providers, with the requisite expertise who are situated in or willing to work in the relevant local jurisdiction at reasonable rates. If qualified people and services cannot be obtained in the relevant local jurisdiction, the combined company may need to obtain these services from people located outside such jurisdiction, which could result in delays and higher costs to the combined company to conduct its operations.

Risks Relating to the Novel Coronavirus 2019 ("COVID-19")

The recent outbreak of COVID-19, which has been declared by the World Health Organization to be a pandemic, has spread across the globe and is impacting worldwide economic activity.

A pandemic, including COVID-19 or other public health epidemic, poses the risk that we or our employees, contractors, suppliers, and other partners may be prevented from conducting business activities for an indefinite period of time, including due to spread of the disease within these groups or due to shutdowns that may be requested or mandated by governmental authorities. While it is not possible at this time to estimate the impact that COVID-19 could have on our business, the continued spread of COVID-19 and the measures taken by the governments of countries affected could disrupt supply chains and adversely impact our business, financial condition or results of operations. The COVID-19 outbreak and mitigation measures may also have an adverse impact on global economic conditions which could have an adverse effect on our business and financial condition. The Corporation is actively assessing and responding where possible to the potential impact of the COVID-19 pandemic. The extent to which the COVID-19 outbreak impacts our results will depend on future developments that are highly uncertain and cannot be predicted, including new information that may emerge concerning the severity of the virus and the actions to contain its impact.

UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL INFORMATION

The following unaudited pro forma condensed combined balance sheet as of March 31, 2020 and the unaudited pro forma condensed combined statements of operations for the year ended June 30, 2019 and nine months ended March 31, 2020, are based on the historical financial statements of Akerna Corp. (“Akerna”, “we”, “our”), Solo Sciences (“Solo”) and Ample Organics Inc. (“Ample”), after giving effect to the acquisition of Solo, the probable exercise of the Solo Option, the probable acquisition of Ample (collectively “the Acquisitions”) and after applying the assumptions and adjustments described in the accompanying notes to the unaudited pro forma condensed combined financial statements.

The unaudited pro forma condensed combined statements of operations for the year ended June 30, 2019 and nine months ended March 31, 2020 give effect to the Acquisitions as if they had occurred on July 1, 2018, the first day of the first year presented.

The unaudited pro forma condensed combined balance sheet as of March 31, 2020, gives effect to the acquisition of Ample and the exercise of the Solo Option as if they had occurred on March 31, 2020. The acquisition of Ample has not closed and we have not exercised the Solo Option.

The partial acquisition of Solo and the acquisition of Ample has been and will be accounted for pursuant to Financial Accounting Standards Board Accounting Standards Codification (“ASC”) 805, Business Combinations. The exercise of the Solo Option will also be accounted for pursuant to ASC 810, Consolidation. The total estimated consideration to be transferred, calculated as described in Note 1 to these unaudited pro forma condensed combined financial statements, is allocated to the net tangible assets and intangible assets of Ample acquired in connection with the acquisition, based on their estimated fair values as of the date of the acquisition, and the excess is allocated to goodwill. Akerna has made a preliminary allocation of the estimated purchase price to the tangible and intangible assets acquired and liabilities assumed. The acquisition accounting is dependent upon certain valuations and other studies that have yet to progress to a stage where there is sufficient information for a definitive measurement. We have made significant assumptions and estimates in determining the preliminary estimated purchase price and the preliminary allocation of the estimated purchase price in the unaudited pro forma condensed combined financial statements. These preliminary estimates and assumptions are subject to change during the estimated purchase price allocation period (generally one year from the acquisition date) as we finalize the valuations of the net intangible assets. The final valuations of identifiable intangible assets, fixed assets and deferred revenue and associated tax effects may change significantly from our preliminary estimates. Differences between these preliminary estimates and the final acquisition accounting could have a material impact on the accompanying unaudited pro forma condensed combined financial statements and the combined company’s future results of operations and financial position. Accordingly, the pro forma adjustments are preliminary and have been made solely for the purpose of providing unaudited pro forma condensed combined financial statements.

The historical consolidated financial information has been adjusted in the unaudited pro forma condensed combined financial statements to give effect to pro forma events that are (1) directly attributable to the acquisition; (2) factually supportable; and (3) with respect to the unaudited pro forma condensed combined statements of operations, expected to have a continuing impact on the combined results.

The unaudited pro forma condensed consolidated financial statements have been prepared by management for illustrative purposes only and are not necessarily indicative of the consolidated results of operations or financial position of Akerna that would have been reported had the Acquisitions been completed as of the dates presented and should not be taken as representative of the future consolidated results of operations or financial position of Akerna. The unaudited pro forma financial statements do not reflect any operating efficiencies and cost savings that Akerna may achieve, or any additional expenses that it may incur, with respect to the combined companies.

The unaudited pro forma condensed combined financial statements, including the notes thereto should be read in conjunction with:

- The accompanying notes to the unaudited pro forma condensed combined financial statements;
- Our audited consolidated financial statements and accompanying notes as of and for the year ended June 30, 2019 and 2018, included elsewhere in the Proxy;

- Our unaudited condensed consolidated interim financial statements as of and for the three and nine months ended March 31, 2020 and 2019, included elsewhere in this Proxy;
- Ample's unaudited condensed consolidated interim financial statements as of and for the three months ended March 31, 2020 and 2019, included elsewhere in this Proxy;
- Ample's audited consolidated financial statements as of and for the years ended December 31, 2019 and 2018, included elsewhere in this Proxy, and
- Solo's audited financial statements as of and for the years ended December 31, 2019 and 2018, included elsewhere in this Proxy.

On January 15, 2020, we closed on a stock purchase agreement with substantially all of the shareholders of Solo pursuant to which we acquired all right, title and interest in 80.40% of the issued and outstanding capital stock of Solo, calculated on a fully diluted basis. As a result of our investment, Solo became a controlled subsidiary and we commenced consolidation of Solo on January 15, 2020, the results of which are included in our March 31, 2020 unaudited condensed consolidated balance sheet.

We have the option to acquire the remaining 19.6% equity interest in Solo for either cash or Akerna shares in an amount dependent upon the market value of Akerna shares. This transaction would be accounted for as an equity transaction with the difference between the fair value of the consideration exchanged and the carrying value of the non-controlling interest recorded in additional paid in capital.

See accompanying Notes to Unaudited Pro Forma Condensed Combined Financial Information

Note 1: Basis of Pro Forma Presentation*Accounting Periods Presented — Ample, Solo*

The unaudited pro forma condensed combined balance sheet as of March 31, 2020, is presented as if the Ample acquisition had occurred and the Solo Option had been exercised on March 31, 2020. Certain pro forma adjustments to record differences between historical book values and preliminary values as of the date of the pro forma condensed combined financial statements are based on the assumption that the acquisition occurred on March 31, 2020. The actual adjustments to be recorded in Akerna’s consolidated financial statements will be as of the acquisition date and the option exercise date, respectively.

The unaudited pro forma condensed combined statements of operations of Akerna, Solo and Ample for the year ended June 30, 2019 and the nine months ended on March 31, 2020, are presented as if the Acquisitions had taken place on July 1, 2018.

Preliminary Purchase Consideration — Ample

On December 18, 2019, we entered into an arrangement agreement (the “Agreement”) to acquire all of the issued and outstanding shares of Ample. Under the terms of the Agreement, the aggregate consideration for the Ample shares consists of (1) CAD\$7,500,000 in cash, (2) 3,294,574 redeemable preferred shares of a wholly-owned subsidiary of Akerna, which are exchangeable for shares of common stock, par value \$0.0001 per share, of Akerna on a 1:1 basis (“Exchangeable Shares”) as determined in accordance with the Agreement and (3) contingent value rights to be issued pursuant to a rights indenture entitling the holders thereof to receive, subject to certain adjustments as set forth in the Agreement, an aggregate of up to CAD\$10,000,000 in redeemable preferred shares (“Exchangeable Shares”), in the event that Ample achieves certain revenue targets as specified in the Agreement. These rights are accounted for as contingent consideration that will be recorded at fair value when the acquisition closes.

	(in thousands)
Cash	\$ 5,333
Redeemable preferred shares	16,868
Exchangeable shares contingent value rights	7,110
Total purchase consideration	<u>\$ 29,311</u>

Preliminary Purchase Consideration Allocation

The following represents the preliminary allocation of the fair value of the purchase consideration to the acquired assets and assumed liabilities based on Ample’s balance sheet as of March 31, 2020 and is for illustrative purposes only.

	(in thousands)
Net tangible assets	\$ (2,436)
Intangible assets:	
Developed technology	6,000
Customer relationships	600
Goodwill	25,147
Total purchase consideration	<u>\$ 29,311</u>

Goodwill of approximately \$25.1 million represents the excess of the purchase consideration over the fair value of the net tangible and intangible assets acquired. Goodwill is primarily attributable to expected post-acquisition synergies from integrating Ample’s industry-leading seed-to-sale platform into Akerna’s supply chain solutions. None of the goodwill recorded as part of the Ample acquisition will be deductible for U.S. federal income tax purposes.

The following table sets forth the components of identifiable intangible assets acquired and their preliminary estimated useful lives as of the date of acquisition (in thousands):

Intangible assets:	Preliminary Fair Value	Estimated Useful Life (in years)
Trade names	\$ 6,000	5
Developed technology	600	5
Total	\$ 6,600	

These preliminary estimates of fair value and their preliminary estimated useful lives will likely be different from the amounts included in the acquisition accounting upon the close of the acquisition and the difference could have a material impact on the accompanying unaudited pro forma combined condensed financial statements. Once Akerna has full access to information about Ample’s intangible assets, additional insight will be gained that could impact (i) the estimated total value assigned to identifiable intangible assets (ii) the estimated weighted average useful life of each category of intangible asset (iii) the value of fixed assets (iv) the value of deferred revenue and (v) the value of deferred tax liabilities associated with purchase accounting adjustments. The estimated intangible asset values and their useful lives could be impacted by a variety of factors that may become known to Akerna only upon access to additional information or by changes in such factors that may occur prior to completion of the offer and the merger. These factors include, but are not limited to, historical information obtained from Ample, discussions with management and product roadmap. Increased knowledge about these or other elements could result in a change to the estimated fair value of the identifiable intangible assets or to the estimated weighted average useful lives from what Akerna has assumed in these unaudited pro forma combined condensed financial statements. The combined effect of any such changes could then also result in a significant increase or decrease to Akerna’s estimate of associated amortization expense.

Prior to the acquisition, Ample had a net deferred tax liability and expects they will continue to be in a net deferred tax liability position, after adjustments for estimated preliminary deferred tax liability related to estimated purchase accounting adjustments and the net deferred tax asset is subject to a full valuation allowance. Therefore, the combined U.S. and international deferred tax asset position is expected to remain unchanged. As such, the unaudited pro forma condensed combined financial information does not include adjustments for tax-related items.

Accounting Policies — Ample

We did not adopt new accounting standards for revenue or leases in the year ended June 30, 2019, and as an emerging growth company, we have elected to implement the disclosure requirements of the new revenue standard in our annual financial statements for the fiscal year ending June 30, 2021. We have elected to adopt the new leasing standard in our annual financial statements for the fiscal year ended June 30, 2022. Ample, as a Canadian company, has adopted these standards. We have reflected adjustments to remove the material differences between the new standards and the standards applied in our financial statements in the column “IFRS to US GAAP Adjustments” as described in Note 2.

The Solo Option

The Solo Option may be paid, at the sole option of Akerna, in either cash or shares of Akerna’s common stock the amount of which is dependent upon the market value of Akerna Shares. When the Solo Option is exercised, it will be accounted as an equity transaction with the difference between the fair value of the consideration exchanged and the carrying value of the non-controlling interest recorded in additional paid in capital. Because Akerna Shares were trading at a weighted average 20 day trading value ending March 31, 2020 of \$5.19 per share, we calculated number of shares resulting for the exercise of the Solo Option as difference in the number of shares valued at \$20,000,000 at \$5.19 per share, or 3.9 million shares, and 1,950,000 Akerna Shares, which were issued to Solo shareholders in exchange for the initial 80.4% equity interest.

If the option had been exercised on March 31, 2020, Akerna would have issued an additional 1.9 million shares to the Solo Shareholders. Changes in trading price of the Akerna common shares could have a material effect on the number of shares ultimately issued.

Note 2: Adjustments to Unaudited Pro Forma Condensed Combined Balance Sheets

The pro forma adjustments and IFRS to GAAP adjustments included in the unaudited pro forma condensed combined balance sheet for the acquisition of Ample are as follows:

- A. To record the estimated cash portion of the purchase consideration of \$5.3 million funded from cash and cash equivalents, valued using exchange rate in effect on March 31, 2020. Changes in the exchange rate in effect on the closing date could have a material effect on the value of the consideration that we ultimately record.
- B. To record estimated preliminary goodwill from acquisition of \$25.1 million reduced by goodwill from prior acquisitions of \$3.2 million.
- C. To record the estimated preliminary fair value of identifiable intangible assets of \$6.6 million reduced by the book value of intangible assets of \$876,000 prior to the acquisition.
- D. To eliminate the accounting under the new lease accounting standard to conform to Akerna's accounting principles.
- E. To record purchase accounting adjustments by eliminating preferred stock liabilities, historical equity, accumulated deficit, paid in capital and accumulated other comprehensive loss from the impact of foreign exchange.
- F. To record estimated consideration of the preferred shares and the Exchangeable Shares contingent value rights of \$24.0 million valued based on the closing price of an Akerna common share and the exchange rate in effect on March 31, 2020. Changes in either the value of an Akerna common share of exchange rates on the closing date could have a material effect on the value of the aggregate consideration that we ultimately record.
- G. To record the elimination of noncontrolling interest included in the condensed consolidated balance sheet of \$4.8 million for the exercise of the Solo Option.

Note 3: Adjustments to Unaudited Pro Forma Condensed Combined Statements of Operations for the year ended June 30, 2019

The pro forma adjustments included in the unaudited pro forma condensed combined statement of operations for the acquisition of Solo are as follows:

- A. To reflect \$996,000 amortization expense of preliminarily estimated purchased intangible assets.
- B. To reduce stock-based compensation of \$217,403, due to accelerated vesting of Solo restricted stock and settlement of options in connection with the Acquisition.
- C. To reflect the issuance of shares for the partial acquisition of Solo and to reflect the estimated number of shares that would have been issued in connection with the exercise of the Solo Option as if it had occurred as if these transactions had occurred on July 1, 2018. Because Akerna shares were not traded on July 1, 2018, the estimated number of shares that would have been issued in connection with the Solo Option was 800,000.

The pro forma adjustments included in the unaudited pro forma condensed combined statement of operations for the acquisition of Ample adjust the condensed combined pro forma financial statement of operations for Akerna and Solo as described above. The adjustments related to the Ample acquisition are as follows:

- A. To record amortization of \$1.3 million due to purchased intangibles as part of acquisition.
- B. To reduce stock-based compensation of \$354,000, due to settlement of options in connection with the acquisition.
- C. To remove the effect of remeasurement of \$3.5 million for preference shares as the preference shares will be settled in connection with the acquisition.

The pro forma basic and diluted net loss per share are based on 8,795,382 shares common stock. Dilutive potential common shares, including the redeemable preference shares and Exchangeable Shares expected to be issued in the Ample acquisition, are included only if they have a dilutive effect on earnings per share. No adjustment has been made for assumed equity awards or the Exchangeable Shares in the computation of pro forma combined diluted net loss per share because their effect would be anti-dilutive.

Note 4: Adjustments to Unaudited Pro Forma Condensed Combined Statements of Operations for the nine months ended March 31, 2020

The pro forma adjustments included in the unaudited pro forma condensed combined statement of operations for the acquisition of Solo are as follows:

- A. To reflect \$747,000 of amortization expense of preliminarily estimated purchased intangible assets.
- B. To reduce stock-based compensation of \$1.6 million due to accelerated vesting of Solo's restricted stock and settlement of options in connection with the acquisition.
- C. To remove \$0.3 million of nonrecurring transaction costs.
- D. To remove allocation of net loss to noncontrolling interests in Solo, which would not have been recorded had the Solo Option been exercised on July 1, 2018.
- E. To reflect the issuance of shares for the partial acquisition of Solo and to reflect the estimated number of shares that would have been issued in connection with the exercise of the Solo Option as if it had occurred as if these transactions had occurred on July 1, 2018. Because Akerna shares were not traded on July 1, 2018, the estimated number of shares that would have been issued in connection with the Solo Option was 800,000.

The pro forma adjustments included in the unaudited pro forma condensed combined statement of operations for the acquisition of Ample adjust the condensed combined pro forma financial statement of operations for Akerna and Solo as described above. The adjustments related to the Ample acquisition are as follows:

- A. To reflect \$990,000 of amortization expense of preliminary estimated purchased intangible assets.
- B. To reduce stock-based compensation of \$258,000, due to settlement of options in connection with the acquisition.
- C. To remove the effect of remeasurement of preference shares of \$2.9 million as the preference shares will be settled in connection with the acquisition.
- D. To remove \$1.0 million of nonrecurring transaction costs.

The pro forma combined basic and diluted net loss per share are based on 14,049,997 shares common stock. Dilutive potential common shares, including the redeemable preferred shares and the Exchangeable Shares expected to be issued as consideration for the Ample acquisition, are included only if they have a dilutive effect on earnings per share. No adjustment has been made for assumed equity awards or the Exchangeable Shares in the computation of pro forma combined diluted net loss per share because their effect would be anti-dilutive.

Date, Time and Place

The Special Meeting will be held at Akerna's headquarters at 1630 Welton Street, Denver, Colorado 80202, on Friday, June 26, at 9:00 a.m., Mountain Time.

As part of Akerna's precautions related COVID-19 and in light of the priority we place on the health, safety, and well-being of our stockholders, employees, and directors, we are planning for the possibility that the Special Meeting will be held solely by means of remote communication. If we determine that the Special Meeting will be held remotely, we will announce the decision in advance, and participation details will be publicly announced in a press release, available on our website at www.akerna.com and filed with the U.S. Securities and Exchange Commission as additional proxy solicitation materials. Please check our website one week in advance of the Special Meeting for any such additional information. If we hold a virtual meeting, you will need the control number included on your proxy card in order to participate.

Record Date; Outstanding Shares; Shares Entitled to Vote

Holders of record of Akerna Shares at the close of business on June 5, 2020, the record date, or their duly authorized proxy holders, are entitled to vote on each matter submitted to a vote at the Special Meeting and at any adjournment or postponement thereof. You are entitled to receive notice of, and to vote at, the meeting if you owned Akerna Shares as of the close of business on the record date. At the close of business on the record date, there were **13,258,707** Akerna Shares outstanding and entitled to one vote per Akerna Share each at the Special Meeting.

If you own shares that are registered in the name of someone else, such as a broker, bank or other nominee, you need to direct that organization to vote those shares or obtain an authorization from them and vote the Akerna Shares yourself at the Special Meeting.

Quorum

The presence in person or by proxy of the holders of record of a majority of the issued and outstanding Akerna Shares entitled to vote at the Special Meeting constitutes a quorum under Akerna's amended and restated bylaws. Akerna will treat Akerna Shares represented by a properly signed and returned proxy, including abstentions, as present at the Special Meeting for the purposes of determining the existence of a quorum. If there be no such quorum, the holders of a majority of such shares so present or represented may adjourn the meeting from time to time, without further notice, until a quorum shall have been obtained. When a quorum is once present it is not broken by the subsequent withdrawal of any stockholder.

Security Ownership of Certain Beneficial Owners and Management of Akerna Shares

As of the record date, directors and executive officers of Akerna as a group beneficially owned and were entitled to vote approximately 1,879,952 Akerna Shares, representing approximately 14% of the Akerna Shares issued and outstanding. All of the directors and executive officers of Akerna who are entitled to vote at the Special Meeting have advised Akerna that they intend to vote their Akerna Shares in favor of each of the proposals, and the directors and executive officers have entered into agreements obligating them to do so.

See page 117 of this proxy statement for additional information about beneficial ownership of Akerna Shares by Akerna's directors, executive officers and significant stockholders.

Required Vote

Assuming the existence of a quorum at the Special Meeting, the following vote is required for each proposal:

Proposal 1 — the Stock Issuance. The affirmative vote of a majority of the votes present in person or represented by proxy at the Special Meeting and entitled to vote is required to approve the Stock Issuance. Abstentions and broker non-votes are counted as present and thus will have the same effect as an against vote on the outcome of this proposal.

Proposal 2 — the Arrangement. The affirmative vote of a majority of the votes present in person or represented by proxy at the Special Meeting and entitled to vote is required to approve the Arrangement Approval. Abstentions and broker non-votes are counted as present and thus will have the same effect as an against vote on the outcome of this proposal.

Proposal 3 — the Solo Option. The affirmative vote of a majority of the votes present in person or represented by proxy at the Special Meeting and entitled to vote is required to approve the Solo Option. Abstentions and broker non-votes are counted as present and thus will have the same effect as an against vote on the outcome of this proposal.

Proposal 4 — the Incentive Plan Amendment. The affirmative vote of a majority of the votes present in person or represented by proxy at the Special Meeting and entitled to vote is required to approve the Incentive Plan Amendment. Abstentions and broker non-votes are counted as present and thus will have the same effect as an against vote on the outcome of this proposal.

Proposal 5 — Adjournment. The affirmative vote of a majority of the votes present in person or represented by proxy at the Special Meeting and entitled to vote is required to approve an adjournment. Abstentions are counted as present and thus will have the same effect as an against vote on the outcome of this proposal.

Shares will be voted on each proposal as instructed in the accompanying proxy. However, if no instructions are given on a validly signed and returned proxy, the shares will be voted in accordance with the Akerna Board's recommendations "FOR" the approval of the issuance of Akerna Shares pursuant to the Agreement, "FOR" the approval of the Arrangement, "FOR" the approval of the issuance of Akerna Shares pursuant to the Solo Option, "FOR" the approval of the Incentive Plan Amendment, and, "FOR" the adjournment in the event there are not sufficient votes. With respect to any other matter that may come before the Special Meeting, as recommended by the Akerna Board or otherwise in the proxies' discretion.

Approval of any other matter properly submitted to the stockholders at the Special Meeting generally will require the affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy and entitled to vote on that matter.

Method by Which Votes are Counted

If you vote by telephone, over the Internet, or by completing, signing, dating and returning your signed proxy card, your proxy will be voted in accordance with your instructions. The proxy confers discretionary authority to the named proxies. Accordingly, if you complete, sign, date and return your proxy card and do not indicate how you want to vote, your shares will be voted "FOR" the approval of the Stock Issuance, "FOR" the Arrangement Approval, "FOR" the approval of the Solo Option, "FOR" the approval of the Incentive Plan Amendment, and, if necessary or appropriate, "FOR" the adjournment of the Special Meeting to solicit additional proxies.

In order to complete the Arrangement, Akerna stockholders must approve the Stock Issuance and Arrangement Approval. In order to exercise the Solo Option, Akerna stockholders must approve the Solo Option. In order to amend the Incentive Plan, Akerna stockholders must approve the Incentive Plan Amendment. If you abstain from voting, fail to vote (either in person or by proxy), or fail to provide your broker, bank or other nominee with instructions on how to vote your shares in connection with the Stock Issuance, Arrangement Approval, Solo Option, and Incentive Plan Amendment, your shares will not be treated as votes cast on the Stock Issuance, Arrangement Approval, Solo Option or Incentive Plan Amendment and thus will have no effect on the outcome of the vote.

If you are the beneficial owner of shares held in "street name" (that is, if you hold your shares through a broker, bank or other holder of record), the broker, bank or other holder of record who holds your Akerna Shares will have authority to vote on "routine" proposals. However, banks, brokerage firms and other nominees are precluded from exercising their voting discretion with respect to non-routine matters, such as the Stock Issuance, Arrangement Approval, Solo Option, and the Incentive Plan Amendment. As a result, absent specific instructions from the beneficial owner of such shares, brokers, banks or other holders of record are not empowered to vote such shares on non-routine matters, which we refer to as a "broker non-vote." The effect of not instructing your broker, bank or other holder of record regarding how you wish your shares to be voted will NOT be counted as "FOR" or "AGAINST" and will NOT have an effect on the proposals before the Special Meeting.

Voting by Proxy

General

This proxy statement is being sent to you on behalf of the Akerna Board for the purpose of requesting that you allow your Akerna Shares to be represented at the meeting by the persons named in the enclosed proxy card. All Akerna Shares represented at the meeting by properly executed proxy cards, voted over the telephone or

voted over the Internet will be voted in accordance with the instructions indicated on those proxies. If you hold Akerna Shares in your name and sign and return a proxy card or submit a proxy by telephone or over the Internet without giving specific voting instructions, your shares will be voted “**FOR**” the Stock Issuance, approving the Arrangement, the Solo Option, Incentive Plan Amendment and the adjournment in the event there are not sufficient votes at the Special Meeting.

After carefully reading and considering the information contained in this proxy statement, please vote promptly by calling the toll-free number listed on your proxy card, accessing the Internet website listed on your proxy card or by completing, signing and dating your proxy card and returning it by mail in the enclosed postage-paid envelope. If you hold your stock in “street name” through a bank or broker, you must direct your bank or broker to vote in accordance with the instructions you have received from your bank or broker. Submitting your proxy by telephone, Internet or mail or directing your bank or broker to vote your shares will ensure that your Akerna Shares are represented and voted at the Special Meeting.

Revoking Your Proxy

Regardless of the method you used to cast your vote, if you are a holder of record, you may change your vote by completing, signing, dating and returning a new proxy card with a later date, by calling the toll-free number, if any, listed in your proxy materials or by accessing the Internet website, if any, listed in your proxy materials, in either case by 11:59 p.m. Eastern Time on the day of the Special Meeting or by attending the Special Meeting and voting by ballot at the Special Meeting. You may also revoke your proxy card by sending a notice of revocation, which must be received prior to the Special Meeting, to Akerna Corp., Attention: Secretary, 1630 Welton Street, Denver, Colorado 80202.

If you hold your Akerna Shares in “street name” and wish to change or revoke your vote, please refer to the information on the voting instruction form included with these materials and forwarded to you by your bank, broker, custodian or other record holder to see your voting options.

Voting in Person at the Special Meeting

All stockholders of record may vote their Akerna Shares in person by attending the Special Meeting and submitting the ballot that will be provided there. If your Akerna Shares are held in “street name,” you may vote in person at the meeting if you have a document known as a “legal proxy” from the holder of record. You will need to ask the broker, bank or other nominee holding your shares for a legal proxy and bring the legal proxy with you to the meeting. You will not be able to vote your shares at the meeting without a legal proxy. If you request a legal proxy, any previously executed proxy will be revoked, and your vote will not be counted unless you appear at the meeting and vote in person or legally appoint another proxy to vote on your behalf.

Akerna Board Recommendation

THE ARRANGEMENT

This discussion of the Arrangement is qualified in its entirety by reference to the Agreement, which is attached to this proxy statement as Annex A. You should read the entire Agreement carefully as it is the legal document that governs the Arrangement.

Background of the Arrangement

An integral aspect of Akerna's strategy is to be an active acquirer of highly complementary technology that serves the cannabis industry. When Akerna was formed as a result of the merger between MTech Acquisition Corp. and MJ Freeway LLC in June 2019, it began to execute this strategy. Akerna has proactively sought out potential acquisition targets directly and has also evaluated a number of inbound offers from potential targets. On June 20, 2019, INFOR Financial contacted Akerna to present a potential acquisition target.

On June 20, 2019, INFOR Financial emailed Jessica Billingsley inquiring if Akerna would be interested in discussing a potential acquisition opportunity.

On July 2, 2019, Ms. Billingsley and representatives of INFOR Financial had a telephone conversation, wherein INFOR described a potential opportunity for a transaction involving Ample Organics. Ms. Billingsley mentioned that she was familiar with Ample and would welcome the opportunity to take initial steps in exploring a transaction. A follow-up conference call with Ample was discussed as a next step.

On July 8, 2019, a conference call took place between Ms. Billingsley, Akerna's Head of Corporate Development, Scott Sozio, Ample's Founder and Chief Executive Officer, John Prentice and Ample's Chief Financial Officer, Peter Slater. Both companies acknowledged a familiarity with the other and expressed that there may be strategic value in a combination of the market leaders in each of the United States and Canada. Both companies agreed that they were interested in exploring the opportunity further. Mr. Prentice suggested that as a next step Akerna could prepare an indication of interest letter ("IOI") that Mr. Prentice could share with Ample's board of directors. Akerna agreed to work on the IOI along with a mutual nondisclosure agreement ("NDA"). The IOI was intended to demonstrate to Ample's board of directors that Akerna would consider a transaction with Ample and that Akerna would work expeditiously to determine possible terms of a transaction after receiving initial due diligence materials, while also serving as a record of the conversation being initiated.

On July 10, 2019, Akerna held a board of directors meeting in Denver where all the members of the Akerna Board were present in person. During the meeting, Ms. Billingsley provided an update on the development of Akerna's acquisition pipeline and noted that Ample was a potential target. The Akerna Board held a discussion and concluded with instructions for Akerna management to pursue Ample as a potential target.

On July 21, 2019, Mr. Sozio sent a draft of the IOI to Ample. After Akerna and Ample discussed certain revisions to the IOI, the letter was signed on July 26, 2019.

On July 30, 2019, Akerna and Ample executed the NDA.

On August 2, 2019, Mr. Slater provided preliminary diligence materials to Akerna including historical financial information, customer pipeline opportunities on a no-names basis and corporate marketing materials.

On August 26, 2019, Ample hosted a virtual product demonstration to Akerna, including Mr. Sozio and Ray Thompson, Akerna's Chief Operating Officer.

On September 5, 2019, Ms. Billingsley and Mr. Sozio met in-person with Mr. Prentice and Mr. Slater in Toronto to continue exploring potential terms for an acquisition of Ample by Akerna. The meeting was concluded with the understanding that Akerna would prepare a non-binding letter of intent ("LOI") for Ample to review and consider.

On September 9, 2019, Mr. Sozio sent a draft of the LOI to Mr. Prentice and Mr. Slater outlining the proposed terms of an acquisition.

On September 16, 2019, Mr. Slater notified Mr. Sozio that Ample had engaged INFOR Financial to act as Ample's financial advisor. An introductory call was scheduled between Mr. Sozio and INFOR Financial.

On September 25, 2019, INFOR Financial provided Ample's updated financial model to Akerna.

On October 1, 2019, INFOR Financial provided a revised LOI to Mr. Sozio for review and that reflected discussions to that point.

On October 2, 2019, Ms. Billingsley provided a written update to the Akerna Board, including details of the status of potential acquisition targets. Relating to Ample, Ms. Billingsley noted that a LOI had been in the process of being negotiated and that she believed the LOI could be finalized later in the week.

On October 3, 2019, the LOI was fully executed and Akerna's diligence list was sent to INFOR Financial on October 4, 2019. Mr. Sozio introduced INFOR Financial to Cowen, Akerna's financial advisor.

On October 7, 2019, an introductory call was conducted between the advisors, Cowen and INFOR Financial, with representatives from Akerna and Ample participating. The discussion centered around the diligence process and arranging an on-site visit to Ample's office in Toronto, Canada.

On October 9, 2019, Cowen provided an illustrative timeline for the transaction to INFOR Financial.

On October 11, 2019, a financial model diligence call took place between Ample, Akerna, INFOR Financial and Cowen. Separately, on October 11, 2019, Akerna conducted a telephonic board of directors meeting, which included an update on the proposed acquisition of Ample. Based on the deal terms that were agreed to in the LOI, a summary of the deal was provided along with a summary of the strategic rationale. Ample financials were reviewed, which included a pro forma valuation and sensitivity analysis.

On October 16, 2019, representatives of Akerna and Cowen visited Ample's office in Toronto, Canada for an all-day diligence meeting. Present from Akerna was Mr. Sozio. Present from Cowen were Mike Baca, James Brown and Odette Rodrigues. Present from INFOR Financial were Greg Lewis and Garrett Moore. Present from Ample were Mr. Prentice, Mr. Slater and several other Ample executives. The meeting agenda included a general corporate and business overview, review of product, sales and go-to-market strategy, technology, financials and other due diligence items.

On October 18, 2019, Cowen sent an additional diligence request list to INFOR Financial, based on discussions during the on-site visit.

On October 23, 2019, Ample conducted a product demonstration for the Cowen team.

On October 25, 2019, Ample and Cowen held a follow-up call to review further details of the financial model.

On October 28, 2019, Ample conducted a product demonstration for Akerna and Cowen relating to Last Call Analytics.

On October 29, 2019, Mr. Prentice met with various executive of Akerna, including Ms. Billingsley, Mr. Sozio and Mr. Thompson in Denver, Colorado. During the meetings, the parties discussed various topics including due diligence matters, transaction timing, integration strategy, investor communication and general industry dynamics.

On October 30, 2019, Akerna counsel sent an initial draft of the Arrangement Agreement to counsel for Ample.

On November 4, 2019, Akerna and Ample executed an extension to the LOI, extending the exclusivity period to November 17, 2019.

On November 11, 2019, Akerna held a telephonic board of directors meeting, which included a discussion on the status of the Ample transaction. Ms. Billingsley and Mr. Sozio provided an update on the status of the deal and the potential timing for finalizing the Arrangement Agreement.

On November 20, 2019, Akerna, Ample, Cowen and INFOR Financial held a financial diligence call.

On December 1, 2019, Akerna received the results of the technical diligence that was conducted on Ample by Akerna's third-party consultant.

On December 4, 2019, Akerna held a telephonic board of directors meeting to discuss the status of Akerna's mergers and acquisitions activities. Mr. Sozio advised the Akerna Board on the general terms of the Ample transaction and a discussion followed. Ms. Billingsley noted to the Akerna Board that the negotiation of the Arrangement Agreement was proceeding and that it was anticipated to be executed during the week of December 16.

On December 12, 2019, Ms. Billingsley, Mr. Sozio and Mr. Prentice met in person. Discussion during the meeting included the anticipated timing of the transaction and post-announcement priorities.

On December 16, 2019, Ms. Billingsley sent an email to the Akerna Board attaching a presentation prepared by Cowen summarizing its final diligence findings. Ms. Billingsley also sent to the Akerna Board a fairness opinion presentation that was prepared by Cowen. Both documents were sent for review in advance of the Akerna Board call scheduled for December 17, 2019.

On December 17, 2019, Akerna held a telephonic board of directors meeting to discuss the materials prepared by Cowen and distributed the prior day. Attending from Cowen was Mr. Baca, Mr. Brown and Gabriel Petcu. Mr. Baca and Mr. Petcu explained the fairness opinion and advised on the related analysis. Later in the day, the Akerna Board voted to approve entering into of the Arrangement Agreement, providing authorization in a unanimous written consent.

On December 18, 2019, the Arrangement Agreement was executed, and trading in Akerna stock was halted pending the news.

On February 28, 2020, Akerna entered into an Amendment to Arrangement Agreement (the “Amendment”) among Purchaser, Ample and John Prentice, an individual resident in the Province of Ontario (collectively, the “Parties”), which amended the Agreement. The Amendment primarily revised the Agreement so that the Outside Date of the Arrangement (as defined therein) would be August 31, 2020, or such later date as agreed to in writing by Akerna and Ample. The Parties also revised the Effective Date of the Arrangement by agreeing to use their commercially reasonable efforts to cause the Effective Date to occur on or about July 3, 2020, or as soon thereafter as reasonably practicable, but in any event, by the Outside Date.

On May 26, 2020, Akerna entered into Amendment No. 2 together with Purchaser, Ample, and John Prentice, an individual resident in the Province of Ontario, which amended the Agreement, as previously amended. Amendment No. 2 primarily revised the Agreement, as previously amended, to update the Plan of Arrangement to incorporate the terms of an agreement entered into between the holders of preferred shares and common shares of Ample with respect to their entitlement to certain consideration to be received by them under the Arrangement.

On June 1, 2020, Akerna entered into Amendment No. 3 together with Purchaser, Ample, and John Prentice, an individual resident in the Province of Ontario, which amended the Agreement, as previously amended. Amendment No. 3 primarily revised the Agreement, as previously amended, to provide that (i) the Exchangeable Shares and the CVRs, but not the Akerna Shares, will be issued pursuant to the exemption from registration provided by Section 3(a)(10) of the U.S. Securities Act, (ii) Akerna will file registration statement on appropriate form (“Registration Statement”) with the United States Securities and Exchange Commission on the Effective Date or as soon as practicable thereafter in order to register under the U.S. Securities Act the Akerna Shares issuable upon exchange of the Exchangeable Shares and cause the Registration Statement to become effective as soon as practicable following the time that any Exchangeable Shares are first issued and (iii) revise the number of Exchangeable Shares to be released from escrow and delivered to the Ample Shareholders at each interval, as further described in Form of Escrow Agreement appended as Schedule “D” to the Agreement, which is attached to this proxy statement as *Annex A*.

Akerna’s Reasons for the Arrangement

Akerna believes that the Arrangement will provide strategic and financial benefits, including:

- as Canada’s leading seed-to-sale compliance tracking and eCommerce platform, with approximately 70% market share of Canadian LPs and approximately 80% of Canadian medical Cannabis patients, we believe Ample is well positioned to continue to grow within the Canadian market and expand internationally;
- Canada is the largest federally legal market, where Ample is well positioned to provide technology solutions that enable software tracking, payments, data, analytics and more;
- Ample has a large cannabis dataset with aggregate anonymized data of all aspects of the supply chain; and
- Ample has a proven management team with strong track record of innovation.

Recommendation of the Akerna Board

After careful consideration of various factors described in the section entitled “*The Arrangement — Akerna’s Reasons for the Arrangement*” beginning on page 47 of this proxy statement, the Akerna Board has unanimously determined that it is advisable and in the best interests of Akerna and its stockholders to consummate the Arrangement as contemplated by the Agreement. Accordingly, Akerna Board unanimously recommends that Akerna’s stockholders vote “**FOR**” the approval of the issuance of Akerna Shares pursuant to the Agreement and “**FOR**” the approval of the Arrangement.

Opinion of Financial Advisor to the Akerna Board

Akerna retained Cowen to act as its exclusive financial advisor and to render an opinion to the Akerna Board as to the fairness, from a financial point of view, to Akerna of the consideration paid in the Arrangement.

On December 17, 2019, Cowen delivered certain of its written analyses and its oral opinion to the Akerna Board, subsequently confirmed in writing as of the same date, to the effect that and subject to the various assumptions, qualifications and limitations set forth therein, as of December 17, 2019, the consideration paid in the Arrangement was fair, from a financial point of view, to Akerna.

The full text of the written opinion of Cowen, dated December 17, 2019, is attached as *Annex E* and is incorporated by reference. Holders of Akerna Shares are urged to read the opinion in its entirety for the assumptions made, procedures followed, other matters considered and limits of the review by Cowen. The summary of the written opinion of Cowen set forth herein is qualified in its entirety by reference to the full text of such opinion. Cowen’s analyses and opinion were prepared for and addressed to the Akerna Board are directed only to the fairness, from a financial point of view, of the consideration paid in the Arrangement, and do not constitute an opinion as to the merits of the Arrangement or a recommendation to any stockholder as to how to vote on the proposed proposals. The consideration paid in the Arrangement was determined through negotiations between Akerna and Ample and not pursuant to recommendations of Cowen.

In arriving at its opinion, Cowen reviewed and considered such financial and other matters as it deemed relevant, including, among other things:

- a draft of the Agreement dated December 17, 2019, including the plan of arrangement forming a schedule thereto, the rights indenture with respect to the CVRs and form of CVR;
- certain publicly available financial and other information for Akerna and certain other relevant financial and operating data furnished to Cowen by management of Akerna;
- certain publicly available financial and other information for Ample and certain other relevant financial and operating data furnished to Cowen by Ample management;
- certain internal financial analyses, financial forecasts, reports and other information concerning Akerna prepared by management of Akerna and Ample prepared by the management of Ample or prepared or supplemented by the management of Akerna, and the amounts and timing of the cost savings and related expenses expected to result from the Arrangement furnished to Cowen by the management of Akerna (the “Estimated Cost Savings”);
- discussions Cowen had with certain members of the management of Akerna concerning the historical and current business operations, financial conditions and prospects of Akerna and Ample;
- certain operating results of Akerna and Ample as compared to the operating results of certain publicly traded companies Cowen deemed relevant;
- certain financial and stock market information for Akerna and Ample as compared with similar information for certain publicly traded companies Cowen deemed relevant;
- certain financial terms of the Arrangement as compared to the financial terms of certain selected business combinations Cowen deemed relevant; and
- such other information, financial studies, analyses and investigations and such other factors that Cowen deemed relevant for the purposes of its opinion.

In conducting its review and arriving at its opinion, Cowen, with Akerna's consent, assumed and relied, without independent investigation, upon the accuracy and completeness of all financial, tax, legal, regulatory, accounting and other information provided to it by Akerna and Ample, respectively, or which was publicly available. Cowen did not undertake any responsibility for the accuracy, completeness or reasonableness of, or independent verification of, such information. Cowen relied upon, without independent verifications, the assessment of Akerna management as to the existing products and services of Ample and Akerna and the viability of, and risks associated with, the future products and services of Ample and Akerna. In addition, Cowen did not conduct, nor assumed any obligation to conduct, any physical inspection of the properties or facilities of Akerna or Ample. Cowen further relied upon Akerna's representation that all information provided to it by Akerna was accurate and complete in all material respects. Cowen, with Akerna's consent, assumed that the financial forecasts and estimated cost savings provided to Cowen were reasonably prepared by the managements of Akerna and Ample, on bases reflecting the best available estimates and good faith judgments of such managements as to the future performance of Akerna and Ample, respectively, and the estimated cost savings, and that such financial forecasts and estimated cost savings provided a reasonable basis for its opinion. Cowen expressed no opinion as to the financial forecasts or the assumptions on which they were made. Cowen expressly disclaimed any undertaking or obligation to advise any person of any change in any fact or matter affecting its opinion of which Cowen becomes aware after the date of its opinion.

Cowen did not make or obtain any independent evaluations, valuations or appraisals of the assets or liabilities of Akerna or Ample, nor was Cowen furnished with these materials. In addition, Cowen did not evaluate the solvency or fair value of Akerna, Ample or the Purchaser under any state, provincial or federal laws relating to bankruptcy, insolvency or similar matters. Cowen made no independent investigation of any legal, tax or accounting matters related to the Agreement or the Arrangement, and Cowen assumed the correctness in all respects material to its analysis of the legal, tax and accounting advice given to Akerna and the Akerna Board, including without limitation, advice as to the legal, accounting and tax consequences of the terms of, and the Arrangement contemplated by, the Agreement to Akerna and its stockholders. Cowen's opinion addressed only the fairness, from a financial point of view to Akerna of the consideration paid in the Arrangement. Cowen noted that projecting the future results of any company is inherently subject to uncertainty. Cowen expressed no view as to any other aspect or implication of the Agreement or any other agreement, arrangement or understanding entered into in connection with the Arrangement or otherwise. Cowen's opinion was necessarily based upon economic and market conditions and other circumstances as they existed and could be evaluated by Cowen on the date of its opinion. It should be understood that although subsequent developments may affect its opinion, Cowen does not have any obligation to update, revise or reaffirm its opinion and Cowen expressly disclaims any responsibility to do so.

Cowen did not consider any potential legislative or regulatory changes being considered or recently enacted by the United States, Canada or any other foreign government, or any United States, Canadian or other regulatory body, or any changes in accounting methods or generally accepted accounting principles that may be adopted by the SEC, the Financial Accounting Standards Board, Canadian securities regulatory authorities or any similar foreign regulatory body or board.

In rendering its opinion, Cowen assumed, in all respects material to its analysis, that the representations and warranties of each party contained in the Agreement are true and correct, that each party will perform all of the covenants and agreements required to be performed by it under the Agreement and that all conditions to the consummation of the Arrangement will be satisfied without waiver or breach thereof. Cowen assumed that the final form of the Agreement would be substantially similar to the last draft received by Cowen prior to rendering its opinion. Cowen also assumed that all governmental, regulatory and other consents and approvals contemplated by the Agreement would be obtained and that, in the course of obtaining any of those consents, no restrictions will be imposed or waivers made that would have an adverse effect on Akerna, the Purchaser, the stockholders of Akerna or the contemplated benefits of the Arrangement. Cowen assumed that the Arrangement will be consummated in a manner that complies with the applicable provisions of the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, and all other applicable state, provincial and federal statutes, rules and regulations.

Cowen's opinion does not constitute a recommendation to any stockholder as to how the stockholder should vote on the proposed Arrangement. Cowen's opinion does not imply any conclusion as to what the value, price or the trading range of Akerna or Ample common stock actually will be before or after the announcement or the consummation of the Arrangement, which may vary depending on numerous factors that generally influence the price of securities. Cowen's opinion is limited to the fairness, from a financial point of view, of the consideration paid by Akerna

in the Arrangement. Cowen expressed no opinion as to (i) Akerna's underlying business decision to effect the Arrangement, (ii) the relative merits of the Arrangement as compared to other business strategies or transactions that might be available to Akerna or (iii) the terms of the Agreement or the documents referred to therein. Cowen's opinion does not in any manner address (i) the fairness of the Arrangement or the consideration paid by Akerna to the holders of any class of securities, creditors or other constituencies of Akerna or Ample, or (ii) whether Akerna or the Purchaser has sufficient cash, available lines of credit or other sources of funds to enable it to pay the consideration at the closing of the Arrangement.

Summary of Material Financial Analyses

The following is a summary of the principal financial analyses Cowen performed to arrive at its opinion. Some of the summaries of financial analyses include information presented in tabular format. In order to fully understand the financial analyses, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data set forth in the tables without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the financial analyses. Cowen performed certain procedures, including each of the financial analyses described below, and reviewed with the Akerna Board and the management of Akerna the assumptions on which such analyses were based and other factors, including the historical and projected financial results of Akerna and Ample. Financial data utilized for Akerna and Ample in the financial analyses described below was based on public filings or financial forecasts and estimates of Akerna and Ample management, respectively.

Arrangement Overview

For purposes of its opinion, Cowen calculated the implied value of the consideration, as of December 17, 2019, payable by Akerna in the Arrangement pursuant to the Agreement to be CAD\$66.9 million (the "Total Transaction Consideration"), which was determined by adding (1) CAD\$7.5 million, payable in cash by Akerna and expected to be applied to the repayment of Ample's existing debt and liabilities per the Agreement (the "Cash Consideration"), to (2) CAD\$50.7 million, the implied aggregate value of the Akerna Shares to be issued by Akerna at the closing of the Arrangement (the "Upfront Stock Consideration"), which was derived by multiplying the closing price of \$11.68 per Akerna Share as reported by the Nasdaq Stock Market on December 13, 2019, by 3,294,574 Akerna Shares, which number of shares was derived by dividing CAD\$42.5 million upfront stock consideration payable by Akerna under the Agreement by the CAD\$12.90 deemed value per Akerna Share specified in the Agreement, and multiplying the resulting amount of US\$38.5 million by the CAD/US dollar exchange rate of 1.318, as of December 13, 2019, per Bank of Canada, plus (3) CAD\$8.7 million, the implied present value of the CVRs payable in Akerna Shares by Akerna under the Agreement (the "Contingent Stock Consideration"), which was calculated by Cowen by discounting the maximum aggregate amount payable pursuant to the CVRs of CAD\$10 million to present value using a weighted average cost of capital ("WACC") for Ample of 15.5% calculated by Cowen.

Pro forma Ownership Analysis

Cowen analyzed the relative equity values of Akerna and Ample, on a stand-alone basis and excluding Estimated Cost Savings, utilizing (1) estimated 2020 revenue multiple from the Akerna Selected Companies and Ample Selected Companies, respectively, each as defined below, (2) discounted cash flow analysis using a revenue exit multiple and (3) discounted cash flow analysis using an EBITDA exit multiple, each as set forth below under "*Akerna Valuation*" and "*Ample Valuation*," respectively, adjusted for the present value of Akerna's and Ample's respective stand-alone net operating loss tax benefits of US\$2.3 million and CAD\$2.1 million, respectively, calculated by Cowen based on the Akerna Management Projections and Ample Management Projections, respectively, and the relative pro forma ownership of Akerna Shares implied thereby and compared the results to the pro forma ownership of Akerna immediately following the Arrangement contemplated by the Agreement and based on the assumptions described below.

This analysis indicated that Akerna common stockholders' ownership of Akerna common stock after giving effect to the Arrangement based on relative equity values of each of Akerna and Ample on a stand-alone basis calculated utilizing (1) the 2020E revenue multiple from the selected companies analysis, (2) discounted cash flow analysis using a revenue exit multiple and (3) discounted cash flow analysis using an EBITDA exit multiple, each as set forth below under "*Akerna Valuation*" and "*Ample Valuation*," respectively, adjusted for the present value of Akerna's and

Ample’s respective stand-alone net operating loss tax benefits of US\$2.3 million and CAD\$2.1 million, respectively, was as follows.

	Ample Adjusted Equity Value		Akerna Adjusted Equity Value ⁽¹⁾		Implied Akerna Stockholder Ownership Post-Arrangement	
	Low	High	Low	High	Low	High
(Equity values in millions of Canadian dollars)						
Selected Companies Analysis – 2020E Revenue Multiple	\$ 52.3	\$ 86.9	\$ 156.4	\$ 230.7	64.3%	81.5%
Discounted Cash Flow Analysis – 2024E Revenue Multiple	\$ 82.2	\$ 140.1	\$ 219.6	\$ 364.8	61.1%	81.6%
Discounted Cash Flow Analysis – 2024E EBITDA Multiple	\$ 135.6	\$ 163.1	\$ 225.8	\$ 267.0	58.1%	66.3%

(1) Converted into Canadian dollars using CAD/USD exchange rate of 1.318 as of December 13, 2019 per Bank of Canada.

Cowen noted that these implied ranges of post-Arrangement fully diluted ownership by Akerna common stockholders compared to Akerna common stockholders owning approximately 76.7% of Akerna’s fully diluted common stock pursuant to the terms of the Agreement, based on the Akerna closing share price on December 13, 2019 and 10,958,656 Akerna Shares outstanding as of December 13, 2019, plus 1,950,000 Akerna Shares to be issued to Solo pursuant to Akerna’s agreement to acquire Solo and assuming the issuance of 89,602 Akerna Shares under 5,814,205 outstanding Akerna warrants as determined using the treasury stock method, and the issuance pursuant to the Agreement of 3,294,574 Akerna Shares in Upfront Stock Consideration and 649,593 Akerna Shares pursuant to the CVRs (which assumes the full CAD\$10 million becoming payable under the CVRs and an issuance price for the Akerna Shares issuable under the CVRs of \$11.68 per Akerna Share, which was the closing price reported by the Nasdaq Stock Market on December 13, 2019).

“Has/Gets” Analysis — Akerna Perspective

Cowen reviewed and compared the equity value of Akerna attributable to Akerna stockholders prior to the completion of the Arrangement with the value of what Akerna stockholders will be receiving in the Arrangement (i.e., the value of such stockholder’s interest in Akerna after giving effect to the Arrangement), in terms of equity value. For this analysis, the stand-alone equity values of Akerna and Ample were calculated utilizing both a discounted cash flow analysis using a revenue exit multiple and a discounted cash flow analysis using an EBITDA exit multiple, as set forth below under “*Akerna Valuation — Discounted Cash Flow Analysis*” and “*Ample Valuation — Discounted Cash Flow Analysis*”, respectively. To conduct a “Has/Gets” analysis, Cowen combined the respective stand-alone Akerna and Ample equity values determined by such standalone discounted cash flow analyses weighted by an assumed Akerna fully diluted capital stock ownership after the Arrangement of 76.7% by Akerna stockholders and 23.3% by Ample stockholders (based on the assumptions described above under “— *Pro Forma Ownership Analysis*” regarding the number of Akerna Shares outstanding and to be issued in the Arrangement, including pursuant to the CVRs), and adjusted such amounts by adding Akerna common stockholders’ aggregate 76.7% post-Arrangement proportionate share of the present values of (1) Akerna’s stand-alone net operating loss tax benefits per Akerna management, which equaled \$1.8 million, (2) Ample’s stand-alone Canadian net operating loss tax benefits, discounted to present value using a WACC of 15.5% and converted into U.S. dollars using the CAD/USD exchange rate of 1.318 as of December 13, 2019 per Bank of Canada, per Ample management, which equaled \$1.2 million, and (3) estimated cost savings, per Akerna management, using a perpetuity growth rate of 0% to 4% and a discount rate range of 15% to 17% based on Akerna’s WACC, which resulted in range of \$3.9 million to \$5.7 million, and deducting \$4.4 million which represented the 76.7% post-Arrangement proportionate share of Ample’s estimated increase in net debt of \$7.5 million.

The following table summarizes the results of Cowen’s “Has/Gets” analysis, in each case assuming Akerna stockholders own 76.7% of the fully diluted capital stock of Akerna, calculated based on the assumptions described above, immediately following the consummation of the Arrangement.

	Akerna Adjusted Equity Value (Pre-Arrangement) ⁽¹⁾		Akerna Adjusted Equity Value (Post-Arrangement)		Illustrative Equity Value Accretion to Akerna Stockholders Post-Arrangement

Ample Valuation

Analysis of Selected Publicly Traded Companies. To provide contextual data and comparative market information, Cowen compared selected historical operating and financial data and ratios for Ample to the corresponding financial data and ratios of certain other companies (the “Ample Selected Companies”) whose securities are publicly traded and which Cowen believes have operating, market valuation and trading valuations similar to what might be expected of Ample. These companies were:

- Akerna Corp.
- AppFolio, Inc.
- Avalara, Inc.
- Blackbaud, Inc.
- Constellation Software Inc.
- Guidewire Software, Inc.
- Phreesia, Inc.
- RealPage, Inc.
- Roper Technologies, Inc.
- Tyler Technologies, Inc.
- Veeva Systems Inc.
- Workiva Inc.

The data and ratios included the enterprise value of the Ample Selected Companies as multiples of estimated 2019 and estimated 2020 revenues and EBITDA (in each case, as available from research analyst reports or, if not so available, First Call) for the Ample Selected Companies. The following table presents, for the periods indicated, the multiples implied by the ratio of estimated revenues and estimated EBITDA for calendar years 2019 and 2020.

	Selected Company Multiples				Multiple Implied for Ample by consideration paid by Akerna in the Arrangement ⁽¹⁾
	Low	Mean	Median	High	
Implied Enterprise Value as a multiple of:					
2019E Revenue	5.0x	10.3x	9.4x	20.1x	8.2x
2020E Revenue	4.7x	8.5x	7.3x	15.8x	5.8x
2019E EBITDA	21.4x	35.5x	24.0x	67.4x	NM
2020E EBITDA	18.6x	30.7x	24.7x	54.0x	NM

* EBITDA multiples of greater than 75.0x and negative multiples were deemed not meaningful or “NM”.

(1) Includes the implied present value of the CVRs payable in Akerna common stock by Akerna under the Agreement of CAD\$8.7 million.

Cowen then applied a selected range of estimated 2020 revenue multiples of 5.0x to 8.0x derived from the Ample Selected Companies to Ample’s estimated 2020 revenue of CAD\$11.5 million, and deducted CAD\$7.5 million of net debt, each per the Ample Management Projections provided by Ample management as adjusted by Akerna management. This analysis indicated an approximate implied equity value range for Ample of CAD\$50.2 million to CAD\$84.8 million.

Although the Ample Selected Companies were used for comparison purposes, none of those companies is directly comparable to Ample. Accordingly, an analysis of the results of such a comparison is not purely mathematical, but instead involves complex considerations and judgments concerning differences in historical and projected financial and operating characteristics of the Ample Selected Companies and other factors that could affect the public trading value of the Ample Selected Companies or Ample to which they are being compared.

Discounted Cash Flow Analysis. Cowen estimated a range of enterprise values for Ample based upon the discounted present value of the projected after-tax unlevered cash flows of Ample described in the Ample Management Projections provided by management of Ample and adjusted by Akerna for the calendar years ended December 31, 2020 through December 31, 2024, and of the terminal value of Ample at December 31, 2024, in one case based upon multiples of revenue and in another case based upon multiples of EBITDA, and in each case discounted back to December 31, 2019 using the mid-period convention. After-tax unlevered cash flow was calculated by taking projected EBIT and subtracting from this amount projected taxes, capital expenditures, changes in working capital and changes in other assets and liabilities and adding back projected depreciation and amortization. This analysis was based upon certain assumptions described by, projections supplied by Ample and adjusted by management of Akerna and discussions held with the management of Akerna. In performing this analysis, Cowen utilized discount rates discounting unlevered fee cash flows and terminal values to present value ranging from 15% to 17%, which were selected by Cowen based on an estimated weighted average cost of capital analysis for Ample. Equity value was calculated as enterprise value less CAD\$7.5 million net debt per the Ample Management Projections.

Cowen utilized terminal multiples of revenue ranging from 5.0 times to 8.0 times, which range was selected by Cowen in its professional judgment and based on multiples implied by the ratios of enterprise values to estimated revenues for the Ample Selected Companies. Utilizing this methodology, the implied equity value of Ample ranged from CAD\$80.1 million to CAD\$138.0 million.

Cowen utilized terminal multiples of EBITDA ranging from 19.0 times to 21.0 times, which range was selected by Cowen in its professional judgment and based on multiples implied by the ratios of enterprise values to estimated EBITDA for the Ample Selected Companies. Utilizing this methodology, the implied equity value of Ample ranged from CAD\$133.5 million to CAD\$161.0 million.

The summary set forth above does not purport to be a complete description of all the analyses performed by Cowen. The preparation of a fairness opinion involves various determinations as to the most appropriate and relevant methods of financial analysis and the application of these methods to the particular circumstances and, therefore, such an opinion is not readily susceptible to partial analysis or summary description. Cowen did not attribute any particular weight to any analysis or factor considered by it, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. Accordingly, notwithstanding the separate factors summarized above, Cowen believes, and has advised the Akerna Board, that its analyses must be considered as a whole and that selecting portions of its analyses and the factors considered by it, without considering all analyses and factors, could create an incomplete view of the process underlying its opinion. In performing its analyses, Cowen made numerous assumptions with respect to industry performance, business and economic conditions and other matters, many of which are beyond the control of Akerna and Ample. These analyses performed by Cowen are not necessarily indicative of actual values or future results, which may be significantly more or less favorable than suggested by such analyses. In addition, analyses relating to the value of businesses do not purport to be appraisals or to reflect the prices at which businesses or securities may actually be sold. Accordingly, such analyses and estimates are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of the parties or their respective advisors. None of Akerna, Ample, Cowen or any other person assumes responsibility if future results are materially different from those projected. The analyses supplied by Cowen and its opinion were among several factors taken into consideration by the Akerna Board in making its decision to enter into the Agreement and should not be considered as determinative of such decision.

Certain Financial Advisory Fees Paid by Akerna

Cowen was selected by the Akerna Board to render an opinion to the Akerna Board because Cowen is a nationally recognized investment banking firm and because, as part of its investment banking business, Cowen is continually engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes. Cowen is providing financial services for Akerna for which it will receive customary fees. In addition, in the ordinary course of its business, Cowen and its affiliates trade the equity securities of Akerna for their own account and for the accounts of their customers, and, accordingly, may at any time hold a long or short position in such securities. In the two years preceding the date of its opinion, Cowen has been retained to provide investment banking services to Akerna and has received fees in connection therewith in the amount of \$50,000, and has not provided investment banking services to Ample or any other party to the Agreement. Cowen and its affiliates may in the future provide commercial and investment banking services to Akerna and may receive fees for the rendering of such services. The issuance of Cowen's opinion was approved by Cowen's Fairness Opinion Review Committee.

Pursuant to the Cowen engagement letter, if the Arrangement is consummated, Cowen will be entitled to receive a transaction fee equal to approximately \$1.26 million. Akerna has also agreed to pay a fee of \$500,000 to Cowen for rendering its opinion, which fee will be credited against any transaction fee paid. Additionally, Akerna has agreed to reimburse Cowen for its out-of-pocket expenses, including attorneys' fees, and has agreed to indemnify Cowen

against certain liabilities, including liabilities under the federal securities laws. The terms of the fee arrangement with Cowen, which are customary in transactions of this nature, were negotiated at arm's length, and the Akerna Board was aware of the arrangement, including the fact that a significant portion of the fee payable to Cowen is contingent upon the completion of the Arrangement.

Board of Directors and Management of the Combined Company Following the Arrangement; Headquarters

There will be no change to the Akerna Board or Akerna's management team following the Arrangement. Akerna's headquarters will remain at 1630 Welton Street, Denver, CO 80202.

Accounting Treatment

In accordance with U.S. generally accepted accounting principles ("GAAP"), the Arrangement will be accounted for as a business combination using the acquisition method of accounting. Akerna will be treated as the acquirer for accounting purposes. The assets and liabilities and results of operations of Ample will be consolidated into the results of operations of Akerna as of the completion of the business combination.

Regulatory Approval

The transactions contemplated by the Arrangement are not subject to any additional federal or state regulatory requirements or approvals, except for (1) the Hart-Scott Rodino Antitrust Improvements Act of 1976 (2) filings with the State of Delaware necessary to effectuate the transactions contemplated by the Arrangement and (3) the approval of the Ontario Superior Court of Justice.

U.S. Federal Income and Estate Tax Consequences

Akerna's existing stockholders will simply retain their Akerna Shares, and accordingly there will be no material U.S. federal income tax consequences to Akerna's existing stockholders resulting from the issuance of Akerna Shares in the Arrangement.

Dissenters or Appraisal Rights

Akerna stockholders are not entitled to appraisal or dissenters' rights in connection with the Arrangement.

Ample's Shareholder Approval

Ample will hold a special meeting of its shareholders to consider and vote upon the resolution to approve the Agreement and the contemplated Arrangement and such meeting is expected to occur in June 2020, and such resolution must be approved, with or without variation, by the affirmative vote of 66 2/3% of the votes cast on the Arrangement Resolution by Ample shareholders present in person or represented by proxy at the Ample meeting voting together as a single class, together with the affirmative vote of the holders holding not less than a majority of the Ample Preferred Shares.

Stockholder Voting and Support Agreements

On December 18, 2019, Akerna and Ample entered into the Voting and Support Agreements (the "Akerna Voting Agreements") with each of the directors and officers of Ample and certain related shareholders (the "Ample Supporting Shareholders"). The Akerna Voting Agreements set forth, among other things, the agreement of such shareholders to vote their Ample Securities (as defined in the Agreement) in favor of the Arrangement and any other matter necessary for the consummation of the Arrangement.

Nasdaq Listing Notification Requirement

Under Rule 5250(e)(2)(D) of the Nasdaq Manual, a Nasdaq Stock Market listed corporation must notify the Nasdaq Stock Market of the issuance of additional shares in connection with the issuance of common stock, or any security convertible into common stock in a transaction that may result in the potential issuance of common stock (or securities convertible into common stock) greater than 10% of either the total shares outstanding or the voting power outstanding on a pre-transaction basis. Akerna has so notified the Nasdaq Stock Market.

THE SOLO OPTION

This discussion of the Solo Option is qualified in its entirety by reference to the Solo SPA, which is attached to this proxy statement as Annex F. You should read the entire Solo SPA carefully as it is the legal document that governs the Solo Option.

Background of the Solo SPA and Solo Option

Akerna provides state governments with track and trace technology through its Leaf Data Systems SaaS product. As a competitive advantage, Akerna's technology is able to integrate with any number of plant-tagging systems, including RFID and QR coding solutions. As a result of Akerna's efforts to provide best-in-class tagging system alternatives, Akerna identified Solo as a potential partner in early 2019. The two companies began exploring a partnership in March, 2019.

On May 1, 2019, Akerna signed a partnership agreement with Solo granting Akerna exclusive rights to utilize Solo's tagging technology for applications in the cannabis industry. Subsequently, on April 5, 2019, Akerna responded to a request for proposal from the state of Utah for a state tracking system, which submission included Solo's tagging solution. On August 9, 2019, Akerna was awarded the contract from the state of Utah. Since that time, Akerna and Solo have worked closely to deploy Solo's tagging technology in conjunction with Leaf Data Systems.

Beginning in August 2019, Akerna and Solo began discussing the opportunity to work on other projects together. Executives from Akerna and Solo met on August 20, 2019 to discuss such opportunities. At the conclusion of the meeting, Akerna and Solo agreed that the next step in exploring a broader partnership would be to have a third-party review and evaluate Solo's technology.

On August 23, 2019, Scott Sozio, Akerna's head of corporate development, and Lokesh Chugh, Solo's chief financial officer, had a call to discuss the process for the third-party technology evaluation. On the call, Mr. Chugh mentioned that Solo was in the process of raising a round of funding and suggested that they would be interested in having Akerna participate as a strategic partner. Mr. Sozio responded that Akerna would consider it and asked Mr. Chugh to provide investor materials that Akerna could review. On August 24, 2019, Mr. Chugh began providing such materials.

On August 27, 2019, Solo granted Akerna access to its investor data room, and the companies executed a nondisclosure agreement.

On September 13, 2019, Akerna received from its third-party consultant the technical evaluation report.

In mid-September 2019, Ms. Billingsley began discussing with Ashesh Shah, Founder and chief executive officer of Solo, the potential opportunity for Mr. Shah to join the Akerna Board. After many discussions with Mr. Shah over the course of several weeks, Ms. Billingsley presented Mr. Shah to the Akerna Board for consideration as a new member on September 20, 2019. On September 26, 2019, Akerna announced the appointment of Mr. Shah as a director of Akerna.

On September 30, 2019, after several weeks of discussions between Akerna and Solo, Akerna sent Solo a draft letter of intent ("Solo LOI"). Negotiations relating to the terms of the Solo LOI continued and on October 1, 2019, Akerna sent a revised draft of the Solo LOI to Solo.

On October 2, 2019, Ms. Billingsley provided an update to the Akerna Board. The update included the status of the potential acquisition of Solo, noting that the negotiation of a letter of intent was in process. The Akerna Board instructed management to continue to pursue the potential acquisition, with the goal of signing a letter of intent in the near term.

After several more revised drafts of the Solo LOI were exchanged, on October 9, 2019, Akerna and Solo entered into the Solo LOI, outlining a transaction that would result in Akerna acquiring up to 100% of Solo for \$20 million in an all-stock transaction.

On October 11, 2019, Akerna conducted a board meeting. During the meeting, Ms. Billingsley and Mr. Sozio provided an update on the status of potential acquisitions. For the discussion relating to the potential Solo acquisition, Mr. Shah recused himself. The Akerna Board discussed the strategic value of the Solo acquisition and instructed Akerna management to continue to pursue the deal consistent with the terms outlined in the Solo LOI.

After the Solo LOI was executed on October 9, 2019, Akerna continued to perform due diligence on Solo through the month of October and Akerna and Solo continued to discuss the terms of the potential acquisition. On October 23, 2019, Akerna sent an email to Solo suggesting that Akerna and Solo agree to set the price for the issuance of Akerna shares to Solo. Conversations continued relating to setting the Akerna share price and determining how much of Solo Akerna would acquire.

On October 30, Akerna sent Solo a draft of the stock purchase agreement. During the month of November, Akerna and Solo negotiated the stock purchase agreement.

On November 24, 2019, Mr. Shah resigned from the Akerna Board.

On November 25, 2019, the Akerna board approved the transaction, and, on November 26, 2019, it was publicly announced.

Akerna's Reasons for the Solo SPA and Solo Option

Akerna believes that the Solo SPA and related Solo Option will provide strategic and financial benefits, including:

- Solo is a leader in the anti-counterfeiting and consumer engagement market in the cannabis industry, adding new capabilities to Akerna that strengthens cannabis supply chain transparency. By enabling consumers to determine if a product is real or fake, providing detailed product information and promoting loyalty for brands and manufacturers, Solo extends Akerna's ability to create a more transparent cannabis supply chain;
- with Solo, Akerna extends its supply chain reach to the consumer, accessing a large addressable market that was previously untapped by Akerna;
- Solo enables Akerna to differentiate its Leaf Data Systems product with Solo's unique authentication tagging technology. Akerna and Solo have already won a joint contract with the state of Utah, where authentication with the solo*TAG was a critical factor. Utah mandates the use of both technologies for their closed loop program; and
- Solo has a proven management team with strong track record of innovation.

Recommendation of the Akerna Board

After careful consideration of various factors described in the section entitled "*The Solo Option — Akerna's Reasons for the Solo SPA and Solo Option*" beginning on page 59 of this proxy statement, the Akerna Board has unanimously determined that it is advisable and in the best interests of Akerna and its stockholders to exercise the Solo Option as contemplated by the Solo SPA. Accordingly, Akerna Board unanimously recommends that Akerna's stockholders vote "**FOR**" the approval of the issuance of Akerna Shares pursuant to the Solo SPA to exercise the Solo Option.

Board of Directors and Management of Solo Following the Closing of the Solo Transaction

Subject to the terms of his employment agreement, Ashesh C. Shah shall serve as Chief Executive Officer of Solo following the closing of the transaction. For the period between the closing and the earlier to occur of (1) Akerna's exercise of the Solo Option and the closing thereof; (2) the Solo shareholders' exercise of the Repurchase Option and the closing thereof; or (3) the expiration of the Repurchase Option (the "Transition Period"), the board of directors of Solo shall consist of four persons nominated by Akerna and three persons nominated by the Shareholder Representatives, who shall constitute a special committee of the board of directors of Solo. In the event any member of the special committee dies or resigns, the remaining members shall appoint a person to fill the vacancy, and Akerna shall cause such person to be elected to Solo's board of directors. During the Transition Period, the special committee shall have sole authority to make all decisions on behalf of Solo concerning transactions between Akerna and Solo. The Solo board of directors shall adopt resolutions in customary form appointing the special committee, and empowering it to hire, on terms and conditions acceptable to the special committee and at Solo's expense, legal and financial advisors who are independent of Akerna and Solo to assist the special committee in the fulfillment of its duties, as described above, and to enter into, on behalf of Solo, agreements to retain such advisors, which may include, among other things, indemnification arrangements that are acceptable to the special committee; and that, to the fullest extent permitted by applicable law, the deliberations and records of the special committee shall

be confidential and, without limiting the generality of the foregoing, all statutory and common law privileges shall be available with respect to legal advice rendered to, and documents prepared by counsel to assist the Special Committee in its deliberations. During the Transition Period, (x) Akerna shall not sell any of the transferred Solo shares, (y) shall not sell substantially all of Solo's assets, and (z) shall not issue additional equity securities of Solo or options to purchase equity securities of Solo without the approval of the special committee, which shall not be unreasonably withheld.

U.S. Federal Income and Estate Tax Consequences

Akerna's existing stockholders will simply retain their Akerna Shares, and accordingly there will be no material U.S. federal income tax consequences to Akerna's existing stockholders resulting from the issuance of Akerna shares from the exercise of the Solo Option.

Dissenters or Appraisal Rights

Akerna stockholders are not entitled to appraisal or dissenters' rights in connection with the Solo Option.

Solo Shareholder Approval

The shareholders of Solo have approved the Solo Option.

Nasdaq Listing Notification Requirement

Under Rule 5250(e)(2)(D) of the Nasdaq Manual, a Nasdaq Stock Market listed corporation must notify the Nasdaq Stock Market of the issuance of additional shares in connection with the issuance of common stock, or any security convertible into common stock in a transaction that may result in the potential issuance of common stock (or securities convertible into common stock) greater than 10% of either the total shares outstanding or the voting power outstanding on a pre-transaction basis. Akerna has so notified the Nasdaq Stock Market.

Business Overview

We are a leading enterprise software solutions provider that enables regulatory compliance and inventory management. Our proprietary software platform is adaptable for industries in which interfacing with government regulatory agencies for compliance purposes is required, or where the tracking of organic materials from seed or plant to end products is desired. Ten years ago, we identified a need for organic material tracking and regulatory compliance software as a service (“SaaS”) solutions in the growing cannabis and hemp industry. We developed products intended to assist states in monitoring licensed businesses’ compliance with state regulations, and to help state-licensed businesses operate in compliance with such law. We provide our regulatory software platform, Leaf Data Systems®, to government regulatory agencies, and our business software platform, MJ Platform®, to state and federally-licensed businesses. Although we have helped monitor legal compliance for more than \$17 billion in cannabis sales to date, we do not handle any cannabis related material, do not process sales transactions within the United States, and our revenue generation is not related to the type or amount of sales made by our clients, as revenues are generated by us on a fixed-fee based subscription model.

Our core products, Leaf Data Systems and MJ Platform, are highly-versatile platforms that provide our clients with a central data management system for tracking regulated products — from seed to initial plant growth to product — throughout the complete supply chain, using a global unique identifier method. Our platforms also provide clients with integrated security, transparency and scalability capabilities. These capabilities allow our state-licensed clients to control inventory, operate efficiently in a fast-changing industry and comply with state, local, and federal (in countries such as Canada, Italy, Macedonia and Colombia) regulation at all times, and allows our government regulatory clients to effectively and cost-efficiently monitor licensees and ensure that commercial businesses are complying with their states’ regulations.

We generate revenue in three principal areas:

- **Government Regulatory Software** — Leaf Data Systems is our SaaS product for government agencies. Leaf Data Systems is a compliance tracking system designed to give regulators visibility into the activity of licensed cannabis businesses in their jurisdictions. We have been serving three clients for Leaf Data Systems, the State of Washington, the Commonwealth of Pennsylvania and the State of Utah.
- **Commercial Software** — MJ Platform is our SaaS offering for state and federally-licensed businesses. MJ Platform is an ERP (Enterprise Resource Planning) compliance system specific to the cannabis industry, including state-legal marijuana, hemp and Cannabidiol (CBD) industry. MJ Platform is comprised of integrated modules designed to meet the regulations and inventory management needs of cannabis and hemp CBD cultivators, manufacturers, distributors and retailers, but has applications in other industries.
- **Consulting Services** — We provide consulting services to cannabis industry operators interested in entering the cannabis industry and in integrating our platforms into their respective operations and systems. We consult with clients on a wide range of areas to help them successfully maintain compliance with state law. We work with clients to efficiently comply with state requirements in connection with the launch and operations of their cannabis businesses. Our management team and key personnel have broad experience gained from working with numerous cannabis operations. Our consulting team has experience in most aspects of cannabis operations in most verticals (e.g., cultivation, processing, distribution, manufacturing and retail). Our service providers understand the intricacies of the varying regulations governing cannabis in each jurisdiction and, to the extent necessary, modify the professional services based on the jurisdiction.

We provide project-focused consulting services to clients that are initiating or expanding their cannabis businesses or are interested in data consulting engagements with respect to the legal cannabis industry. Our advisory engagements include service offerings focused on compliance requirement assessments, readiness and best practices, compliance monitoring systems, application processes, inspection readiness and business plan and compliance reviews. We typically provide our consulting services to clients in emerging markets that are seeking consultation on newly introduced licensing regimes and assistance with the regulatory compliant build-out of operations in newly legal states

We also resell a limited number of printers for printing compliance product labels and scales that are National Type Evaluation Program (“NTEP”) certified legal for trade. Revenue from these resale activities was approximately 2% of total revenue in each of the three and six months ended December 31, 2019, and December 31, 2018, and is not expected to become a significant generator of revenue.

Our commercial software revenue growth is driven by leveraging our reputation and continued cannabis, hemp and CBD industry growth. We believe we are well known in these industries and can leverage our reputation, brand recognition, and wealth of relevant experience to attract existing cultivation, manufacturing and dispensary customers, and attract new market entrants. We believe that the reputation of our existing products and our ability to provide services in all areas of the seed to sale life cycle will attract customers from competitors that are seeking more comprehensive services and will attract new customers as they enter into existing markets and markets that become newly legalized. We also experience revenue growth in mature, established states and countries by providing a solution to operators seeking to vertically integrate their operations and improve their operations. We provide not only a vertically integrated solution across the cannabis, hemp, and CBD supply chain, but also have the business intelligence capture which allows operators to run their businesses in a more informed and efficient manner. This business intelligence capture is derived from the suite of services provided by us and sets us apart from competitors.

Through our acquisition strategy, we are expanding the features available to new and existing customers of MJ Platform and Leaf Data Systems, including the ability to track organic matter from seed-to-self (consumer), with an interactive consumer product experience. We believe that such features create further value by providing additional add-ins that should enhance utilization and the experience of our new and existing customers. For example: (1) our agreement with Netsuite will provide tax planning services to our customers in Canada; (2) our integration with Sage Intacct provides tax planning services globally (3) our license with ZolTrain will provide our MJ Platform customers with training modules to educate them and improve their experience by pairing education with product information at the point of sale; (4) our Leaf Data Systems track-and-trace solution specifically customized for the State of Utah to include an electronic verification system and inventory control system, will utilize solo*tag, the world’s first cryptographically-secure, cannabis product authentication system, exclusively for governments as an alternative to RFID tracking; and (5) our agreement with Isolocity enables cannabis enterprises to pursue international expansion by providing a QMS framework to support local and national compliance needs and by leveraging such QMS, MJ Platform can support GMP certification requirements, including the stricter EU-GMP standard required for the export of medical cannabis into Europe and Asia.

Revenue

Our software revenue is derived from MJ Platform, our SaaS enterprise resource planning tool offering for state-licensed businesses, and Leaf Data Systems, our track-and-trace product for government agencies. MJ Platform contracts are generally annual contracts paid monthly in advance of service and cancellable upon 30 days’ notice,

although we do have some multi-year MJ Platform contracts. We defer recognition of revenue from these payments until services have been provided. Leaf Data Systems contracts are generally multi-year contracts payable annually or quarterly. A percentage retainer or holdback fees (generally ranging from 10% to 30%) are common until all initial deliverables are complete. MJ Platform and Leaf Data Systems contracts generally may only be terminated early for breach of contract as defined in the respective agreements. Our consulting revenue is derived throughout the life cycle of a customer. Our other revenue is derived primarily from point of sale hardware and labels.

Consulting services revenue growth is driven by numerous factors. In new emerging states, we provide solutions for aspiring operators in the pre-application of licensures and pre-operational phases of development. These services include application and business plan preparation as they seek licenses to be granted. Consulting services are provided to post operational licensees to consult during the setup and buildout phases as they open and begin operating their businesses. We also provide business optimization services for established businesses that can benefit from consulting to increase efficiencies as they expand and grow.

We contract our consulting services through Statements of Work (SOW) for businesses or entrepreneurs interested in developing operations in the cannabis, hemp and CBD industries. SOW issued and completed during the pre-application phase generally solidify us as the contractor of choice for subsequent operational phases once the operator is granted the license. As a result, our consulting revenue is driven as new emerging states pass legislation and as our client-operators gain licenses. Accordingly, we expect our consulting services to continue to grow as more states emerge with legalization reforms, such as Missouri, New Jersey, Illinois and Utah.

Cost of Revenue

Our cost of revenue is derived from direct costs derived primarily from government contract subcontractor expenses in addition to hosting and infrastructure costs associated with operating MJ Platform and Leaf Data Systems. We record cost of revenue based on the direct cost method. This method requires allocation of direct costs including support services and materials to cost of revenue. Consulting cost of revenue is primarily determined as a result of our employees' salaries and other related compensation expenses.

Product and Development Expenses

Our product and development expenses include salaries and benefits, contractor expenses, technology expenses, and other overhead. These expenses have grown over time, and we expect these expenses to continue to increase with our growth.

Selling, General and Administrative Expenses

Our selling, general and administrative expenses include salaries and benefits, sales and marketing expenses, public relations and investor relations fees, outage expenses, professional fees, and other overhead. These expenses have grown over time, and we expect these expenses to continue to increase with our growth.

Marketing and sales expenses are our largest cost and consist primarily of salaries and related expenses for our sales and marketing staff; including commissions, as well as payments to partners and marketing programs. Marketing programs consist of advertising, events, corporate communications, brand building and product marketing activities. We plan to continue to invest in marketing and sales by expanding our domestic and international selling and marketing activities, building brand awareness, attracting new customers, and sponsoring additional marketing events. The timing of these marketing events will affect our marketing costs in a quarter.

Critical Accounting Policies and Estimates

We disclose our significant accounting policies in Note 2 — Summary of Significant Accounting Policies in our Audited Consolidated Financial Statements that is part of this proxy statement. Since the date of the *Audited Consolidated Financial Statements*, there have been no material changes to our significant accounting policies.

Net loss	\$ (12,306,547)	\$ (2,488,309)

Total Revenue

Total revenue increased to approximately \$10.9 million for the fiscal year ended June 30, 2019 from approximately \$10.5 for the fiscal year ended June 30, 2018, an increase of approximately \$0.4 million, or 4%. The increase in total revenue compared to the fiscal year ended June 30, 2018 was driven primarily by growth achieved across our commercial software business, MJ Platform, in addition to our consulting business. These increases were partially offset by a decrease in revenue from our government regulatory software business, Leaf Data Systems.

Software Revenue

Our total software revenue increased to approximately \$8.3 million for the fiscal year ended June 30, 2019 from \$8.1 million for the fiscal year ended June 30, 2018, for an increase of approximately \$0.2 million, or 2%. Total software revenue accounted for 76% and 77% of total revenue for the years ended June 30, 2019 and 2018, respectively. The increase in software revenue over the fiscal year was primarily driven by growth in the number of commercial software subscriptions to MJ Platform (thus increasing recurring SaaS revenue).

Our software revenues generated from government customers under Leaf Data Systems totaled approximately \$4.3 million and \$4.5 million during the years ended June 30, 2019 and 2018, respectively. Leaf Data Systems revenue decreased for the fiscal year ended June 30, 2019 primarily as a result of a smaller volume of change orders and initial license fees in the current year period. Change orders represent out-of-scope functionality modifications requested by the client. Revenues earned from these change orders are recognized upon successful implementation and delivery of the requested modifications. As a result, revenues from these clients when compared year over year may be impacted by the timing of the agreement relative to the number of requested change orders in one or either period.

Consulting Revenue

Our consulting revenue includes revenue generated from consulting professional services delivered to prospective and current cannabis, hemp and CBD businesses and business operators. Our consulting revenue was approximately \$2.4 million for the fiscal year ended June 30, 2019 compared to \$2.2 million for the fiscal year ended June 30, 2018, an increase of approximately \$0.1 million, or 5%, as a result of a higher volume of consulting activities and engagements during the second half of our 2019 fiscal year. Consulting services are correlated to state legalizations and other regulatory expansion activity. As a result, individual year-over-year comparisons may experience variability depending on the timing of recent legislative changes.

Consulting revenue was 22% of total revenue for the years ended June 30, 2019 and 2018, respectively. Due to the nature of consulting revenue and our dependence on emerging market activity as a driver of demand, the months in which we recognize consulting revenue has varied from year to year depending on whether state legislation has expanded to allow new market entrants or growth of existing market participant operations. For example, while consulting activity appeared to have slowed earlier during this fiscal year, it increased significantly during the three months ended June 30, 2019 due to emerging opportunities in Missouri, Maryland, Utah, New Jersey, and Arkansas as these states have experienced recent state legal changes. Further, five of our clients in Ohio have recently won processing licenses.

Other Revenue

Our retail/resale revenue represents revenue generated from point of sale hardware and labels. Retail/resale revenue increased to approximately \$0.3 million for the fiscal year ended June 30, 2019 from \$0.1 million for the fiscal year ended June 30, 2018, an increase of approximately \$0.1 million, or 131%. Retail/resale revenue was 2% of total revenue for the fiscal year ended June 30, 2019.

Cost of Revenue and Gross Margin

Our cost of revenue increased to approximately \$4.6 million for the fiscal year ended June 30, 2019 from \$4.4 million for the fiscal year ended June 30, 2018, an increase of approximately 6%. The increase compared to the prior fiscal year period was primarily due to an increase in hosting and infrastructure costs incurred to support our Software business. Hosting and infrastructure costs grew from approximately \$1.0 million to \$1.4 million, an increase of approximately \$0.4 million, or 40%, as we continued to increase Amazon Web Services usage as part of both the growth of MJ Platform in addition to the ramp of the contract with WSLCB.

Additionally, we incurred higher direct labor costs associated with providing our consulting services of approximately \$0.2 million. These increases in cost of revenue were partially offset by fewer third-party subcontractor costs associated with servicing our contract with the Commonwealth of Pennsylvania. Overall, our gross profit margin remained consistent at 58% for both of the years ended June 30, 2019 and June 30, 2018.

Additionally, we experienced increased costs of revenue associated with retail hardware sales of approximately \$128,000.

Since the applications and services available through the Leaf Data System are provided through relationships with third-party service providers at higher costs than those from our MJ Platform contracts, the gross profit margins from the government contracts are generally lower than those from our commercial software clients. Total costs of government revenues incurred by us, which are included in cost of revenues on the statement of operations, were approximately \$2.0 million and \$2.7 million during the years ended June 30, 2019 and 2018, respectively. The decrease in cost of government revenues incurred by us was due to a smaller volume of ongoing support and maintenance services provided in connection with the contract with the Commonwealth of Pennsylvania.

Operating Expenses

The following table presents operating expense line items for the years ended June 30, 2019 and 2018 and the period-over-period dollar and percentage changes for those line items:

	Years ended June 30,				Change	
	2019	% of revenue	2018	% of revenue	Period over Period	
Operating expenses:						
Product development	\$ 5,565,097	51%	\$ 2,645,093	25%	\$ 2,920,004	110%
Selling, general and administrative	13,136,522	120%	5,932,887	54%	7,203,635	121%
Total operating expenses	<u>\$ 18,701,619</u>	<u>171%</u>	<u>\$ 8,577,980</u>	<u>79%</u>	<u>\$ 10,123,639</u>	<u>118%</u>

Our operating expenses increased to approximately \$18.7 million for the fiscal year ended June 30, 2019 from approximately \$8.6 million for the fiscal year ended June 30, 2018, an increase of approximately \$10.1 million, or 118%. The increased level of operating expenses for the fiscal year ended June 30, 2019 was driven by increased product development expenses of approximately \$2.9 million, or 110% in addition to higher selling, general and administrative expenses of approximately \$7.2 million, or 121%.

The increased level of operating expenses for the fiscal year ended June 30, 2019 was primarily driven by increases in salary expenses across Engineering, Sales and Marketing and Administrative functions as we continued to add headcount in order to support our growth. Salary expenses for Product Development functions increased by approximately \$2.7 million. Salary expenses for Sales and Marketing and Administrative functions increased by approximately \$3.5 million. Approximately \$3.8 million of salaries in the current fiscal year were paid in the form of non-cash stock-based compensation. No non-cash stock-based compensation was paid during the fiscal year ended June 30, 2018.

Non-payroll related expenses within Selling, General and Administrative functions also increased for the fiscal year ended June 30, 2019 by approximately \$3.7 million. These are primarily comprised of Sales and Marketing expenses related to our marketing initiatives including payments to partners and marketing programs. Marketing programs consist of advertising, events, corporate communications, brand building and product marketing activities. We plan to continue to invest in marketing and sales by expanding our domestic and international selling and marketing activities, building brand awareness, attracting new customers, and sponsoring additional marketing events. The timing of these marketing events will affect our marketing costs in a particular quarter. Additionally, we incurred professional fees of approximately \$1.5 million in connection with the Business Combination and Private Placement discussed below. We also incurred fewer operating expenses during the fiscal year ended June 30, 2018 as a result of insurance proceeds received from our 2017 security breach. Non-payroll related expenses within Product development functions also increased by approximately \$0.2 million as we enhanced our cybersecurity and enterprise software capabilities following our 2017 security breach.

Results of operations for the nine months ended March 31, 2020 compared to nine months ended March 31, 2019

The following table highlights the various sources of revenues and expenses for the nine months ended March 31, 2020 as compared to the nine months ended March 31, 2019:

	Nine months ended March 31,	
	2020	2019

Total operating expenses	17,905,798	10,317,984
Other income	158,508	87,248
Net loss	\$ (12,634,762)	\$ (6,580,157)

Total Revenue

Total revenue increased to \$9.6 million for the nine months ended March 31, 2020 from \$7.2 million for the nine months ended March 31, 2019, an increase of \$2.4 million, or 33%. The increase in total revenue was achieved across all our products. The increase in total revenue was driven primarily by growth achieved in MJ Platform and in our consulting services business. The revenues from our government regulatory software business, Leaf Data Systems, increased slightly with the addition of the State of Utah contract.

Software Revenue

Our total software revenue increased to \$7.1 million for the nine months ended March 31, 2020 from \$6.2 million for the nine months ended March 31, 2019, an increase of \$1.0 million, or 16%. Software revenue accounted for 75% and 86% of total revenue for the nine months ended March 31, 2020 and 2019, respectively. The increase in software revenue was primarily driven by 27% growth in revenue from MJ Platform. This increase in software revenue was primarily the result of volume-driven increases from new business, which includes new customers, upgrades and additional subscriptions from existing customers. We continue to invest in a variety of customer programs and initiatives which, along with increasing adoption, have helped keep our attrition rate consistent as compared to the prior year. Consistent attrition rates play a role in our ability to maintain growth in our subscription revenues. Changes in the net price per user per month have not been a significant driver of revenue growth for the periods presented. Our software revenue during the nine months ended March 31, 2020 was not significantly impacted by COVID-19, in most jurisdictions our customers were deemed “essential businesses” and continued operations. Revenue recognition for new customers in our pipeline may be delayed if the timing of implementation and onboarding is negatively impacted in future periods. The significance of the impact of the COVID-19 outbreak on our business and the duration for which it may have an impact cannot be determined at this time.

Software revenues generated from government customers under Leaf Data Systems increased to \$3.5 million for the nine months ended March 31, 2020, up from \$3.4 million for the nine months ended March 31, 2019. While our revenues from Leaf Data Systems from our contracts with the State of Washington and the State of Pennsylvania declined for the nine months ended March 31, 2020 compared to the nine months ended March 31, 2019 by \$0.7 million primarily as a result of the completion of professional services and transition to the more consistent run and maintain mode, we recorded revenue of \$0.8 million from our contract with the State of Utah, which commenced in August 2019

Consulting Revenue

Our consulting revenue includes revenue generated from consulting professional services delivered to prospective and current cannabis, hemp and CBD businesses and business operators. Our consulting revenue was \$2.2 million for the nine months ended March 31, 2020 compared to \$0.8 million for the nine months ended March 31, 2019, for an increase of \$1.4 million, or 172%. The increase in consulting services and other revenues was due primarily to the higher demand for services from an increased number of customers. We delivered approximately 30 operational license applications on behalf of Missouri-based clients during the month of August alone, and we continue to experience strong demand for our consulting services in other emerging states. Further, during the nine-month period ended March 31, 2020, we serviced a large contract with a Midwest-based client for the preparation, completion and delivery of operational license applications for a portfolio of recreational retail and cultivation facilities. Consulting services are correlated to state legalizations and other regulatory expansion activity. As a result, individual period-over-period comparisons may experience variability depending on the timing of recent legislative changes. During the COVID-19 outbreak, state legislatures have turned their focus to the pandemic, tabling work on cannabis legislation. The significance of the impact of the COVID-19 outbreak on our business and the duration for which it may have an impact cannot be determined at this time.

Consulting revenue was 24% and 11% of total revenue for the nine months ended March 31, 2020 and 2019, respectively. Due to the nature of consulting revenue and our dependence on emerging market activity as a driver of demand, the months in which we recognize consulting revenue has varied from period to period depending on whether state legislation has expanded to allow new market entrants or growth of existing market participant operations. We expect this variability to continue.

Other Revenue

Our other revenue represents revenue generated from the resale of point of sale hardware and labels. Other revenue decreased to \$172,000 for the nine months ended March 31, 2020 from \$200,000 for the nine months ended March 31, 2019, a decrease of \$28,000, or 14%. Other revenue was 2% and 3% of total revenue for the nine months ended March 31, 2020 and March 31, 2019, respectively.

Cost of Revenue and Gross Profit

Our cost of revenue for the nine months ended March 31, 2020 was \$4.5 million, an increase of \$0.9 million, or 26%, as compared to cost of revenue for the nine months ended March 31, 2019 of \$3.6 million. The increase compared to the prior nine-month period was primarily as a result of the costs incurred to service the new contract with the State of Utah, \$0.9 million. With the reduction of professional services related to implementation and our exiting contracts' transition to run and maintain mode, we expect these costs to decrease then level off in future periods. Direct labor costs associated with providing our consulting services increased by \$0.1 million, while the increase in hosting and infrastructure costs associated with our Software business accounted for \$0.2 million of total increase in cost of revenue. Infrastructure costs have increased primarily due to our investment for future growth, we expect to realize incremental per customer cost savings from this investment in the next fiscal year. The overall increase in cost of revenue was partially offset by a decrease of \$0.3 million as a result of a change in third-party subcontractor costs related to our contract with the Commonwealth of Pennsylvania. We intend to continue to invest additional resources in our enterprise software group to facilitate the adoption of our services. The timing of these expenses will affect our cost of revenues, both in terms of absolute dollars and as a percentage of revenues in future periods.

Our gross profit for the nine months ended March 31, 2020 was \$5.1 million, an increase of \$1.5 million, or 40%, as compared to gross profit for the nine months ended March 31, 2019 of \$3.7 million. Our gross profit margin for the nine months ended March 31, 2020 was 53.4%, an increase of 270 basis points as compared to gross profit margin for the nine months ended March 31, 2019 of 50.7%. The increase compared to the prior nine-month period was primarily as a result of increased consulting revenue and the minimal marginal cost to provide these services.

Because some of the applications and services available through the Leaf Data System are provided through relationships with third-party service providers, the costs are higher than those allocated from our employees' salaries to support our MJ Platform and consulting contracts. Therefore, the gross profit margins from the government contracts are generally lower than those from our commercial software clients. Total costs of government revenues incurred by us, which are included in cost of revenues on the statement of operations, was \$2.2 million and \$1.6 million during the nine months ended March 31, 2020 and 2019, respectively.

Operating Expenses

The following table presents operating expense line items for the nine months ended March 31, 2020 and 2019 and the period-over-period dollar and percentage changes for those line items:

	Nine months ended March 31,				Change	
	2020	% of revenue	2019	% of revenue	Period over Period	
Operating expenses:						
Product development	\$ 4,024,743	42%	\$ 2,877,869	40%	\$ 1,146,874	40%
Selling, general and administrative	13,881,055	145%	7,440,115	103%	6,440,940	87%
Total operating expenses	<u>\$ 17,905,798</u>	<u>187%</u>	<u>\$ 10,317,984</u>	<u>143%</u>	<u>\$ 7,587,814</u>	<u>74%</u>

Our operating expenses increased to \$17.9 million for the nine months ended March 31, 2020 from \$10.3 million for the nine months ended March 31, 2019, an increase of \$7.6 million, or 74%. The increase in operating expenses was driven by higher selling, general and administrative expenses, an increase of \$6.4 million, or 87%, in addition to higher product development expenses, an increase of \$1.1 million, or 40%.

Salary expenses for product development functions, excluding product development salaries for Solo, increased by \$0.7 million, or 25%, which includes \$0.1 million of stock-based compensation recognized during the nine months ended March 31, 2020 that was not incurred in 2019. Product development costs also increased \$0.3 million as a result of our January 2020 acquisition of the controlling interest in Solo. Other product development costs increased by \$0.2 million for the nine months ended March 31, 2020, primarily related to recruiting costs. Our investments in product development were made to improve and extend our service offerings and develop new technologies. We expect that such costs will continue to increase in absolute dollars and may increase as a percentage of revenues in

future periods as we continue to invest in additional employees and technology to support the development of new, and improve existing, technologies and the integration of acquired technologies.

Selling, general and administrative expenses include sales and marketing expenses, including personnel costs, related to our marketing initiatives including payments to partners and marketing programs; general and administrative functions, such as executives, finance and other supporting departments; transaction related costs; professional fees; and facilities expenses. Changes in selling, general and administrative expenses for the nine months ended March 31, 2020 as compared to 2019 were as follows:

- \$1.6 million increase in acquisition related costs associated primarily with our acquisitions of Solo in January 2020, Trellis in April 2020 and Ample, planned for the summer for 2020, this increase was partially offset by a \$0.4 million decrease in costs incurred in connection with the Mergers in June 2019;
- \$0.2 million increase due to the addition of Solo's selling general and administrative expenses;
- \$1.2 million, or 48%, increase in sales and marketing expense primarily due to higher personnel costs including \$0.2 million of stock-based compensation for 2020;
- \$1.1 million increase in general and administrative personnel costs, \$0.5 million of this increase is attributable to stock-based compensation; and
- \$2.8 million increase in other general and administrative costs, primarily as a result of our investments in technology and other infrastructure to position ourselves for future growth and the cost of operating as a public company.

Results of Operations for the Three Months Ended March 31, 2020 Compared to Three Months Ended March 31, 2019

The following table highlights the various sources of revenues and expenses for the three months ended March 31, 2020 as compared to the three months ended March 31, 2019:

Total Revenue

Total revenue increased to \$3.1 million for the three months ended March 31, 2020 from \$2.3 million for the three months ended March 31, 2019, an increase of \$0.7 million, or 32%. The increase in total revenue was achieved across all our products. The increase in total revenue was driven by growth achieved across our commercial software business, MJ Platform, in addition to our consulting business, and our government regulatory software business, Leaf Data Systems.

Software Revenue

Our total software revenue increased to \$2.3 million for the three months ended March 31, 2020 from \$2.0 million for the three months ended March 31, 2019, an increase of \$0.3 million, or 16%. Total software revenue accounted for 76% and 87% of total revenue for the three months ended March 31, 2020 and 2019, respectively. The increase in software revenue was primarily driven by 11% growth in revenue from MJ Platform. This increase in software revenue was primarily the result of volume-driven increases from new business, which includes new customers, upgrades and additional subscriptions from existing customers. We continue to invest in a variety of customer programs and initiatives which, along with increasing adoption, have helped keep our attrition rate consistent as compared to the prior year. Consistent attrition rates play a role in our ability to maintain growth in our subscription revenues. Changes in the net price per user per month have not been a significant driver of revenue growth for the periods presented. Our software revenue during the three months ended March 31, 2020 was not significantly impacted by COVID-19, in most jurisdictions our customers were deemed “essential businesses” and continued operations. Revenue recognition for new customers in our pipeline may be delayed if the timing of implementation and onboarding is negatively impacted in future periods. The significance of the impact of the COVID-19 outbreak on our business and the duration for which it may have an impact cannot be determined at this time.

Software revenues generated from government customers under Leaf Data Systems increased by \$0.2 million as a result of our contract with the State of Utah, which commenced in August 2019.

Consulting Revenue

Our consulting revenue includes revenue generated from consulting professional services delivered to prospective and current cannabis, hemp and CBD businesses and business operators. Our consulting revenue was \$0.7 million for the three months ended March 31, 2020 compared to \$0.2 million for the three months ended March 31, 2019, for an increase of \$0.5 million, or 219%. The increase was driven by a higher volume of consulting activities and engagements during the period as we continue to experience strong demand for our consulting services in emerging states. Further, during the three-month period ended March 31, 2020, we serviced a large contract with a Midwest-based client for the preparation, completion and delivery of operational license applications for a portfolio of cultivation facilities. Consulting services are correlated to state legalizations and other regulatory expansion activity. As a result, individual period-over-period comparisons may experience variability depending on the timing of recent legislative changes. During the COVID-19 outbreak, state legislatures have turned their focus to the pandemic, tabling work on cannabis legislation. The significance of the impact of the COVID-19 outbreak on our business and the duration for which it may have an impact cannot be determined at this time.

Consulting revenue was 23% and 9% of total revenue for the three months ended March 31, 2020 and 2019, respectively. Due to the nature of consulting revenue and our dependence on emerging market activity as a driver of demand, the months in which we recognize consulting revenue has varied from period to period depending on whether state legislation has expanded to allow new market entrants or growth of existing market participant operations. We expect this variability to continue in future periods.

Other Revenue

Our other revenue represents revenue generated from the resale of point of sale hardware and labels. Other revenue decreased to \$32,000 for the three months ended March 31, 2020 from \$86,000 for the three months ended March 31, 2019, a decrease of \$54,000, or 63%. Other revenue was 1% and 4% of total revenue for the three months ended March 31, 2020 and March 31, 2019, respectively.

Cost of Revenue and Gross Margin

Our cost of revenue for the three months ended March 31, 2020 was \$1.4 million, an increase of \$0.3 million, or 22%, as compared to cost of revenue for the three months ended March 31, 2019 of \$1.2 million. The increase compared to the prior year’s quarter was primarily as a result of the costs incurred to service the new contract with the State of Utah of \$0.2 million. With the completion of professional services related to implementation and our existing contracts transition to run and maintain mode, these costs are expected to decrease and level off in future periods. Software hosting costs have increased due primarily to higher transaction volumes. We intend to continue to

invest additional resources in our enterprise software group to facilitate the adoption of our services. The timing of these expenses will affect our cost of revenues, both in terms of absolute dollars and as a percentage of revenues in future periods.

Our gross profit for the three months ended March 31, 2020 was \$1.6 million, an increase of \$0.5 million, or 42%, as compared to gross profit for the three months ended March 31, 2019 of \$1.2 million. Our gross profit margin for the three months ended March 31, 2020 was 53.7%, an increase of 380 basis points as compared to gross profit margin for the three months ended March 31, 2019 of 49.9%. The increase compared to the three months ended March 31, 2019 was primarily as a result of increased consulting revenue and the minimal marginal cost to provide such services.

Because the applications and services available through the Leaf Data System are provided through relationships with third-party service providers, the costs are higher than those allocated from our employees' salaries to support our MJ Platform and consulting contracts. Therefore, the gross profit margins from the government contracts are generally lower than those from our commercial software clients. Total costs of government revenues incurred by us, which are included in cost of revenues on the statement of operations, was \$0.6 million and \$0.5 million during the three months ended March 31, 2020 and 2019, respectively.

Operating Expenses

The following table presents operating expense line items for the three months ended March 31, 2020 and 2019 and the period-over-period dollar and percentage changes for those line items:

Selling, general and administrative	<u>5,500,837</u>	<u>2,663,171</u>	<u>2,837,666</u>	<u>107%</u>
<i>Percentage of revenue</i>	<i>179%</i>	<i>114%</i>		
Total operating expenses	\$ 7,133,190	\$ 3,664,565	\$ 3,468,625	95%
<i>Percentage of revenue</i>	<i>232%</i>	<i>157%</i>		

Our operating expenses increased to \$7.1 million for the three months ended March 31, 2020 from \$3.7 million for the three months ended March 31, 2019, an increase of \$3.5 million, or 95%. The increase in operating expenses was driven by higher selling, general and administrative expenses, an increase of \$2.8 million, or 107%, in addition to higher product development expenses, an increase of \$0.6 million, or 63%.

Salary expenses for product development functions, excluding product development salaries for Solo, increased by \$0.1 million, or 6%. Product development costs also increased \$0.3 million as a result of our January 2020 acquisition of the controlling interest in Solo. Other product development costs increased by \$0.2 million for the three months ended March 31, 2020, primarily related to recruiting costs. Our investments in product development were made to improve and extend our service offerings and develop new technologies. We expect that such costs will increase in absolute dollars and may increase as a percentage of revenues in future periods as we continue to invest in additional employees and technology to support the development of new, and improve existing, technologies and the integration of acquired technologies.

Selling, general and administrative expenses include sales and marketing expenses, including personnel costs, related to our marketing initiatives including payments to partners and marketing programs; general and administrative functions, such as executives, finance and other supporting departments; transaction related costs, professional fees; and facilities expenses. Changes in selling, general and administrative expenses for the three months ended March 31, 2020 compared to 2019 were as follows:

- \$1.1 million increase in acquisition related costs associated primarily with our acquisitions of Solo in January 2020, Trellis in April 2020 and Ample, planned for the summer for 2020, this increase was partially offset by a \$0.2 million decrease in costs incurred in connection with the Mergers in June 2019;
- \$0.2 million increase due to the addition of Solo’s selling, general and administrative expenses;
- \$0.2 million, or 17%, increase in sales and marketing expenses primarily due to higher personnel costs;
- \$0.6 million increase in general and administrative personnel costs, \$0.3 million of this increase is attributable to stock-based compensation recognized in 2020; and
- \$1.0 million increase in other general and administrative costs, primarily as a result of our investments in technology and other infrastructure to position ourselves for future growth and the cost of operating as a public company.

We plan to continue to invest in marketing and sales by expanding our domestic and international selling and marketing activities, building brand awareness, attracting new customers, and sponsoring additional marketing events. The timing of these marketing events will affect our marketing costs in a quarter. During the three months ended March 31, 2020, the COVID-19 pandemic resulted in the cancellation of travel and participation in marketing events, which reduced costs slightly relative to 2019.

Cash Flows

Our cash and restricted cash balance were \$14.8 million and \$22.4 million as of March 31, 2020 and June 30, 2019, respectively. Cash flow information for the nine months ended March 31, 2020 and 2019 is as follows:

	Nine months ended March 31,	
	2020	2019
Cash provided by (used in):		
Operating activities	\$ (11,602,077)	\$ (6,357,935)
Investing activities	(202,281)	—
Financing activities	4,247,065	10,000,000
Net change in cash and restricted cash	<u>\$ (7,557,293)</u>	<u>\$ 3,642,065</u>

Net cash used in operating activities increased to \$11.6 million during the nine months ended March 31, 2020, from \$6.4 million during the nine months ended March 31, 2019, an increase of \$5.2 million. Cash used in operating activities during the nine months ended March 31, 2020 was primarily driven by the net loss of \$12.6 million.

Net cash used in investing activities was \$0.2 million during the nine months ended March 31, 2020, due to \$0.3 million used to acquire minority stake in Zol Solutions, Inc, partially offset by \$0.1 million of cash and restricted cash acquired in our acquisition of the majority stake in Solo. Please see Notes 7 and 3 to the Akerna condensed consolidated financial statements included in this proxy statement for more information about our investments in Zol Solutions, Inc. and Solo, respectively.

Net cash provided by financing activities totaled \$4.2 million during the nine months ended March 31, 2020 due to receipt of proceeds from warrants exercised during the period. Net cash provided by financing activities totaled \$10 million during the nine months ended March 31, 2019 as a result of proceeds raised in MJF Series C financing in August 2018. Upon the consummation of the Mergers, the Series C Preferred Units issued in connection with the transaction were converted into shares of Akerna common stock

Liquidity and Capital Resources

As of March 31, 2020, we had cash of \$14.3 million, excluding restricted cash. We had a working capital balance of \$13.1 million as of March 31, 2019, as compared to \$21.8 million as of June 30, 2019.

Since our inception, we have incurred recurring operating losses, used cash from operations, and relied on capital raising transactions to continue ongoing operations. Although we have continuing negative cash flow from operations, the cash outflow since the Mergers is partially attributable to approximately \$1.8 million in costs incurred in connection with specific transactions, including the Mergers and acquisitions completed or expected to close within the next twelve months. The transaction costs we expect to occur over the next twelve months are far less than the costs incurred during the nine months ended March 31, 2020. In addition, we are implementing a cost reduction plan during the fourth quarter 2020 that we expect to reduce recurring operating expenses between \$2 million and \$3 million annually. We anticipate our current cash will be sufficient to meet the working capital requirements for the next twelve months. From time to time, we may pursue various strategic business opportunities. These opportunities may include investment in or ownership of additional technology companies through direct investments, acquisitions, joint ventures and other arrangements. We can provide no assurance that we will successfully identify such opportunities or that, if we identify and pursue any of these opportunities, any of them will be consummated. Consequently, we may raise additional equity or debt capital or enter into arrangements to secure necessary financing to fund the completion of such strategic business opportunities, although no assurance can be provided that we will be successful in completing a future capital raise. The sale of additional equity could result in additional dilution to our existing stockholders, and financing arrangements may not be available to us, or may not be available in sufficient amounts or on acceptable terms. Our future operating performance will be subject to future economic conditions and to financial, business and other factors, many of which are beyond our control. See “Risk Factors” in our Annual Report on Form 10-K for the fiscal year ended June 30, 2019 for a discussion of the risks related to our liquidity and capital structure.

Conversion Limitation and Exchange Cap

The holders of the Convertible Notes will not have the right to convert any portion of the Convertible Notes, to the extent that, after giving effect to such conversion, such Holder (together with certain related parties) would beneficially own in excess of 4.99% of the shares of the common stock outstanding immediately after giving effect to such conversion. A holder may from time to time increase this limit to 9.99%, provided that any such increase will not be effective until the 61st day after delivery of a notice to the Company of such increase.

In addition, the Convertible Notes shall not be convertible to the extent the conversion would result in the Company issuing more shares of common stock than permitted under the rules of the Nasdaq Stock Market until such time as the Company shall have obtained stockholder approval.

Under the SPA, among other things, the Company agreed to hold a stockholder meeting, by no later than November 30, 2020 to approve resolutions authorizing the issuance of shares of common stock under the Convertible Notes for the purposes of compliance with the stockholder approval rules of the Nasdaq Stock Market. If such approval is not received by November 30, 2020 the Company will be obligated to continue to seek stockholder approval by February 28, 2021 and every three months thereafter until such approval is obtained.

As of March 31, 2020, we did not have any relationships with unconsolidated organizations or financial partnerships, such as structured finance or special purpose entities that would have been established for the purpose of facilitating off-balance sheet arrangements or other contractually narrow or limited purposes.

Ample offers its customers the flexibility to choose annual or multi-year contract terms, resulting in a relatively smooth revenue curve with good visibility into near-term revenue growth. Ample typically enter into subscription agreements its customers, with pricing based on the number of end users in the customer’s organization and the number of modules requested by the customer. Ample’s goal is to continue to grow revenues arising from its existing customer base as well as adding new subscription customers to its platform. Ample’s business does not have significant seasonal attributes.

Summary of Factors Affecting Ample’s Performance

Ample believes that the growth and future success the company’s business depends on many factors, including those described below. While each of these factors presents significant opportunities for the business, they also pose important challenges, some of which are discussed below.

Market adoption of Ample’s SaaS platform

Ample intends to continue to drive adoption of its SaaS platform by scaling its solutions to meet the needs of both new and existing customers of all types and sizes. Ample believes that there is significant potential to increase penetration of its total addressable market and attract new customers. Ample plans to do this by further developing its products and services as well as continuing to invest in marketing strategies tailored to attract new businesses to its platform, both in its existing geographies and new markets around the world. Ample plans to continue to invest in its platform to expand its customer base and drive market adoption. The success of its operations may fluctuate as Ample makes these investments.

Up-selling with existing customers

Ample’s existing customers represent a significant opportunity to up-sell additional functionality with limited incremental sales and marketing expense. Ample plans to continually invest in product development and sales and marketing to add additional solutions to its platform as well as increase the usage and awareness of its platform. Ample’s future revenue growth and its ability to achieve and maintain profitability is dependent upon its ability to maintain existing customer relationships and to continue to expand its customers’ use of Ample’s platform.

Scaling Ample’s sales and marketing team

Ample’s ability to achieve significant growth in future revenue will largely depend upon the effectiveness of its sales and marketing efforts. The majority of Ample’s sales and marketing efforts are accomplished in-house and Ample believes the strength of its sales and marketing team is critical to its success. Ample has invested, and intend to continue to invest meaningfully, in the expansion of its sales force and consequently, Ample anticipates that its headcount will continue to increase as a result of these investments.

Key Components of Results of Operations

Ample has always been operated and managed as a single economic entity, notwithstanding the fact that it has operations in multiple countries. There is one management team that directs the activities of all aspects of the company and it is managed centrally. As a result, Ample believes that it has one reporting segment, being the consolidated company. Over time, this may change as the company grows and when this occurs Ample will reflect the change in its reporting practice.

Revenue

Ample provides seed to sale compliance software for the licensed entities under the Cannabis Act in Canada. Ample's product portfolio address the growing demand for smart technology in the new and highly regulated cannabis industry.

Ample generates revenue from the following two primary sources:

- *Recurring Subscriptions to Ample's Platform and Related Products.* Ample's customers enter into agreements that provide for recurring subscription fees. The majority of the customer agreements currently being entered into have a term of one year and is non-cancelable or cancelable with penalty. All the customer agreements generally automatically renew on a month-to-month basis unless cancelled by customers or a new contract is signed. Subscription revenue per contract will vary depending upon the particular products that each customer subscribes for, the number and type of users intended to utilize the platform and the term of the agreement. Subscription revenue is typically recognized evenly over the life of a contract, commencing on the in-service date and terminating on the end date of the agreement.
- *Professional Services.* Ample's clients generally require support in implementing its product. This support can include system integration, application integration, user training and any required process-change analysis. Normally, these services are purchased at the same time as the original customer agreement is completed. When customer agreements are renewed, there is not typically a need for additional professional services so as overall revenue increases over time, the percentage of revenue that is generated from professional services will decrease. Revenues derived from professional services are recognized over the term that the service is provided and proportionately to the work performed.

Cost of Sales

Cost of sales is comprised of costs of the cloud-based infrastructure and monitoring related to hosting its platform and related products as well as the delivery of professional services. Significant expenses included in cost of sales include employee wages and benefits expenses as well as hardware and software costs.

Operating Expenses

Our primary operating expenses are as follows:

- *General and administrative.* General and administrative expenses are comprised primarily of employee salaries and benefits expenses for its administrative, finance, legal and human resources teams, consulting and professional fees, and general office and administrative expenses. As the Company grows, Ample expects that general and administrative expenses will decrease as a percentage of revenue.
- *Sales and marketing.* Sales and marketing expenses are comprised primarily of employee salaries and benefits related to its sales and marketing teams. To implement its growth strategy, Ample intends to continue to grow its sales and marketing teams. As the Company continues to grow, Ample expects sales and marketing expenses to increase, while these expenses may fluctuate from year to year, consistent with its overall growth.

- *Research and development.* Research and development expenses are comprised primarily of employee salaries and benefits related to its research and development team, consulting and professional fees, and outsourced software development costs. Ample's research and development team is focused on both continuous improvement in its existing platform, as well as developing new product modules and features. In the immediate future, as Ample's growth continues, Ample expects its research and development costs to increase proportionately. However, over time Ample believes it is reasonable to expect that they would decline as a percentage of revenue.
- *Share-based compensation.* Share-based compensation expenses are comprised of the value of stock options granted to employees expensed over the vesting period of the options.
- *Depreciation and amortization.* Depreciation expense primarily relates to depreciation on intangibles, property and equipment and right-of-use assets. Property and equipment are comprised of leasehold improvements, furniture and equipment, and computer hardware. Right-of-use asset relates to the adoption of IFRS 16 on January 1, 2019 which requires all major leases to be recognized on the statement of financial position.

Other Expenses

- *Finance costs.* These costs include interest on short-term debt and lease liabilities, as well as transaction costs for and loss on modification of short-term debt.
- *Loss on change in fair value of preferred share liabilities.* This relates to the change in the fair value of preferred shares and warrants convertible into preferred shares that fluctuate with the estimated value of the Company's common shares and the number of common shares and preferred shares outstanding.
- *Other expense.* In 2019, other expense relates to an impairment loss on a financial asset that is expected to be other than temporary.

The following discussion includes an explanation of the primary factors in changes in operations for the three-month period ended March 31, 2020 and 2019.

Revenue

Revenue was \$1,874,726 for the three-month period ended March 31, 2020, an increase of \$158,743 or 9% compared to \$1,715,983 for the same period in 2019. For the three-months ended March 31, 2020, revenue from recurring subscriptions was \$1,477,671, professional services was \$198,432, and hardware and other services was \$198,623 (2019 — \$911,039, \$203,965 and \$600,979, respectively). The increase was primarily attributable to revenue from new customers, largely new LPs, and the associated professional services provided for new subscriptions.

Cost of Sales/Gross Profit

	2020 \$	2019 \$	Change \$	Change %
Cost of sales	708,466	1,085,636	(377,170)	-35%
Gross profit	1,166,260	630,347	535,913	85%
Gross profit as a percentage of revenue	62%	37%		

For the three-month ended March 31, 2020, direct costs were \$708,466, a decrease of \$377,170 or 35% compared to \$1,085,636 for the same period in 2019. The decrease was primarily the result of the lower customer service and operations personnel cost required to support the increase in revenue achieved as well as the transition of Company's infrastructure from on-client premises to cloud hosting in 2019.

Gross profit, being revenue less cost of sales, increased by \$535,913 or 85% to \$1,166,260 for the three months ended March 31, 2020 from \$630,347 for the same period in 2019. The increase in gross profit as a percentage of revenue from 37% in 2019 to 62% in 2020 was primarily due to the transition of the Company's infrastructure from on-client premises to cloud hosting in 2019. As the Company realizes the benefits of scale in its infrastructure cost structure, Ample anticipates that it will realize improved gross profit as a percentage of revenue.

General and Administrative Expenses

General and administrative expenses decreased by \$131,027 or 15% to \$738,965 for the three months ended March 31, 2020 compared to \$869,992 for the same period in 2019. The decrease was primarily attributable to a decrease in personnel required to support the Company's growing operations. General and administrative expenses as a percentage of revenue decreased from 51% in 2019 to 39% in 2020 as a result of the decrease.

Sales and Marketing Expenses

Sales and marketing expenses decreased by \$202,469 or 35% to \$375,861 for the three months ended March 31, 2020 compared to \$578,330 for the same period in 2019. The decrease was primarily attributable to a decrease in the number of employees to support the growing business, as well as decreased international sales efforts. Sales and marketing as a percentage of revenue decreased from 34% in 2019 to 20% in 2020 as a result of the decrease.

Research and Development Expenses

Research and development expenses decreased by \$1,430,894 or 63% to \$850,080 for the three months ended March 31, 2020 compared to \$2,280,974 for the same period in 2019. The decrease was primarily attributable to the Company's reduced focus on maintaining and improving its platform and developing related new products. Research and development expenses as a percentage of revenue dropped from 133% in 2019 to 45% due to the decrease.

Share-based Compensation

Share-based compensation expense increased by \$14,047 or 12% to \$134,867 for the three months ended March 31, 2020 compared to \$120,820 for the same period in 2019. The increase was primarily attributable to additional stock options granted later in 2019 at higher fair values. Share-based compensation as a percentage of revenue remained consistent between 2019 and 2020.

Depreciation and Amortization

Depreciation expense increased by 14,484 or 6% to \$260,581 for the three months ended March 31, 2020, compared to \$246,097 for the same period in 2019. The increase was primarily attributable to the depreciation of new additions to property and equipment made subsequent to March 31, 2019. Depreciation and amortization as a percentage of revenue remained consistent between 2019 and 2020.

Non-operating Items

	2020 \$	2019 \$	Change \$	Change %
Finance costs	308,841	111,599	197,242	177%

Deferred income tax recovery	(21,984)	(25,367)	3,383	-13%

Finance Costs

Finance costs were \$308,841 for the three months ended March 31, 2020 compared to \$111,599 for the same period in 2019. The increase was primarily attributable to the interest on short-term debt entered into subsequent to March 31, 2019.

Loss on Fair Value of Preferred Share Liabilities

The Company's preferred shares and warrants convertible into preferred shares are accounted for as financial liabilities since they are convertible into a variable number of common shares dependent on antidilution provisions. As such, they are recorded at their fair value every period end, with the changes in fair value reflected in the statement of loss and comprehensive loss. The loss on fair value of preferred share liabilities of \$nil for the three months ended March 31, 2020 is a result of the no change in the fair value of the preferred share liabilities since December 31, 2020. The loss on fair value of preferred share liabilities was \$1,816,139 for the three months ended March 31, 2019 due to the increase in the fair value of the preferred share liabilities.

See "Results of Operations for the Three-Months Period Ended March 31, 2020 and 2019" in this MD&A for a more detailed discussion of the period-over-period changes in revenue and net loss.

Total Assets

Total assets decreased \$212,787 or 2% from December 31, 2019 to March 31, 2020 primarily due to \$260,581 of depreciation and amortization recorded for the period, while there were no additions to right-of-use assets, property and equipment, and intangible assets during the period. In addition, prepaid expenses decreased by \$100,987 which was offset by an increase in cash of \$157,960.

Total Current Liabilities

Total current liabilities increased \$1,111,285 or 15% from December 31, 2019 to March 31, 2020 primarily due to a \$1,033,243 increase in short-term debt to fund the Company's growth.

Total Non-current Liabilities

Total non-current liabilities increased \$22,012 or 0% from December 31, 2019 to March 31, 2020 primarily due to the issuance of 81,600 warrants exercisable for Class A-3 preferred shares resulting from the issuance of short-term debt during the period offset by the reduction of lease liability as payments for the period were made and a reduction in deferred tax liability.

Liquidity, Capital Resources and Financing*Overview*

The general objectives of Ample's capital management strategy are to preserve its capacity to continue operating, provide benefits to its stakeholders and provide an adequate return on investment to its shareholders by selling the company's platform and services at a price that is commensurate with the level of operating risk assumed by Ample. Ample thus determines the total amount of capital required consistent with risk levels. This capital structure is adjusted on a timely basis depending on changes in the economic environment and risks of the underlying assets.

Working Capital

Our primary source of cash flow is revenue from operations of \$1.9 million and capital raises for short-term debt financing totalling \$1 million since December 31, 2019. Ample's approach to managing liquidity is to ensure, to the extent possible, that the company always has sufficient liquidity to meet its liabilities as they become due.

Working capital deficiency as at March 31, 2020 was \$5.4 million. On December 18, 2019, the Company entered into a definitive agreement to be acquired by Akerna Corp. ("Akerna") whereby Akerna will acquire all issued and outstanding shares of the Company for up to \$60.0 million (US\$45.6 million). The purchase consideration consists of \$7.5 million in cash (US\$5.7 million) and \$42.5 million (US\$32.3 million) in Akerna shares on close, as well as contingent consideration of up to \$10.0 million (US\$7.6 million) in deferred share-based consideration upon the Company's achievement of certain revenue targets in 2020. The transaction is expected to close in mid-2020. The Company expects the transaction to provide sufficient funding to meet its objectives stated above.

In the event that the Akerna Transaction does not close, the Company is dependent on raising further capital in the form of equity, debt, or instruments convertible into equity to fund its capital and operating expenses in excess of revenue until such time that it reaches cash break-even. While the Company has successfully raised capital in the past, there can be no assurance that the Company will be successful in raising additional funds in the future.

Cash Flows

The following table presents cash and cash equivalents as at March 31, 2020 and December 31, 2019, and cash flows from operating, investing, and financing activities for the three-month periods ended March 31, 2020 and 2019:

Cash Flows Used in Operating Activities

Cash flows used in operating activities for the three months ended March 31, 2020 was \$634,524 compared to \$2,809,083 for the same period in 2019. The decrease in cash flows used in operating activities was primarily the result of a decrease in net loss to fund the growth of the Company in the year.

Cash Flows Used in Investing Activities

Cash flows used in investing activities was \$nil for the three months ended March 31, 2020 compared to \$97,727 of cash used for the same period in 2019. The decrease was due to no purchases of property and equipment for the three months ended March 31, 2020 compared to the same period in 2019.

Cash Flows Provided by Financing Activities

Cash flows provided by financing activities was \$792,484 for the three months ended March 31, 2020 compared to \$2,550,903 for the same period in 2019. The decrease was driven by lower cash flows provided by financing activities for the period ended March 31, 2020 relative to common share and short-term debt issuances for the same period in 2019.

The following discussion includes an explanation of the primary factors in changes in operations for the year ended December 31, 2019.

Revenue

Revenue was \$7,420,199 for the year ended December 31, 2019, an increase of \$983,323 or 15% compared to \$6,436,876 for the same period in 2018. For the year ended December 31, 2019, revenue from recurring subscriptions was \$5,001,026, professional services was \$727,792, and hardware and other services was \$1,691,381 (2018 — \$2,402,140, \$1,337,707 and \$2,697,029, respectively). The increase was primarily attributable to revenue from new customers, largely new LPs, and the associated professional services provided for new subscriptions.

Cost of Sales/Gross Profit

	2019 \$	2018 \$	Change \$	Change %
Cost of sales	4,363,863	3,291,566	1,072,297	33%
Gross profit	3,056,336	3,145,310	(88,974)	-3%
Gross profit as a percentage of revenue	41%	49%		

For the year ended December 31, 2019, direct costs were \$4,363,863, an increase of \$1,072,297 or 33% compared to \$3,291,566 for the same period in 2018. The increase was primarily the result of the higher customer service and operations personnel cost required to support the increase in revenue achieved as well as the transition of Company's infrastructure from on-client premises to cloud hosting in 2019.

Gross profit, being revenue less cost of sales, decreased from by \$88,974 or 3% to \$3,056,336 for the year ended December 31, 2019 from \$3,145,310 for the same period in 2018. The decrease in gross profit as a percentage of revenue from 49% in 2018 to 41% in 2019 was primarily due to the transition of the Company's infrastructure from on-client premises to cloud hosting in 2019. As the Company realizes the benefits of scale in its infrastructure cost structure, Ample anticipates that it will realize improved gross profit as a percentage of revenue.

Operating Expenses

General and Administrative Expenses

General and administrative expenses increased by \$1,237,369 or 54% to \$3,520,720 for the year ended December 31, 2019 compared to \$2,283,351 for the same period in 2018. The increase was primarily attributable to an increase in personnel required to support the Company's growing operations. This was partially offset by a decrease in rent expense as a result of adopting IFRS 16 effective January 1, 2019. As a result, rent expense for leased assets are reflected in depreciation and amortization and finance costs instead.

Sales and Marketing Expenses

Sales and marketing expenses increased by \$462,942 or 29% to \$2,079,045 for the year ended December 31, 2019 compared to \$1,616,103 for the same period in 2018. The increase was primarily attributable to an increase in the number of employees to support the growing business, as well as increased international sales efforts. Sales and marketing as a percentage of revenue remained relatively consistent year over year.

Research and Development Expenses

Research and development expenses increased by \$40,821 or 1% to \$4,777,996 for the year ended December 31, 2019 compared to \$4,737,175 for the same period in 2018. The increase was primarily attributable to the Company's continued focus on maintaining and improving its platform and developing related new products. Research and development expenses will continue to grow as the Company maintains its efforts to keep its product at the leading edge of technology and build new features on the current platform.

Share-based Compensation

Share-based compensation expense increased by \$120,827 or 46% to \$381,67 for the year ended December 31, 2019 compared to \$260,790 for the same period in 2018. The increase was primarily attributable to additional stock options granted in 2019 at higher fair values and a full year vesting of stock options granted in the latter half of 2018.

Depreciation and Amortization

Depreciation expense increased over four-fold to \$928,393 for the year ended December 31, 2019 compared to \$162,853 for the same period in 2018. The increase was primarily attributable to the amortization of intangible assets as part of the acquisition of LCA in December 2018 as well as the impact of the adoption of IFRS 16 on January 1, 2019 which requires recognition of right-of-use assets for all major leases that are depreciated over the term of the respective leases.

Non-operating Items

	2019 \$	2018 \$	Change \$	Change %
Finance costs	2,143,031	5,409	2,137,622	39520%

Other expense	25,000	—	25,000	100%
Deferred income tax recovery	(91,320)	—	(91,320)	100%

Finance Costs

Finance costs were \$2,143,031 for the year ended December 31, 2019 compared to \$5,409 for the same period in 2018. The increase was primarily attributable to the interest on short-term debt entered into 2019 and the impact of debt modification during the year, as the increases in the fair value of the debt was reflected as finance costs.

Loss on Fair Value of Preferred Share Liabilities

The Company's preferred shares and warrants convertible into preferred shares are accounted for as financial liabilities since they are convertible into a variable number of common shares dependent on antidilution provisions. As such, they are recorded at their fair value every period end, with the changes in fair value reflected in the statement of loss and comprehensive loss. The loss on fair value of preferred share liabilities of \$7,312,638 for the year ended December 31, 2019 is a result of the increase in the estimated value of the Company as evidenced by the price of the proposed acquisition of the Company by Akerna Corp. announced on December 18, 2019. Refer to the *Liquidity, Capital Resources and Financing* section below for further details. The impact in the year ended December 31, 2019 was greater than that of the same period in 2018 due to the issuance of common share units and preferred share units in 2019 at higher prices than in 2018 and the estimated increase in the fair value of the Company.

See “Results of Operations for the Years Ended December 31, 2019 and 2018” in this MD&A for a more detailed discussion of the year-over-year changes in revenue and net loss.

Total Assets

Total assets increased \$2,228,762 or 20% from December 31, 2018 to December 31, 2019 primarily due to a \$2,657,120 increase for right of use assets as a result of the adoption of IFRS 16 effective January 1, 2019. This was partially offset by a \$331,840 decrease in intangible assets for amortization and a \$80,729 decrease in trade and other receivables based on improved collection efforts.

Total Current Liabilities

Total current liabilities increased \$1,674,948 or 30% from December 31, 2018 to December 31, 2019 primarily due to a \$1,144,403 increase in short-term debt to fund the Company’s growth. In addition, the adoption of IFRS 16 on January 1, 2019 resulted in an \$544,226 increase for current lease liabilities as at December 31, 2019.

Total Non-current Liabilities

Total non-current liabilities increased \$11,423,619 or 201% from December 31, 2018 to December 31, 2019 primarily due to a \$7,312,638 loss on fair value of preferred share liabilities given the increase in the fair value of the preferred shares and warrants convertible preferred shares as a result of new common share units and preferred share units issued in the year ended December 31, 2019. The issuance of preferred share units in 2019 also increased non-current liabilities by \$1,089,073. Moreover, the adoption of IFRS 16 on January 1, 2019 resulted in an \$3,113,228 increase for non-current lease liabilities as at December 31, 2019.

Liquidity, Capital Resources and Financing

Overview

The general objectives of Ample’s capital management strategy are to preserve its capacity to continue operating, provide benefits to its stakeholders and provide an adequate return on investment to its shareholders by selling the company’s platform and services at a price that is commensurate with the level of operating risk assumed by Ample. Ample thus determines the total amount of capital required consistent with risk levels. This capital structure is adjusted on a timely basis depending on changes in the economic environment and risks of the underlying assets.

Working Capital

Our primary source of cash flow is revenue from operations of \$7.4 million and capital raises for common shares, preferred shares and related warrants totalling \$7.1 million and short-term debt financing totalling \$6.3 million since 2018. Ample’s approach to managing liquidity is to ensure, to the extent possible, that Ample always has sufficient liquidity to meet its liabilities as they become due.

Working capital deficiency as at December 31, 2019 was \$4.3 million.

Cash Flows

The following table presents cash and cash equivalents as at December 31, 2019 and 2018, and cash flows from operating, investing, and financing activities for the years ended December 31, 2019 and 2018:

Net increase (decrease) in cash	(75,335)	(95,358)

Cash Flows Used in Operating Activities

Cash flows used in operating activities for the year ended December 31, 2019 was \$7,176,310 compared to \$6,501,887 for the same period in 2018. The increase in cash flows used in operating activities was primarily the result of an increase in net loss to fund the growth of the Company in the year.

Cash Flows Used in Investing Activities

Cash flows used in investing activities was \$147,418 for the year ended December 31, 2019 compared to \$4,498,540 of cash used for the same period in 2018. The decrease was driven by the non-recurring acquisition of LCA in 2018 and a decrease in purchases of property and equipment for the year ended December 31, 2019 compared to the same period in 2018.

Cash Flows Provided by Financing Activities

Cash flows provided by financing activities was \$7,248,393 for the year ended December 31, 2019 compared to \$10,905,069 for the same period in 2018. The decrease was driven by repayments of short-term debt in 2019 where there were no debt repayments in 2018, partially offset by greater cash flows provided by financing activities for short-term debt in 2019.

Short-term Debt

The Company entered into separate short-term debt arrangements on each of September 25, 2019 and October 1, 2019 bearing interest of 12% per annum in the amounts of \$2 million maturing on September 25, 2020 and \$2.5 million maturing on October 1, 2020, respectively. These related party transactions are with key management personnel with the authority to plan, direct and control activities of the Company, directly or indirectly, including the Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Chief Technology Officer and equivalent, and Directors.

Financial Instruments and Other Instruments

Credit Risk

Generally, the carrying amount in Ample's consolidated statement of financial position exposed to credit risk, net of any applicable provisions for losses, represents the maximum amount exposed to credit risk.

Our credit risk is primarily attributable to Ample's cash and cash equivalents and trade receivables. Ample does not require guarantees from its customers. Credit risk with respect to cash and cash equivalents is managed by maintaining balances only with high credit quality financial institutions.

Due to Ample's diverse customer base, there is no particular concentration of credit risk related to its trade receivables. Moreover, balances for trade receivables are managed and analyzed on an ongoing basis to ensure allowances for doubtful accounts, which are established and maintained at an appropriate amount.

Ample estimates anticipated losses from doubtful accounts based upon the expected collectability of all accounts receivable, which estimate takes into account the number of days past due, collection history, identification of specific customer exposure and current economic trends. An impairment loss on trade receivables is calculated as the difference between the carrying amount and the present value of the estimated future cash flow. Impairment losses are charged to general and administrative expense in the consolidated statements of loss and comprehensive loss. Receivables for which an impairment provision was recognized are written off against the corresponding provision when it is deemed uncollectible.

The maximum exposure to credit risk at the date hereof is the carrying value of each class of receivables mentioned above. Ample does not hold any collateral as security.

Critical Accounting Policies and Estimates

The preparation of Ample's consolidated financial statements in conformity with IFRS requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. Ample reviews these estimates on an ongoing basis based on management's best knowledge of current events and actions that the company may undertake in the future. Actual results could differ from these estimates. Areas requiring the most significant estimates and judgments are outlined below. Management has determined that the company operate in a single operating and reportable segment.

Revenue Recognition

Multi-element or bundled contracts require an estimate of the relative fair value of separate elements. The Company assesses the criteria for the recognition of revenue related to arrangements that have multiple components. These assessments require judgment by management to determine if there are separately identifiable components as well as how to allocate the total price among the components. Deliverables are accounted for as separately identifiable components if they can be understood without reference to the series of transactions as a whole. In concluding whether components are separately identifiable, management considers the transaction from the customer's perspective. Among other factors, management assesses whether the service or product is sold separately by the Company in the normal course of business or whether the customer could purchase the service or product separately.

Valuation of share-based payments, warrants and Class A-3 Preferred Shares

The Company measures the costs for share-based payments, warrants and Class A-3 Preferred Shares using market-based option valuation techniques. Assumptions are made and estimates are used in applying the valuation techniques. These include estimating the future volatility of the share price, expected dividend yield, expected risk-free interest rate and the rate of forfeiture. Such estimates and assumptions are inherently uncertain. Changes in these assumptions affect the fair value estimates of share-based payments, warrants and Class A-3 Preferred Shares.

Change in Accounting Policies

Leases

The Company has adopted IFRS 16 with an initial adoption date of January 1, 2019. The Company utilized the modified retrospective approach to adopt the new standard and therefore comparative information has not been restated and continues to be reported under IAS 17, Leases and related interpretations.

IFRS 16 specifies how leases will be recognized, measured, presented and disclosed and it provides a single lessee model requiring lessees to recognize right-of-use assets and lease liabilities for all major leases. The Company's accounting policy under IFRS 16 is as follows:

At contract inception, the Company assesses whether a contract is, or contains, a lease based on whether the contract conveys the right of control for the use of an identified asset for a period of time in exchange for consideration. The Company recognizes a right-of-use asset ("**ROU asset**") and a lease liability at the lease commencement date. The ROU asset primarily relates to office leases and is initially measured based on the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of the costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The assets are depreciated to the earlier of the end of useful life of the ROU asset or the lease term using the straight-line method as this most closely reflects the expected pattern of the consumption of the future economic benefits. The lease term includes periods covered by an option to extend if the Company is reasonably certain it will exercise such option. In addition, the ROU asset can be periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability. The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate. The weighted-average rate applied is 6.5%.

Lease liability is measured at the amortized cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount if the ROU asset has been reduced to zero. The Company has elected to apply the practical expedient not to recognize ROU assets and lease liabilities for short-term leases that have a lease term of 12 months or less and for leases of low value assets. The lease payments associated with those leases is recognized as an expense on a straight-line basis over the lease term.

The cumulative effect of the changes made to the January 1, 2019 consolidated statement of financial position for the adoption of IFRS 16 is as follows:

Solo Sciences, Inc.

50 Milk St.
Boston Massachusetts, 02109
Telephone: (617) 669-9100

Solo was incorporated in Delaware on January 2, 2018. Based in Boston, Massachusetts, Solo is a technology provider for legal cannabis businesses with a focus on providing a cannabis tracking technology which provides seed-to-sale-to-self data throughout a product's lifecycle and empowers consumers with the ability to confirm the quality and authenticity of a product they have purchased.

Solo uses proprietary technology to place a unique encrypted arrangement of patterns ("a digital signature") onto individual packaging labels. The Solo technology is significantly lower cost and more secure than traditional tagging technologies like radio-frequency identification. The technology includes a free consumer mobile application, granting end-users and regulatory agencies the ability to track products in the supply chain, verify their authenticity and learn more detailed information about the product such as its origins and ingredients.

The Solo technology platform also enables brands to connect directly with consumers. Through it, product creators can provide end users with push notifications, targeted news, product insights, loyalty points, etc. Brands embrace the platform as it enables them to increase their revenues and create a more tailored marketing experience. Customers benefit from product incentives while gaining trust in the products they are buying and consuming.

Solo currently has nine full-time employees and three consultants. In 2019, Solo was selected for the CNBC Upstart 100, a list of the world's 100 most promising startups. Competing companies came from a diverse group of global nominees representing nearly every sector like enterprise software, finance, insurance, health care, and retail. Co-founder and Head of Partnerships, Katie Flannery, was also awarded the Silver Executive of the Year Award in the 2019 Stevie Awards for Female Business Services. The Stevie Awards, presented by American Business Awards organization, serve as an indicator of the increasing numbers of women shaping the business world as entrepreneurs and leaders.

Solo has developed several key partnerships including 14th Round (a leading cannabis packaging innovator 14th Round and the number one vaporizer and packaging supplier in North America), the Global Alliance for Cannabis Commerce (a trade organization representing a major cross-section of the global cannabis industry), and the Utah Department of Health and Department of Agriculture (Solo won a joint contract with Akerna and will be a key tagging and technology component in a closed-loop system used by all Utah cannabis licensees as the state's primary tracking system at the retail, wholesale, cultivation and manufacturing levels.)

The current Solo product offering includes the following:

- solo*CODE: Proprietary coding technology which places a unique encrypted arrangement of patterns onto the label on every individual product package — rather than every batch or SKU. This low-cost process allows end-users and regulatory agencies the ability to easily scan a product with a free mobile app, verify its authenticity, pull up data about the item, and confirm that it is not a potentially dangerous counterfeit or fake product from an illicit source.
- solo*TAG: A seed-to-sale tracking technology which uses a proprietary cryptologically secure coding system to follow the life cycle of an individual cannabis plant from the time it is planted, through its growth cycle to harvesting, manufacturing, and shipping.
- solo*APP: The solo sciences mobile application which allows product buyers and regulatory agencies to scan a solo*CODE, pull up information regarding the item in front of them, provide feedback regarding their consumer experience, and also get push notifications, targeted news, product insights, loyalty points, etc.
- solo*ID: A detailed consumer assessment which collects a myriad of demographic data, personal preferences, and physiological details in order to produce a custom profile for a person. This ID allows Solo to suggest products which a consumer may enjoy or dislike. As an individual provides feedback from their product experiences the Solo machine learning platform continuously updates the users solo*ID and makes it more accurate.

Management's Discussion and Analysis of Solo's Financial Condition, Results of Operations, Properties and Other Information

Financial Results of Operations

Revenue

Solo's revenue is primarily derived from solo*TAG, its seed-to-sale tracking technology, and solo*CODE, its proprietary coding technology, which places a unique encrypted arrangement of patterns onto the label on every individual product package — rather than every batch or SKU. Solo recognizes revenue when or as the services are provided or when the product has been delivered to the customer.

Cost of Revenue

Solo's cost of revenue is derived from direct costs incurred primarily from the manufacture of solo*CODE. Solo records cost of revenue based on the direct cost method. This method requires allocation of direct costs including support services and materials to cost of revenue.

Product and Development Expenses

Solo's product and development expenses include contractor expenses, technology expenses and other overhead.

Selling, General and Administrative Expenses

Solo's selling, general and administrative expenses include contractor expenses, sales and marketing expenses, professional fees and other overhead.

Marketing and sales expenses are Solo's largest cost and consist primarily of contractor costs and related expenses.

- approve, recommend or enter into (other than a confidentiality agreement permitted by and in accordance with Section 3.8 of the Agreement) or publicly propose to enter into any agreement to accept, recommend, approve or enter into any agreement in respect of an Acquisition Proposal; or
- withdraw, amend, modify or qualify, or publicly propose or state an intention to withdraw, amend, modify or qualify, the Ample Board Recommendation.

Ample agreed to, and agreed to cause its subsidiaries and representatives to immediately cease and terminate, and cause to be ceased and terminated, any solicitation, encouragement, discussion or negotiations commenced prior to the date of the Agreement with any person (other than Akerna) with respect to any inquiry, proposal or offer that constitutes, or may reasonably be expected to constitute or lead to, an Acquisition Proposal and, in connection therewith, Ample will discontinue access to and disclosure of its and its subsidiaries' confidential information (and not allow access to or disclosure of any such confidential information, or any data room, virtual or otherwise) and shall as soon as possible request, and exercise all rights it has (or cause its subsidiaries to exercise any rights that they have) to require the return or destruction of all confidential information regarding Ample and its subsidiaries previously provided in connection therewith to any person other than Akerna to the extent such information has not already been returned or destroyed.

Ample agreed to, as soon as practicable, and in any event, within 24 hours, notify Akerna (orally at first and then in writing) if it receives or otherwise becomes aware of any proposal or offer that constitutes or may reasonably be expected to constitute or lead to an Acquisition Proposal, of such Acquisition Proposal, inquiry, proposal or offer, including the identity of the Person making such Acquisition Proposal, inquiry, proposal or offer and the material terms and conditions thereof and copies of all material or substantive documents received in respect of, from or on behalf of any such Person. Ample shall keep Akerna promptly and fully informed of the status of developments and discussions and negotiations with respect to such Acquisition Proposal, proposal or offer, including any material changes, modifications or other amendments thereto.

Insurance

Akerna and Purchaser agreed that: (1) after the Effective Time, Ample and any successor to Ample will not take any action to terminate or materially adversely affect indemnities provided or available to or in favor of past and present officers and directors of Ample and the Ample subsidiaries pursuant to the provisions of the articles, by-laws or other constituting documents of Ample or any Ample subsidiary, applicable corporate legislation and any written indemnity agreements which have been entered into between Ample and past and present officers and directors of Ample and the Ample subsidiaries effective on or prior to the date hereof (the forms of which were provided in the Ample Information (as defined in the Agreement)); and (2) immediately prior to the Effective Time, Akerna will make arrangements satisfactory to the Ample board of directors, acting reasonably, to secure the obligations under such written indemnity agreements.

Prior to the Effective Date, Ample will secure "run-off" directors' and officers' liability insurance for the current and former directors and officers of Ample and the Ample subsidiaries, covering claims made or reported within six years after the Effective Date, which has a scope and coverage substantially similar in scope and coverage to that provided pursuant to Ample's current directors and officers insurance policy, including coverage for any claims arising from completion of the Arrangement and related transactions, and Purchaser will not take any action, or cause Ample to take any action, to adversely affect or terminate such directors' and officers' liability insurance.

Termination

The Agreement may be terminated at any time prior to the Effective Date:

- by mutual written consent of the parties;
- by either Akerna and Purchaser or Ample, if the Arrangement resolution fails to receive the Ample stockholder approval at the Ample shareholder meeting (including any adjournment or postponement thereof) in accordance with the Interim Order;
- by either Akerna and Purchaser or Ample, if the Akerna stockholder matters (including the Stock Issuance and Arrangement Approval) shall have failed to receive the Akerna stockholder approval at the Akerna Special Meeting (including any adjournment or postponement thereof);
- by either Akerna and Purchaser or Ample, if the Effective Time shall not have occurred on or prior to the Outside Date, except that the right to terminate the Agreement under subsection 8.1(a)(iii) of the Agreement shall not be available to any party whose failure to fulfill any of its obligations has been the cause of, or resulted in, the failure of the Effective Time to occur by such date;
- by any Party, if any of the conditions precedent set forth in the Agreement for the benefit of such party have not been complied with; provided that the party seeking termination is not then in breach of the Agreement so as to cause any of the conditions set forth in Sections 5.1, 5.2 and 5.3 of the Agreement, as applicable, not to be satisfied;
- by Akerna if:
 - prior to the Effective Time: (1) the Ample board of directors or any committee thereof: (i) fails to recommend or withdraws, amends, modifies or qualifies, in a manner adverse to Akerna or fails to reaffirm (without qualification) the Ample Board Recommendation (as defined in the Agreement), or its recommendation of the Arrangement within five business days (and in any case prior to the Ample Meeting) after having been requested in writing by Akerna to do so (acting reasonably); or (ii) takes no position or a neutral position with respect to an Acquisition Proposal for more than five business days after the public announcement of such Acquisition Proposal; or (2) the Ample board of directors or a committee thereof shall have resolved or proposed to take any of the foregoing actions ((1) or (2) each a "Ample Change in Recommendations"); or (3) Ample shall have breached Section 3.8 of the Agreement in any material respect;
 - a breach of any representation or warranty or failure to perform any covenant or agreement on the part of Ample set forth in this Agreement shall have occurred that would cause the conditions set forth in Section 5.2(a) or Section 5.2(b) of the Agreement not to be satisfied, and such conditions are incapable of being satisfied by the Outside Date, as reasonably determined by Akerna and provided that Akerna is not then in breach of the Agreement so as to cause any condition in Section 5.3(a) or Section 5.3(c) of the Agreement not to be satisfied; or
 - there has occurred an Ample Material Adverse Effect which is not capable of being cured on or before the Outside Date; and
- by Ample if:
 - a breach of any representation or warranty or failure to perform any covenant or agreement on the part of Akerna or Purchaser set forth in the Agreement shall have occurred that would cause the conditions set forth in Section 5.3(a) or Section 5.3(c) of the Agreement not to be satisfied, and such conditions are incapable of being satisfied by the Outside Date, as reasonably determined by Ample and provided that Ample is not then in breach of the Agreement so as to cause any condition in Section 5.2(a) or Section 5.2(b) of the Agreement not to be satisfied; or
 - there has occurred an Akerna Material Adverse Effect which is not capable of being cured on or before the Outside Date.

Amendments

The Agreement may, at any time before or after the Ample shareholder meeting, be amended by mutual written agreement of the parties without, subject to applicable laws, further notice to or authorization on the part of the Ample shareholders. Any such amendment may, without limitation: (1) change the time for performance of any of the obligations or acts of the parties; (2) waive any inaccuracies or modify any representation or warranty contained in the Agreement or in any document delivered pursuant to it; (3) waive compliance with or modify any of the covenants therein and waive or modify performance of any of the obligations of the parties; or (4) waive compliance with or modify any other conditions precedent contained therein; provided that no such amendment reduces or materially adversely affects the consideration to be received by Ample shareholders without approval by the affected Ample shareholders given in the same manner as required for the approval of the Arrangement or as may be ordered by the Ontario Superior Court of Justice.

On February 28, 2020, Akerna entered into an Amendment to Arrangement Agreement (the “Amendment”) among Purchaser, Ample and John Prentice, an individual resident in the Province of Ontario (collectively, the “Parties”), which amended the Agreement. The Amendment primarily revised the Agreement so that the Outside Date of the Arrangement (as defined therein) would be August 31, 2020, or such later date as agreed to in writing by Akerna and Ample. The Parties also revised the Effective Date of the Arrangement by agreeing to use their commercially reasonable efforts to cause the Effective Date to occur on or about July 3, 2020, or as soon thereafter as reasonably practicable, but in any event, by the Outside Date.

On May 26, 2020, Akerna entered into Amendment No. 2 together with Purchaser, Ample, and John Prentice, an individual resident in the Province of Ontario, which amended the Agreement, as previously amended. Amendment No. 2 primarily revised the Agreement, as previously amended, to update the Plan of Arrangement to incorporate the terms of an agreement entered into between the holders of preferred shares and common shares of Ample with respect to their entitlement to certain consideration to be received by them under the Arrangement.

On June 1, 2020, Akerna entered into Amendment No. 3 together with Purchaser, Ample, and John Prentice, an individual resident in the Province of Ontario, which amended the Agreement, as previously amended. Amendment No. 3 primarily revised the Agreement, as previously amended, to provide that (i) the Exchangeable Shares and the CVRs, but not the Akerna Shares, will be issued pursuant to the exemption from registration provided by Section 3(a)(10) of the U.S. Securities Act, (ii) Akerna will file registration statement on appropriate form (“Registration Statement”) with the United States Securities and Exchange Commission on the Effective Date or as soon as practicable thereafter in order to register under the U.S. Securities Act the Akerna Shares issuable upon exchange of the Exchangeable Shares and cause the Registration Statement to become effective as soon as practicable following the time that any Exchangeable Shares are first issued and (iii) revise the number of Exchangeable Shares to be released from escrow and delivered to the Ample Shareholders at each interval, as further described in Form of Escrow Agreement appended as Schedule “D” to the Agreement, which is attached to this proxy statement as *Annex A*.

THE SOLO SPA

The following summary describes the material provisions of the Solo SPA, dated November 25, 2019. The provisions of the Solo SPA are complicated and not easily summarized. This summary may not contain all of the information about the Solo SPA that is important to you. The Solo SPA is attached to this proxy statement as *Annex F* and is incorporated by reference into this proxy statement. You are encouraged to read it carefully in its entirety for a more complete understanding of the Solo SPA and the Solo Option.

This summary of the terms of the Solo SPA is not intended to provide you with any factual information about Akerna or Solo. The representations, warranties and covenants made in the Solo SPA were made solely to the parties to, and solely for the purposes of, the Solo SPA and as of specific dates and were qualified and subject to important limitations agreed to by Akerna and Solo in connection with negotiating the terms of the Solo SPA. In particular, representations and warranties were negotiated with the principal purposes of allocating risk between the parties to the Solo SPA, rather than establishing matters as facts. In addition, information concerning the subject matter of the representations and warranties may have changed or may change after November 25, 2019, which subsequent information may or may not be fully reflected in public disclosures by Solo and Akerna. Accordingly, you should not rely on the representations and warranties in the Solo SPA (or the summaries contained herein) as characterizations of the actual state of facts about Solo or Akerna.

General

The Solo Option will be carried out pursuant to the Solo SPA. The following is a summary of the principal terms of the Solo SPA. This summary does not purport to be complete and is qualified in its entirety by reference to the Solo SPA, which attached hereto as *Annex F*.

PROPOSAL 4: VOTE TO AMEND THE AKERNA 2019 LONG TERM INCENTIVE PLAN

The Akerna Board has unanimously adopted a resolution authorizing, approving, declaring advisable and recommending to Akerna stockholders for their approval an amendment to the Incentive Plan. The Incentive Plan is currently comprised of 1,040,038 shares of our common stock to be reserved for issuance, in the form of incentive stock options, non-qualified stock options, restricted stock, restricted stock units, performance awards and other customary equity incentives. The proposed amendment would increase the number of shares of our common stock reserved for issuance under the Incentive Plan by 525,000 shares, resulting in an aggregate of 1,565,038 shares of our common stock reserved for issuance under the Plan.

Reason for the Amendment

In connection with the transactions described in proposals 1, 2 and 3 above, Akerna expects that it will increase its number of employees. Therefore, the Akerna Board believes an amendment to the Incentive Plan by 525,000 shares of common stock would allow Akerna to properly incentivize new employees.

2019 Long Term Incentive Plan Summary

The purpose of the Incentive Plan is to enable Akerna to offer its employees, officers, directors and consultants whose past, present and/or potential future contributions to Akerna have been, are, or will be important to its success, an opportunity to acquire a proprietary interest in Akerna. The various types of incentive awards that may be provided under the Incentive Plan are intended to enable Akerna to respond to changes in compensation practices, tax laws, accounting regulations and the size and diversity of its business.

Plan Administration

The Incentive Plan is administered by the compensation committee of the Akerna Board (the “Compensation Committee”) or by the full Akerna Board, which may determine, among other things, (1) the persons who are to receive awards, (2) the type or types of awards to be granted to such persons, (3) the number of shares of common stock to be covered by, or with respect to which payments, rights, or other matters are to be calculated in connection with the awards, (4) the terms and conditions of any awards, (5) whether, to what extent, and under what circumstances awards may be settled or exercised in cash, shares of common stock, other securities, other awards or other property, or cancelled, forfeited, or suspended and the method or methods by which awards may be settled, exercised, cancelled, forfeited, or suspended, (6) whether, to what extent, and under what circumstances the delivery of cash, shares of common stock, other securities, other awards or other property and other amounts payable with respect to an award, and (7) make any other determination and take any other action that the Compensation Committee deems necessary or desirable for the administration of the Incentive Plan.

Stock Options

Stock options granted under the Incentive Plan may be of two types: (i) Incentive Stock Options (as defined in the Incentive Plan) and (ii) Non-qualified Stock Options (as defined in the Incentive Plan). Any stock option granted under the Incentive Plan shall contain such terms, as the Compensation Committee may from time to time approve.

The term of each stock option shall be fixed by the Compensation Committee; provided, however, that no stock option may be exercisable after the expiration of ten years from the date of grant; provided, further, that no Incentive Stock Option granted to a person who, at the time of grant, owns stock possessing more than 10% of the total combined voting power of all classes of voting stock of Akerna (“10% Shareholder”) may be exercisable after the expiration of five years from the date of grant.

The exercise price per share purchasable under a stock option shall be determined by the Compensation Committee at the time of grant; provided, however, that the exercise price of a stock option may not be less than 100% of the fair market value on the date of grant; provided, further, that the exercise price of an Incentive Stock Option granted to a 10% Shareholder may not be less than 110% of the fair market value on the date of grant.

Stock Appreciation Rights

The Compensation Committee may grant Stock Appreciation Rights in tandem with a stock option or alone and unrelated to a stock option. The Compensation Committee may grant stock appreciation rights to participants who

have been or are being granted stock options under the Incentive Plan as a means of allowing such participants to exercise their stock options without the need to pay the exercise price in cash. In the case of a Non-qualified Stock Option, a stock appreciation right may be granted either at or after the time of the grant of such Non-qualified Stock Option. In the case of an Incentive Stock Option, a stock appreciation right may be granted only at the time of the grant of such Incentive Stock Option. Stock appreciation rights shall be exercisable as shall be determined by the Compensation Committee. All or a portion of a stock appreciation right granted in tandem with a stock option shall terminate and shall no longer be exercisable upon the termination or after the exercise of the applicable portion of the related stock option.

Restricted Stock and Restricted Stock Units

Shares of restricted stock may be awarded either alone or in addition to other awards granted under the Incentive Plan. The Compensation Committee shall determine the eligible persons to whom, and the time or times at which, grants of restricted stock will be awarded, the number of shares to be awarded, the price (if any) to be paid by the holder, any restriction period, the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the awards. In addition, the Compensation Committee may award restricted stock units, which may be subject to vesting and forfeiture conditions during the applicable restriction period, as set forth in an agreement.

Restricted stock constitutes issued and outstanding shares of common stock for all corporate purposes. The holder will have the right to vote such restricted stock and to exercise all other rights, powers and privileges of a holder of common stock with respect to such restricted stock, subject to certain limited exceptions. Upon the expiration of the restriction period with respect to each award of restricted stock and the satisfaction of any other applicable restrictions, terms and conditions, all or part of such restricted stock shall become vested in accordance with the terms of the agreement. Any restricted stock that do not vest shall be forfeited to Akerna and the holder shall not thereafter have any rights with respect to such restricted stock.

The Compensation Committee may provide that settlement of restricted stock units will occur upon or as soon as reasonably practicable after the restricted stock units vest or will instead be deferred, on a mandatory basis or at the holder's election, in a manner intended to comply with tax laws. A Holder will have no rights of a holder of common stock with respect to shares subject to any restricted stock unit unless and until the shares are delivered in settlement of the restricted stock unit. If the Committee provides, a grant of restricted stock units may provide a holder with the right to receive dividend equivalents.

Other Stock-Based Awards

Other Stock-Based Awards may be awarded, subject to limitations under applicable law, that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, shares of common stock, as deemed by the Compensation Committee to be consistent with the purposes of the Incentive Plan, including, without limitation, purchase rights, shares of common stock awarded which are not subject to any restrictions or conditions, convertible or exchangeable debentures, or other rights convertible into shares of common stock and awards valued by reference to the value of securities of or the performance of specified subsidiaries.

Change of Control Provisions

The Incentive Plan provides that in the event of a change of control event, (1) all of the then outstanding options and stock appreciation rights granted pursuant to the Incentive Plan will immediately vest and become immediately exercisable as of a time prior to the change in control and (2) any performance goal restrictions related to an award will be deemed achieved at 100% of target levels and all other conditions met as of a time prior to the change in control. In the event of the sale of all of Akerna's assets or a change of control event, then the Compensation Committee may (1) accelerate the vesting of any and all Stock Options and other awards granted and outstanding under the Incentive Plan; (2) require a holder of outstanding options to relinquish such award to Akerna upon the tender by Akerna to holder of cash, stock or other property, or any combination thereof pursuant to the terms of the Incentive Plan and (3) terminate all incomplete performance periods in respect of awards in effect on the date the acquisition occurs, determine the extent to which performance goals have been met based upon such information then available as it deems relevant and cause to be paid to the holder all or the applicable portion of the award based upon the Compensation Committee's determination of the degree of attainment of performance goals, or on such other basis determined by the Compensation Committee.

The Akerna Board may at any time, and from time to time, amend alter, suspend or discontinue any of the provisions of the Incentive Plan, but no amendment, alteration, suspension or discontinuance shall be made that would impair the rights of a holder under any agreement theretofore entered into hereunder, without the holder's consent, except as set forth in this Incentive Plan or the agreement. Notwithstanding anything to the contrary herein, no amendment to the provisions of the Incentive Plan shall be effective unless approved by the stockholders of Akerna to the extent stockholder approval is necessary to satisfy any provision of the Ethics Code or other applicable law or the listing requirements of any national securities exchange on which Akerna's securities are listed.

Incentive Plan Participants

All officers, directors, employees and natural person consultants of Akerna, its subsidiaries and its affiliates who are deemed to have rendered or to be able to render significant services to Akerna or its subsidiaries and who are deemed to have contributed or to have the potential to contribute to the success of Akerna or its subsidiaries may participate in the Incentive Plan. Currently there are approximately the following number of persons in each class eligible to participate in the Incentive Plan:

Non-employee Directors: 3

Executive Officers: 4

Employees: 130

Natural Person Consultants: 5

Outside of incentive stock options, which may not be granted to any person who is not an employee of Akerna, a subsidiary or affiliate (including any non-employee directors) at the time of grant, all classes can participate equally in the equity awards granted under Incentive Plan. Participation in the Incentive Plan is determined in the sole discretion of the Compensation Committee or the Akerna Board.

Benefits under the Incentive Plan

The Compensation Committee has not determined any benefits to be granted under the Incentive Plan pursuant to the Incentive Plan Amendment nor has Akerna entered into any agreements pursuant to which awards will be granted under the Incentive Plan conditional upon the approval of the Incentive Plan Amendment. Since the benefits and amounts to be awarded under the Incentive Plan are determined at the sole discretion of the Compensation Committee it is not possible to determine either (i) the specific benefits or amounts that will be granted to our chief executive officer, other named executive officers, our executive officers as a group, our non-executive directors as a group or our employees as group if the Incentive Plan Amendment is approved; or (ii) the benefits or amounts which would have been received by or allocated to each such person or group for the last completed fiscal year if the Incentive Plan Amendment had been in effect.

Required Vote and Akerna Board's Recommendation

Assuming the presence of a quorum, in order to become effective this proposal requires the affirmative vote of a majority of the votes present in person or represented by proxy at the Special Meeting and entitled to vote is required to approve the Incentive Plan Amendment. Abstentions and broker non-votes are counted as present and thus will have the same effect as an abstaining vote on the outcome of this proposal.

AKERNA'S BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE APPROVAL OF THIS PROPOSAL.

PROPOSAL 5: VOTE TO ADJOURN THE AKERNA SPECIAL MEETING

To consider and vote on an adjournment of the Special Meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the Special Meeting to approve Proposals 1, 2, 3, or 4.

If the number of Akerna Shares present in person or represented by proxy at the Special Meeting voting in favor of Proposals 1, 2, 3 or 4 is insufficient to approve such proposal at the time of the Special Meeting, then Akerna may move to adjourn the Special Meeting in order to enable the Akerna Board to solicit additional proxies in respect of such proposal. In that event, Akerna's stockholders will be asked to vote only upon the adjournment proposal, Proposal 5, and not on any other proposal.

In this proposal, Akerna is asking its stockholders to authorize the holder of any proxy solicited by the Akerna Board to vote in favor of granting discretionary authority to the proxy or attorney-in-fact to vote to adjourn the Special Meeting one or more times for the purpose of soliciting additional proxies. If Akerna's stockholders approve this Proposal 5, Akerna could adjourn the Special Meeting and any adjourned session of the Special Meeting and use the additional time to solicit additional proxies, including the solicitation of proxies from Akerna's stockholders that previously have returned properly executed proxies or authorized a proxy by using the Internet or telephone. Among other things, approval of Proposal 5 could mean that, even if Akerna has received proxies representing a sufficient number of votes against the approval of a proposal, that such proposal would be defeated, Akerna could adjourn the special meeting without a vote on such proposal and seek to obtain sufficient votes in favor of such proposal to obtain approval of that proposal.

Required Vote and Akerna Board's Recommendation

The affirmative vote of a majority of the votes present in person or represented by proxy at the Special Meeting and entitled to vote is required for approval of Proposal 5.

OWNERSHIP OF AKERNA SHARES

The following table sets forth information concerning beneficial ownership of Akerna's capital stock outstanding as of the date of this proxy statement, by: (1) each stockholder known to be the beneficial owner of more than five percent of any class of Akerna's voting stock then outstanding; (2) each of Akerna's directors and nominees to serve as director; (3) each of Akerna's named executive officers; and (4) Akerna's current directors and executive officers as a group.

As of May 31, 2020, there were 13,258,707 Akerna Shares issued and outstanding. Each Akerna Share entitles the holder thereof to one vote.

The information regarding beneficial ownership of Akerna Shares has been presented in accordance with the rules of the SEC. Under these rules, a person may be deemed to beneficially own any shares of capital stock as to which such person, directly or indirectly, has or shares voting power or investment power, and as to which such person has the right to acquire voting or investment power within 60 days through the exercise of any stock option or other right. The percentage of beneficial ownership as to any person as of a particular date is calculated by dividing (1) (i) the number of shares beneficially owned by such person plus (ii) the number of shares as to which such person has the right to acquire voting or investment power within 60 days by (2) the total number of shares outstanding as of such date, plus any shares that such person has the right to acquire from Akerna within 60 days. Including those shares in the tables does not, however, constitute an admission that the named stockholder is a direct or indirect beneficial owner of those shares. Unless otherwise indicated, each person or entity named in the table has sole voting power and investment power (or shares that power with that person's spouse) with respect to all shares of capital stock listed as owned by that person or entity.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who beneficially own more than ten percent of the outstanding Akerna Shares, to file initial reports of ownership and reports of changes in ownership with the SEC. Executive officers, directors and greater than ten percent beneficial owners are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based upon a review of the copies of such forms furnished to us, we believe that all filings required to be made pursuant to Section 16(a) of the Exchange Act during the year ended June 30, 2019 were filed in a timely manner.

GENERAL

Other Business

The Akerna Board knows of no other matters to be brought before the Special Meeting. However, if other matters should come before the Special Meeting, it is the intention of each person named in the proxy to vote such proxy in accordance with his own judgment on such matters.

Delivery of Stockholder Documents

Unless we have received contrary instructions, we may send a single copy of this proxy statement to any household at which two or more stockholders reside if we believe the stockholders are members of the same family. This process, known as “householding,” reduces the volume of duplicate information received at any one household and helps to reduce our expenses. However, if stockholders prefer to receive multiple sets of our disclosure documents at the same address this year or in future years, the stockholders should follow the instructions described below. Similarly, if an address is shared with another stockholder and together both of the stockholders would like to receive only a single set of our disclosure documents, the stockholders should follow these instructions:

- if the Akerna Shares are registered in the name of the stockholder, the stockholder should contact us at Akerna Corp., 1630 Welton Street, Denver, Colorado 80202 or (888) 932-6537, to inform us of their request; or
- if a bank, broker or other nominee holds the Akerna Shares, the stockholder should contact the bank, broker or other nominee directly.

FUTURE STOCKHOLDER PROPOSALS

For any proposal to be considered for inclusion in our proxy statement and form of proxy for submission to the stockholders at our 2020 annual meeting of stockholders, it must have been submitted in writing and complied with the requirements of Rule 14a-8 of the Exchange Act. Such proposals must have been received by Akerna at its headquarters at 1630 Welton Street, Denver, Colorado 80202 no later than March 10, 2020.

In addition, our Amended and Restated Bylaws provide notice procedures for stockholders to nominate a person as a director and to propose business to be considered by stockholders at a meeting. Notice of a nomination or proposal must be delivered to us not less than 90 days and not more than 120 days prior to the date we first mailed our proxy materials for the preceding year's annual meeting of stockholders, or if the date of the annual meeting is advanced more than 30 days prior to or delayed by more than 60 days after the anniversary of the preceding year's annual meeting, to be timely, notice by the stockholder must be so received not later than the close of business on the tenth day following the day on which notice of the date of the annual meeting was mailed or public disclosure of the date of the annual meeting is first given or made (which for this purpose shall include any and all filings of the Corporation made on the EDGAR system of the SEC or any similar public database maintained by the SEC), whichever first occurs. Accordingly, for our 2020 annual meeting, notice of a nomination or proposal must have been delivered to us no later than March 10, 2020 and no earlier than February 10, 2020. Nominations and proposals also must satisfy other requirements set forth in the Amended and Restated Bylaws. If a stockholder fails to comply with the foregoing notice provision or with certain additional procedural requirements under SEC rules, Akerna will have authority to vote shares under proxies we solicit when and if the nomination or proposal is raised at the annual meeting of stockholders and, to the extent permitted by law, on any other business that may properly come before the annual meeting of stockholders and any adjournments or postponements. The Chief Executive Officer may refuse to acknowledge the introduction of any stockholder proposal not made in compliance with the foregoing procedures.

Note 1 — Description of Business, Liquidity and Capital Resources

Description of Business

Akerna Corp., herein referred to as the Company, we, our or Akerna, through our wholly owned subsidiary MJ Freeway, LLC, or MJF, provides enterprise software solutions that enable regulatory compliance and inventory management. Our proprietary, broad and growing suite of solutions are adaptable for industries in which interfacing with government regulatory agencies for compliance purposes is required, or where the tracking of organic materials from seed or plant to end products is desired. We developed products intended to assist states in monitoring licensed businesses' compliance with state regulations, and to help state-licensed businesses operate in compliance with such law. We provide our regulatory software platform, Leaf Data Systems®, to state government regulatory agencies, and our commercial software platform, MJ Platform®, to state-licensed businesses. Through our controlled subsidiary, solo sciences inc., we provide an innovative, next-generation solution for state and national governments to securely track product and waste throughout the supply chain with solo*TAG™. The integration of MJ Platform® and solo*CODE™ results in technology for consumers and brands that brings a consumer-facing mark designed to highlight authenticity and signify transparency.

We consult with clients on a wide range of areas to help them maintain compliance with state law. Our project-focused consulting services help clients obtain licensing to initiate or expand their business operations. Our advisory engagements include service offerings focused on compliance requirement assessments, readiness and best practices, compliance monitoring systems, application processes, inspection readiness and business plan and compliance reviews. We typically provide our consulting services to clients in emerging markets that are seeking consultation on newly introduced licensing regimes and assistance with the regulatory compliant build-out of operations.

The accompanying financial statements and related notes reflect the historical results of MJF prior to the mergers completed in June 2019, or the Mergers, with MTech Acquisition Corp., or MTech, and other related entities, which resulted in the combined company, and do not include the historical results of MTech prior to the completion of the Mergers.

Liquidity and Capital Resources

Since our inception, we have incurred recurring operating losses, used cash from operations, and relied on capital raising transactions to continue ongoing operations. Although we have continuing negative cash flow from operations, the cash outflow since the Mergers is partially attributable to approximately \$1.8 million in costs incurred in connection with specific transactions, including the Mergers and acquisitions completed or expected to close within the next twelve months. The transaction costs we expect to occur over the next twelve months are far less than the costs incurred during the nine months ended March 31, 2020. In addition, we are implementing a cost reduction plan during the fourth quarter 2020 that we expect to reduce recurring operating expenses between \$2 million and \$3 million annually. We anticipate our current cash will be sufficient to meet the working capital requirements for the next twelve months. From time to time, we may pursue various strategic business opportunities. These opportunities may include investment in or ownership of additional technology companies through direct investments, acquisitions, joint ventures and other arrangements. We can provide no assurance that we will successfully identify such opportunities or that, if we identify and pursue any of these opportunities, any of them will be consummated. Consequently, we may raise additional equity or debt capital or enter into arrangements to secure necessary financing to fund the completion of such strategic business opportunities, although no assurance can be provided that we will be successful in completing a future capital raise. The sale of additional equity could result in additional dilution to our existing stockholders, and financing arrangements may not be available to us, or may not be available in sufficient amounts or on acceptable terms. Our future operating performance will be subject to future economic conditions and to financial, business and other factors, many of which are beyond our control.

Note 2 — Summary of Significant Accounting Policies

Basis of Presentation

The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with the instructions to Form 10-Q and Article 8 of Regulation S-X. Certain footnotes and other financial information normally required by accounting principles generally accepted in the United States of America, or GAAP, have been condensed or omitted in accordance with such rules and regulations. In management's opinion, these condensed consolidated financial statements have been prepared on the same basis as our annual consolidated financial statements and notes thereto and include all adjustments, consisting of normal recurring items, considered necessary for the fair presentation. The operating results for the three and nine months ended March 31, 2020 are not necessarily indicative of the results that may be expected for the year ending June 30, 2020.

The condensed consolidated balance sheet for the year ended June 30, 2019 has been derived from our audited financial statements at that date but does not include all disclosures and financial information required by GAAP for complete financial statements. The information included in this proxy statement should be read in conjunction with our consolidated financial statements and notes thereto for the year ended June 30, 2019, which were included in our annual report on Form 10-K filed on September 23, 2019.

Principles of Consolidation

Our accompanying condensed consolidated financial statements include the accounts of Akerna, our wholly owned subsidiaries and those entities in which we otherwise have a controlling financial interest. All significant intercompany balances and transactions have been eliminated in consolidation.

We evaluate our ownership interests, contractual rights and other interests in entities to determine if the entities are variable interest entities, or VIEs, when we have a variable interest in those entities. Generally, a VIE is a legal entity in which the equity investors do not have the characteristics of a controlling financial interest or the equity investors lack sufficient equity at risk for the entity to finance its activities without additional subordinated financial support. These evaluations can be complex and involve judgment and the use of estimates and assumptions based on available historical information.

If we determine that we hold a variable interest in a VIE and we are the primary beneficiary of the VIE, we must consolidate the VIE in our financial statements. In determining whether we are the primary beneficiary of a VIE, we consider qualitative and quantitative factors, including, but not limited to: which activities most significantly impact the VIE's economic performance and which party controls such activities; the amount and characteristics of our investment; the obligation or likelihood for us or other investors to provide financial support; and the similarity with and significance to our business activities and the business activities of the other investors. Significant judgments related to these determinations include estimates about the current and future fair values and performance of these VIE's operations and general market conditions. We determine whether we are the primary beneficiary of a VIE upon our initial involvement with the VIE and reassess our status on an ongoing basis.

Use of Estimates

The preparation of our condensed consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts included in the financial statements and accompanying notes thereto. Actual results could differ materially from those estimates.

Accounts Receivable, Net

We maintain an allowance for doubtful accounts equal to the estimated uncollectible amounts based on our historical collection experience and review of the current status of trade accounts receivable. The allowance for doubtful accounts was \$0.5 million as March 31, 2020 and \$0.2 million as of June 30, 2019.

Note 2 — Summary of Significant Accounting Policies (cont.)

Concentrations of Credit Risk

We grant credit in the normal course of business to our customers. We periodically perform credit analysis and monitor the financial condition of our customers to reduce credit risk.

During the three months ended March 31, 2020, one government customer accounted for 25% of total revenues. At March 31, 2020, the same government customer and one other government customer accounted for 24% and 16% of net accounts receivable, respectively. During the three months ended March 31, 2019, one government customer accounted for 33% of total revenues. At June 30, 2019, the same government customer and one other government customer accounted for 33% and 24% of net accounts receivable, respectively.

During the nine months ended March 31, 2020, one government customer accounted for 24% and one consulting customer accounted for 11% of total revenues. During the nine months ended March 31, 2019, two government customers accounted for 35% and 11% of total revenues, respectively.

Equity Method Investments

We make strategic investments in privately held equity securities of companies who provide technology solutions that are complementary to ours. When we can exert significant influence over, but do not control, the investee's operations, through voting rights or representation on the investee's board of directors, we account for the investment using the equity method of accounting. We record our share in the investee's earnings in the consolidated statement of operations. We assess our investment for other-than-temporary impairment when events or changes in circumstances indicate that the carrying amount of the investment might not be recoverable and recognize an impairment loss to adjust the investment to its then current fair value.

Intangible Assets Acquired through Business Combinations

Intangible assets are amortized over their estimated useful lives. We evaluate the estimated remaining useful life of our intangible assets when events or changes in circumstances indicate an adjustment to the remaining amortization may be needed. We similarly evaluate the recoverability of these assets upon events or changes in circumstances indicate a potential impairment. Recoverability of these assets is measured by comparing the carrying amount of each asset to the future undiscounted cash flows the asset is expected to generate. If the undiscounted cash flows used in the test for recoverability are less than the carrying amount of these assets, the carrying amount of such assets is reduced to fair value. There were no impairments of intangible assets during the nine months ended March 31, 2020 or 2019.

Goodwill Impairment Assessment

We evaluate and test the recoverability of our goodwill for impairment at least annually during the second quarter of each fiscal year or more often if circumstances indicate that goodwill may not be recoverable.

Business Combinations

We use our best estimates and assumptions to assign fair value to the tangible and intangible assets acquired and liabilities assumed at the acquisition date. Our estimates are inherently uncertain and subject to refinement. During the measurement period, which may be up to one year from the acquisition date, we continue to collect information and reevaluate these estimates and assumptions quarterly and record any adjustments to our preliminary estimates to goodwill. Upon the conclusion of the measurement period or final determination of the fair value of assets acquired or liabilities assumed, whichever comes first, any subsequent adjustments are recorded in our condensed consolidated statement of operations.

Note 2 — Summary of Significant Accounting Policies (cont.)

In the event we acquire an entity with which we have a preexisting relationship, we will recognize a gain or loss to settle that relationship as of the acquisition date within the condensed consolidated statements of operations. In the event that we acquire an entity in which we previously held a noncontrolling interest, the difference between the fair value of the shares as of the date of the acquisition and the carrying value of our investment is recorded as a gain or loss in the condensed consolidated statement of operations.

Revenue Recognition

We derive our revenues primarily from the following sources: software revenues, which are primarily comprised of subscription fees from government and commercial customers accessing our enterprise cloud computing services and from customers paying for additional support beyond the standard support that is included in the basic subscription fees; and consulting services provided to operators interested in integrating our platform into their respective operations, such services include: assessing compliance requirements, monitoring systems and readiness; assisting with the application process; and evaluating the operator's inspection readiness and business plan.

We commence revenue recognition when there is persuasive evidence of an arrangement, the service has been or is being provided to the customer, the collection of the fees is reasonably assured, and the amount of fees to be paid by the customer is fixed or determinable.

Software Revenue

Software revenue primarily consists of subscription revenue that is recognized ratably over the term of the contractual period, beginning when access to the applicable software is provided to the customer. We typically invoice customers at the beginning of the term, in multi-year, annual, quarterly, or monthly installments. When collection of fees occurs in advance of service delivery, revenue recognition is deferred until such services are delivered. Revenue for implementation fees is recognized ratably over the expected term of the agreement, including expected renewals.

We include service level commitments to customers warranting certain levels of uptime reliability and performance and permitting those customers to receive credits if those levels are not met. In addition, customer contracts often include: specific obligations that require us to maintain the availability of the customer's data through the service and that customer content is secured against unauthorized access or loss; and indemnity provisions whereby we indemnify customers from third-party claims asserted against them that result from our failure to maintain the availability of their content or securing the same from unauthorized access or loss. To date, we have not incurred any material costs as a result of such commitments. Any such credits or payments made to customers under these arrangements are recorded as a reduction of revenue.

Consulting Services Revenue

Consulting services revenue consists of contracts with fixed terms and fee structures based upon the volume and activity, or fixed price contracts for consulting and strategic services. When these services are not combined with subscription revenues as a single unit of account, as discussed below, these revenues are recognized as services are rendered and accepted by the customer.

Other Revenues

From time to time, we purchase equipment for resale to customers. Such equipment is generally drop-shipped to our customers. We recognize revenue as the products are delivered.

Note 2 — Summary of Significant Accounting Policies (cont.)

Cost of Revenue

Cost of revenue consists primarily of costs related to providing subscription and other services to our customers, including employee compensation and related expenses for datacenter operations, customer support and professional services personnel, payments to outside technology service providers, security services and other tools.

Deferred Revenue

Deferred revenue primarily consists of payments received in advance of revenue recognition from subscription services described above and is recognized as the revenue recognition criteria are met. The deferred revenue balance is influenced by several factors, including seasonality, the compounding effects of renewals, invoice duration, invoice timing, size and new business within the year.

Deferred revenue that will be recognized during the succeeding twelve-month period is recorded as deferred revenue, which is a current liability on the accompany condensed consolidated balance sheets.

Supplemental Information Regarding Noncash Investing and Financing Activities

During the nine months ended March 31, 2020, we acquired 80.4% of the outstanding equity interest in solo sciences inc., or Solo, in exchange for Akerna common stock valued at \$17.6 million, please refer to Note 3 for additional information about the transaction and a schedule of the assets acquired and liabilities assumed in conjunction with this transaction.

Reclassifications

Certain prior year financial statement amounts have been reclassified for consistency with the current year presentation.

Recent Accounting Pronouncements

The Financial Accounting Standards Board, or the FASB, has issued guidance to revise accounting for revenue from contracts with customers, which supersedes the revenue recognition requirements and industry-specific guidance currently in effect for us. The new revenue standard requires an entity to recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration the entity expects to be entitled to in exchange for those goods or services. The new revenue standard is effective for our fiscal 2020 annual reporting period and for interim periods thereafter. The new revenue standard allows for either full retrospective or modified retrospective adoption. We will adopt the new standard using the modified retrospective approach and anticipate that the timing of recognition of incremental costs of obtaining contracts will be the most significant change to our results of operations upon adoption.

The FASB has issued new guidance related to the accounting for leases. The new standard establishes a right-of-use model that requires a lessee to record a right-of-use asset and a lease liability on the balance sheet for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the statement of operations. The new standard is effective for us in our fiscal year beginning in 2021. We are evaluating the impact of adoption of the new standard on our consolidated financial statements and do not anticipate a significant impact to our results of operations.

The FASB has issued guidance to introduce a new model for recognizing credit losses on financial instruments based on estimated current expected credit losses, or CECL. Under the new standard, an entity is required to estimate CECL on trade receivables at inception, based on historical information, current conditions, and reasonable and supportable forecasts. The new guidance is effective for us in our fiscal year beginning in 2023. We are evaluating the impact of adoption of the new standard on our consolidated financial statements.

Note 2 — Summary of Significant Accounting Policies (cont.)

The FASB has issued guidance related to the accounting for share-based compensation to nonemployees, which eliminates the separate accounting model for nonemployee share-based payment awards and generally requires companies to account for share-based payment transactions with nonemployees in the same way as share-based payment transactions with employees. Under the new guidance, nonemployee share-based payment transactions are measured at the grant-date fair value and are no longer remeasured at the then-current fair values at each reporting date until the share options have vested. The amended guidance is effective for our annual financial statements for the fiscal year beginning on July 1, 2020 and for interim periods beginning in the subsequent fiscal year. We do not anticipate the adoption of this guidance to have a significant effect on our results of operations.

The FASB has issued guidance regarding when internal-use software development costs should be capitalized or charged to expense. Depending upon on the nature of the costs and the project stage in which they are incurred. Capitalized development costs are subject to amortization and impairment guidance consistent with existing internal-use software development cost guidance. The guidance is applicable for us in our fiscal year beginning in 2023 with early adoption permitted, including adoption in an interim period. We are evaluating the impact of adoption of the new standard on our financial statements.

The FASB has issued guidance clarifying the interactions between various standards governing investments in equity securities. The new guidance addresses accounting for the transition into and out of the equity method and measurement of certain purchased options and forward contracts to acquire investments. The standard is effective for us for annual and interim periods in our fiscal year beginning in 2022, with early adoption permitted. Adoption of the standard requires changes to be made prospectively. We are evaluating the impact of adoption of the new standard on our consolidated financial statements.

Note 3 — Business Combination

On January 15, 2020, we closed on a stock purchase agreement with substantially all of the shareholders of Solo pursuant to which we acquired all right, title and interest in 80.40% of the issued and outstanding capital stock of Solo, calculated on a fully diluted basis. As a result of our investment, Solo became a controlled subsidiary and we commenced consolidation of Solo on January 15, 2020. Our preliminary estimate of acquisition date fair value of the consideration transferred for Solo was \$17.6 million. We are in the process of completing a valuation of contingent consideration, which is a complex financial instrument. Due to the complexity of this financial instrument the completion of our valuation is still in process and therefore, we have not recorded an estimated liability as of March 31, 2020. The preliminary fair value of consideration recorded consisted of the following (in thousands):

	Preliminary Fair Value
Common shares issued	\$ 17,550

We incurred \$0.2 million of transaction costs directly related to the acquisition that is reflected in selling, general and administrative expenses in our condensed consolidated statement of operations.

The 1,950,000 shares of our common stock were valued at \$9 per share, the closing price of a share of our common stock on the date of acquisition.

In addition to the above consideration, we have agreed to pay contingent consideration in the form of fees payable to the legacy Solo shareholders equal to the lesser of (i) \$0.01 per solo*TAG™ and solo*CODE™ sold or (ii) 7% of net revenue. The fees will be paid annually until the earlier of: (1) our shares trading above \$12 per share for any consecutive 20 trading days in a 30-day period; (b) upon us no longer owning a majority stake in Solo; or (c) upon expiration of the patents related to solo*TAG™ and solo*CODE™, which is December 1, 2029. This fee represents contingent consideration and will be recorded at fair value as of the date of acquisition. As noted above due to the complexity of this valuation we have not included an estimated liability as of

AKERNA CORP.
Notes to Condensed Consolidated Financial Statements
(Unaudited)

Note 3 — Business Combination (cont.)

March 31, 2020 and will record the contingent consideration liability when we have completed the valuation. Contingent consideration will be recorded at fair value with changes in fair value being recognized in earnings at each reporting period.

We have an option to acquire the noncontrolling interests in Solo during the 12 months following the close for either cash or shares. Beginning with the expiration of our option, the noncontrolling interests in Solo have a 3-month option to acquire between 40% and 55% of Solo back from us for cash. The terms of this option will result in our accounting for the instrument as a derivative. Due to the complexity of the option we have not yet completed our valuation of the option and will record the option at fair value as of the date of acquisition when the valuation is complete.

The following table summarizes the preliminary fair values of assets acquired and liabilities assumed as of the date of acquisition (in thousands):

	Preliminary Fair Value
Cash	\$ 101
Accounts receivable	13
Prepaid expenses	22
Intangible assets and goodwill	23,138
Furniture, fixtures and equipment	15
Accounts payable and accrued expenses	(876)
Fair value of noncontrolling interests	(4,863)
Net assets acquired	<u>\$ 17,550</u>

The excess of purchase consideration over the preliminary fair value of assets acquired and liabilities assumed will be recorded as goodwill, which is primarily attributed to the assembled workforce and expanded market opportunities, for which there is no basis for U.S. income tax purposes. The fair values assigned to identifiable assets acquired and liabilities assumed are preliminary based on management's estimates and assumptions and will change as additional information is received. We expect to finalize the valuation as soon as practicable, but not later than one year from the acquisition date.

The amounts of Solo's revenue and net loss included in our condensed consolidated statement of operations from the acquisition date of January 15, 2020 to March 31, 2020 were \$9,600 and \$516,200, respectively.

The following unaudited pro forma financial information summarizes the combined results of operations for Akerna and Solo, as though the companies were combined as of the beginning of our fiscal 2019 (in thousands).

	Three Months Ended March 31,		Nine Months Ended March 31,	
	2020	2019	2020	2019
Revenues	\$ 3,071	\$ 2,328	\$ 9,570	\$ 7,202
Net loss	(5,521)	(2,763)	(14,660)	(7,460)

The pro forma financial information for all periods presented above has been calculated after adjusting the results of Solo to reflect the business combination accounting effects resulting from this acquisition, including the amortization expense from acquired intangible assets as though the acquisition occurred as of the beginning of the Company's fiscal year 2020. As noted above, the allocation is preliminary and changes to the value of the contingent consideration and finalization of our valuation could result in changes to the amount of amortization expense from acquired intangible assets included in the pro forma financial information presented above. The Akerna historical condensed consolidated financial statements have been adjusted in the pro forma combined financial statements to

give effect to pro forma events that are directly attributable to the business combination and factually supportable. The pro forma financial information is for informational purposes only and is not indicative of the results of operations that would have been achieved if the acquisition had taken place at the beginning of the Company's fiscal 2020.

Note 4 — Loss Per Share

Basic net loss per share is calculated by dividing net loss attributable to Akerna stockholders by the weighted-average number of shares of common stock outstanding. Diluted net loss per common share is calculated by giving effect to all potentially dilutive common stock, including warrants, restricted stock awards and restricted stock units. The dilutive effect of outstanding awards is reflected in diluted earnings per share by application of the treasury stock method and excludes potential common stock when the effect would be anti-dilutive.

The weighted-average number of shares outstanding used in the computation of diluted earnings per share does not include the effect of potential outstanding common shares that would have been anti-dilutive for the period. There were no potentially outstanding shares as of March 31, 2019. The table below details potentially outstanding shares on a fully diluted basis as of March 31, 2020 that were not included in the calculation of diluted earnings per share and the weighted average amounts of potentially outstanding shares that would have been dilutive had we reported net income for the three and nine months ended March 31, 2020:

	March 31, 2020		
	Fully Diluted	Weighted Average	
		Three Months Ended	Nine Months Ended
Warrants	5,813,804	5,813,804	5,840,644

Restricted Stock Awards	75,654	—	—
Total	<u>6,214,579</u>	<u>5,836,424</u>	<u>5,853,568</u>

Note 5 — Stockholders' Equity and Stock-Based Compensation

A summary of our unvested Restricted Shares and Restricted Stock Units ("RSUs") activity for the nine months ended March 31, 2020 is presented in the table below:

	Restricted Shares	Restricted Stock Units	Total	Weighted Average Grant Date Fair Value
Nonvested at July 1, 2019	215,063	—	215,063	\$ 11.99
Granted	—	359,554	359,554	7.64
Vested	(86,654)	(10,223)	(96,877)	11.40
Forfeited	(52,755)	(24,210)	(76,965)	10.04
Nonvested at March 31, 2020	<u>75,654</u>	<u>325,121</u>	<u>400,775</u>	<u>\$ 8.61</u>

For the three and nine months ended March 31, 2020, stock-based compensation expense related to the ratable amortization of the unvested Restricted Shares and RSUs was \$0.3 million and \$0.8 million, respectively, and \$3.1 million of total unrecognized costs related to Restricted Shares and RSUs will be ratably recognized over an estimated weighted average remaining vesting period of 3.2 years.

Operating Leases

We lease office facilities under non-cancelable operating leases. Rent expense for the three months ended March 31, 2020 and 2019, was \$67,000 and \$36,000, respectively. Rent expense for the nine months ended March 31, 2020 and 2019, was \$143,000 and \$115,000, respectively.

On September 30, 2019, we entered into an agreement, or the Office Lease, to lease our new headquarters located at 1630 Welton Street, Denver, Colorado, 80202. The Office Lease commenced on February 24, 2020 and expires January 31, 2022. We have paid a security deposit equal to one month's rent, which is recorded in intangibles and other assets on our condensed consolidated balance sheet. The monthly payments of \$41,925 are subject to a 4% annual increase at each anniversary of the commencement date during the term of the Office Lease. Rent expense related to this lease is recognized on a straight-line basis over the noncancelable term of the lease.

Future minimum lease payments to be made pursuant to the Office Lease and other leases are \$124,000 for the remainder of the year ended June 30, 2020; \$530,000 for the year ended June 30, 2021; and \$316,000 for the year ended June 30, 2022.

Compensation Agreement with Jessica Billingsley

On November 11, 2019, the Compensation Committee of our Board of Directors established the terms upon which Ms. Billingsley, our Chief Executive Officer, may earn a bonus for the fiscal year ended June 30, 2020. The Compensation Committee determined that Ms. Billingsley will be eligible for a bonus derived from the same targets with respect to her bonuses in fiscal year 2019, which is determined based upon our performance relative to the following four budget components: platform recurring revenue; government recurring revenue; services revenue; and net income. However, during fiscal year 2020 any bonus resulting from outperformance relative to budget may be paid in cash, stock, or a combination thereof at the sole discretion of the Compensation Committee.

In addition, the Compensation Committee determined that during fiscal year 2020, Ms. Billingsley is eligible to earn a performance based incentive of \$250,000, payable in stock, whereby (a) 50% of the bonus is automatically granted if our stock price/shareholder return increases by 15% (measuring point starts at \$10 per share) with respect to the consecutive 20-day volume weighted average price prior to and including June 30, 2020, and (b) the remaining 50% of the bonus may be paid at the sole discretion of the Compensation Committee.

Letter-of-Credit

As of March 31, 2020, we had a standby letter-of-credit with a bank in the amount of \$500,000, which was classified as restricted cash on the balance sheets. The beneficiary of the letter-of-credit is an insurance company. The letter-of-credit will expire on June 22, 2020.

Litigation

From time to time, we may be involved in litigation relating to claims arising out of our operations in the normal course of business. We will accrue a liability for such matters when it is probable that a liability has been incurred and the amount can be reasonably estimated. When only a range of possible loss can be established, the most probable amount in the range is accrued. If no amount within this range is a better estimate than any other amount within the range, the minimum amount in the range is accrued. The accrual for a litigation loss contingency might include, for example, estimates of potential damages, outside legal fees and other directly related costs expected to be incurred. As of March 31, 2020, and through the date these financial statements were issued, there were no legal proceedings requiring recognition or disclosure in the financial statements.

Note 7 — Equity Method Investment and Related Party Transaction

Investment in and License Agreement with Zol Solutions, Inc.

On October 7, 2019, we participated in an offering of preferred stock of Zol Solutions, Inc. (“ZolTrain”) along with other investors in which we purchased 203,000 shares of Series Seed Preferred Stock (the “ZolTrain Preferred”) for a purchase price of \$250,000, which represents a noncontrolling interest in ZolTrain.

The ZolTrain Preferred is convertible into shares of common stock of ZolTrain at a conversion rate of \$1.232 per share at the option of the holder and contains certain anti-dilution protection in the event of certain future issuances of securities by ZolTrain. We are entitled to vote the number of common shares in which the ZolTrain Preferred is convertible into at any meeting of the ZolTrain stockholders.

The ZolTrain Preferred also provides us with rights of first refusal with respect to newly issued securities of ZolTrain as well as issued and outstanding securities of ZolTrain that are offered to third parties. In connection with the agreement, Nina Simosko, our Chief Revenue Officer, was appointed as one of three members of ZolTrain’s board of directors. Ms. Simosko may only be removed from the ZolTrain board by us and we retain the right to fill the vacancy.

We have determined that ZolTrain is a VIE for accounting purposes. However, we are not required to consolidate ZolTrain in our financial statements because we are not ZolTrain’s primary beneficiary. As of March 31, 2020, our maximum exposure to loss was equal to the carrying value of our initial investment of \$250,000. We have concluded that the ZolTrain Preferred is in substance common stock because the liquidation preference provided is not substantive, the equity method of accounting is applicable to in substance common stock. As a result of our representation on the board of directors, we determined that we can exert significant influence over the day to day operations of ZolTrain therefore; we account for this investment using the equity method of accounting, which requires we recognize our share of the ZolTrain operations in our results of operations.

Subsequent to our investment, we entered into a nonexclusive license/reseller agreement with ZolTrain, effective October 24, 2019, to provide ZolTrain’s online cannabis training platform as a co-branded integration option into our MJ Platform and Leaf Data Systems, which is a related party transaction. ZolTrain will share subscription-based revenue generated from our customers with us. The amount of the share of revenue for each of us and ZolTrain will be depend on both (a) the number of training modules accessed by a customer and (b) which party created the accessed content. In addition to the revenue sharing arrangement, the license/reseller agreement provides us

with the right to receive additional consideration from ZolTrain in the form of an equity earnout if certain revenue milestones are achieved during 2020, 2021, and 2022. Our ability to recognize revenue from the additional earnout consideration in the future will mainly depend on whether it becomes probable that such revenue milestones will be achieved. We have not recognized any revenue subject to this license agreement for the three and nine months ended March 31, 2020.

Note 8 — Subsequent Events

Business Combination

On April 10, 2020, we acquired 100% of the outstanding stock of Trellis Solutions, Inc., or Trellis, a cannabis cultivation management and compliance software company. In exchange for the stock of Trellis, we issued 349,650 shares of common stock, valued at \$7.24 per share, the closing price of a share of our common stock on the date of acquisition, or \$2.5 million. Additionally, Trellis' selling shareholders are entitled to contingent consideration based on annualized net new recurring revenue, as defined in the agreement, generated in September 2020, to be paid in Akerna stock, if any. We are in the process of valuing the contingent consideration, as well as the fair value of acquired assets and liabilities assumed.

Because the acquisition occurred subsequent to March 31, 2020, no results of operations of Trellis are included in our condensed consolidated statements of operations for the three and nine months ended March 31, 2020. It is currently impractical to disclose a preliminary purchase price allocation, value of contingent consideration or pro forma financial information combining both companies as of the earliest period presented in these financial statements as Trellis is currently in the process of closing their books and records.

Paycheck Protection Program Loan

In April 2020, we were granted a loan, or the PPP Loan, from a lender in the aggregate amount of \$2,204,600 pursuant to the Paycheck Protection Program under the Coronavirus Aid, Relief, and Economic Security Act, or the CARES Act. The PPP Loan is evidenced by a promissory note dated April 21, 2020, the Note. The PPP Loan bears interest at a fixed rate of 1.0% per annum, with the first six months of interest deferred from the date of the Note, has an initial term of two years from the date of the Note, and is unsecured and guaranteed by the Small Business Administration. We may prepay up to 20% of the PPP Loan amount at any time prior to maturity with no prepayment penalties. We must pay all accrued interest if we prepay greater than 20% of the PPP Loan amount and the PPP Loan has been sold on the secondary market. The Note provides for customary events of default. The PPP Loan may be accelerated upon the occurrence of an event of default. The PPP Loan may be forgiven in accordance with the terms of the CARES Act. Principal amount of the PPP Loan not forgiven and accrued interest are to be repaid in 18 equal monthly installments beginning seven months from the date of the disbursement of the PPP Loan.

We applied for the PPP Loan and received the proceeds from the PPP Loan prior to the issuance of the recent guidance from the United States Treasury Department and U.S. Small Business Administration on April 23, 2020. We are currently evaluating the impact this guidance has on Akerna and the PPP Loan.

Note 9 — Revisions of Previously Issued Financial Statements

During the course of preparing the Quarterly Report on Form 10-Q for the three months ended September 30, 2019, we identified certain previously duplicated revenues, which resulted in the overstatement of total assets and revenue during the periods outlined below, and the understatement of net losses for the periods outlined below. Additionally, during the course of preparing our Annual Report on Form 10-K for the fiscal year ended June 30, 2019, we identified certain costs of revenue related to consulting services previously being recorded in operating expenses, which resulted in the overstatement of the gross profit for each of the quarters during the fiscal year ended June 30, 2019. We assessed the materiality of these errors on prior periods' financial statements and concluded that the errors

were not material to any prior annual or interim periods, but the cumulative adjustments necessary to correct the errors would be material if we recorded the corrections the period in which the errors were identified. In accordance with GAAP, we are revising the prior periods' financial statements when they are next issued. See Item. 4 of Part I, Controls and Procedures.

Note 1 — Description of Business, Liquidity and Capital Resources

Description of Business

Akerna Corp. (the “Company” or “Akerna”), through its wholly-owned subsidiary MJ Freeway, LLC (“MJF”) is a regulatory compliance and inventory management technology company. The Company’s proprietary software platform is adaptable for industries in which interfacing with government regulatory agencies for compliance purposes is required, or where the tracking of organic materials from seed or plant to end products is desired. The Company developed products intended to assist states in monitoring licensed businesses’ compliance with state regulations, and to help state-licensed businesses operate in compliance with such law. The Company provides its regulatory software platform, Leaf Data Systems®, to state government regulatory agencies, and its commercial software platform, MJ Platform®, to state-licensed businesses.

On October 10, 2018 (as amended on April 17, 2019), MJF entered into a definitive merger agreement (the “Merger Agreement”) with MTech Acquisition Corp. (“MTech”), the Company (f/k/a MTech Acquisition Holdings Inc.), MTech Purchaser Merger Sub Inc., a Delaware corporation and a wholly-owned subsidiary of Akerna (“Purchaser Merger Sub”), MTech Company Merger Sub LLC, a Colorado limited liability company and a wholly-owned subsidiary of Akerna (“Company Merger Sub” and, together with Purchaser Merger Sub, the “Merger Subs”, and the Merger Subs collectively with MTech and Akerna, the “Purchaser Parties”), MTech Sponsor LLC, a Florida limited liability company, in the capacity as the representative for the equity holders of Akerna (other than the Sellers) thereunder (the “Purchaser Representative”), and Harold Handelsman, in the capacity as the representative for the Sellers thereunder (the “Seller Representative”). MTech, collectively with Akerna, Purchaser Merger Sub and MTech Company Merger Sub, shall be referred to as “MTech”. The Merger Agreement provided for two mergers: (i) the merger of Purchaser Merger Sub with and into MTech, with MTech continuing as the surviving entity (the “Purchaser Merger”), and (ii) the merger of MTech Company Merger Sub with and into the Company, with the Company continuing as the surviving entity (the “Company Merger”, and together with the Purchaser Merger, the “Mergers”).

On June 17, 2019, the Mergers contemplated by the Merger Agreement were consummated. In connection with the closing of the Mergers, the registrant changed its name from MTech Acquisition Holdings Inc. to Akerna Corp.

Upon the closing of the Mergers (Note 4), the outstanding Common Units, Preferred Units, and Profit Interest Units of MJF were exchanged for shares of common stock of Akerna at an exchange ratio of one Unit of MJF to 0.26716 shares of Akerna common stock (the “Exchange Ratio”). Except as otherwise noted, all common share amounts and per share amounts have been adjusted to reflect this Exchange Ratio, which was effected upon the Merger.

The Mergers have been accounted for as a reverse merger in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”). The owners and management of MJF have actual or effective voting and operating control of the combined company. In the Merger transaction, MTech is the accounting acquiree and MJF is the accounting acquirer. A reverse recapitalization is equivalent to the issuance of stock by the private operating company for the net monetary assets of the accounting acquiree accompanied by a recapitalization with accounting similar to that resulting from a reverse acquisition, except that no goodwill or intangible assets are recorded.

The accompanying financial statements and related notes reflect the historical results of MJF prior to the merger and of the combined company following the Mergers, and do not include the historical results of MTech prior to the completion of the Mergers.

Note 1 — Description of Business, Liquidity and Capital Resources (cont.)

Liquidity and Capital Resources

Since its inception, the Company has incurred recurring operating losses, used cash from operations, and relied on capital raising transactions to continue ongoing operations. However, based on the funds the Company has available as of the date these financial statements are issued primarily as a result of the business combination (Note 4), the Company believes that it has sufficient capital to fund its anticipated operating expenses for at least next twelve months from the date these financial statements are issued. Management will continue to evaluate the impact of this standard on the Company's consolidated financial statements.

Note 2 — Summary of Significant Accounting Policies

Basis of presentation

The accompanying consolidated financial statements have been prepared in accordance with U.S. GAAP and pursuant to the accounting and disclosure rules and regulations of the Securities and Exchange Commission ("SEC").

Principles of Consolidation

The consolidated financial statements include the accounts of the Company and its wholly owned subsidiary. All intercompany transactions and balances have been eliminated in consolidation.

Use of estimates

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates for the years ended June 30, 2019 and 2018 were the Company's allowance for doubtful accounts, the estimated average customer life used in the calculation of the deferral and recognition of implementation fees earned from certain customers, the estimated useful lives of long-lived assets, stock-based compensation and the deferred tax asset valuation allowance. Actual results could differ from those estimates.

Cash and cash equivalents

The Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents. There were no cash equivalents for the years ended June 30, 2019 and 2018. The Company continually monitors its positions with, and the credit quality of, the financial institutions with which it invests. As of the balance sheet date, and periodically throughout the year, the Company has maintained balances in various operating accounts in excess of federally insured limits. At June 30, 2019, approximately \$22 million of the Company's cash balances were uninsured. The Company has not experienced any losses on such accounts.

Restricted Cash

Restricted cash serves as collateral for the Company's letter-of-credit (See Note 7).

Prepaid Expenses

Prepaid expenses consist primarily of third-party technology and software used by in the Company in its day-to-day operations and professional services expenses paid in advance. (See Note 3).

AKERNA CORP.
Notes to Consolidated Financial Statements

Note 2 — Summary of Significant Accounting Policies (cont.)

Accounts Receivable, Net

The Company provides an allowance for doubtful accounts equal to the estimated uncollectible amounts. The Company's estimate is based on historical collection experience and a review of the current status of trade accounts receivable. It is reasonably possible that the Company's estimate of the allowance for doubtful accounts will change and that losses ultimately incurred could differ materially from the amounts estimated in determining the allowance. The allowance for doubtful accounts was \$190,088 and \$39,571 as of June 30, 2019 and 2018, respectively.

Concentrations of Credit Risk

The Company grants credit in the normal course of business to customers in the United States. The Company periodically performs credit analysis and monitors the financial condition of its customers to reduce credit risk.

During the year ended June 30, 2019, one customer accounted for 30% of total revenues. At June 30, 2019, two customers accounted for 33% and 24% of net accounts receivable, respectively. During the year ended June 30, 2018, the same customer accounted for 37% of total revenues. At June 30, 2018, the same two customers accounted for 55% and 11% of net accounts receivable, respectively.

Property and Equipment

Property and equipment are stated at cost. Depreciation is provided utilizing the straight-line method over the estimated useful lives for owned assets, ranging from five to seven years, and the shorter of the estimated economic life or related lease terms for leasehold improvements. Repairs and maintenance costs that do not improve the service potential or extend the economic life are expensed as incurred. The Company's purchases of property and equipment have historically been immaterial.

Fair Value of Financial Instruments

The carrying amounts of financial instruments, including cash, restricted cash, accounts receivable, prepaid expenses, accounts payable and accrued liabilities approximated fair value as of June 30, 2019 and 2018 because of the relatively short term nature of these instruments. The Company accounts for fair value measurements in accordance with Accounting Standards Codification ("ASC") Topic No. 820, *Fair Value Measurements and Disclosures*, which defines fair value, establishes a framework for measuring fair value in generally accepted accounting principles, and expands disclosures about fair value measurements.

ASC Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2: Applies to assets or liabilities for which there are inputs other than quoted prices included within Level 1 that are observable for the asset or liability such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in markets with insufficient volume or infrequent transactions (less active markets); or model-derived valuations in which significant inputs are observable or can be derived principally from, or corroborated by, observable market data.
- Level 3: Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (supported by little or no market activity).

Note 2 — Summary of Significant Accounting Policies (cont.)

Software Development Costs

The Company accounts for costs incurred in the development of computer software in accordance with ASC Subtopic 350-40, *Intangibles — Goodwill and Other — Internal-Use Software*. Costs incurred in the application development stage are subject to capitalization and subsequent amortization and impairment. Application development stage costs were not material for the Company during the years ended June 30, 2019 or 2018. Product development costs are primarily comprised of personnel costs incurred related to activities for evaluating future changes to the software, testing, bug fixes, and other maintenance activities. Product development costs are expensed as incurred.

Revenue Recognition

The Company recognizes revenue only when all of the following criteria have been met: persuasive evidence of an arrangement exists, delivery has occurred or services have been performed, the fee for the arrangement is fixed or determinable, and collectability is reasonable assured.

The Company's software-as-a-service fees are earned through arrangements in which customers pay the Company a recurring subscription fee based upon the terms of their respective contracts. The Company's software revenues generated from government customers totaled \$4,251,263 and \$4,470,310 of total revenues during the years ended June 30, 2019 and 2018, respectively (See Note 2, "Concentration of Credit Risk"). Total costs of government revenues incurred by the Company, which are included in cost of revenues on the statements of operations, were \$2,150,062 and \$2,670,319 during the years ended June 30, 2019 and 2018, respectively.

The Company also offers various software consulting services to its customers, including implementation services, business planning, support, and other customer services. From time to time, the Company purchases equipment for resale to customers. Such equipment is generally drop-shipped to the Company's customers. The Company recognizes revenue as the services are performed or products are delivered, or in the case of up-front implementation fees, over the longer of the contract term or estimated customer life.

In most arrangements, the Company bills the customer prior to performing services, which requires the Company to record deferred revenue on the accompanying balance sheets.

Reclassifications

Certain prior year financial statement amounts have been reclassified for consistency with the current year presentation. More specifically, \$319,798 has been reclassified from selling, general and administrative expenses to cost of revenues. These reclassifications had no effect on the reported results of operations.

Income Taxes

Income taxes are accounted for using the asset and liability method which requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of temporary differences between the carrying amounts and the tax basis of other assets and liabilities. The Company provides for income taxes at the current and future enacted tax rates and laws applicable in each taxing jurisdiction. The Company uses a two-step approach for recognizing and measuring tax benefits taken or expected to be taken in a tax return and disclosures regarding uncertainties in income tax positions. The Company recognizes interest and penalties related to income tax matters in selling, general, and administrative expense in the consolidated statement of operations.

The Company recognizes deferred tax assets to the extent that its assets are more likely than not to be realized. In making such a determination, the Company considers all available positive and negative evidence, including future reversals of existing taxable temporary differences, projected future taxable income, tax planning strategies,

and results of recent operations. If the Company determines that it would be able to realize its deferred tax assets in the future in excess of their net recorded amount, it will make an adjustment to the deferred tax asset valuation allowance, which would reduce the provision for income taxes.

Stock-Based Compensation

The Company accounts for grants of share-based awards to employees in accordance with ASC 718, *Compensation — Stock Compensation*. This standard requires compensation expense to be measured based on the estimated fair value of the share-based awards on the date of grant and recognized as expense on a straight-line basis over the requisite service period, which is generally the vesting period. Share-based payments issued to non-employees are recorded at their fair values, are revalued quarterly as the equity instruments vest and are recognized as expense over the related service period in accordance with the provisions of ASC 718 and ASC 505, *Equity*. The value of each share grant is based on the share price on the grant date.

Segments

The Company's chief operating decision maker reviews financial information presented on a consolidated basis for purposes of allocating resources and evaluating financial performance and information for different revenue streams is not evaluated separately. As such, the Company's operations constitute a single operating segment and one reportable segment.

Recently Issued Accounting Pronouncements

ASU 2014-09, *Revenue from Contracts with Customers (Topic 606)*, supersedes the revenue recognition requirements and industry-specific guidance under *Revenue Recognition (Topic 605)*. Topic 606 requires an entity to recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration the entity expects to be entitled to in exchange for those goods or services. ASU No. 2014-09 also requires additional disclosure about the nature, amount, timing, and uncertainty of revenue and cash flows arising from customer contracts. As an Emerging Growth Company, ASU No. 2014-09 is effective for the Company's fiscal 2020 annual reporting period and for interim periods thereafter, with early adoption permitted, and allows for either full retrospective or modified retrospective adoption. The Company is evaluating the impact of adoption of the new standard on its consolidated financial statements.

In January 2016, the FASB issued ASU No. 2016-01, *Financial Instruments — Overall: Recognition and Measurement of Financial Assets and Financial Liabilities*, which requires certain equity investments to be measured at fair value with changes in fair value recognized in net income, to record changes in instrument-specific credit risk for financial liabilities measured under the fair value option in other comprehensive income. The new standard is expected to reduce diversity in practice. The new standard is effective for the Company's fiscal 2020 annual reporting period and for interim periods thereafter. The Company is evaluating the impact of adoption of the new standard on its consolidated financial statements.

In February 2016, the FASB issued ASU No. 2016-02, *Leases*. The new standard, as subsequently amended, establishes a right-of-use model that requires a lessee to record a right-of-use asset and a lease liability on the balance sheet for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the statement of operations. The new standard is effective for the Company beginning July 1, 2020 with early adoption permitted. The Company is evaluating the impact of adoption of the new standard on its consolidated financial statements.

In March 2016, the FASB issued ASU No. 2016-09, *Compensation — Stock Compensation: Improvements to Employee Share-Based Payment Accounting* which simplifies the accounting for share-based payment transactions, including the income tax consequences, classification of awards as either equity or liabilities, and classification on the statement of cash flows. Among other changes, the new standard allows non-public business entities to make

an accounting policy election to either estimate the number of awards that are expected to vest or to account for forfeitures as they occur. The Company has adopted the new standard effective July 1, 2018. The adoption of this standard had no material impact on the Company's consolidated financial statements.

In June 2016, the FASB issued ASU No. 2016-13, *Financial Instruments — Credit Losses: Measurement of Credit Losses on Financial Instruments*. Among other things, these amendments require the measurement of all expected credit losses for financial assets held at the reporting date based on historical experience, current conditions, and reasonable and supportable forecasts. Financial institutions and other organizations will now use forward-looking information to better inform their credit loss estimates. The new standard is effective for the Company beginning July 1, 2021 with early adoption permitted. The Company is evaluating the impact of adoption of the new standard on its consolidated financial statements.

In June 2018, the FASB issued ASU No. 2018-07, *Compensation — Stock Compensation (Topic 718): Improvements to Nonemployee Share-Based Payment Accounting*, which eliminates the separate accounting model for nonemployee share-based payment awards and generally requires companies to account for share-based payment transactions with nonemployees in the same way as share-based payment transactions with employees. Under the new guidance, nonemployee share-based payment transactions are measured at the grant-date fair value and are no longer remeasured at the then-current fair values at each reporting date until the share options have vested. The amended guidance is effective for fiscal years beginning after December 15, 2018, with early adoption permitted. The Company is evaluating the impact of adoption of the new standard on its consolidated financial statements.

In August 2018, the FASB issued ASU No. 2018-15, *Intangibles — Goodwill and Other — Internal-Use Software (Subtopic 350-40): Customers Accounting for Implementation Costs Incurred in a Cloud Computing Arrangement That Is a Service Contract*, which broadens the scope of existing guidance applicable to internal-use software development costs. The update requires costs to be capitalized or expensed based on the nature of the costs and the project stage in which they are incurred subject to amortization and impairment guidance consistent with existing internal-use software development cost guidance. The guidance is applicable for the Company beginning July 1, 2020 with early adoption permitted, including adoption in an interim period. The Company is evaluating the impact of adoption of the new standard on its consolidated financial statements.

In April 2019, the FASB issued ASU No. 2019-04, *Codification Improvements to Topic 326, Financial Instruments — Credit Losses, Topic 815, Derivatives and Hedging, and Topic 825, Financial Instruments*. This ASU provides supplemental guidance and clarification to ASU No. 2016-13 and must be adopted concurrently with the adoption of ASU No. 2016-13. The Company has adopted the new standard effective April, 2019. The adoption of this standard had no material impact on the Company's consolidated financial statements.

Note 4 — Reverse Merger and Private Placement

Reverse Merger

As noted above, on October 10, 2018, the Company entered into the Merger Agreement (Note 1). On January 18, 2019, the parties to the Merger Agreement and certain of the holders of MJF's outstanding preferred and common units entered into an allocation agreement which served to modify the allocation of the merger consideration prescribed by the Merger Agreement. Under the terms of the allocation agreement, if the merger closes, additional shares comprising the merger consideration shall be reallocated to holders of the profit interest units of MJF, which additional shares shall be funded from shares otherwise issuable to such holders of MJF's preferred and common units.

On April 17, 2019, the Merger Agreement was amended to (i) increase the size of the MTech board of directors following the closing of the merger from seven (7) to eight (8) directors, (ii) increase the number of directors appointed prior to the Closing by MJF from four (4) to five (5) directors (which additional director will qualify as an independent director under the Nasdaq Stock Market rules) and (iii) revise the classification of directors so that the Class B directors will include two (2) MJF directors and one (1) MTech director.

On June 17, 2019, MTech and MJF consummated the Mergers contemplated by the Merger Agreement. In connection with the closing of the Mergers, the registrant changed its name from MTech Acquisition Holdings Inc. to Akerna Corp ("Akerna"). The Merger Consideration was paid through the issuance of 6,520,099 shares of MTech common stock (the "Consideration Shares") to the former holders of MJF common units, preferred units, and profit interest units at a price per share equal to \$10.16 per share. Of the total amount of Akerna shares issued in the merger, 283,010 fully vested shares of Akerna common stock and 215,063 unvested shares of Akerna common stock were allocated to the former holders of MJF profit interest units. Notwithstanding the foregoing, 652,010 of the total issuable shares (the "Escrow Shares") will be held in an escrow account (the "Escrow Account") to cover any adjustments to the Merger Consideration or claims for indemnification pursuant to the Merger Agreement until ninety (90) days after Akerna files its Annual Report on Form 10-K with the Commission for the fiscal year ending June 30, 2019, with the exception of Escrow Shares held to satisfy then pending claims which shall remain in the Escrow Account until the claims are resolved.

As disclosed above, (a) 283,011 fully vested shares of common stock were allocated to the former holders of MJF profit interest units, resulting in an immediate one-time charge of approximately \$3.4 million to be recorded by MJF on June 17, 2019 and (b) 215,063 unvested shares of common stock were allocated to the holders of MJF profit interest units, of which approximately \$2.1 million of compensation expense related to such profit interest units will

be ratably recognized over an estimated remaining vesting period of 3 years. The calculation of the amount of the current and future expenses to be taken by MJF was based on the closing price of the Akerna common shares on the date of the Mergers.

In connection with the Merger Agreement, all recipients of the Consideration Shares executed a lock-up agreement (the “Lock-up Agreement”). Pursuant to the Lock-up Agreement, each holder agreed not to engage in any transfer or other transaction with respect to the Consideration Shares for a period of time. With respect to 50% of the Consideration Shares, each holder agreed not to engage in a transfer or other transaction until the earlier of (1) one year from the closing of the Business Combination and (2) the date on which Akerna closes a subsequent corporate transaction with an unaffiliated third party that results in all of Akerna’s shareholders having the right to exchange their shares for cash, securities or other property. With respect to the remaining 50% of the Consideration Shares, each holder agreed not to engage in a transfer or other transaction until the earlier of (1) one year from the closing of the business combination, (2) the date on which Akerna closes a subsequent corporate transaction with an unaffiliated third party that results in all of Akerna’s shareholders having the right to exchange their shares for cash, securities or other property and (3) the date on which the closing share price of Akerna common stock equals or exceeds \$12.50 per share for any twenty trading days with any thirty trading day period.

Upon the Closing of the Merger, Akerna’s certificate of incorporation was amended and restated to have one single class of common stock and 75,000,000 authorized shares of common stock, par value \$0.0001 per share. Akerna also had 5,000,000 authorized shares of preferred stock.

MTech also entered into a series of securities purchase agreements with certain investors (the “PIPE Investors”), whereby MTech issued 901,074 shares of Class A common stock (the “Private Placement Shares”) for an aggregate purchase price of \$9.2 million (the “Private Placement”), which closed simultaneously with the consummation of the Mergers. Upon the closing of the Mergers, the Private Placement Shares were automatically converted into shares of Akerna common stock on a one-for-one basis. Each PIPE Investor was also granted an option for a period of sixty days to purchase additional shares of Akerna common stock at a price of \$10.21 per share. None of these options were exercised within sixty days.

The proceeds received from the Mergers totaled approximately \$18 million, which is net of \$4.4 million of underwriting discounts and commissions and other expenses related to the Mergers.

Note 5 — Loss Per Share

Basic net loss per common share is calculated based on the weighted-average number of common shares outstanding in accordance with ASC Topic 260, Earnings per Share. Diluted net loss per common share is calculated based on the weighted-average number of common shares outstanding plus the effect of potentially dilutive common shares. When the Company reports a net loss, the calculation of diluted net loss per common share excludes potential common shares as the effect would be anti-dilutive. For the year ended June 30, 2019, 6,398,178 potentially dilutive securities have been excluded from the computation of diluted weighted average shares outstanding because the effect would be anti-dilutive. Of the total securities excluded, 6,183,115 were related to warrants issued (Note 6) and 215,063 were related to the unvested Restricted Shares. For the year ended June 30, 2018, 5,993,750 potentially dilutive securities all related to warrants issued have been excluded from the computation of diluted weighted average shares outstanding because the effect would be anti-dilutive.

Note 6 — Stockholders’ Equity

Common and preferred stock

In conjunction with the Mergers in June 2019, Akerna’s certificate of incorporation was amended and restated to have one single class of common stock and 75,000,000 authorized shares of common stock, par value \$0.0001 per share. Akerna will also have 5,000,000 authorized shares of preferred stock, \$0.0001 par value per share, of

which none are issued and outstanding. The holders of common stock are entitled to one vote per share on all matters submitted to a vote of stockholders of the Company. Subject to the prior rights of all classes or series of stock at the time outstanding having prior rights as to dividends or other distributions, all stockholders are entitled to share equally in dividends, if any, as may be declared from time to time by the Board of Directors out of funds legally available. Subject to the prior rights of creditors of the Corporation and the holders of all classes or series of stock at the time outstanding having prior rights as to distributions upon liquidation, dissolution or winding up of the Corporation, in the event of liquidation, the holders of Common Stock are entitled to share ratably in all assets remaining after payment of all liabilities. The stockholders do not have cumulative, preemptive rights, or subscription rights.

Issuances for Cash

In November 2017, MJF issued 515,570 Series B Preferred Units (137,740 shares of common stock after retroactively applying the exchange ratio) for cash consideration of \$1,000,000. In August 2018, MJF issued 4,115,042 Series C Preferred Units (1,099,376 shares of common stock after retroactively applying the exchange ratio) for cash consideration of \$10,000,000. Following the Mergers, all the Units were converted into Akerna's common stock.

Restricted Shares

Prior to the Mergers, MJF had Profit Interest Incentive Plan (the "Profits Interest Plan") in place whereby it could grant PIUs to employees or consultants and other independent advisors of the Company. PIUs granted under the Profits Interest Plan would generally vest once a year over four years commencing on the date granted, or based on specified performance targets. MJF had the right, but not the obligation, to repurchase vested PIUs from holders upon their termination of employment. Unvested PIUs were to be forfeited upon termination of employment. If the holder was terminated for cause, as defined, all vested and unvested units would be forfeited. PIUs repurchased or canceled or forfeited by the award recipient were available for reissuance. Upon completion of the Mergers, the non-vested PIUs were exchanged for and became subject to restricted stock agreements ("Restricted Shares") with varying vesting terms that reflect the vesting conditions application to equity interests of the applicable MJF equity holders at the time of the merger.

The management assessed whether its PIUs represented share-based payments within the scope of ASC Topic 718 or were more akin to a profit-sharing compensation arrangement. The management determined PIUs were more akin to a profit-sharing compensation arrangement. The management determined PIUs only had value upon a defined liquidating event. Accordingly, no value had been accrued for the PIUs until the business combination occurred on June 17, 2019, which met the definition of a liquidating event. As a result, MJF recorded a one-time charge of approximately \$3.4 million, which represented the charge associated with fully vested shares of common stock issued in exchange for the PIUs.

During the year ended June 30, 2018, 181,000 Restricted Shares were granted (677,500 PIUs before retroactively applying the exchange ratio), 64,785 Restricted Shares were forfeited (242,500 PIUs before retroactively applying the exchange ratio), and 75,406 Restricted Shares vested (282,250 PIUs before retroactively applying the exchange ratio). At June 30, 2018, there were 294,944 Restricted Shares outstanding (1,104,000 PIUs before retroactively applying the exchange ratio).

During the year ended June 30, 2019, additional 107,618 Restricted Shares were granted (402,824 PIUs before retroactively applying the exchange ratio), 68,794 Restricted Shares were forfeited (257,500 PIUs before retroactively applying the exchange ratio), and 118,705 Restricted Shares vested (444,324 PIUs before retroactively applying the exchange ratio). At June 30, 2019, there were 215,063 unvested Restricted Shares outstanding (805,000 PIUs before retroactively applying the exchange ratio).

Note 6 — Stockholders' Equity (cont.)

For the year ended June 30, 2019, stock-based compensation expenses related to the ratable amortization of the unvested Restricted Shares was \$0.5 million. Approximately, \$2.1 million of total unrecognized costs related to Restricted Shares will be ratably recognized over an estimated remaining vesting period of 3 years.

Warrants

In connection with MTech's initial public offering, the Company sold 5,750,000 units at a purchase price of \$10.00 per unit, inclusive of 750,000 units sold to the underwriters on February 8, 2018 upon the underwriters' election to fully exercise their over-allotment option. Each unit consisted of one share of MTech's common stock and one warrant ("Public Warrant"). Each Public Warrant entitled the holder to purchase one share of MTech's common stock at an exercise price of \$11.50. Upon the Mergers, the Public Warrants were converted to those of Akerna at the exchange ratio of one-for-one.

Simultaneously with MTech's initial public offering, an affiliated party purchased an aggregate of 225,000 units at \$10.00 per unit, for an aggregate purchase price of \$2,250,000. On February 8, 2018, the MTech consummated the sale of an additional 18,750 private units at a price of \$10.00 per unit generating gross proceeds of \$187,500. Each unit consists of one share of MTech's common stock and one warrant ("Private Warrants"). Each Private Warrant was exercisable to purchase one share of MTech's common stock at an exercise price of \$11.50. Upon the Mergers, the Private Warrants were converted to those of Akerna at the exchange ratio of one-for-one.

A summary of the status of common stock warrants at June 30, 2019 and the changes during the two years then ended, is presented in the following table:

Unit Purchase Option and Other Rights

In connection with MTech's initial public offering, there were also 250,000 options sold to an affiliate party to purchase up to 250,000 units exercisable at \$10.00 per unit ("Option Shares"). The unit purchase option could be exercised for cash or on a cashless basis, at the holder's option. Each unit consisted of one share of Company's common stock, par value \$0.0001 per share, and one warrant entitling the holder to purchase one share of Company's common stock. The unit purchase option was exercised on a cashless basis into 189,365 shares of common stock and 189,365 warrants, which were outstanding as of June 30, 2019.

In connection with the Private Placement, the Company also provided each investor the ability to purchase additional shares of Akerna common stock at a price of \$10.21 per share, up to their pro rata share of the 901,074 Private Placement Shares purchased. No investor exercised this right during the year ended June 30, 2019, which expired subsequently. The aggregate intrinsic value of the rights as of June 30, 2019, was \$1,522,815.

2019 Incentive plan

On June 17, 2019, the MTech stockholders considered and approved the 2019 Long Term Incentive Plan (the "Equity Incentive Plan") and reserved 1,040,038 shares of common stock for issuance thereunder. The Equity Incentive Plan was previously approved, subject to stockholder approval, by the board of directors of Akerna on January 23, 2019. The Equity Incentive Plan became effective immediately upon the Closing of the Mergers.

Note 7 — Commitments and Contingencies

Operating Leases

The Company leases facilities, equipment, and vehicles under non-cancelable operating leases. Rent expense for the years ended June 30, 2019 and 2018 was \$151,458 and \$140,946, respectively. Future minimum lease payments under these leases are approximately \$96,000 for the year ending June 30, 2020.

Letter-of-Credit

As of June 30, 2018, the Company had a standby letter-of-credit with a bank in the amount of \$1,000,000, which was classified as restricted cash on the balance sheets. The beneficiary of the letter-of-credit is an insurance company. Upon its termination on June 22, 2019, the letter-of-credit was renewed with the required balance reduced to \$500,000. Accordingly, the restricted cash on the balance sheets as of June 30, 2019 is \$500,000.

Litigation

From time to time, the Company may be involved in litigation relating to claims arising out of its operations in the normal course of business. The Company will accrue a liability for such matters when it is probable that a liability has been incurred and the amount can be reasonably estimated. When only a range of possible loss can be established, the most probable amount in the range is accrued. If no amount within this range is a better estimate than any other amount within the range, the minimum amount in the range is accrued. The accrual for a litigation loss contingency might include, for example, estimates of potential damages, outside legal fees and other directly related costs expected to be incurred. As of June 30, 2019 and 2018, respectively, there were no legal proceedings requiring recognition or disclosure in the financial statements.

Employment Agreement

In connection with the consummation of the Mergers, Ms. Jessica Billingsley and Akerna entered into an employment agreement, dated June 17, 2019 (the "Billingsley Employment Agreement"). Under the terms of the Billingsley Employment Agreement, Ms. Billingsley serves at the Chief Executive Officer of Akerna, at will, and must devote substantially all of her working time, skill and attention to her position and to the business and interests of Akerna (except for customary exclusions).

Akerna will pay Ms. Billingsley an annual base salary in the amount of \$250,000. The base salary subject to (i) review at least annually by board of directors of Akerna for increase, but not decrease, and (ii) automatic increase by an amount equal to \$50,000 from its then current level on the date upon which Akerna's aggregate, gross consolidated trailing twelve month (TTM) revenue equals the product of (x) two multiplied by (y) Akerna's aggregate, gross consolidated trailing twelve month (TTM) revenue as the Closing. Within 10 days of the Closing, Akerna also paid to Ms. Billingsley a single lump sum of \$95,000.

Ms. Billingsley will be eligible for an annual bonus (the "Annual Bonus") with respect to each fiscal year ending during her employment. Her target annual cash bonus shall be in the amount of one hundred percent (100%) of her base salary (the "Target Bonus") with the opportunity to earn greater than the Target Bonus upon achievement of above target performance. The amount of the Annual Bonus shall be determined by the board of directors of

Akerna on the basis of fulfillment of the objective performance criteria established in its reasonable discretion. The performance criteria for any particular fiscal year shall be set no later than 90 days after the commencement of the relevant fiscal year. As of June 30, 2019, Ms. Billingsley's bonus accrual was approximately \$215,000.

Ms. Billingsley is entitled to participate in annual equity awards and employee benefits.

The Billingsley Employment Agreement also contains noncompetition and non-solicitation provisions that apply through her employment and for a term of 1 year thereafter, and which are in addition to the noncompetition and non-solicitation provisions prescribed under the Non-Competition Agreements below.

Employee Benefit Plan

The Company has a 401(k) Plan (the "Plan") to provide retirement benefits for its employees. Employees may contribute up to 100% of their annual compensation to the Plan, limited to a maximum annual amount as updated annually by the IRS. The Company does not offer a match of employee contributions nor any discretionary contributions.

Insurance Claim

In March 2018, the Company received approximately \$940,000 in proceeds, net of legal fees, from an insurance claim related to business interruption, which was included as a component of selling, general, and administrative operating expenses on the statement of operations.

Note 8 — Income Taxes

Akerna Corporation is the sole owner of MJF as of June 17, 2019, which is a disregarded entity for federal income taxes. Prior to June 17, 2019 MJF was treated as a partnership for U.S. income tax purposes. Accordingly, prior to the business combination, taxable income and losses of the Company were reported on the income tax returns of MJF's members. Therefore, no income tax provision is provided prior to June 17, 2019.

The following table sets forth the expense or (benefit) for income taxes:

Deferred tax assets after valuation allowance	<u>\$ —</u>	<u>\$ —</u>

During the year ended June 30, 2019, valuation allowances on deferred tax assets that are not anticipated to be realized increased by \$85,455.

Deferred tax valuation allowances are primarily the result of uncertainties regarding the future realization of recorded tax benefits on tax loss. The measurement of deferred tax assets is reduced by a valuation allowance, if based upon available evidence, it is more likely than not that the deferred tax assets will not be realized. The Company has evaluated the realizability of its deferred tax assets in each jurisdiction by assessing the adequacy of expected taxable income, including the reversal of existing temporary differences, historical and projected operating results and the availability of prudent and feasible tax planning strategies. Based on this analysis, the Company has determined that the valuation allowances recorded in the period presented are appropriate.

The Company's aggregate U.S. federal tax carryforwards for net operating losses which will not expire were \$239,281. The Company recorded deferred tax assets related to U.S. state tax net operating loss carryforwards, which expire at various dates beginning in 2039.

The Company is not currently under examination for the major jurisdictions where it conducts business as of June 30, 2019. The management does not believe that there are significant uncertain tax positions in 2019. There are no interest and penalties related to uncertain tax positions in 2019.

Notes to the interim condensed consolidated financial statements

[unaudited]
March 31, 2020 and 2019

1. Nature of business and going concern uncertainty

Nature of business

Ample Organics Inc. [the “Company” or “Ample Organics”] is Canada’s leading cannabis software company. The software is built for compliance with the Access to Cannabis for Medical Purposes Regulations [“ACMPR”], which tracks everything from seed to sale of cannabis and beyond. Ample Organics’ platform allows customers to run their licensed facilities from end-to-end while meeting the record keeping and traceability requirements of ACMPR.

The Company was incorporated on August 1, 2014. The Company’s head office is located at 629 Eastern Ave, Building B, Toronto, Ontario M4M 1E3.

Going concern uncertainty

The preparation of these unaudited interim condensed consolidated financial statements requires management to make judgments regarding the Company’s ability to continue as a going concern. Management has determined that as at March 31, 2020, it does not have adequate working capital for the coming year based on current capital resources. The Company has incurred a total comprehensive loss of CAD\$1,480,951 for the three-month period ended March 31, 2020, an accumulated deficit of CAD\$28,196,928 and, as of March 31, 2020, the Company’s current liabilities exceeded current assets by CAD\$5,367,250. These events or conditions indicate that a material uncertainty exists that raises substantial doubt about the Company’s ability to continue as a going concern and therefore, that it may be unable to realize its assets or discharge its liabilities in the normal course of business. The Company believes it will be able to complete a transaction that will provide the consolidated entity with sufficient funding to meet its expenditure commitments and support its planned level of spending, and therefore it is appropriate to prepare the unaudited interim condensed consolidated financial statements on a going concern basis.

2. Basis of presentation

These unaudited interim condensed consolidated financial statements [“financial statements”] were prepared using the same accounting policies and methods as those used in the Company’s consolidated financial statements for the year ended December 31, 2019. These financial statements have been prepared in compliance with IAS 34 – Interim Financial Reporting. Accordingly, certain disclosures normally included in annual financial statements prepared in accordance with International Financial Reporting Standards [“IFRS”] as issued by the International Accounting Standards Board have been omitted or condensed. These interim condensed consolidated financial statements should be read in conjunction with the Company’s consolidated financial statements for the year ended December 31, 2019.

These financial statements were approved and authorized for issuance by the Board of Directors of the Company on June 11, 2020.

COVID-19

During the three-month period ended March 31, 2020, the outbreak of the recent novel coronavirus [“COVID-19”] has resulted in governments worldwide enacting emergency measures to combat the spread of the virus. These measures, which include the implementation of travel bans, self-imposed quarantine periods and social distancing, have caused disruption to certain businesses globally; as a result, there could be a possibility of recession in the near future. While the impact of COVID-19 on the Company has been minimal to date, there is uncertainty around its duration and future business conditions. If the outbreak were to cause disruption to the Company’s supply chain or its service capabilities in the future, it would have a negative impact on revenue, which could be material. In addition, any material negative impact on revenue would impact profitability, as well as liquidity and capital resources.

3. Summary of Significant accounting policies

The preparation of these unaudited interim condensed consolidated financial statements in accordance with IFRS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and reported amounts of revenues and expenses during the period. These estimates and assumptions are based on historical experience, expectations of the future, and other relevant factors and are reviewed regularly. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future period affected. Actual results may differ from these estimates.

In preparing these unaudited interim condensed consolidated financial statements, the significant judgments made by management in applying the Company's accounting policies and the key sources of uncertainty are the same as those applied and described in the Company's audited annual consolidated financial statements for the fiscal year ended December 31, 2019.

On February 15, 2019, in order to repay the promissory note for the acquisition of LCA, the Company entered into a CAD\$2,000,000 loan bearing interest of 15% per annum, maturing in six months. At inception, the Company recognized the loan at its fair value plus transaction costs directly attributable to its issuance of CAD\$87,165. Subsequent to initial recognition, the loan was carried at amortized cost. Financing costs of CAD\$87,165 related to this loan were recorded in the consolidated statement of loss and comprehensive loss for the year ended December 31, 2019.

On September 25, 2019, the loan was amended to extend the maturity date to September 25, 2020 and the interest rate to 12% per annum. In addition, 600,000 warrants convertible into Class A-3 Preferred Shares of the Company were issued to the lender [note 11]. On entering into the amended loan, the Company completed an assessment that showed that the present value of the cash flows under the amended loan facility, including the financing costs and cost of warrants issued, differed more than 10% from the present value of the remaining cash flows of the loan. The amendment was treated as an extinguishment of the original loan and the establishment of a new loan at its

fair value plus transaction costs of CAD\$211,567 directly attributable to its issuance. A loss on extinguishment of CAD\$1,001,928 was recorded within finance costs related to the amendment. In December 2019, upon announcement of the Akerna Transaction [note 11], the carrying value of the amended loan was adjusted for a revised estimate of future expected cash flows discounted over the remaining estimated life of the amended loan.

On October 1, 2019, the Company entered into a CAD\$2,500,000 loan bearing interest of 12% per annum maturing on October 1, 2020. In addition, 204,000 warrants convertible into Class A-3 Preferred Shares of the Company were issued to the lender [note 11]. At inception, the Company recognized the loan at its fair value plus transaction costs directly attributable to its issuance of CAD\$246,368. Subsequent to initial recognition, the loan was carried at amortized cost. In December 2019, upon announcement of the Akerna Transaction [see note 11], the carrying value of the loan was adjusted for a revised estimate of future expected cash flows discounted over the remaining estimated life of the amended loan.

On March 9, 2020, the Company drew down on a supplemental advance of CAD\$1,000,000 from the October loan bearing interest of 14% per annum and maturing on October 1, 2020. In addition, 81,600 Class A-3 Preferred Shares warrants of the Company were issued to the lender [note 11]. The Company recognized the loan at its fair value plus transaction costs directly attributable to its issuance of CAD\$170,527.

For the three-month period ended March 31, 2020, interest expense of CAD\$252,296 [2019 – CAD\$50,240] was recorded in the unaudited interim condensed consolidated statement of loss and comprehensive loss in relation to the short-term debt.

At March 31, 2020, the Company was in breach of the covenants for its short-term debt. No waivers were obtained by the Company for these covenant breaches.

11. Preferred share liabilities

The following is a summary of the changes in the Company's preferred liabilities:

Opening balance	13,636,522	5,234,811
Additions	121,582	1,089,073
Change in fair value of preferred share liabilities	—	7,312,638
Ending balance	13,758,104	13,636,522

In June 2018, the Company issued 3,000,000 preferred share units at CAD\$1.50 per unit, consisting of 3,000,000 Class A-1 Preferred Shares and 1,500,000 warrants convertible into Class A-2 Preferred Shares at an exercise price of CAD\$2.25 per share for gross proceeds of CAD\$4,500,000. As the Class A-1 Preferred Shares and Class A-2 Preferred Shares are convertible into a variable number of common shares depending on subsequent issuances of common shares, these preferred shares and the warrants convertible to the preferred shares are considered financial liabilities. The net proceeds were allocated to the preferred shares and warrants based on the relative fair value of each instrument.

In October 2019, the Company issued 804,000 warrants convertible into Class A-3 Preferred Shares at an exercise price of CAD\$1.20 to lenders in connection with loans received [note 10]. As the Class A-3 Preferred Shares are convertible into a variable number of common shares depending on subsequent issuances of common shares, these preferred shares and the warrants convertible to the preferred shares are considered financial liabilities.

11. Preferred share liabilities (cont.)

In March 2020, the Company issued 81,600 warrants convertible into Class A-3 Preferred Shares at an exercise price of CAD\$1.20 to lenders in connection with loans received [note 10].

The Company determined that each of the Company's Class A-1 Preferred Shares, Class A-2 Preferred Shares and Class A-3 Preferred Shares [collectively the "Class A Preferred Shares"] and warrants that are convertible into Class A Preferred Shares, did not meet the IFRS definition of equity due to the variability of the conversion price. Accordingly, the Class A Preferred Shares and the related warrants are treated as financial liabilities measured at fair value through profit or loss.

In determining the fair values of the warrants issued, the Company used the Black-Scholes pricing model applying the following inputs:

	2020	2019
Risk-free interest rate	0.52%	1.47%
Term [years]	3	3
Estimated volatility	70%	70%
Warrant value	CAD\$2.08	CAD\$1.40
Share price	CAD\$3.00	CAD\$2.22
Exercise price	CAD\$1.20	CAD\$1.20

In December 2019, 1,500,000 warrants convertible into Class A-2 Preferred Shares were converted into 777,637 Class A-2 Preferred Shares and 492,000 warrants convertible into Class A-3 Preferred Shares were converted into 283,721 Class A-3 Preferred Shares.

For the three-month period year ended March 31, 2020, a CAD\$nil change on fair value of preferred share liabilities [2019 – CAD\$1,816,139 loss] was recorded in the unaudited interim condensed consolidated statement of loss and comprehensive loss.

12. Share capital

[a] Authorized

The authorized share capital of the Company consists of an unlimited number of common shares and 5,304,000 Class A Preferred Shares, issuable in series, of which 3,000,000 are designated as Class A-1 Preferred Shares, 1,500,000 are designated as Class A-2 Preferred Shares and 804,000 are designated as Class A-3 Preferred Shares.

Class A Preferred Shares are convertible, at the option of the holder, into a number of fully paid and non-assessable common shares as determined by dividing the original issue price of the series of Class A Preferred Shares by the then effective conversion price and adjustments to the conversion price in the event the Company issues additional common shares and amounts less than the original conversion price. The conversion and original issue price is CAD\$1.50 for Class A-1 Preferred Shares, CAD\$2.25 for Class A-2 Preferred Shares, and CAD\$1.20 for Class A-3 Preferred Shares, subject to anti-dilution provisions. Preferred shares automatically convert to common shares upon: [i] an amalgamation, arrangement, consolidation, merger, reorganization or similar transaction of the Company, [ii] the sale, lease, transfer, exclusive license or disposition of substantially all of the Company's assets, [iii] the closing of a public offering of the Company's common shares provided the offering price per share is not less than CAD\$4.50 and aggregate gross proceeds are greater than CAD\$20,000,000, or [iv] the vote of the majority of holders of Class A Preferred Shares to convert.

[c] Employee stock option plan

The Company has an Employee Stock Option Plan [the “Plan”] that is administered by the Board of Directors of the Company who establishes exercise prices, at not less than market price at the date of grant, and expiry dates, which have been set at ten years from issuance. Options under the Plan remain exercisable in increments with 1/4 being exercisable on each of the first and second anniversary and 2/4 being exercisable on the third anniversary from the date of grant, except as otherwise approved by the Board of Directors. The maximum number of common shares reserved for issuance for options that may be granted under the Plan is 10% of the common shares outstanding, which amounts to 3,744,762 at March 31, 2020 [2019 – 3,744,762].

The following is a summary of the changes in the Company's stock options:

	Number of options #	Weighted average exercise price CAD\$
Outstanding as at December 31, 2018	1,070,500	1.50
Granted	888,500	1.80

Expired	<u>(31,250)</u>	<u>1.50</u>
Outstanding as at March 31, 2020	<u><u>949,750</u></u>	<u><u>1.68</u></u>

For the three-month period ended March 31, 2020, the Company recorded CAD\$134,867 [2019 – CAD\$120,820] in share-based compensation expense related to options, which are measured at the fair value at the date of grant and expensed over the option's vesting period.

In determining the amount of share-based compensation, the Company used the Black-Scholes option pricing model to establish the fair value of options granted by applying the following assumptions:

	2019
Grant date share price	CAD\$1.61
Exercise price	CAD\$ 1.80
Expected dividend yield	—
Risk free interest rate	1.49% – 1.76%
Expected life	10 years
Expected volatility	70%

Expected volatility was estimated by using the historical volatility of other companies that the Company considers comparable that have trading and volatility history. The expected option life represents the period of time that options granted are expected to be outstanding. The risk-free interest rate is based on government bonds with a remaining term equal to the expected life of the options.

The following table is a summary of the Company's share options outstanding as at March 31, 2020:

	Options outstanding		Options exercisable		
	Exercise price CAD\$	Number outstanding #	Weighted average remaining contractual life [years] #	Exercise price CAD\$	Number exercisable #

15. Commitments and contingencies

Report of independent auditor

To the Board of Directors of Ample Organics Inc.

We have audited the accompanying consolidated financial statements of Ample Organics Inc. [the “Company”], which comprise the consolidated statement of financial position as of December 31, 2019, and the related consolidated statement of loss and comprehensive loss, changes in stockholders' deficiency, and cash flows for the year then ended, and the related notes to the financial statements.

Management's responsibility for the consolidated financial statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in conformity with International Financial Reporting Standards [“IFRS”], this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of Ample Organics Inc. at December 31, 2019, and the consolidated results of its operations and its cash flows for the year then ended in conformity with IFRS.

The Company's ability to continue as a going concern

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 1 to the consolidated financial statements, the Company has recurring losses from operations, has a working capital deficiency, and has stated that substantial doubt exists about the Company's ability to continue as a going concern. Management's evaluation of the events and conditions and management's plans regarding these matters are also described in Note 1. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

Ample Organics Inc.
Notes to the consolidated financial statement
[Expressed in Canadian dollars, except share amounts]
December 31, 2019

1. Nature of business and going concern uncertainty

Nature of business

Ample Organics Inc. [the “Company” or “Ample Organics”] is Canada’s leading cannabis software company. The software is built for compliance with the Access to Cannabis for Medical Purposes Regulations [“ACMPR”], which tracks everything from seed to sale of cannabis and beyond. Ample Organics’ platform allows customers to run their licensed facilities from end-to-end while meeting the record keeping and traceability requirements of ACMPR.

The Company was incorporated on August 1, 2014. The Company’s head office is located at 629 Eastern Ave, Building B, Toronto, Ontario M4M 1E3.

Going concern uncertainty

The preparation of these consolidated financial statements requires management to make judgments regarding the Company’s ability to continue as a going concern. Management has determined that as at December 31, 2019, it does not have adequate working capital for the coming year based on current capital resources. The Company has incurred a total comprehensive loss of CAD\$18,020,784 for the year ended December 31, 2019, an accumulated deficit of CAD\$26,715,977 and, as of December 31, 2019, the Company’s current liabilities exceeded current assets by CAD\$4,303,759. These events or conditions indicate that a material uncertainty exists that raise substantial doubt about the Company’s ability to continue as a going concern and therefore, that it may be unable to realize its assets or discharge its liabilities in the normal course of business. The Company believes it will be able to complete a transaction that will provide the Company with sufficient funding to meet its expenditure commitments and support its planned level of spending, and therefore it is appropriate to prepare the consolidated financial statements on a going concern basis.

2. Basis of presentation

[a] Statement of compliance

These consolidated financial statements [the “financial statements”] have been prepared by management on a going concern basis in accordance with generally accepted accounting principles in Canada for publicly accountable enterprises, as set out in the CPA Canada Handbook — Accounting, which incorporates International Financial Reporting Standards [“IFRS”] as issued by the International Accounting Standards Board [“IASB”]. The policies set out below have been consistently applied to all periods presented unless otherwise noted.

These financial statements were approved and authorized for issuance by the Board of Directors of the Company on June 11, 2020.

[b] Basis of measurement

These financial statements have been prepared on a historical cost basis. Historical costs are generally based upon the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of IFRS 2 Share-based Payment [“IFRS 2”] and measurements that have some similarities to fair value, but are not fair value, such as value in use in IAS 36 Impairment of Assets.

Ample Organics Inc.
Notes to the consolidated financial statement
[Expressed in Canadian dollars, except share amounts]
December 31, 2019

2. Basis of presentation (cont.)

[c] Basis of presentation

These financial statements comprise the accounts of the Company, and its wholly owned legal subsidiary, Last Call Analytics Inc. ["LCA"] and Ample Organics Australia PTY LTD, after the elimination of all intercompany balances and transactions.

Subsidiary

The subsidiary is an entity over which the Company has exposure to variable returns from its involvement and has the ability to use power over the investee to affect its returns. The existence and effect of potential voting rights that are currently exercisable or convertible are considered when assessing whether the Company controls another entity. The subsidiary is fully consolidated from the date on which control is transferred to the Company until the date on which control ceases. The accounts of the subsidiary are prepared for the same reporting period as the parent company, using consistent accounting policies. Intercompany transactions, balances and unrealized gains or losses on transactions are eliminated upon consolidation.

[d] Functional currency and presentation currency

These financial statements are presented in Canadian dollars, which is the Company's functional currency.

[e] Use of estimates and judgments

The preparation of these financial statements in conformity with IFRS requires management to make estimates, judgments and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

Estimates are based on management's best knowledge of current events and actions that the Company may undertake in the future. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that reporting period, or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the critical judgments, apart from those involving estimations, that management has made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognized in the financial statements:

[i] Revenue recognition

Multi-element or bundled contracts require an estimate of the relative stand-alone selling prices of separate elements. The Company assesses the criteria for the recognition of revenue related to arrangements that have multiple components. These assessments require judgment by management to determine if there are separately identifiable components as well as how to allocate the total price among the components. Deliverables are accounted for as separately identifiable components. In concluding whether components are separately identifiable, management considers the transaction from the customer's perspective. Among other factors, management assesses whether the service or product is sold separately by the Company in the normal course of business or whether the customer could purchase the service or product separately.

2. Basis of presentation (cont.)

- [ii] Estimated useful lives, residual values and depreciation of property and equipment

Depreciation of property and equipment are dependent upon estimates of useful lives and residual values, which are determined through the exercise of judgment. The assessment of any impairment of these assets is dependent upon estimates of recoverable amounts that take into account factors such as economic and market conditions and the useful lives of assets.

- [iii] Estimated useful lives and amortization of intangible assets

The Company employs significant estimates to determine the estimated useful lives of intangible assets, considering technology trends, contractual rights, past experience, expected use and review of asset useful lives. The Company reviews amortization methods and useful lives annually or when circumstances change and adjusts its amortization methods and assumptions prospectively.

- [iv] Valuation of share-based payments, warrants and Class A-3 Preferred Shares

Management measures the fair value for share-based payments, warrants and Class A-3 Preferred Shares using market-based option valuation techniques. Assumptions are made and estimates are used in applying the valuation techniques. These include estimating the future volatility of the share price, expected dividend yield, expected risk-free interest rate and the rate of forfeiture. Such estimates and assumptions are inherently uncertain. Changes in these assumptions affect the fair value estimates of share-based payments, warrants and Class A-3 preferred shares.

3. Significant accounting policies

[a] Cash

Cash includes cash deposits in financial institutions.

[b] Foreign currency translation

Foreign currency transactions are translated into Canadian dollars at exchange rates in effect on the date of the transactions. At the end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated into Canadian dollars at the foreign exchange rate applicable at that period-end date. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Expenses are translated at the exchange rates that approximate those in effect on the date of the transaction. Realized and unrealized exchange gains and losses are recognized in the consolidated statements of loss and comprehensive loss.

[c] Business combinations

Business combinations are accounted for using the acquisition method. In applying the acquisition method, the Company separately measures at their acquisition-date fair values, the identifiable assets acquired, the liabilities assumed, and goodwill acquired and any non-controlling interest in the acquired entity. The consideration transferred for the acquisition of a subsidiary is the fair value of the assets transferred, the liabilities incurred to the former owners of the acquiree and the equity interests issued by the Company. The consideration transferred includes the fair value of any asset or liability resulting from a contingent consideration arrangement. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair values at the acquisition date.

Acquisition costs in connection with a business combination are expensed as incurred.

3. Significant accounting policies (cont.)

Goodwill is measured as the excess of the fair value of the consideration transferred, less any non-controlling interest in the entity being acquired at the proportionate share of the recognized net identifiable assets acquired. Goodwill acquired through a business combination is allocated to each cash-generating unit ["CGU"] or group of CGUs that are expected to benefit from the related business combination. A group of CGUs represents the lowest level within the entity at which the goodwill is monitored for internal management purposes, which is not higher than an operating segment. Goodwill is tested for impairment annually or more frequently if certain indicators arise that indicate they are impaired.

[d] Inventories

Inventories are measured at the lower of cost and net realizable value. The costs of inventories are determined on a weighted average cost basis. Net realizable value represents the estimated selling price for inventories less estimated costs necessary to make the sale.

The cost of inventories, which consists of computer equipment, comprises all costs of purchase and other costs incurred in bringing the inventories to their present location and condition. The cost of purchase comprises the purchase price, non-recoverable taxes, transport, handling, and other costs directly attributable to the acquisition of goods.

Inventory allowances are recorded in the period in which management determines the inventory to be obsolete.

[e] Revenue from contracts with customers

Revenue is recognized upon transfer of control of the promised goods or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those goods or services. Performance obligations related to a contract are satisfied through the transfer of a promised good or service [i.e., an asset] to a customer, either over time or at a point in time. An asset is transferred when [or as] the customer obtains control of that asset, which refers to the ability to use and obtain substantially all of the remaining benefits from the asset, such as by:

- [i] using the asset to produce goods or provide services [including public services];
- [ii] using the asset to enhance the value of other assets;
- [iii] using the asset to settle liabilities or reduce expenses;
- [iv] selling or exchanging the asset;
- [v] pledging the asset to secure a loan; and
- [vi] holding the asset.

Payment terms are typically 30 days with a CAD\$20,000 credit limit on services. Deferred revenue, classified as contract liabilities under International Financial Reporting Standards ["IFRS"] 15, relates to payments received in advance of performance under contracts with customers. Contract liabilities are recognized as [or when] the Company satisfies its performance obligation under the contracts.

Software licenses and services

The Company provides software licenses for contract terms of generally one year, along with implementation [professional] services to provide support and training for customers. These are considered to be one performance obligation under IFRS 15 and are satisfied over the contract term. Revenue is recognized rateably on the basis of time remaining from the start of the contract to its conclusion, on a contract-by-contract basis.

3. Significant accounting policies (cont.)

The first three months of a contract are typically pre-billed upon scheduling of an onsite implementation date, resulting in contract liabilities. The remaining payments under the contract are billed on a monthly basis, subsequent to revenue recognition and resulting in contract assets.

Hardware and third — party licenses

The Company provides its software pre-installed and configured on its own dedicated device/hardware and can also install third-party licenses necessary for the operation of the hardware network. These are considered distinct, separate performance obligations under IFRS 15, and are satisfied at a point in time once the setup is complete. Hardware purchases by new customers must be paid for upfront prior to installation, resulting in contract liabilities until the setup is complete. Hardware purchases by existing customers are billed once the devices have been shipped and configured, resulting in contract assets.

The Company measures revenue at the fair value of consideration received or receivable, taking into account any contractually defined terms for volume discounts or refunds. As contracts are generally one year in length, performance obligations related to existing contract liabilities are expected to be satisfied by the end of the next fiscal year-end.

[f] Property and equipment

The Company's property and equipment are measured at cost less accumulated depreciation and impairment losses.

The cost of an item of property and equipment includes expenditures that are directly attributable to the acquisition or construction of the asset.

Depreciation is recorded over the estimated useful lives as outlined below:

Computer hardware	3 – 5 years
Furniture and equipment	3 – 5 years
Leasehold improvements	Lesser of useful life or term of lease

The Company assesses an asset's residual value, useful life and depreciation method on a regular basis and if any events have indicated a change and makes adjustments if appropriate.

Gains and losses on disposal of property and equipment are determined by comparing the proceeds from disposal with the carrying amount of the property and equipment and are recognized in the consolidated statement of loss and comprehensive loss.

[g] Intangible assets

The Company's intangible assets relate to customer relationships and technology. The cost of an intangible asset acquired in a business combination is its fair value at the acquisition date.

Research costs are expensed as incurred.

The useful lives of intangible assets are assessed as either finite or indefinite. Intangible assets with a finite life are amortized over the estimated useful life. Intangible assets are amortized on a straight-line basis as follows:

Customer relationships	5 years
Technology	5 years

3. Significant accounting policies (cont.)

The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are accounted for by changing the amortization period or method, as appropriate, and are treated as changes in accounting estimates.

[h] Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets are reviewed for impairment as at each consolidated statement of financial position date or whenever events or changes in circumstances indicate that the carrying amount of an asset exceeds its recoverable amount. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets. The recoverable amount of an asset or a cash-generating unit is the higher of its fair value, less cost to sell, and its value in use. If the carrying amount of an asset exceeds its recoverable amount, an impairment charge is recognized immediately in profit or loss by the amount by which the carrying amount of the asset exceeds the recoverable amount. Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the lesser of the revised estimate of recoverable amount and the carrying amount that would have been recorded had no impairment loss been recognized previously.

[i] Leases

At inception of a contract, the Company assesses whether a contract is, or contains, a lease based on whether the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company recognizes a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured based on the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The assets are depreciated to the earlier of the end of the useful life of the right-of-use asset or the lease term using the straight-line method as this most closely reflects the expected pattern of consumption of the future economic benefits. The lease term includes periods covered by an option to extend if the Company is reasonably certain to exercise that option. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate. Variable lease payments that do not depend on an index or rate are not included in the measurement of the lease liability. The lease liability is measured at amortized cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected to apply the practical expedient to account for each lease component and any non-lease components as a single lease component. The Company has also elected to apply the practical expedient not to recognize right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets.

[j] Share-based compensation

The Company grants stock options to certain employees. When stock options are exercised, the Company issues new common shares. The consideration received on the exercise of stock options is credited to share capital at the time of exercise. The Company's stock option compensation plan is described in note 12[c]. Stock options generally vest over three years in a tiered manner and expire after ten years. Each tranche in an award is considered a separate award with its own vesting period and grant date fair value. Fair value of each tranche is measured at the date of grant using the Black-Scholes option pricing model. Compensation expense is recognized over the tranche's vesting period on a straight-line basis based on the number of awards expected to vest, with a corresponding credit to contributed surplus. The number of awards expected to vest is reviewed at least annually, with any impact being recognized immediately. The stock options recognized is also determined based on management's grant date estimate of the forfeitures that are expected to occur over the life of the stock options. The number of stock options that actually vest could differ from the estimated number of awards expected to vest and any differences between the actual and estimated forfeitures are recognized prospectively as they occur.

[k] Income taxes

The income taxes currently payable is based on taxable profit for the year. Taxable profit differs from "income before income taxes" as reported in the consolidated statement of loss and comprehensive loss because of items of income or expenses that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current income taxes are calculated using tax rates that have been enacted or substantively enacted by the end of the year.

Deferred income taxes are recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred income tax liabilities are generally recognized for all taxable temporary differences. Deferred income tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred income tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition [other than in a business combination] of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred income tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred income tax assets is reviewed at the end of each year and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred income tax liabilities and assets are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realized, based on tax rates [and tax laws] that have been enacted or substantively enacted by the end of the year.

The measurement of deferred income tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the year, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred income taxes are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive loss or directly in equity, in which case the current and deferred income taxes are also recognized in other comprehensive loss or directly in equity, respectively. Where current income taxes or deferred income taxes arise from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

[l] Government assistance

Government assistance, which mainly consists of refundable investment tax credits for research and development expenses, is recognized when there is reasonable assurance that the government assistance will be received and all attached conditions will be complied with. When the government assistance relates to an expense item, it is recognized as a reduction in the related expense on a systematic basis over the period necessary to match the government assistance to the costs it is intended to subsidize.

[m] Financial instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities [other than financial assets and financial liabilities at fair value through profit or loss] are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

Financial assets

The Company initially recognizes financial assets at fair value on the date at which the Company becomes a party to the contractual provisions of the instrument.

The Company classifies its financial assets on initial recognition and subsequent measurement as amortized cost, fair value through other comprehensive income ["FVTOCI"], or fair value through profit or loss ["FVTPL"].

Financial assets are subsequently measured at amortized cost if both the following conditions are met and they are not designated as FVTPL:

- the financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

These assets are subsequently measured at amortized cost using the effective interest method and are subject to impairment. Gains and losses are recognized in the statement of loss and comprehensive loss when the asset is derecognized, modified or impaired.

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Company is recognized as a separate asset or liability.

Financial liabilities

The Company initially recognizes financial liabilities at fair value on the date at which the Company becomes a party to the contractual provisions of the instrument.

The Company classifies its financial liabilities as either financial liabilities at amortized cost or FVTPL on initial recognition and subsequent measurement. Financial liabilities are classified as FVTPL when the financial liability is (i) contingent consideration of an acquirer in a business combination, (ii) held for trading, or (iii) it is designated as FVTPL.

Financial liabilities that are not (i) contingent consideration of an acquirer in a business combination, (ii) held for trading, or (iii) designated as FVTPL are subsequently measured at amortized cost using the effective interest rate method. Interest paid from these financial liabilities is included in finance costs using the effective interest rate method.

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expire.

Financial liabilities and equity instruments

[i] Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

[ii] Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group entity are recognized at the proceeds received, net of direct issue costs.

Classification of financial instruments

The Company classifies its financial assets and liabilities depending on the purpose for which the financial instruments were acquired, their characteristics, and management intent as outlined below:

Cash	Fair value through profit and loss
Trade and other receivables	Amortized cost
Other financial assets	Fair value through profit and loss
Trade and other payables	Amortized cost
Short-term debt	Amortized cost
Preferred share liabilities	Fair value through profit and loss
Warrant liabilities	Fair value through profit and loss

Impairment of financial assets

As the Company's financial assets are substantially made up of trade receivables, which are measured at amortized cost, the Company has elected to apply the simplified approach for measuring the loss allowance at an amount equal to lifetime expected credit losses ["ECL"]. The Company recognizes lifetime expected losses on initial recognition through both the analysis of historical defaults and a reassessment of counterparty credit risk in revenue contracts on an annual basis. An impairment loss is reversed in subsequent periods if the amount of the expected loss decreases and the decrease can be objectively related to an event occurring after the initial impairment was recognized.

Preferred share liabilities

The preferred share and the warrants issued in 2018 met the definition of financial liabilities subject to measurement at fair value at each reporting period-end with changes in fair value to be reflected in the Company's consolidated statements of loss and comprehensive loss. The Company determined that the preferred share liabilities did not meet the IFRS definition of equity due to the variability of the conversion ratio to common shares.

The warrants are convertible into preferred shares which are a financial liability, therefore, the warrants are measured at financial liability through profit or loss.

[n] New standards adopted in the current period

The Company applied IFRS 16, *Leases* and IFRIC Interpretation 23, *Uncertainty over Income Tax Treatments* for the first-time effective January 1, 2019. The nature and effect of the changes as a result of adoption of these new accounting standards are described below.

IFRS 16, Leases ["IFRS 16"]

IFRS 16 supersedes IAS 17 Leases, IFRIC 4 Determining whether an Arrangement contains a Lease, SIC-15 Operating Leases-Incentives and SIC-27 Evaluating the Substance of Transactions Involving the Legal Form of a Lease. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to recognise most leases on the balance sheet.

The Company, as a lessee, has applied IFRS 16 using the modified retrospective approach and recognized right-of-use assets representing the rights to use the underlying assets, equal to the lease liabilities representing the obligation to make lease payments effective January 1, 2019. In accordance with the practical expedients permitted under the standard, comparative information for 2018 has not been restated. In applying IFRS 16 for the first time, the Company used the following practical expedients permitted by the standard:

- Reliance on previous assessments on whether leases are onerous
- Use of hindsight in determining the lease term where the contract contains options to extend or terminate the lease
- Account for leases for which the lease term ends within 12 months of the date of initial application as short-term leases
- Record right-of-use assets based on the corresponding lease liability, with no net impact on deficit

3. Significant accounting policies (cont.)

As a result of the adoption of IFRS 16, the Company recognized an increase to both assets and liabilities on the consolidated statement of financial position. The Company also recognized a decrease in general and administrative expenses for the removal of rent expense for operating leases partially offset by accretion of lease liabilities and an increase in depreciation and amortization related to the right-of-use assets in the consolidated statement of loss and comprehensive loss. The weighted average incremental borrowing rate applied to the lease liabilities on January 1, 2019 was 6.5%. The following table illustrates the impact of IFRS 16 on the consolidated statements of financial position on the date of initial application using the modified retrospective approach resulting in the recognition of a right-of-use assets as if the standard had always been applied, representing the rights to use the underlying assets, a lease liabilities amount representing the future obligation associated with the underlying lease arrangement, resulting in a charge to deficit as at January 1, 2019:

[ii] IFRIC 23, *Uncertainty over Income Tax Treatment* ["IFRIC 23"]

In June 2017, the IASB issued IFRIC 23, which clarifies the accounting for uncertainties in income taxes. IFRIC 23 is effective for annual periods beginning on or after January 1, 2019. The requirements are applied by recognizing the cumulative effect of initially applying them in retained earnings, or in other appropriate components of equity, at the start of the reporting period in which the Company first applies them, without adjusting comparative information. Full retrospective application is permitted, if the Company can do so without using hindsight. The Company has adopted the new Interpretation beginning January 1, 2019. The adoption of IFRIC 23 did not have any impact on the Company's financial statements.

On February 15, 2019, in order to repay the promissory note for the acquisition of LCA, the Company entered into a CAD\$2,000,000 loan bearing interest of 15% per annum, maturing in six months. At inception, the Company recognized the loan at its fair value plus transaction costs directly attributable to its issuance of CAD\$87,165, which was recorded as finance costs in the consolidated statement of loss and comprehensive loss for the year ended December 31, 2019. Subsequent to initial recognition, the loan was carried at amortized cost.

On September 25, 2019, the loan was amended to extend the maturity date to September 25, 2020 and the interest rate to 12% per annum. In addition, 600,000 warrants convertible into Class A-3 Preferred Shares of the Company were issued to the lender [see note 11]. On entering into the amended loan, the Company completed an assessment that showed that the present value of the cash flows under the amended loan facility, including the financing costs and cost of warrants issued, differed more than 10% from the present value of the remaining cash flows of the loan. The amendment was treated as an extinguishment of the original loan and the establishment of a new loan at its fair value plus transaction costs of CAD\$211,567 directly attributable to its issuance. A loss on extinguishment of CAD\$1,001,928 was recorded within finance costs related to the amendment. In December 2019, upon announcement of the Akerna Transaction [see note 11], the carrying value of the amended loan was adjusted for a revised estimate of future expected cash flows discounted over the remaining estimated life of the amended loan.

On October 1, 2019, the Company entered into a CAD\$2,500,000 loan bearing interest of 12% per annum maturing on October 1, 2020. In addition, 204,000 warrants convertible into Class A-3 Preferred Shares of the Company were issued to the lender [see note 11]. At inception, the Company recognized the loan at its fair value plus transaction costs directly attributable to its issuance of CAD\$246,368. Subsequent to initial recognition, the loan was carried at amortized cost. In December 2019, upon announcement of the Akerna Transaction [see note 11], the carrying value of the loan was adjusted for a revised estimate of future expected cash flows discounted over the remaining estimated life of the amended loan.

At December 31, 2019, the Company was in compliance with all covenants for its short-term debt. Subsequent to December 31, 2019, the Company was in breach of its covenants for its short-term debt.

11. Preferred share liabilities (cont.)

In June 2018, the Company issued 3,000,000 preferred share units at CAD\$1.50 per unit, consisting of 3,000,000 Class A-1 Preferred Shares and 1,500,000 warrants convertible into Class A-2 Preferred Shares at an exercise price of CAD\$2.25 per share for gross proceeds of CAD\$4,500,000. As the Class A-1 Preferred Shares and Class A-2 Preferred Shares are convertible into a variable number of common shares depending on subsequent issuances of common shares, these preferred shares and the warrants convertible to the preferred shares are considered financial liabilities. The net proceeds were allocated to the preferred shares and warrants based on the relative fair value of each instrument.

In October 2019, the Company issued 804,000 warrants convertible into Class A-3 Preferred Shares at an exercise price of CAD\$1.20 to lenders in connection with loans received [see note 10].

The Company determined that each of the Company's Class A-1 Preferred Shares, Class A-2 Preferred Shares and Class A-3 Preferred Shares [collectively the "Class A Preferred Shares"] and warrants that are convertible into Class A Preferred Shares, did not meet the IFRS definition of equity due to the variability of the conversion price. Accordingly, the Class A Preferred Shares and the related warrants are treated as financial liabilities measured at fair value through profit or loss. The fair values of the convertible notes are classified as Level 3 in the fair value hierarchy.

In determining the fair values of the warrants issued, the Company used the Black-Scholes pricing model applying the following inputs:

	2019	2018
Risk-free interest rate	1.47%	1.46%
Term [years]	3	3
Estimated volatility	70%	70%
Expected dividend yield	Nil	Nil
Warrant value	CAD\$ 1.40	CAD\$ 0.41
Share price	CAD\$ 2.22	CAD\$ 1.30
Exercise price	CAD\$ 1.20	CAD\$ 2.25

In December 2019, 1,500,000 warrants convertible into Class A-2 Preferred Shares were converted into 777,637 Class A-2 Preferred Shares and 492,000 warrants convertible into Class A-3 Preferred Shares were converted into 283,721 Class A-3 Preferred Shares.

For the year ended December 31, 2019, a CAD\$7,312,638 loss on fair value of preferred share liabilities [2018 — CAD\$776,000 loss] was recorded in the statement of loss and comprehensive loss.

12. Share capital

[a] Authorized

The authorized share capital of the Company consists of an unlimited number of common shares and 5,304,000 Class A Preferred Shares, issuable in series, of which 3,000,000 are designated as Class A-1 Preferred Shares, 1,500,000 are designated as Class A-2 Preferred Shares and 804,000 are designated as Class A-3 Preferred Shares.

Class A Preferred Shares are convertible, at the option of the holder, into a number of fully paid and non-assessable common shares as determined by dividing the original issue price of the series of Class A Preferred Shares by the then effective conversion price and adjustments to the conversion price in the event the Company issues additional common shares and amounts less than the original conversion price. The conversion and original issue price is

CAD\$1.50 for Class A-1 Preferred Shares, CAD\$2.25 for Class A-2 Preferred Shares, and CAD\$1.20 for Class A-3 Preferred Shares, subject to anti-dilution provisions. All of the warrants convertible to common shares for these transactions are convertible into common shares at a 1:1 ratio. The warrants were valued using the Black-Scholes pricing model with the following inputs:

[c] Employee stock option plan

The Company has an Employee Stock Option Plan [the "Plan"] that is administered by the Board of Directors of the Company who establishes exercise prices, at not less than market price at the date of grant, and expiry dates, which have been set at ten years from issuance. Options under the Plan remain exercisable in increments with 1/4 being exercisable on each of the first and second anniversary and 2/4 being exercisable on the third anniversary from the date of grant, except as otherwise approved by the Board of Directors. The maximum number of common shares reserved for issuance for options that may be granted under the Plan is 10% of the common shares outstanding, which amounts to 3,744,762 at December 31, 2019 [2018 — 3,327,165].

12. Share capital (cont.)

The following is a summary of the changes in the Company's stock options:

	Number of options #	Weighted average exercise price CAD\$
Outstanding as at December 31, 2017	—	—
Granted	1,180,500	1.50
Forfeited	(110,000)	1.50

Expired	(25,312)	1.50
Outstanding as at December 31, 2019	1,018,500	1.67

The Company recorded CAD\$381,617 [2018 — CAD\$260,970] in share-based compensation expense related to options, which are measured at the fair value at the date of grant and expensed over the option's vesting period.

In determining the amount of share-based compensation, the Company used the Black-Scholes option pricing model to establish the fair value of options granted during the years ended December 31, 2019 and 2018 by applying the following assumptions:

	2019	2018
Grant date share price	CAD\$ 1.61	CAD\$ 1.50
Exercise price	CAD\$ 1.80	CAD\$ 1.50
Expected dividend yield	—	—
Risk free interest rate	1.49% – 1.76%	1.46%
Expected life	10 years	10 years
Expected volatility	70%	70%

Expected volatility was estimated by using the historical volatility of other companies that the Company considers comparable that have trading and volatility history. The expected option life represents the period of time that options granted are expected to be outstanding. The risk-free interest rate is based on government bonds with a remaining term equal to the expected life of the options.

The following table is a summary of the Company's share options outstanding as at December 31, 2019:

Options outstanding			Options exercisable	
Exercise price CAD\$	Number outstanding #	Weighted average remaining contractual life [years] #	Exercise price CAD\$	Number exercisable #

19. Capital management

Ample Organics is an early stage company that is dependent on raising further capital to fund its capital and operating expenses in excess of revenue until such time that it reaches cash break-even. The Company’s capital structure as at December 31, 2019 primarily consists of shareholders’ equity from common shares and warrants, preferred share liabilities from preferred shares and warrants for preferred shares, and short-term debt.

On December 18, 2019, the Company entered into a definitive agreement to be acquired by Akerna Corp. (“Akerna”) whereby Akerna will acquire all issued and outstanding shares of the Company for up to CAD\$60 million (US\$45 million) (the “Akerna Transaction”). The transaction is expected to close in mid-2020. The Company expects the Akerna Transaction to provide sufficient funding to meet its objectives stated above.

19. Capital management (cont.)

In the event that the Akerna Transaction does not close, the Company is dependent on raising further capital in the form of equity, debt, or instruments convertible into equity to fund its capital and operating expenses in excess of revenue until such time that it reaches cash break-even. While the Company raised CAD\$4,500,000 in gross proceeds for short-term debt and CAD\$7,516,750 in gross proceeds for common shares as well as warrants for common shares and preferred shares during the year ended December 31, 2019, there can be no assurance that the Company will be successful in raising additional funds in the future.

20. Financial instruments and risk management

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from deposits with banks and outstanding receivables. The Company trades only with recognized, creditworthy third parties. The Company performs credit checks for all customers who wish to trade on credit terms. As at December 31, 2019, no customers represented greater than 10% of the outstanding receivable balance [2018 — one customer represented 10%].

The Company does not hold any collateral as security, but mitigates this risk by dealing only with what management believes to be financially sound counterparties and, accordingly, does not anticipate significant loss for non-performance.

The aging of trade receivables is as follows:

	2019 CAD\$	2018 CAD\$
Current	625,969	1,373,663
1 to 30 days	206,074	57,777
30 to 60 days	22,130	9,369
> 60 days	137,487	114,824
Total gross trade receivables	991,660	1,555,633
Less allowance for doubtful accounts	70,953	22,348
Total trade receivables, net	920,707	1,533,285

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company's exposure to liquidity risk is dependent on the Company's ability to raise additional financing to meet its commitments and sustain operations. The Company mitigates liquidity risk through management of working capital, cash flows and the issuance of share capital.

The Company is obligated to the following contractual maturities of undiscounted cash flows:

	Carrying amount CAD\$	Contractual cash flows CAD\$	Year 1 CAD\$	Year 2 CAD\$	Year 3 CAD\$	Year 4 CAD\$	Year 5 CAD\$	Thereafter CAD\$
Trade and other payables	1,423,359	1,423,359	1,423,359	—	—	—	—	—

20. Financial instruments and risk management (cont.)

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

Currency risk

Currency risk is the risk to the Company's earnings that arise from fluctuations of foreign exchange rates. The Company is not exposed to foreign currency exchange risk as it has minimal financial instruments denominated in foreign currencies. Substantially all of the Company's transactions are in Canadian dollars, which is the Company's functional currency.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Given that the Company holds short-term debt at fixed interest rates, it is not exposed to interest rate risk as at December 31, 2019.

Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices [other than those arising from interest rate risk or currency risk], whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Company is not exposed to significant other price risks as at December 31, 2019.

Fair values

The carrying values of cash, trade and other receivables, other financial assets, trade and other payables, and short-term debt approximate their fair values due to the short-term nature of these items. The risk of material change in fair value is not considered to be significant due to a relatively short-term nature. The Company does not use derivative financial instruments to manage this risk.

Financial instruments recorded at fair value on the consolidated statement of financial position are classified using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The Company categorizes its fair value measurements according to a three-level hierarchy. The hierarchy prioritizes the inputs used by the Company's valuation techniques. A level is assigned to each fair value measurement based on the lowest level input significant to the fair value measurement in its entirety. The three levels of the fair value hierarchy are defined as follows:

- Level 1 — Unadjusted quoted prices as at the measurement date for identical assets or liabilities in active markets.
- Level 2 — Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3 — Significant unobservable inputs that are supported by little or no market activity. The fair value hierarchy also requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

20. Financial instruments and risk management (cont.)

The fair value hierarchy requires the use of observable market inputs whenever such inputs exist. A financial instrument is classified to the lowest level of the hierarchy for which a significant input has been considered in measuring fair value.

The fair value hierarchy for the Company's financial instruments measured at fair value are as follows:

	Level 1 CAD\$	Level 2 CAD\$	Level 3 CAD\$	Total CAD\$
Preferred share liabilities including associated warrants				
As at December 31, 2018	—	5,234,811	—	5,234,811
As at December 31, 2019	—	13,636,522	—	13,636,522

The fair values of the Company's preferred share liabilities as at December 31, 2019 was determined using the purchase price of the Akerna Transaction.

There were no transfers between fair value measurement hierarchy levels during the year ended December 31, 2019.

21. Subsequent events

COVID-19

Since December 31, 2019, the outbreak of the recent novel coronavirus (COVID-19) has resulted in governments worldwide enacting emergency measures to combat the spread of the virus. These measures, which include the implementation of travel bans, self-imposed quarantine periods and social distancing, have caused disruption to certain businesses globally; as a result, there could be a possibility of recession in the near future. While the impact of COVID-19 on the Company has been minimal to date, there is uncertainty around its duration and future business conditions. If the outbreak were to cause disruption to the Company's supply chain or its service capabilities in the future, it would have a negative impact on revenue, which could be material. In addition, any material negative impact on revenue would impact profitability, as well as liquidity and capital resources.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Solo Sciences, Inc. as of December 31, 2019 and 2018, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Note 1 — Description of Business, Liquidity and Capital Resources

Description of Business

Solo Sciences, Inc. (the “Company” or “Solo”) was founded in January 2018. Since its inception the Company has been developing anti-counterfeiting technology for sale to retailers and government consumers and a mobile phone application for use by end consumers.

Note 2 — Summary of Significant Accounting Policies

Basis of presentation

The accompanying financial statements have been prepared in accordance with generally accepted accounting principles in the United States, (“GAAP”).

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates for the years ended December 31, 2019 and 2018 were the Company’s estimated useful lives of long-lived assets, which include capitalized software development costs, assumptions used to value of stock-based compensation, including valuation of common stock underlying the compensation agreements, and assumptions used to value the Company’s intellectual property. Actual results could differ from those estimates.

Cash

The Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents. There were no cash equivalents as of December 31, 2019 and 2018. The Company continually monitors its positions with, and the credit quality of, the financial institutions with which it invests. As December 31, 2019 and 2018, and periodically throughout the year, the Company has maintained balances in various operating accounts in excess of federally insured limits. The Company has not experienced any losses on such accounts.

Cash Held in Escrow

Cash held in escrow is recorded at fair value. Cash held in escrow consisted of cash was contractually restricted to be paid to distributed to the Company’s selling shareholders prior to the of the partial sale of their interests in January 15, 2020, as further described in Note 9.

Prepaid Expenses

Prepaid expenses consist primarily of third-party technology and software used by the Company in its day-to-day operations paid in advance and recognized as expense ratably over the term of the contract.

Accounts Receivable, Net

When estimating its allowance for doubtful accounts the Company’s estimate is based on historical collection experience and a review of the status of trade accounts receivable. It is reasonably possible that the Company’s estimate of the allowance for doubtful accounts will change and that losses ultimately incurred could differ materially from the amounts estimated in determining the allowance. The Company did not record an allowance for doubtful accounts as of December 31, 2019 or 2018.

SOLO SCIENCES, INC.
Notes to Financial Statements

Note 2 — Summary of Significant Accounting Policies (cont.)

Concentrations of Credit Risk

The Company grants credit in the normal course of business to customers in the United States. The Company periodically performs credit analysis and monitors the financial condition of its customers to reduce credit risk.

During the year ended December 31, 2019, Akerna Corp. (“Akerna”) accounted for 82% of total revenues. At December 31, 2019, Akerna accounted for 82% and another customer accounted for 17% of net accounts receivable. During the year ended December 31, 2018, the Company did not have significant operations.

Fixed Assets

Fixed assets are stated at cost. Depreciation is provided utilizing the straight-line method over the estimated useful lives for owned assets, ranging from three to ten years. Fixed assets are periodically reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. The Company did not recognize any property impairment charges in fiscal 2019 or 2018.

Intangible Assets

Finite-lived intangible assets resulting from the acquisition of intellectual property, trademarks and patents are recorded at the estimated fair value on the date of acquisition. The fair value of acquired intangible assets is determined using appropriate valuation techniques. Amortization expense is computed using the straight-line basis of accounting over their estimated useful lives, a weighted average of 11 years as of December 31, 2019. Costs incurred to renew or extend the term of recognized intangible assets are capitalized and amortized over the estimated useful life of the asset.

Impairment of Intangible Assets

Recoverability of finite lived intangible assets is measured by comparison of the carrying amount of the asset to the future undiscounted cash flows the asset is expected to generate. If the asset is determined to be impaired, the amount of any impairment is measured as the difference between the carrying value and the fair value of the impaired asset. The Company did not recognize any intangible asset impairment charges in fiscal 2019 or 2018. At least annually, the Company assesses the useful lives of our finite lived intangible assets and may adjust the period over which these assets are amortized whenever events or changes in circumstances indicate that a shorter amortization period is more reflective of the period in which these assets contribute to our cash flows.

Software Development Costs

The Company expenses software development costs incurred before technological feasibility is reached.

Software development costs are incurred to develop software to be used solely to meet its internal needs. The Company capitalizes application development costs related to these software applications once the preliminary project stage is complete, it is probable that the project will be completed, and the software will be used to perform the function intended. Application development stage costs capitalized were \$2.2 million and \$0.8 million during the years ended December 31, 2019 and 2018. Application development costs are primarily comprised of the cost of the Company’s consultants including equity-based compensation awarded to these consultants. The Company commences amortization of capitalized software development costs when the application development stage complete and the asset is ready for its intended use. Software development costs are amortized over their estimated useful life, generally five years.

Fair Value of Financial Instruments

The carrying amounts of financial instruments, including cash, cash held in escrow, accounts receivable, prepaid expenses, accounts payable and accrued liabilities approximated their fair value as of December 31, 2019 and 2018 because of the relatively short-term nature of these instruments. The Company accounts for fair value measurements in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements.

SOLO SCIENCES, INC.
Notes to Financial Statements

Note 2 — Summary of Significant Accounting Policies (cont.)

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2: Applies to assets or liabilities for which there are inputs other than quoted prices included within Level 1 that are observable for the asset or liability such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in markets with insufficient volume or infrequent transactions (less active markets); or model-derived valuations in which significant inputs are observable or can be derived principally from, or corroborated by, observable market data.
- Level 3: Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (supported by little or no market activity).

Revenue Recognition

The Company's solo*CODE products consist of a unique tag that is configured for the customers' packaged goods and an app which communicates with the Company's software that works in conjunction with the tag to identify the customers' products. The app may be accessed using handheld devices such as smart phones. The Company's solo*TAG product is a unique tag configured to facilitate tracking and tracing of cannabis plants and products to ensure compliance with government regulations. During the year ended December 31, 2019, the Company entered into an agreement with Akerna to develop cloud-based software for governments to utilize solo*TAG for compliance monitoring activities.

The Company recognizes revenue when its customer obtains control of promised goods or services, in an amount that reflects the consideration the Company expects to receive in exchange for those goods or services. To determine revenue recognition contracts with its customers, the Company performs the following five step assessment: (i) identify the contract or contracts with a customer; (ii) identify the performance obligations in each contract; (iii) determine the transaction price; (iv) allocate the transaction price to the performance obligations in the contract; and (v) recognize revenue when, or as, the entity satisfies a performance obligation. The Company only applies the five-step model to contracts when it is probable that the entity will collect the consideration it is entitled to in exchange for the goods or services it transfers to the customer. At contract inception and once the contract is determined to be a contract with a customer, the Company assesses the goods or services promised within each contract, determines which goods and services are performance obligations, and assesses whether each promised good or service is distinct. The Company then recognizes as revenue the amount of the transaction price that is allocated to the respective performance obligation when, or as, the performance obligation is satisfied.

Income Taxes

Income taxes are accounted for using the asset and liability method, which requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of temporary differences between the carrying amounts and the tax basis of other assets and liabilities. The Company provides for income taxes at the current and future enacted tax rates and laws applicable in each taxing jurisdiction. The Company uses a two-step approach for recognizing and measuring tax benefits taken or expected to be taken in a tax return and disclosures regarding uncertainties in income tax positions. The Company recognizes interest and penalties related to income tax matters in selling, general, and administrative expense in the statement of operations. The Company did not recognize any interest or penalties for the years ended December 31, 2019 and 2018.

SOLO SCIENCES, INC.
Notes to Financial Statements

Note 2 — Summary of Significant Accounting Policies (cont.)

The Company recognizes deferred tax assets to the extent that its assets are more likely than not to be realized. In making such a determination, the Company considers all available positive and negative evidence, including future reversals of existing taxable temporary differences, projected future taxable income, tax planning strategies, and results of recent operations. If the Company determines that it would be able to realize its deferred tax assets in the future in excess of their net recorded amount, it will make an adjustment to the deferred tax asset valuation allowance, which would reduce the provision for income taxes. The Company has recorded a full valuation allowance against its deferred tax assets as of December 31, 2019 and 2018.

Nonemployee Stock-Based Compensation

The Company accounts for nonemployee equity awards using the fair value method. Compensation cost for all stock awards expected to vest is measured at fair value on the date of grant, which typically coincides with vesting, and recognized over the service period. The Company uses the fair value of its common stock to value its restricted stock awards. The fair values of its nonqualified stock options are estimated using the Black-Scholes option pricing model. The value is recognized as expense over the service period. The Company accounts for forfeitures when they occur. The estimated number of stock awards that will ultimately vest requires judgment, and to the extent actual results or updated estimates differ from our current estimates, such amounts will be recorded as a cumulative adjustment in the period estimates are revised.

The fair values of the Company's nonemployee awards are revalued each reporting period with the change recorded as stock-based compensation expense. Certain amounts of the of stock-based compensation are capitalized as software development costs.

Recent Accounting Pronouncements

In June 2016, the Financial Accounting Standards Board ("FASB") issued guidance for measuring credit losses on financial instruments. Among other things, this guidance will require the measurement of all expected credit losses for financial assets held at the reporting date based on historical experience, current conditions, and reasonable and supportable forecasts. Businesses will now use forward-looking information to better inform their credit loss estimates. The new guidance is effective for the Company beginning January 1, 2021. The Company is evaluating the impact of adoption of the new standard on its financial statements.

In November 2016, the FASB issued guidance requires that the statements of cash flows explain the change during the reporting period of the totals of cash, cash equivalents, restricted cash and restricted cash equivalents. Therefore, amounts for restricted cash and restricted cash equivalents are to be included with cash and cash equivalents when reconciling the beginning-of-period and end-of-period total amounts shown on the Statements of cash flows. The Company adopted this guidance on January 1, 2019, using the retrospective transition guidance required by the standard, as such, the statement of cash flows for the year ended December 31, 2018 has been presented in accordance with this guidance.

In June 2018, the FASB issued new guidance for stock-based compensation paid to nonemployees. The new guidance conforms the measurement of stock-based compensation for both employees and nonemployees. This guidance is effective for the Company on January 1, 2020 and will result in measurement of stock-based compensation paid to nonemployees for services to be provided over a period of time as of the date of the agreement. The Company currently measures the value of shares transferred upon completion of the service requirement, had this new guidance been effective in 2019, the Company's net loss would have been \$0.8 million less than as reported.

In August 2018, the FASB issued new guidance for implementation costs incurred by customers in cloud computing arrangements, which broadens the scope of existing guidance applicable to internal-use software development costs. The update requires costs to be capitalized or expensed based on the nature of the costs and the project stage in which they are incurred subject to amortization and impairment guidance consistent with existing internal-use software development cost guidance. The guidance is applicable for the Company beginning January 1, 2021. The Company has not completed its evaluation of this standard or the effect it will have on the Company's financial position or results of operations once adopted.

Note 4 — Intellectual Property Acquisition

On February 2, 2018, the Company entered into an intellectual property purchase agreement for intellectual property assets, trademarks and domain names owned by Get Solo, LLC. Get Solo, LLC is a related party to the Company because an officer of the Company held a noncontrolling interest in Get Solo, LLC at the time of the transaction. At closing, the Company exchanged 230,000 shares of common stock for the worldwide rights to the intellectual property. In addition to the shares the agreement provides for deferred purchase payments in two tranches, first, following a qualified financing transaction within 180 days of closing, the Company would have been required to pay \$1.0 million in cash or shares of common stock; second on or prior to the fifth anniversary of closing, the Company was required to pay \$2.0 million, or \$3.0 million if a qualified financing transaction did not occur, also in cash or shares of common stock at the Company's option. The qualified financing did not occur during 2018, therefore the deferred purchase price liability as of December 31, 2019 and 2018 was \$3.0 million. This transaction was accounted for as an asset acquisition in accordance with GAAP. Subsequent to year end, the Company's shareholders sold 80.4% of their interests in the Company to Akerna, as further discussed in Note 9. In connection with this transaction, 375,000 shares of Akerna common stock, contractually valued at \$8 per share issued to the Company's shareholders was allocated to Get Solo, LLC in full satisfaction of the deferred purchase price liability.

The aggregate fair value of restricted stock awards vested during each the years ended December 31, 2019 and 2018 was \$0.3 million. There were no outstanding unvested restricted stock awards as of December 31, 2019. Total intrinsic value of outstanding unvested restricted stock awards as of December 31, 2019 and 2018 was \$2.1 million and \$0.6 million.

On January 15, 2020 and immediately prior to the partial sale of the Company's outstanding equity, as further described in Note 9, the Company accelerated vesting of the then unvested restricted common stock awards and the shares pursuant to these agreements were converted to common stock of the Company on a one-for-one basis.

Nonqualified Stock Options

Stock options issued under the Plan generally vest over a four-year period and expire ten years from the date of grant. Certain options provide for accelerated vesting if there is a change in control, as defined in the Plan.

The Company used Black-Scholes option pricing model to estimate stock-based compensation expense for stock option awards with the following assumptions for the years ended December 31, 2019 and 2018:

	2019	2018
Expected volatility	1.89%	1.97%
Risk-free interest rate	1.53%	2.63%
Expected dividend	—	—
Expected term (in years)	5.00	6.00
Underlying common stock fair value	\$ 1.49	\$ 0.29

Note 6 — Stock-Based Compensation (cont.)

As a result of the Company's shareholders' agreement to sell 80.4% of their interest in the Company, described above, during the year ended December 31, 2019, the previously recognized stock-based compensation costs related to unvested stock options on November 25, 2019 was adjusted to reflect the increase in the estimated fair value of a common share.

A summary of option activity under the 2018 Plan is as follows:

	Number of Options	Weighted- Average Exercise Price per Share	Weighted- Average Estimated Grant Date Fair Value	Weighted- Average Remaining Contractual Term (in Years)	Aggregate Intrinsic Value
Outstanding as of December 31, 2018	253,000	\$ 0.80	\$ 0.12	9.78	\$ 30,360
Granted	240,000	\$ 0.80			
Forfeited	(109,000)	\$ 0.80			
Outstanding as of December 31, 2019	384,000	\$ 0.80	\$ 0.75	9.17	\$ 288,000
Exercisable as of December 31, 2019	384,000	\$ 0.80	\$ 0.75	9.18	\$ 288,000
Vested and expected to vest as of December 31, 2019	384,000	\$ 0.80	\$ 0.75	9.17	\$ 288,000

Stock-based compensation expense for the Company's stock-based awards for the years ended December 31, 2019 and 2018 was \$77,000 and \$2,000, respectively, and is included in selling, general and administrative in the Company's statements of operations. On January 15, 2020 and immediately prior to the partial sale of the Company's outstanding equity, as further described in Note 9, the Company exercised a cashless conversion of the then outstanding stock options for 178,124 shares of the Company's common stock.

Note 7 — Commitments and Contingencies

Litigation

From time to time, the Company may be involved in litigation relating to claims arising out of its operations in the normal course of business. The Company will accrue a liability for such matters when it is probable that a liability has been incurred and the amount can be reasonably estimated. As of December 31, 2019, and through the date these financial statements were issued, there were no legal proceedings requiring recognition or disclosure in the financial statements.

Note 8 — Income Taxes

For the years ended December 31, 2019 and 2018, the Company did not incur any current or deferred tax expense or benefit at the U.S. federal or state level. The Company's effective tax rate for the years ended December 31, 2019 and 2018 was 0% because it is more likely than not that the Company will not be able to realize the tax benefit from deferred tax assets generated during the years. Deferred income taxes reflect the net effects of temporary differences between the carrying amounts of assets and liabilities of the Company for financial reporting purposes and the amounts used for income tax purposes.

SOLO SCIENCES, INC.
Notes to Financial Statements

Note 8 — Income Taxes (cont.)

Significant components of our deferred tax liabilities and assets are as follows:

	As of December 31,	
	2019	2018
Noncurrent deferred tax assets:		
Federal net operating loss	\$ 1,060,165	\$ 283,058
Stock-based compensation	188,722	40,846
Total deferred tax assets	1,248,936	373,783
Noncurrent deferred tax liabilities:		
Software development costs	\$ 675,500	\$ 161,006
Intangible assets	92,365	35,871
Total deferred tax liabilities	767,865	196,877
Valuation allowance	(481,071)	(127,026)
Net deferred tax assets after valuation allowance	\$ —	\$ —

During the years ended December 31, 2019 and 2018, valuation allowances on deferred tax assets that are not anticipated to be realized increased by \$0.4 million and \$0.1 million, respectively.

In accordance with the accounting requirements for stock-based compensation, we may recognize tax benefits in connection with the exercise of stock options by nonemployees and the vesting of restricted stock awards. We recognize the tax effects related to stock-based compensation through earnings in the period the compensation was recognized.

The Company had federal net operating loss carryforwards for which the deferred tax assets were approximately \$1.1 million and \$0.3 million, respectively, as of December 31, 2019 and 2018. The net operating loss carryforwards do not expire. The Company has evaluated the realizability of its deferred tax assets by assessing the adequacy of expected taxable income, including the reversal of existing temporary differences, historical and projected operating results, and the availability of prudent and feasible tax planning strategies. Based on this analysis, the Company has determined that the valuation allowance recorded in the period presented are appropriate.

The Company is not currently under examination for the major jurisdictions where it conducts business as of December 31, 2019. Because the statute of limitations has not yet elapsed, the Company's initial United States federal income tax return for the year ended December 31, 2018 is currently subject to examination by the Internal Revenue Service. The Company's management does not believe that there are significant uncertain tax positions in 2019. There are no interest and penalties related to uncertain tax positions in 2019.

Note 9 — Subsequent Events

The Company has evaluated subsequent events for financial statement purposes occurring through May 29, 2020, the date these financial statements were ready for issuance.

On January 15, 2020, the Company's shareholders sold 80.4% of their interests to Akerna in exchange for shares of Akerna's common stock. Pursuant to the agreement, Akerna will provide \$2.4 million of additional capital infusion to the Company during the 12 months following the closing date. Akerna has a 12-month option to acquire the remaining 19.6% interest in the Company. If Akerna does not exercise this option, the shareholders have a three-month option to repurchase between 40% and 55% of the interest in the Company. Immediately prior to the transaction, the Company's directors elected to accelerate the vesting of all unvested stock options issued to nonemployees effected a cashless exercise of these options, resulting in the issuance of 178,124 common shares. Also, immediately prior to the transaction all outstanding shares of Series AA preferred stock were converted to common stock on a one-for-one basis.

In addition, the issuer of any Consideration Shares or Akerna Shares to be

issued pursuant to the exchange of Exchangeable Shares, in each case issued to a Person in any state, territory or possession of the United States, shall comply with any issuer broker-dealer registration requirement applicable in that state, territory or possession, unless an exemption from such issuer broker-dealer registration requirement is available.

2.12 Effective Date

The Arrangement shall become effective at the Effective Time on the Effective Date. The certificate of arrangement shall be conclusive evidence that the Arrangement has become effective as of the Effective Time. - (e) In no event shall Purchaser be required to issue a fractional Exchangeable Share. Where the aggregate number of Exchangeable Shares to be issued as Up-front Consideration under the Arrangement would result in a fraction of an Exchangeable Share being issuable, the number of Exchangeable Shares to be issued shall be rounded to the nearest whole Exchangeable Share (with fractions equal to or greater than 0.5 being rounded up and fractions less than 0.5 being rounded down).

2.15 Ample Options and Warrants

- (a) Subject to Applicable Laws and to the receipt of the approval of NASDAQ:
 - (i) Each Ample Warrant outstanding at the Effective Time shall be continued on the same terms and conditions as were applicable immediately prior to the Effective Time;

- (b) At the Effective Time, Akerna and Purchaser shall satisfy and pay the Closing Indebtedness Amount on behalf of each applicable debtor by paying directly to the applicable lenders and creditors in immediately available funds all amounts owing in respect of the Closing Indebtedness Amount, if any, in each case, as directed pursuant to the Payout Letters.

2.17 Indemnities and Directors’ and Officers’ Insurance

- (a) Akerna and Purchaser agree that: (i) after the Effective Time, Ample and any successor to Ample will not take any action to terminate or materially adversely affect indemnities provided or available to or in favour of past and present officers and directors of Ample and the Ample Subsidiaries pursuant to the provisions of the articles, by-laws or other constating documents of Ample or any Ample Subsidiary, applicable corporate legislation and any written indemnity agreements which have been entered into between Ample and past and present officers and directors of Ample and the Ample Subsidiaries effective on or prior to the date hereof (the forms of which were provided in the Ample Information); and (ii) immediately prior to the Effective Time, Akerna will make arrangements satisfactory to the Ample Board, acting reasonably, to secure the obligations under such written indemnity agreements.
- (b) Prior to the Effective Date, Ample will secure “run-off” directors’ and officers’ liability insurance for the current and former directors and officers of Ample and the Ample Subsidiaries, covering claims made or reported within six years after the Effective Date, which has a scope and coverage substantially similar in scope and coverage to that provided pursuant to Ample’s current directors and officers insurance policy, including coverage for any claims arising from completion of the Arrangement and related transactions, and Purchaser will not take any action, or cause Ample to take any action, to adversely affect or terminate such directors’ and officers’ liability insurance.

Akerna, Purchaser, Ample, Callco and the Depositary, as applicable, shall be entitled to deduct and withhold, or direct Akerna, Purchaser, Ample, Callco or the Depositary to deduct and withhold on their behalf, from any consideration otherwise payable or otherwise deliverable to any Ample Shareholders under the Plan of Arrangement such amounts as Akerna, Purchaser, Ample, Callco or the Depositary, as applicable, are required or reasonably believe to be required to deduct and withhold from such consideration under any provision of any Applicable Law in respect of Taxes. Any such amounts will be deducted, withheld and remitted from the consideration payable pursuant to the Plan of Arrangement and shall be treated for all purposes under this Agreement as having been paid to Ample Shareholders in respect of which such deduction, withholding and remittance was made.

2.19 Deferred Consideration

- (a) Not later than 45 calendar days after the Deferred Consideration Period, Akerna shall deliver to the Shareholder Representative the Deferred Consideration Statement. The Deferred Consideration Statement shall be prepared in accordance with U.S. GAAP applied consistently with Ample's past practices (to the extent such past practices are consistent with U.S. GAAP).
- (b) The Deferred Consideration Statement shall be accompanied by all relevant backup materials, in detail reasonably acceptable to the Shareholder Representative and such other material reasonably requested by the Shareholder Representative, and a statement setting forth the amount, if any, of Deferred Consideration payable to holders of the CVRs.
- (c) The Shareholder Representative shall have 20 Business Days to accept or dispute the Deferred Consideration Statement by providing written notice of such acceptance or dispute to Akerna. In the event that Akerna does not receive any written notice of acceptance or dispute of the Deferred Consideration Statement from the Shareholder Representative by the expiry of such 20 Business Day period, the Shareholder Representative will be deemed to have accepted the Deferred Consideration Statement for and on behalf of all holders of CVRs. Notwithstanding the foregoing, the period for the Shareholder Representative to accept or dispute the Deferred Consideration Statement shall be extended by such number of days as is equal to the period from: (i) the date the Shareholder Representative requests other material as contemplated under Section 2.19(b); and (ii) the date all such material is delivered to the Shareholder Representative.
- (d) In the event the Shareholder Representative disputes the Deferred Consideration Statement, the Shareholder Representative shall provide Akerna the nature and basis of such dispute, and Akerna and the Shareholder Representative shall use their commercially reasonable efforts to reach agreement on the disputed amounts in order to determine the amount of the Deferred Consideration payable, if any. If Akerna and the Shareholder Representative are unable to resolve the dispute within 15 Business Days, then any remaining items in dispute shall be submitted to an independent firm of professional accountants selected by Akerna and the Shareholder Representative, and if the Parties fail to or refuse to mutually select a firm within a further five Business Days after written request therefor by Akerna or the Shareholder Representative, as applicable, such independent firm shall be KPMG LLP. All determinations and calculations pursuant to this subsection 2.19(d) shall consider only those Deferred Consideration Statement calculations on which the Parties have disagreed, shall be in writing, and shall be delivered to Akerna and the Shareholder Representative as promptly as practicable. The determination of the independent firm of professional accountants shall be binding and conclusive upon all Parties and will not be subject to appeal, absent manifest error. The fees and expenses of the independent firm of professional accountants shall be for the account of Akerna up to a maximum amount equal to \$60,000; provided that all such fees and expenses in excess of such amount shall be shared equally by the Shareholder Representative on the one hand, and Akerna and Purchaser on the other hand.
- (e) If Deferred Consideration is payable in accordance with the Deferred Consideration Statement, then Akerna or Purchaser shall promptly (and in any case within five Business Days of the acceptance or final determination of the Deferred Consideration Statement) (the "**Deferred Consideration Payment Date**") deliver to the Paying Agent such number of Exchangeable Shares as is equal to the quotient obtained by dividing: (i) the dollar value of the Deferred Consideration payable, by (ii) the 20 day volume weighted average price of the Akerna Shares (converted to Canadian dollars from US dollars using the Exchange Rate as of the Deferred Consideration Payment Date) as quoted on the NASDAQ on the last trading day immediately preceding the issuance of such Exchangeable Shares, to be held and released by the Paying Agent to the holders of CVRs in accordance with the terms of the Rights Indenture.
- (f) No certificates or other entitlements to fractional Exchangeable Shares shall be issued to any holder of CVRs, and each holder of a CVR otherwise entitled to a fractional interest in an Exchangeable Share will receive the nearest whole number of Exchangeable Shares (with fractions equal to or greater than 0.5 being rounded up and fractions less than 0.5 being rounded down).

- (g) Akerna covenants and agrees that following the Effective Time and until the expiration of the Deferred Consideration Period, Akerna shall cause Ample to make commercially reasonable efforts to preserve and expand the Recurring Revenue recognized by Ample during the Deferred Consideration Period, and Akerna shall not take, or permit Ample to take, any action or series of actions with respect to the business and affairs of Ample that are intended to lower or otherwise frustrate the Ample Shareholders' entitlement to receive all or any portion of the Deferred Consideration.

Each of Akerna and Purchaser acknowledge that none of Ample, any Ample Subsidiary, nor any Ample Shareholder makes any representation or warranty with respect to Ample, any Ample Subsidiary or the Arrangement other than those expressly set forth in this Section 4.2 or any other agreement or instrument entered into by Ample pursuant to this Agreement, and each of Akerna and Purchaser have not relied on any statement of any Person in entering into this Agreement other than such express representations and warranties.

5.2 Additional Conditions to Obligations of Akerna and Purchaser

The obligation of Akerna and Purchaser to complete the Arrangement is subject to the fulfillment of each of the following conditions precedent on or before the Effective Time (each of which is for the exclusive benefit of Akerna and Purchaser and may be waived by Akerna and Purchaser, in whole or in part at any time, each in its sole discretion, without prejudice to any other rights which Akerna may have):

5.3 Additional Conditions to Obligations of Ample

The obligation of Ample to complete the Arrangement is subject to the fulfillment of each of the following conditions precedent on or before the Effective Time (each of which is for the exclusive benefit of Ample and may be waived by Ample, in whole or in part at any time, in its sole discretion, without prejudice to any other rights which Ample may have):

- (a) Akerna and the Purchaser shall have delivered the Up-front Consideration and CVRs in accordance with Section 2.14;

5.4 Notice and Effect of Failure to Comply with Conditions

- (a) Each Party shall give prompt notice to the other Parties of the occurrence, or failure to occur, at any time from the date hereof to the Effective Date of any event or state of facts which occurrence or failure would, or would be likely to: (i) cause any of the representations or warranties of any Party contained herein to be untrue or inaccurate in any material respect; or (ii) result in the failure to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by any Party hereunder; *provided that*, that no such notification will affect the representations or warranties of the Parties or the conditions to the obligations of the Parties hereunder.
- (b) If any of the conditions precedents set forth in Sections 5.1, 5.2 or 5.3 hereof shall not be complied with or waived by the Party or Parties for whose benefit such conditions are provided on or before the date required for the performance thereof, then a Party for whose benefit the condition precedent is provided may, in addition to any other remedies they may have at law or equity, rescind and terminate this Agreement provided that the Party intending to rely thereon has delivered a written notice to the other Parties, specifying in reasonable detail all breaches of covenants, representations and warranties or other matters which the Party delivering such notice is asserting as the basis for the non-fulfillment of the applicable condition or the availability of a termination right, as the case may be. If any such notice is delivered, provided that a Party is proceeding diligently to cure any such matter capable of being cured, and that has not occurred as a result of a willful breach, to the satisfaction of the other Parties, acting reasonably, no Party may terminate this Agreement if such matter capable of being cured has been cured to the satisfaction of the Parties seeking termination of this Agreement, acting reasonably, prior to the expiration of a period of five Business Days from the date of receipt of such notice (provided that no such cure period shall extend beyond the Outside Date and no such cure period shall be provided for a breach which by its nature cannot be cured). More than one such notice may be delivered by a Party. If a Party seeking termination of this Agreement hereunder delivers a notice of such termination within five Business Days of the scheduled date of the Akerna Meeting or Ample Meeting, as applicable, unless the Parties agree otherwise and subject to compliance with Applicable Law, the respective Party shall postpone or adjourn its shareholders' meeting to the earlier of: (i) the date that is ten Business Days from receipt of the termination notice; and (ii) five Business Days prior to the Outside Date.

5.5 Satisfaction of Conditions

The conditions set out in this Article 5 are conclusively deemed to have been satisfied, waived or released at the Effective Time. For certainty, and notwithstanding the terms of any escrow arrangement entered into between the Parties and the Depository other than the Escrow Agreement, all funds and CVRs held in escrow by the Depository pursuant to Section 2.14(a) hereof shall be released from escrow at the Effective Time without any further act or formality required on the part of any Person, and the Exchangeable Shares deposited with the Escrow Agent will be held and released at the times and in accordance with the terms and conditions of the Escrow Agreement.

ARTICLE 6 INDEMNIFICATION

6.1 Indemnification by Ample Shareholders

From and after the Effective Time, the Ample Shareholders shall, jointly and severally indemnify Akerna and Purchaser (each a “**Purchaser Indemnified Person**”) in respect of, and hold each Purchaser Indemnified Person harmless against any and all Damages incurred or suffered by such Purchaser Indemnified Person resulting from, relating to or constituting:

- (a) any breach or inaccuracy, as of the date of this Agreement or as of the Effective Date, of any representation or warranty of Ample contained in this Agreement or any other agreement or instrument furnished by Ample to Akerna pursuant to this Agreement; or
- (b) any failure to perform any covenant or agreement of Ample contained in this Agreement or any other agreement or instrument furnished by Ample to Akerna pursuant to this Agreement.

6.2 Indemnification by Akerna and Purchaser

From and after the Effective Time, Akerna and Purchaser shall, jointly and severally indemnify each Ample Shareholder (each an “**Ample Indemnified Person**”) in respect of, and hold it harmless against any and all Damages incurred or suffered by any Ample Shareholder resulting from, relating to or constituting:

- (a) any breach or inaccuracy, as of the date of this Agreement or as of the Effective Date, of any representation or warranty of Akerna or Purchaser contained in this Agreement or any other agreement or instrument furnished by Akerna or Purchaser to Ample pursuant to this Agreement; or
- (a) any failure to perform any covenant or agreement of Akerna or Purchaser contained in this Agreement or any other agreement or instrument furnished by Akerna or Purchaser to Ample pursuant to this Agreement.

6.3 Indemnification Claims

- (a) A Party that may be entitled to make a Claim for indemnification under this Agreement (the “**Indemnified Party**”) shall provide a Claim Notice to the other Party or Parties (the “**Indemnifying Party**”) promptly upon the Indemnified Party becoming aware of the Claim and in no event later than the relevant date, if any, specified in Section 6.4. Each Claim Notice shall describe in reasonable detail (to the extent then known to the Indemnified Party) the facts constituting the basis for such Claim, the amount of the claimed Damages, and whether such Claim arises in respect of a Third Party Action or whether such Claim does not so arise. No delay or failure on the part of an Indemnified Party in so delivering a Claim Notice shall relieve any Indemnifying Party of any liability or obligation hereunder except to the extent of any damage or liability caused by or arising out of such delay or failure.
- (b) Within 15 Business Days after delivery of a Claim Notice respecting a Third Party Action, the Indemnifying Party may, upon written notice thereof to the Indemnified Party, assume control of the defense of such Third Party Action with counsel reasonably satisfactory to the Indemnified Party; provided that: (i) the Indemnifying Party may only assume control of such defense if: (A) they acknowledge in writing to the Indemnified Party that any damages, fines, costs or other liabilities that may be assessed against the Indemnified Party in connection with such Third Party Action constitute Damages for which such Indemnified Party shall be indemnified pursuant to this Article 6; and (B) the ad damnum in such Third Party Action, taken together with the estimated costs of defense thereof and

the Claimed Amount with respect to any unresolved claims for indemnification then pending, is less than or equal to the value of the unused portion of the maximum liability each applicable Indemnifying Party is liable for as contemplated hereunder; and (ii) an Indemnifying Party may not assume control of the defense of any Third Party Action involving Taxes or criminal liability or in which equitable relief is sought against an Indemnifying Party. If the Indemnifying Party does not, or is not permitted under the terms of this Agreement to, so assume control of the defense of a Third Party Action, the Indemnified Party shall control such defense. The Party which is not controlling the defense of the Third Party Action (the “**Non-Controlling Party**”) may participate in such defense at its own expense. The party controlling the defence of the Third Party Action (the “**Controlling Party**”) Party shall keep the Non-Controlling Party advised of the status of such Third Party Action and the defense thereof and shall consider in good faith recommendations made by the Non-Controlling Party with respect thereto. The Non-Controlling Party shall furnish the Controlling Party with such information as it may have with respect to such Third Party Action (including copies of any summons, complaint or other pleading which may have been served on such party and any written claim, demand, invoice, billing or other document evidencing or asserting the same) and shall otherwise cooperate with and assist the Controlling Party in the defense of such Third Party Action. The Indemnifying Party shall not agree to any settlement of, or the entry of any judgment arising from, any Third Party Action without the prior written consent of the Indemnified Party, which shall not be unreasonably withheld, conditioned or delayed; provided that the consent of the Indemnified Party shall not be required if the Indemnifying Party, agrees in writing to pay any amounts payable pursuant to such settlement or judgment and such settlement or judgment includes a complete release of the Indemnified Party from further liability and has no other adverse effect on the Indemnified Party. Except as provided in subsection 6.3(d) below, the Indemnified Party shall not agree to any settlement of, or the entry of any judgment arising from, any such Third Party Action without the prior written consent of the Indemnifying Party, which shall not be unreasonably withheld, conditioned or delayed.

- (c) Within 15 Business Days after delivery of a Claim Notice, an Indemnifying Party shall deliver to each Indemnified Party a written response in which the Indemnifying Party, shall: (i) agree that the Indemnified Party is entitled to receive all of the Claimed Amount; (ii) agree that the Indemnified Party is entitled to receive an Agreed Amount; or (iii) dispute that the Indemnified Party is entitled to receive any of the Claimed Amount. The Indemnifying Party may contest the payment of all or a portion of the Claimed Amount only based upon a good faith belief that all or such portion of the Claimed Amount does not constitute Damages for which the Indemnified Party is entitled to indemnification under this Article 6. If no written response is delivered by the Indemnifying Party within such 15 Business Day period, the Indemnifying Party shall be deemed to have agreed that all of the Claimed Amount is owed to the Indemnified Party. Acceptance by the Indemnified Party of partial payment of any Claimed Amount shall be without prejudice to the Indemnified Party’s right to claim the balance of any such Claimed Amount.
- (d) During the 20 Business Day period following the delivery of a written response from the Indemnifying Party that reflects a Dispute, the Indemnifying Party and Indemnified Party shall use good faith efforts to resolve the Dispute. If the Dispute is not resolved within such 20 Business Day period, any party may commence an action to resolve such Dispute in a court of competent jurisdiction in the Province of Ontario in accordance with this Agreement. If the Indemnified Party is seeking to enforce the Claim that is the subject of the Dispute pursuant to the Escrow Agreement, the Indemnifying Party and Indemnified Party shall deliver to the Escrow Agent, promptly following the resolution of the Dispute (whether by mutual agreement, arbitration, judicial decision or otherwise), a written notice executed by both the Indemnifying Party and Indemnified Party instructing the Escrow Agent as to what (if any) portion of the Escrowed Shares shall be distributed to the Indemnified Party (which notice shall be consistent with the terms of the resolution of the Dispute).
- (e) Notwithstanding the other provision of this Section 6.3, if a third party asserts (other than by means of a lawsuit or a tax reassessment) that the Indemnified Party is liable to such third party for a monetary or other obligation which may constitute or result in Damages for which the Indemnified Party may be entitled to indemnification pursuant to this Article 6, and the Indemnified Party reasonably determines that it has a valid business reason to fulfill such obligation, then: (i) the Indemnified Party shall be entitled to satisfy such obligation, without prior notice to or consent from the Indemnifying Party; (ii) the Indemnified Party may subsequently make a claim for indemnification in accordance with this

Article 6; (iii) the Indemnified Party shall be reimbursed, in accordance with this Article 6, for any such Damages for which it is entitled to indemnification (subject to the right of the Indemnifying Party to dispute the Indemnified Party's entitlement to indemnification, or the amount for which it is entitled to indemnification, under the terms of this Article 6).

- (f) The Shareholder Representative shall have full power and authority on behalf of each Ample Shareholder, to take any and all actions on behalf of, execute any and all instrument on behalf of, and execute or waive any and all rights of, the Ample Shareholders under this Article 6. The Shareholder Representative shall have no liability to any Ample Shareholders for any action taken or omitted on behalf of the Ample Shareholders pursuant to this Article 6.

6.4 Survival of Representations and Warranties

- (a) Unless otherwise specified in this Section 6.4(a) or elsewhere in this Agreement, the representations and warranties contained in this Agreement shall survive the Effective Date and the consummation of the transactions contemplated hereby and shall continue in full force and effect in accordance with their terms until the date that is 12 months from the Effective Date.
- (b) If an Indemnified Party delivers to an Indemnifying Party, before expiration of a representation, warranty, covenant or agreement, a Claim Notice or an Expected Claim Notice based upon a breach of such representation, warranty, covenant or agreement, then the applicable representation, warranty, covenant or agreement shall survive until, but only for the purposes of, the resolution of the matter covered by such notice. If the legal proceeding or written claim with respect to which an Expected Claim Notice has been given is definitively withdrawn or resolved in favour of the Indemnified Party, then the Indemnified Party shall promptly so notify the Indemnifying Party. The rights to indemnification set forth in this Article 6 shall not be affected by: (i) any investigation conducted by or on behalf of the Indemnified Party or any knowledge acquired (or capable of being acquired) by the Indemnified Party whether before or after the date of this Agreement or the Effective Date with respect to the inaccuracy or noncompliance with any representation, warranty, covenant or obligation which is the subject of indemnification hereunder; or (ii) any waiver by the Indemnified Party of any closing condition relating to the accuracy of representations and warranties or the performance of or compliance with agreements and covenants.

6.5 Limitations

- (a) With respect to Claims for Damages arising under Section 6.1 or 6.2, no Ample Shareholders, on one hand, and neither of Akerna nor the Purchaser, on the other hand, shall be liable for any such Damages until the aggregate amount of all such Damages for which such Party(ies) may be liable, exceeds \$350,000 (at which point the applicable Indemnifying Party(ies) shall become liable for all Damages under Section 6.1 or 6.2, as applicable, from first dollar, and in excess of such amount); *provided that* the limitation set forth in this sentence shall not apply to claims based on: (i) fraud; or (ii) any claim pursuant to an Akerna Fundamental Representation and Warranty or an Ample Fundamental Representation and Warranty, (iii) any failure of Akerna to satisfy its obligations with respect to the Deferred Consideration under Section 2.19 or the Rights Indenture, or (iv) any Ample Shareholder's entitlement following the Effective Time to receive Akerna Shares in exchange for Exchangeable Shares held by such Ample Shareholder or any alleged breach of the Voting and Exchange Trust Agreement, the Exchangeable Share Support Agreement or the rights and entitlements of any holder of Exchangeable Shares under the articles of incorporation of Purchaser.
- (b) Except for Claims based on fraud, the total aggregate liability of the Ample Shareholders for all Claims shall not exceed the aggregate value of the Escrowed Shares.
- (c) The total liability of the Ample Shareholders for all Claims (inclusive of Claims based on fraud) shall not exceed the aggregate value of the Escrowed Shares and the Closing Shares.
- (d) The recovery of Escrowed Shares and Closing Shares pursuant to Section 6.6 shall be the exclusive means for a Purchaser Indemnified Person to collect Damages for which it is entitled to indemnification under this Article 6 from the Ample Shareholders.

- (e) Except for Claims based on (i) fraud, (ii) with respect to any failure of Akerna to satisfy its obligations with respect to the Deferred Consideration under Section 2.19 or the Rights Indenture, or (iii) any Ample Shareholder's entitlement following the Effective Time to receive Akerna Shares in exchange for Exchangeable Shares held by such Ample Shareholder or any alleged breach of the Voting and Exchange Trust Agreement, the Exchangeable Share Support Agreement or the rights and entitlements of any holder of Exchangeable Shares under the articles of incorporation of Purchaser, the total liability of Akerna and Purchaser shall not exceed the amount determined by multiplying the aggregate number of Escrowed Shares by the Deemed Value Amount.
- (f) The total liability of Akerna and Purchaser for all Claims (inclusive of Claims based on fraud), except for Claims based on (i) any failure of Akerna to satisfy its obligations with respect to the Deferred Consideration under Section 2.19 or the Rights Indenture, or (ii) any Ample Shareholder's entitlement following the Effective Time to receive Akerna Shares in exchange for Exchangeable Shares held by such Ample Shareholder or any alleged breach of the Voting and Exchange Trust Agreement, the Exchangeable Share Support Agreement or the rights and entitlements of any holder of Exchangeable Shares under the articles of incorporation of Purchaser, shall not exceed the amount determined by multiplying the aggregate number of Escrowed Shares and Closing Shares by the Deemed Value Amount.
- (g) An Indemnifying Party shall have no liability to an Indemnified Party for any punitive or exemplary damages except in connection with a Third Party Action.
- (h) An Indemnifying Party shall have no liability to an Indemnified Party hereunder for any Damages that arise as a result of any proposed or actual promulgation or change of any Applicable Laws which occurs after the Effective Date, whether or not the same takes effect retroactively.
- (i) An Indemnifying Party shall not have duplicate liability to an Indemnified Party hereunder by virtue of more than one representation, warranty or covenant relating to the same matter or thing.
- (j) No Ample Shareholder shall have any right of contribution against Ample with respect to any breach by Ample of any of its representations, warranties, covenants or agreements.
- (k) Any payments made to a Party pursuant to this Article 6 or pursuant to the Escrow Agreement shall be treated as an adjustment to the Consideration for tax purposes to the extent permitted by Applicable Law.
- (l) Where any payment is made under this Agreement pursuant to an indemnity, compensation or reimbursement provision, or in respect of any Claim Notice, and the sum is subject to a charge to Taxes in the hands of the recipient (other than Taxes attributable to a payment being properly treated as an adjustment to the Consideration) the sum payable shall be increased to such sum as will ensure that after payment of such Taxes (and after giving credit for any relief available to the recipient in respect of the matter giving rise to the payment) the recipient shall be left with a sum equal to the sum that would have been received in the absence of such a charge to Taxes.

6.6 Recourse to Escrowed Shares

- (a) Except with respect to Claims based on fraud, recovery of Escrowed Shares pursuant to this Section 6.6(a) shall be the exclusive means for a Purchaser Indemnified Person to collect any Damages for which it is entitled to indemnification under this Article 6 from the Ample Shareholders. During the term of the Escrow Agreement (exclusive of any extension thereof past its regular term which occurs solely as a result of a Claim being made thereunder, other than with respect to such Claim), if the Ample Shareholders (or any of them) are determined to owe a Claim amount under this Article 6, then the amount due to any Purchaser Indemnified Person shall be made by the delivery of Escrowed Shares to each applicable Purchaser Indemnified Person pursuant to the Escrow Agreement. The Parties hereby agree that the number of Escrowed Shares that shall be released from escrow in satisfaction of any liability for Damages that a Purchaser Indemnified Person is entitled to recover from an Ample Shareholder in connection with any claim for indemnification under this Article 6 shall, subject to the other limitations on liability set forth in this Article 6, be equal to the amount of Damages that such Purchaser Indemnified Person is entitled to recover from such Ample Shareholder, divided by the 20 day volume weighted average price of the Akerna Shares (converted to Canadian dollars from US dollars

using the Exchange Rate as of the last trading day immediately preceding the date on which such Claim is Determined) as quoted on the NASDAQ on the last trading day immediately preceding the date on which such Claim is Determined (the “**Deemed Escrow Value**”). A Claim shall be deemed to be “**Determined**” for the purposes of this Section 6.6(a), (a) in the case of any Third Party Action which the Shareholder Representative, on behalf of the Ample Shareholders (or any of them), elected to defend, by any settlement agreement between the Shareholder Representative and the applicable Persons asserting such Third Party Action, or otherwise by order of a court, tribunal or arbitrator of competent jurisdiction; or (b) in the case of all other Claims for indemnification, by written acknowledgement of liability by the Shareholder Representative, on behalf of the Ample Shareholders (or any of them), by settlement agreement between the Shareholder Representative and the applicable Purchaser Indemnified Person(s), or otherwise by order of a court, tribunal or arbitrator of competent jurisdiction.

- (b) With respect to Claims based on fraud, if the aggregated Deemed Escrow Value of the Escrowed Shares that are then available to be claimed against pursuant to the Escrow Agreement is insufficient to satisfy any Ample Shareholder’s liability for Damages in respect of fraud, then during the term of the Escrow Agreement (exclusive of any extension thereof past its regular term which occurs solely as a result of a Claim being made thereunder, other than with respect to such Claim), the amount due to the applicable Purchaser Indemnified Persons that cannot be satisfied out of the Escrowed Shares shall be made by the delivery to the applicable Purchaser Indemnified Persons of Closing Shares that then remain in escrow and available to be claimed against pursuant to the Escrow Agreement. The Parties hereby agree that the number of Closing Shares that shall be released from escrow in satisfaction of any liability for Damages based on fraud that a Purchaser Indemnified Person is entitled to recover from an Ample Shareholder in connection with any claim for indemnification under this Article 6 shall, subject to all other limitations on liability set forth in this Article 6, be equal to the amount of Damages that such Purchaser Indemnified Person is entitled to recover from such Ample Shareholder (minus the amount of any such Damages recovered against the Escrowed Shares), divided by the applicable Deemed Escrow Value.

6.7 Satisfaction of Damages with Akerna Shares

If Akerna and Purchaser (or either of them) are determined to owe a Claim amount under this Article 6, then the amount due to any Ample Indemnified Person may, in the sole discretion of Akerna and the Purchaser, be made by the issuance of additional Akerna Shares to such Ample Indemnified Person. The Parties hereby agree that the number of additional Akerna Shares to be issued in satisfaction of any liability for Damages that an Ample Indemnified Person is entitled to recover from Akerna and/or Purchaser in connection with any claim for indemnification under this Article 6 shall, subject to the other limitations on liability set forth in this Article 6, be equal to the amount of Damages that such Ample Indemnified Person is entitled to recover from Akerna and/or Purchaser, divided by the 20 day volume weighted average price of the Akerna Shares (converted to Canadian dollars from US dollars using the Exchange Rate as of the last trading day immediately preceding the date on which such Claim is Determined) as quoted on the NASDAQ on the last trading day immediately preceding the date on which such Claim is Determined. A Claim shall be deemed to be “**Determined**” for the purposes of this Section 6.7, (a) in the case of any Third Party Action which Akerna and/or Purchaser elected to defend, by any settlement agreement between Akerna and/or Purchaser and the applicable Persons asserting such Third Party Action, or otherwise by order of a court, tribunal or arbitrator of competent jurisdiction; or (b) in the case of all other Claims for indemnification, by written acknowledgement of liability by Akerna and/or Purchaser, by settlement agreement between Akerna and/or Purchaser and the applicable Ample Indemnified Person(s), or otherwise by order of a court, tribunal or arbitrator of competent jurisdiction.

6.8 Exclusive Remedy

Following the Effective Date, no Party may make any claim for Damages in respect of this Agreement, including for certainty, in respect of the Arrangement and each other transaction contemplated hereby, or in respect of any breach hereof, against any other Party except by making a Claim pursuant to and in accordance with this Article 6. To the extent that a former Ample Shareholder shall not have complied with the provisions of Section 6.1 or Section 6.2 on or before the date that is six (6) years after the Effective Date (the “**final proscription date**”), then the Consideration that such former Ample Shareholder was entitled to receive shall be automatically cancelled without any repayment of capital in respect thereof and the Consideration to which such former Ample Shareholder was entitled, shall be delivered to Akerna or Purchaser, as applicable, by the Depository and the Exchangeable Shares forming part of the Consideration shall be deemed to be cancelled, and the interest of the former Ample Shareholder in such Exchangeable Shares (and any dividend or other distribution referred to in Section 6.4) to which it was entitled shall be terminated as of such final proscription date, and the certificates formerly representing Ample Shares shall cease to represent a right or claim of any kind or nature as of such final proscription date. Any payment made by way of cheque by the Depository pursuant to this Plan of Arrangement that has not been deposited or has been returned to the Depository or that otherwise remains unclaimed, in each case, on or before the final proscription date shall cease to represent a right or claim of any kind or nature and the right of any Ample Shareholder to receive the Consideration for Ample Shares pursuant to this Plan of Arrangement shall terminate and be deemed to be surrendered and forfeited to Purchaser.

of such Ample Option immediately prior to the Effective Time, multiplied by (B) the Exchange Ratio, rounded down to the nearest whole number of Akerna Shares, at an exercise price per Akerna Share equal to the greater of the quotient determined by dividing (X) the exercise price per Ample Share at which such Ample Option was exercisable immediately prior to the Effective Time, by (Y) the Exchange Ratio, rounded up to the nearest whole cent, and such minimum amount that meets the requirements of paragraph 7(1.4)(c) of the Tax Act.

ARTICLE 7

CERTAIN RIGHTS OF AKERNA AND CALLCO TO ACQUIRE EXCHANGEABLE SHARES

7.1 Liquidation Call Right

In addition to the rights contained in the Exchangeable Share Provisions (including, without limitation, the Retraction Call Right), Akerna and Callco shall have the following rights in respect of the Exchangeable Shares:

- (a) Subject to the proviso in Section 7.1(b) that Callco shall only be entitled to exercise the Liquidation Call Right with respect to those Exchangeable Shares, if any, in respect of which Akerna has not exercised the Liquidation Call Right, Akerna and Callco shall each have the overriding right (the “**Liquidation Call Right**”), in the event of and notwithstanding the proposed liquidation, dissolution or winding-up of Purchaser or any other distribution of the assets of Purchaser among its shareholders for the purpose of winding up its affairs, pursuant to Section 5 of the Exchangeable Share Provisions, and subject to the sale and purchase contemplated by the Automatic Exchange Right, to purchase from all but not less than all of the holders of the Exchangeable Shares (other than any holder of Exchangeable Shares which is Akerna or any of its Affiliates) on the Liquidation Date all but not less than all of the Exchangeable Shares held by each such holder upon payment by Akerna or Callco, as the case may be, to each such holder of the Exchangeable Share Price (payable in the form of the Exchangeable Share Consideration) applicable on the last Business Day prior to the Liquidation Date (the “**Liquidation Call Purchase Price**”) in accordance with Section 7.1(c). In the event of the exercise of the Liquidation Call Right by Akerna or Callco, as the case may be, each such holder of Exchangeable Shares (other than Akerna and its Affiliates) shall be obligated to sell all of the Exchangeable Shares held by the holder to Akerna or Callco, as the case may be, on the Liquidation Date upon payment by Akerna or Callco, as the case may be, to such holder of the Liquidation Call Purchase Price (payable in the form of Exchangeable Share Consideration) for each such share, and Purchaser shall have no obligation to pay any Liquidation Amount to the holders of such shares so purchased.
- (b) Callco shall only be entitled to exercise the Liquidation Call Right with respect to those Exchangeable Shares, if any, in respect of which Akerna has not exercised the Liquidation Call Right. To exercise the Liquidation Call Right, Akerna or Callco must notify the Transfer Agent, as agent for the holders of the Exchangeable Shares, and Purchaser of its intention to exercise such right: (i) in the case of a voluntary liquidation, dissolution or winding-up of Purchaser or any other voluntary distribution of the assets of Purchaser among its shareholders for the purpose of winding up its affairs, at least thirty (30) days

before the Liquidation Date; or (ii) in the case of an involuntary liquidation, dissolution or winding-up of Purchaser or any other involuntary distribution of the assets of Purchaser among its shareholders for the purpose of winding up its affairs, at least five (5) Business Days before the Liquidation Date. The Transfer Agent will notify the holders of the Exchangeable Shares as to whether or not Akerna and/or Callco has exercised the Liquidation Call Right forthwith after the expiry of the period during which Akerna or Callco may exercise the Liquidation Call Right. If Akerna and/or Callco exercises the Liquidation Call Right, then on the Liquidation Date, Akerna and/or Callco, as the case may be, will purchase and the holders of the Exchangeable Shares (other than any holder of Exchangeable Shares which is Akerna or any of its Affiliates) will sell, all of the Exchangeable Shares held by such holders on such date for a price per share equal to the Liquidation Call Purchase Price (payable in the form of Exchangeable Share Consideration).

- (c) For the purposes of completing the purchase and sale of the Exchangeable Shares pursuant to the exercise of the Liquidation Call Right, Akerna and/or Callco, as the case may be, shall deposit or cause to be deposited with the Transfer Agent, on or before the Liquidation Date, the Exchangeable Share Consideration representing the aggregate Liquidation Call Purchase Price for all holders of the Exchangeable Shares (other than Akerna and its Affiliates), less any amounts withheld pursuant to Section 6.3. Provided that such Exchangeable Share Consideration has been so deposited with the Transfer Agent, the holders of the Exchangeable Shares (other than Akerna and its Affiliates) shall cease to be holders of the Exchangeable Shares on and after the Liquidation Date and, from and after such date, shall not be entitled to exercise any of the rights of holders in respect thereof (including, without limitation, any rights under the Voting and Exchange Trust Agreement) other than the right to receive their proportionate part of the aggregate Liquidation Call Purchase Price, without interest, upon presentation and surrender by the holder of certificates representing the Exchangeable Shares held by such holder and the holder shall on and after the Liquidation Date be considered and deemed for all purposes to be the holder of the Akerna Shares which such holder is entitled to receive. Upon surrender to the Transfer Agent of a certificate or certificates representing Exchangeable Shares, together with such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the OBCA and the articles of Purchaser, as applicable, and such additional documents, instruments and payments as the Transfer Agent may reasonably require, the holder of such surrendered certificate or certificates shall be entitled to receive, in exchange therefor, and the Transfer Agent on behalf of Akerna and/or Callco, as the case may be, shall deliver to such holder the Exchangeable Share Consideration such holder is entitled to receive. If neither Akerna nor Callco exercises the Liquidation Call Right in the manner described above, each holder of Exchangeable Shares will be entitled to receive, on the Liquidation Date, the Liquidation Amount otherwise payable by Purchaser in respect of the Exchangeable Shares held by such holder in connection with the liquidation, dissolution or winding-up of Purchaser or any distribution of the assets of Purchaser among its shareholders for the purpose of winding up its affairs pursuant to Section 5 of the Exchangeable Share Provisions.

7.2 Redemption Call Right

In addition to the rights contained in the Exchangeable Share Provisions (including, without limitation, the Retraction Call Right), Akerna and Callco shall have the following rights in respect of the Exchangeable Shares:

- (a) Subject to the proviso in Section 7.2(b) that Callco shall only be entitled to exercise the Redemption Call Right with respect to those Exchangeable Shares, if any, in respect of which Akerna has not exercised the Redemption Call Right, and notwithstanding the proposed redemption of the Exchangeable Shares by Purchaser pursuant to Section 7 of the Exchangeable Share Provisions, Akerna and Callco shall each have the overriding right (the “**Redemption Call Right**”) to purchase from all but not less than all of the holders of the Exchangeable Shares (other than any holder of Exchangeable Shares which is Akerna or any of its Affiliates) on the Redemption Date all but not less than all of the Exchangeable Shares held by each such holder upon payment by Akerna or Callco, as the case may be, to each such holder of the Exchangeable Share Price (payable in the form of the Exchangeable Share Consideration) applicable on the last Business Day prior to the Redemption Date (the “**Redemption Call Purchase Price**”) in accordance with Section 7.2(c). In the event of the exercise of the Redemption Call Right by Akerna or Callco, as the case may be, each such holder of Exchangeable Shares shall be obligated to sell all of the

Exchangeable Shares held by the holder to Akerna or Callco, as the case may be, on the Redemption Date upon payment by Akerna or Callco, as the case may be, to such holder of the Redemption Call Purchase Price (payable in the form of Exchangeable Share Consideration), and Purchaser shall have no obligation to redeem, or to pay the Redemption Price (as defined in the Exchangeable Share Provisions) in respect of, such shares so purchased.

- (b) Callco shall only be entitled to exercise the Redemption Call Right with respect to those Exchangeable Shares, if any, in respect of which Akerna has not exercised the Redemption Call Right. To exercise the Redemption Call Right, Akerna or Callco must notify the Transfer Agent, as agent for the holders of the Exchangeable Shares, and Purchaser of its intention to exercise such right: (i) in the case of a redemption occurring as a result of an Akerna Control Transaction, an Exchangeable Share Voting Event or an Exempt Exchangeable Share Voting Event, on or before the Redemption Date; and (ii) in any other case, at least thirty (30) days before the Redemption Date. The Transfer Agent will notify the holders of the Exchangeable Shares as to whether or not Akerna and/or Callco has exercised the Redemption Call Right forthwith after the expiry of the period during which Akerna or Callco may exercise the Redemption Call Right. If Akerna and/or Callco exercises the Redemption Call Right, Akerna and/or Callco, as the case may be, will purchase and the holders of the Exchangeable Shares (other than any holder of Exchangeable Shares which is Akerna or any of its Affiliates) will sell, on the Redemption Date, all of the Exchangeable Shares held by such holders on such date for a price per share equal to the Redemption Call Purchase Price (payable in the form of Exchangeable Share Consideration).
- (c) For the purposes of completing the purchase and sale of the Exchangeable Shares pursuant to the exercise of the Redemption Call Right, Akerna and/or Callco, as the case may be, shall deposit or cause to be deposited with the Transfer Agent, on or before the Redemption Date, the Exchangeable Share Consideration representing the aggregate Redemption Call Purchase Price less any amounts withheld pursuant to Section 6.3. Provided that such Exchangeable Share Consideration has been so deposited with the Transfer Agent, the holders of the Exchangeable Shares (other than Akerna and its Affiliates) shall cease to be holders of the Exchangeable Shares on and after the Redemption Date and, from and after such date, shall not be entitled to exercise any of the rights of holders in respect thereof (including, without limitation, any rights under the Voting and Exchange Trust Agreement) other than the right to receive their proportionate part of the aggregate Redemption Call Purchase Price, without interest, upon presentation and surrender by the holder of certificates representing the Exchangeable Shares held by such holder and the holder shall on and after the Redemption Date be considered and deemed for all purposes to be the holder of the Akerna Shares which such holder is entitled to receive. Upon surrender to the Transfer Agent of a certificate or certificates representing Exchangeable Shares, together with such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the OBCA and the articles of Purchaser, as applicable, and such additional documents, instruments and payments as the Transfer Agent may reasonably require, the holder of such surrendered certificate or certificates shall be entitled to receive, in exchange therefor, and the Transfer Agent on behalf of Akerna and/or Callco, as the case may be, shall deliver to such holder the Exchangeable Share Consideration such holder is entitled to receive. If neither Akerna nor Callco exercises the Redemption Call Right in the manner described above, each holder of Exchangeable Shares will be entitled to receive, on the Redemption Date, the Redemption Price otherwise payable by Callco in respect of the Exchangeable Shares held by such holder in connection with the redemption of the Exchangeable Shares pursuant to Section 7 of the Exchangeable Share Provisions.

7.3 Change of Law Call Right

In addition to the rights contained in the Exchangeable Share Provisions (including, without limitation, the Retraction Call Right), Akerna and Callco shall have the following rights in respect of the Exchangeable Shares:

- (a) Subject to the proviso in Section 7.3(b) that Callco shall only be entitled to exercise the Change of Law Call Right with respect to those Exchangeable Shares, if any, in respect of which Akerna has not exercised the Change of Law Call Right, Akerna and Callco shall each have the overriding right (the “**Change of Law Call Right**”), in the event of a Change of Law, to purchase from all but not less than all of the holders of the Exchangeable Shares (other than any holder of Exchangeable Shares

which is Akerna or any of its Affiliates) on the Change of Law Call Date all but not less than all of the Exchangeable Shares held by each such holder upon payment by Akerna or Callco, as the case may be, to each such holder of the Exchangeable Share Price (payable in the form of the Exchangeable Share Consideration) applicable on the last Business Day prior to the Change of Law Call Date (the “**Change of Law Call Purchase Price**”) in accordance with Section 7.3(c). In the event of the exercise of the Change of Law Call Right by Akerna or Callco, as the case may be, each such holder of Exchangeable Shares shall be obligated to sell all of the Exchangeable Shares held by the holder to Akerna or Callco, as the case may be, on the Change of Law Call Date upon payment by Akerna or Callco, as the case may be, to such holder of the Change of Law Call Purchase Price (payable in the form of Exchangeable Share Consideration).

- (b) Callco shall only be entitled to exercise the Change of Law Call Right with respect to those Exchangeable Shares, if any, in respect of which Akerna has not exercised the Change of Law Call Right. To exercise the Change of Law Call Right, Akerna or Callco must notify the Transfer Agent, as agent for the holders of the Exchangeable Shares, and Callco of its intention to exercise such right at least thirty (30) days before the date (the “**Change of Law Call Date**”) on which Akerna or Callco, as the case may be, shall acquire the Exchangeable Shares pursuant to the exercise of the Change of Law Call Right. The Transfer Agent will notify the holders of the Exchangeable Shares as to whether or not Akerna and/or Callco has exercised the Change of Law Call Right forthwith after receiving notice of such exercise from Akerna and/or Callco. If Akerna and/or Callco exercises the Change of Law Call Right, Akerna and/or Callco, as the case may be, will purchase and the holders of the Exchangeable Shares (other than any holder of Exchangeable Shares which is Akerna or any of its Affiliates) will sell, on the Change of Law Call Date, all of the Exchangeable Shares held by such holders on such date for a price per share equal to the Change of Law Call Purchase Price (payable in the form of Exchangeable Share Consideration).
- (c) For the purposes of completing the purchase and sale of the Exchangeable Shares pursuant to the exercise of the Change of Law Call Right, Akerna and/or Callco, as the case may be, shall deposit or cause to be deposited with the Transfer Agent, on or before the Change of Law Call Date, the Exchangeable Share Consideration representing the aggregate Change of Law Call Purchase Price less any amounts withheld pursuant to Section 6.3. Provided that such Exchangeable Share Consideration has been so deposited with the Transfer Agent, the holders of the Exchangeable Shares (other than Akerna and its Affiliates) shall cease to be holders of the Exchangeable Shares on and after the Change of Law Call Date and, from and after such date, shall not be entitled to exercise any of the rights of holders in respect thereof (including, without limitation, any rights under the Voting and Exchange Trust Agreement) other than the right to receive their proportionate part of the aggregate Change of Law Call Purchase Price, without interest, upon presentation and surrender by the holder of certificates representing the Exchangeable Shares held by such holder and the holder shall on and after the Change of Law Call Date be considered and deemed for all purposes to be the holder of the Akerna Shares which such holder is entitled to receive. Upon surrender to the Transfer Agent of a certificate or certificates representing Exchangeable Shares, together with such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the OBCA and the articles of Purchaser, as applicable and such additional documents, instruments and payments as the Transfer Agent may reasonably require, the holder of such surrendered certificate or certificates shall be entitled to receive, in exchange therefor, and the Transfer Agent on behalf of Akerna and/or Callco, as the case may be, shall deliver to such holder the Exchangeable Share Consideration such holder is entitled to receive.

COVENANTS OF AKERNA AND EXCHANGECO

2.1 Covenants Regarding Exchangeable Shares

So long as any Exchangeable Shares not owned by Akerna or its affiliates are outstanding, Akerna shall:

- (a) not take any action that will result in the declaration or payment of any dividend or make any other distribution on the Akerna Shares unless:
 - (i) Exchangeco shall: (A) simultaneously declare or pay, as the case may be, an equivalent dividend or other distribution economically equivalent thereto (as determined in accordance with the Exchangeable Share Provisions) on the Exchangeable Shares (an “**Equivalent Dividend**”); and (B) have sufficient money or other assets or authorized but unissued securities available to enable the due declaration and the due and punctual payment, in accordance with applicable law and the Exchangeable Share Provisions, of any such Equivalent Dividend; or
 - (ii) if the dividend or other distribution is a stock or share dividend or distribution of stock or shares, and if Exchangeco so chooses as an alternative to taking the action described in (i), in lieu of such dividend or other distribution on the Akerna Shares, Exchangeco shall:
 - (A) effect a corresponding, contemporaneous and economically equivalent subdivision of the outstanding Exchangeable Shares (as determined in accordance with the Exchangeable Share Provisions) (an “**Equivalent Stock Subdivision**”); and
 - (B) have sufficient authorized but unissued securities available to enable the Equivalent Stock Subdivision;
- (b) advise Exchangeco sufficiently in advance of the declaration by Akerna of any dividend or other distribution on the Akerna Shares and take all such other actions as are reasonably necessary or desirable, in co-operation with Exchangeco, to ensure that:
 - (i) the respective declaration date, record date and payment date for an Equivalent Dividend shall be the same as the declaration date, record date and payment date for the corresponding dividend or other distribution on the Akerna Shares; or
 - (ii) the record date and effective date for an Equivalent Stock Subdivision shall be the same as the record date and payment date for the corresponding stock or share dividend or distribution of stock or shares, in lieu of such a dividend or other distribution on the Akerna Shares and that such Equivalent Stock Subdivision shall comply with the requirements of the stock exchange on which the Exchangeable Shares are then listed;
- (c) take all such actions and do all such things as are reasonably necessary or desirable to enable and permit Exchangeco, in accordance with applicable law, to pay and otherwise perform its obligations with respect to the satisfaction of the Liquidation Amount, the Retraction Price or the Redemption Price in respect of each issued and outstanding Exchangeable Share upon the liquidation, dissolution or winding-up of Exchangeco or any other distribution of the assets of Exchangeco among its shareholders for the purpose of winding up its affairs, the delivery of a Retraction Request by a holder of Exchangeable Shares or a redemption of Exchangeable Shares by Exchangeco, as the case may be, including without limitation all such actions and all such things as are necessary or desirable to enable and permit Exchangeco to deliver or cause to be delivered Akerna Shares or other property to the holders of Exchangeable Shares in accordance with the provisions of Sections 5,6 or 7, as the case may be, of the Exchangeable Share Provisions;
- (d) take all such actions and do all such things as are reasonably necessary or desirable to enable and permit the Trustee in accordance with applicable law to perform its obligations under the Voting and Exchange Trust Agreement, including, without limitation, all such actions and all such things as are reasonably necessary or desirable to enable and permit the Trustee in its capacity as trustee under the Voting and Exchange Trust Agreement to exercise such number of votes in respect of an Akerna Meeting or an

Akerna Consent (as such terms are defined in the Voting and Exchange Trust Agreement) as is equal to the aggregate number of Exchangeable Shares outstanding at the relevant time other than those held by Akerna and its affiliates;

- (e) take all such actions and do all such things as are reasonably necessary or desirable to enable and permit Akerna or Callco, as the case may be, in accordance with applicable law, to perform its obligations arising upon the exercise by it of the Liquidation Call Right, the Retraction Call Right, the Change of Law Call Right (as defined in the Plan of Arrangement) or the Redemption Call Right, including without limitation all such actions and all such things as are necessary or desirable to enable and permit Akerna or Callco, as the case may be, to deliver or cause to be delivered Akerna Shares or other property to the holders of Exchangeable Shares in accordance with the provisions of the Liquidation Call Right, the Retraction Call Right, the Change of Law Call Right or the Redemption Call Right, as the case may be; and
- (f) not exercise its vote as a shareholder of Exchangeco to initiate the voluntary liquidation, dissolution or winding up of Exchangeco or any other distribution of the assets of Exchangeco among its shareholders for the purpose of winding up its affairs, nor take any action or omit to take any action that is designed to result in the liquidation, dissolution or winding up of Exchangeco or any other distribution of the assets of Exchangeco among its shareholders for the purpose of winding up its affairs.

2.2 Segregation of Funds

Akerna will cause Exchangeco to deposit a sufficient amount of funds in a separate account of Exchangeco and segregate a sufficient amount of such other assets and property as is necessary to enable Exchangeco to pay or otherwise satisfy its obligations with respect to the applicable dividend, Liquidation Amount, Retraction Price or Redemption Price, in each case once such amounts become payable under the terms of this Agreement or the Exchangeable Share Provisions. Exchangeco will use such funds, assets and property so segregated exclusively for the payment of dividends and the payment or other satisfaction of the Liquidation Amount, the Retraction Price or the Redemption Price, as applicable net of any corresponding withholding tax obligations and for the remittance of such withholding tax obligations.

2.3 Reservation of Akerna Shares

Akerna hereby represents, warrants and covenants in favour of Exchangeco and Callco that Akerna has reserved for issuance and shall, at all times while any Exchangeable Shares are outstanding, keep available, free from pre-emptive and other rights, out of its authorized and unissued capital stock such number of Akerna Shares (or other shares or securities into which Akerna Shares may be reclassified or changed as contemplated by Section 2.7):

- (a) as is equal to the sum of: (i) the number of Exchangeable Shares issued and outstanding from time to time; and (ii) the number of Exchangeable Shares issuable upon the exercise of all rights to acquire Exchangeable Shares outstanding from time to time; and
- (b) as are now and may hereafter be required to enable and permit each of Akerna, Callco and Exchangeco to meet its obligations under the Voting and Exchange Trust Agreement, the Exchangeable Share Provisions and any other security or commitment relating to the Arrangement pursuant to which Akerna may now or hereafter be required to issue or cause to be issued Akerna Shares.

2.4 Notification of Certain Events

In order to assist Akerna to comply with its obligations hereunder and to permit Akerna or Callco to exercise, as the case may be, the Liquidation Call Right, the Retraction Call Right, the Change of Law Call Right or the Redemption Call Right, as applicable, Exchangeco shall notify Akerna and Callco of each of the following events at the time set forth below:

- (a) in the event of any determination by the board of directors of Exchangeco to institute voluntary liquidation, dissolution or winding-up proceedings with respect to Exchangeco or to effect any other distribution of the assets of Exchangeco among its shareholders for the purpose of winding up its affairs, at least 60 days prior to the proposed effective date of such liquidation, dissolution, winding-up or other distribution;

- (b) promptly upon the earlier of: (i) receipt by Exchangeco of notice of; and (ii) Exchangeco otherwise becoming aware of, any threatened or instituted claim, suit, petition or other proceedings with respect to the involuntary liquidation, dissolution or winding-up of Exchangeco or to effect any other distribution of the assets of Exchangeco among its shareholders for the purpose of winding up its affairs;
- (c) immediately, upon receipt by Exchangeco of a Retraction Request;
- (d) on the same date on which notice of redemption is given to holders of Exchangeable Shares, upon the determination of a Redemption Date in accordance with the Exchangeable Share Provisions;
- (e) as soon as practicable upon the issuance by Exchangeco of any Exchangeable Shares or rights to acquire Exchangeable Shares (other than the issuance of Exchangeable Shares and rights to acquire Exchangeable Shares pursuant to the Arrangement); and
- (f) promptly, upon receiving notice of a Change of Law (as such term is defined in the Plan of Arrangement).

2.5 Delivery of Akerna Shares

Upon notice from Callco or Exchangeco of any event that requires Callco or Exchangeco to deliver or cause to be delivered Akerna Shares to any holder of Exchangeable Shares, Akerna shall forthwith issue and deliver or cause to be delivered the requisite number of shares of Akerna Shares for the benefit of Callco or Exchangeco, as appropriate, and Callco or Exchangeco, as the case may be, shall forthwith cause to be delivered the requisite number of Akerna Shares to be received by or for the benefit of the former holder of the surrendered Exchangeable Shares. All such Akerna Shares shall be duly authorized and validly issued as fully paid, non-assessable, free of preemptive rights and shall be free and clear of any lien, claim or encumbrance.

2.6 Qualification of Akerna Shares

- (1) Akerna covenants and agrees that it shall: (a) file a registration statement (the “**Registration Statement**”) under the U.S. Securities Act of 1933, as amended (the “**1933 Act**”) to register any and all of the Akerna Shares to be issued or delivered to holders of the Exchangeable Shares by Akerna or Callco (including, for greater certainty, pursuant to the Exchange Right or the Automatic Exchange Right); (b) cause the Registration Statement to become effective prior to the time that any Exchangeable Shares are first issued; and (c) cause the Registration Statement (or a successor registration statement) to remain effective at all times that any Exchangeable Shares remain outstanding, in each case unless the issuance of such securities is exempt from any requirement for registration under the 1933 Act and all applicable state securities laws. Without limiting the generality of the foregoing, Akerna and Callco each covenant and agree that it will make such filings and seek such regulatory consents and approvals as are necessary so that the Akerna Shares to be issued or delivered to holders of Exchangeable Shares by Akerna or Callco pursuant to the terms of the Exchangeable Share Provisions, the Voting and Exchange Trust Agreement and this Agreement will be offered, sold, issued and delivered in compliance with the 1933 Act and all applicable state securities laws, and applicable securities laws in Canada and shall ensure that the Akerna Shares will not be “restricted securities” within the meaning of Rule 144 under the 1933 Act. Akerna will in good faith expeditiously take all such actions and do all such things as are reasonably necessary or desirable to cause all Akerna Shares to be delivered to holders of Exchangeable Shares pursuant to the terms of the Exchangeable Share Provisions, the Voting and Exchange Trust Agreement and this Agreement to be listed, quoted and posted for trading on all stock exchanges and quotation systems on which outstanding Akerna Shares have been listed by Akerna and remain listed and are quoted or posted for trading at such time.
- (2) Notwithstanding any other provision of the Exchangeable Share Provisions, or any term of this Agreement, the Voting and Exchange Trust Agreement or the Plan of Arrangement, no Akerna Shares shall be issued (and Akerna will not be required to issue any Akerna Shares) in connection with any liquidation, dissolution or winding-up of Exchangeco, or any retraction, redemption or any other exchange, direct or indirect, of Exchangeable Shares, if such issuance of Akerna Shares would not be permitted by applicable laws.

2.7 Economic Equivalence

(1) So long as any Exchangeable Shares not owned by Akerna or its affiliates are outstanding:

- (a) Akerna shall not without the prior approval of Exchangeco and the prior approval of the holders of the Exchangeable Shares given in accordance with Section 11(b) of the Exchangeable Share Provisions:
- (i) issue or distribute Akerna Shares (or securities exchangeable for or convertible into or carrying rights to acquire Akerna Shares) to the holders of all or substantially all of the then outstanding Akerna Shares by way of stock or share dividend or other distribution, other than an issue of Akerna Shares (or securities exchangeable for or convertible into or carrying rights to acquire Akerna Shares) to holders of Akerna Shares: (A) who exercise an option to receive dividends in Akerna Shares (or securities exchangeable for or convertible into or carrying rights to acquire Akerna Shares) in lieu of receiving cash dividends; or (B) pursuant to any dividend reinvestment plan or scrip dividend or similar arrangement; or
 - (ii) issue or distribute rights, options or warrants to the holders of all or substantially all of the then outstanding Akerna Shares entitling them to subscribe for or to purchase Akerna Shares (or securities exchangeable for or convertible into or carrying rights to acquire Akerna Shares); or
 - (iii) issue or distribute to the holders of all or substantially all of the then outstanding Akerna Shares: (A) shares or securities of Akerna of any class other than Akerna Shares (or securities convertible into or exchangeable for or carrying rights to acquire Akerna Shares); (B) rights, options, warrants or other assets other than those referred to in Section 2.7(1)(a)(ii); (C) evidence of indebtedness of Akerna; or (D) assets of Akerna;

unless, in each case, Exchangeco issues or distributes the economic equivalent of such rights, options, warrants, securities, shares, evidences of indebtedness or other assets simultaneously to holders of the Exchangeable Shares; provided, however, that, for greater certainty, the above restrictions shall not apply to any securities issued or distributed by Akerna in order to give effect to and to consummate the transactions contemplated by, and in accordance with, the Arrangement Agreement and the Plan of Arrangement.

- (b) Akerna shall not without the prior approval of Exchangeco and the prior approval of the holders of the Exchangeable Shares given in accordance with Section 11(b) of the Exchangeable Share Provisions:
- (i) subdivide, redivide or change the then outstanding Akerna Shares into a greater number of Akerna Shares; or
 - (ii) reduce, combine, consolidate or change the then outstanding Akerna Shares into a lesser number of Akerna Shares; or
 - (iii) reclassify or otherwise change the Akerna Shares or effect an amalgamation, merger, reorganization or other transaction affecting the Akerna Shares;

unless, in each case, the same or an economically equivalent change is made simultaneously to, or in the rights of the holders of, the Exchangeable Shares; provided, however, that, for greater certainty, the above restrictions shall not apply to any securities issued or distributed by Akerna in order to give effect to and to consummate the transactions contemplated by, and in accordance with the Arrangement Agreement and the Plan of Arrangement.

- (2) The board of directors of Exchangeco shall determine, in good faith and in its sole discretion (with the assistance of such financial or other advisors as the board of may determine), “economic equivalence” for the purposes of any event referred to in Section 2.7(1)(a) or Section 2.7(1)(b) and each such determination shall be conclusive and binding on Akerna. In making each such determination, the following factors shall, without excluding other factors determined by the board of directors of Exchangeco to be relevant, be considered by the board of directors of Exchangeco:
- (a) in the case of any stock or share dividend or other distribution payable in Akerna Shares, the number of such shares issued as a result of such stock or share dividend or other distribution in proportion to the number of Akerna Shares previously outstanding;
 - (b) in the case of the issuance or distribution of any rights, options or warrants to subscribe for or purchase Akerna Shares (or securities exchangeable for or convertible into or carrying rights to acquire Akerna Shares), the relationship between the exercise price of each such right, option or warrant, the number of such rights, options or warrants to be issued or distributed in respect of each Akerna Share and the Current Market Price of an Akerna Share, the price volatility of the Akerna Shares and the terms of any such instrument;
 - (c) in the case of the issuance or distribution of any other form of property (including without limitation any shares or securities of Akerna of any class other than Akerna Shares, any rights, options or warrants other than those referred to in Section 2.7(2)(b), any evidences of indebtedness of Akerna or any assets of Akerna), the relationship between the fair market value (as determined by the board of directors of Exchangeco in the manner above contemplated) of such property to be issued or distributed with respect to each outstanding Akerna Share and the Current Market Price of an Akerna Share;
 - (d) in the case of any subdivision, redivision or change of the then outstanding Akerna Shares into a greater number of Akerna Shares or the reduction, combination, consolidation or change of the then outstanding Akerna Shares into a lesser number of Akerna Shares or any amalgamation, merger, arrangement, reorganization or other transaction affecting Akerna Shares, the effect thereof upon the then outstanding Akerna Shares; and
 - (e) in all such cases, the general taxation consequences of the relevant event to holders of Exchangeable Shares to the extent that such consequences may differ from the taxation consequences to holders of Akerna Shares as a result of differences between taxation laws of Canada and the United States (except for any differing consequences arising as a result of differing marginal taxation rates and without regard to the individual circumstances of holders of Exchangeable Shares).
- (3) Exchangeco agrees that, to the extent required, upon due notice from Akerna, Exchangeco shall use its best efforts to take or cause to be taken such steps as may be necessary for the purposes of ensuring that appropriate dividends are paid or other distributions are made by Exchangeco, or subdivisions, redivisions or changes are made to the Exchangeable Shares, in order to implement the required economic equivalence with respect to the Akerna Shares and Exchangeable Shares as provided for in this Section 2.7.

2.8 Tender Offers

In the event that a tender offer, share exchange offer, issuer bid, take-over bid or similar transaction with respect to Akerna Shares (an “Offer”) is proposed by Akerna or is proposed to Akerna or its shareholders and is recommended by the board of directors of Akerna, or is otherwise effected or to be effected with the consent or approval of the board of directors of Akerna, and the Exchangeable Shares are not redeemed by Exchangeco or purchased by Akerna or Calco pursuant to the Redemption Call Right, Akerna and Exchangeco will use reasonable efforts to take all such actions and do all such things as are necessary or desirable to enable and permit holders of Exchangeable Shares (other than Akerna and its affiliates) to participate in such Offer to the same extent and on an economically equivalent basis as the holders of Akerna Shares, without discrimination. Without limiting the generality of the foregoing, Akerna and Exchangeco will use reasonable efforts in good faith to ensure that holders of Exchangeable Shares may participate in each such Offer without being required to retract Exchangeable Shares as against Exchangeco (or, if so required, to ensure that any such retraction shall be effective only upon, and shall be conditional upon, the closing of such Offer and only to the extent necessary to tender or deposit to the Offer). Nothing herein shall affect the rights of Exchangeco to redeem, or Akerna or Calco to purchase pursuant to the Redemption Call Right, Exchangeable Shares in the event of an Akerna Control Transaction.

2.9 Akerna and Affiliates Not to Vote Exchangeable Shares

Each of Akerna and Calco covenants and agrees that it shall appoint and cause to be appointed proxyholders with respect to all Exchangeable Shares held by it and its affiliates for the sole purpose of attending each meeting of holders of Exchangeable Shares in order to be counted as part of the quorum for each such meeting. Each of Akerna and Calco further covenants and agrees that it shall not, and shall cause its affiliates not to, exercise any voting rights which may be exercisable by holders of Exchangeable Shares from time to time pursuant to the Exchangeable Share Provisions or pursuant to the provisions of the *Business Corporations Act* (Ontario) (or any successor or other corporate statute by which Exchangeco may in the future be governed) with respect to any Exchangeable Shares held by it or by its affiliates in respect of any matter considered at any meeting of holders of Exchangeable Shares; provided however, for further clarity, that this Section 2.9 shall not in any way restrict the right of Akerna or any of its affiliates to vote their common shares of Exchangeco in accordance with the Exchangeable Share Provisions.

2.10 Ordinary Market Purchases

For greater certainty, nothing contained in this Agreement, including without limitation the obligations of Akerna contained in Section 2.8, shall limit the ability of Akerna (or any of its affiliates) to make ordinary market or other voluntary purchases of Akerna Shares in accordance with applicable laws and regulatory or stock exchange requirements.

2.11 Ownership of Outstanding Shares

Without the prior approval of Exchangeco and the prior approval of the holders of the Exchangeable Shares given in accordance with Section 11(b) of the Exchangeable Share Provisions, Akerna covenants and agrees in favour of Exchangeco that, as long as any outstanding Exchangeable Shares not owned by Akerna or its affiliates are outstanding, Akerna will be and remain the direct or indirect beneficial owner of all issued and outstanding common shares in the capital of Exchangeco and Calco. Notwithstanding the foregoing, Akerna shall not be in violation of this Section 2.11 if any person or group of persons acting jointly or in concert acquires all or substantially all of the assets of Akerna or the Akerna Shares pursuant to any merger or similar transaction involving Akerna pursuant to which Akerna is not the surviving corporation.

ARTICLE 3 AKERNA SUCCESSORS

3.1 Certain Requirements in Respect of Combination, etc.

So long as any Exchangeable Shares not owned by Akerna or its affiliates are outstanding, Akerna shall not enter into any transaction (whether by way of reorganization, consolidation, arrangement, amalgamation, merger, transfer, sale, lease or otherwise) whereby all or substantially all of its undertaking, property and assets would become the property of any other person or, in the case of an amalgamation or merger, of the continuing corporation resulting therefrom, provided that it may do so if:

- (a) such other person or continuing corporation (the “**Akerna Successor**”) by operation of law, becomes, without more, bound by the terms and provisions of this Agreement or, if not so bound, executes, prior to or contemporaneously with the consummation of such transaction, an agreement supplemental hereto and such other instruments (if any) as are necessary or advisable to evidence the assumption by the Akerna Successor of liability for all moneys payable and property deliverable hereunder and the covenant of such Akerna Successor to pay and deliver or cause to be paid and delivered the same and its agreement to observe and perform all the covenants and obligations of Akerna under this Agreement; and
- (b) such transaction shall be upon such terms and conditions as to preserve and not to impair any of the rights, duties, powers and authorities of the other parties hereunder or the holders of the Exchangeable Shares.

3.2 Vesting of Powers in Successor

Whenever the conditions of Section 3.1 have been duly observed and performed, the parties, if required by Section 3.1, shall execute and deliver the supplemental agreement provided for in Section 3.1(a) and thereupon the Akerna Successor and such other person that may then be the issuer of the Akerna Shares shall possess and from time to time may exercise each and every right and power of Akerna under this Agreement in the name of Akerna or otherwise and any act or proceeding by any provision of this Agreement required to be done or performed by the board of directors of Akerna or any officers of Akerna may be done and performed with like force and effect by the directors or officers of such Akerna Successor.

3.3 Wholly-Owned Subsidiaries

Nothing herein shall be construed as preventing: (a) the amalgamation or merger of any wholly-owned direct or indirect subsidiary of Akerna (other than Exchangeco or Callco) with or into Akerna; (b) the winding-up, liquidation or dissolution of any wholly-owned direct or indirect subsidiary of Akerna (other than Exchangeco or Callco), provided that all of the assets of such subsidiary are transferred to Akerna or another wholly-owned direct or indirect subsidiary of Akerna; (c) any other distribution of the assets of any wholly-owned direct or indirect subsidiary of Akerna among the shareholders of such subsidiary for the purpose of winding up its affairs; and (d) any such transactions are expressly permitted by this Article 3.

3.4 Successorship Transaction

Notwithstanding the foregoing provisions of this Article 3, in the event of an Akerna Control Transaction:

- (a) in which Akerna merges or amalgamates with, or in which all or substantially all of the then outstanding Akerna Shares are acquired by, one or more other corporations to which Akerna is, immediately before such merger, amalgamation or acquisition, “related” within the meaning of the *Income Tax Act* (Canada) (otherwise than by virtue of a right referred to in paragraph 251(5)(b) thereof);
- (b) which does not result in an acceleration of the Redemption Date in accordance with paragraph (ii) of the definition of Redemption Date in the Exchangeable Share Provisions; and
- (c) in which all or substantially all of the then outstanding Akerna Shares are converted into or exchanged for shares or rights to receive such shares (the “**Other Shares**”) or another corporation (the “**Other Corporation**”) that, immediately after such Akerna Control Transaction, owns or controls, directly or indirectly, Akerna;

then all references herein to “Akerna” shall thereafter be and be deemed to be references to “Other Corporation” and all references herein to “Akerna Shares” shall thereafter be and be deemed to be references to “Other Shares” (with appropriate adjustments if any, as are required to result in a holder of Exchangeable Shares on the exchange, redemption or retraction of such shares pursuant to the Exchangeable Share Provisions or the Plan of Arrangement or the exchange of such shares pursuant to the Voting and Exchange Trust Agreement immediately subsequent to the Akerna Control Transaction being entitled to receive that number of Other Shares equal to the number of Other Shares such holder of Exchangeable Shares would have received if the exchange, redemption or retraction of such shares pursuant to the Exchangeable Share Provisions or the Plan of Arrangement, or the exchange of such shares pursuant to the Voting and Exchange Trust Agreement had occurred immediately prior to the Akerna Control Transaction and the Akerna Control Transaction was completed) but subject to subsequent adjustments to reflect any subsequent changes in the share capital of the issuer of the Other Shares, including without limitation, any subdivision, consolidation or reduction of share capital, without any need to amend the terms and conditions of the Exchangeable Shares and without any further action required.

**ARTICLE 4
GENERAL**

4.1 Term

This Agreement shall come into force and be effective as of the date hereof and shall terminate and be of no further force and effect at such time as no Exchangeable Shares (or securities or rights convertible into or exchangeable for or carrying rights to acquire Exchangeable Shares) are held by any person other than Akerna and any of its affiliates.

4.2 Changes in Capital of Akerna and Exchangeco

Notwithstanding the provisions of Section 4.4, at all times after the occurrence of any event contemplated pursuant to Section 2.7 and Section 2.8 or otherwise, as a result of which either Akerna Shares or the Exchangeable Shares or both are in any way changed, this Agreement shall forthwith be amended and modified as necessary in order that it shall apply with full force and effect, *mutatis mutandis*, to all new securities into which Akerna Shares or the Exchangeable Shares or both are so changed and the parties hereto shall execute and deliver an agreement in writing giving effect to and evidencing such necessary amendments and modifications.

4.3 Severability

If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule or law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the fullest extent possible.

4.4 Amendments, Modifications

Subject to Section 4.2, Section 4.3 and Section 4.5 this Agreement may not be amended or modified except by an agreement in writing executed by Akerna, Callco and Exchangeco and approved by the holders of the Exchangeable Shares in accordance with Section 11(b) of the Exchangeable Share Provisions. No amendment or modification or waiver of any of the provisions of this Agreement otherwise permitted hereunder shall be effective unless made in writing and signed by all of the parties hereto.

4.5 Ministerial Amendments

Notwithstanding the provisions of Section 4.4, the parties to this Agreement may in writing at any time and from time to time, without the approval of the holders of the Exchangeable Shares, amend or modify this Agreement for the purposes of:

- (b) evidencing the succession of Akerna Successors and the covenants of and obligations assumed by each such Akerna Successor in accordance with the provisions of Article 3;
- (c) making such amendments or modifications not inconsistent with this Agreement as may be necessary or desirable with respect to matters or questions arising hereunder which, in the good faith opinion of the board of directors of each of Akerna, Callco and Exchangeco, it may be expedient to make, provided that each such board of directors shall be of the good faith opinion, after consultation with counsel, that such amendments or modifications will not be prejudicial to the rights or interests of the holders of the Exchangeable Shares; or
- (d) making such changes or corrections hereto which, on the advice of counsel to Akerna, Callco and Exchangeco, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error contained herein, provided that the boards of directors of each of Akerna, Callco and Exchangeco shall be of the good faith opinion that such changes or corrections will not be prejudicial to the rights or interests of the holders of the Exchangeable Shares.

4.6 Meeting to Consider Amendments

Exchangeco, at the request of Akerna, shall call a meeting or meetings of the holders of the Exchangeable Shares for the purpose of considering any proposed amendment or modification requiring approval pursuant to Section 4.4. Any such meeting or meetings shall be called and held in accordance with the articles of Exchangeco, the Exchangeable Share Provisions and all applicable laws.

4.7 Escrow Agreement

Notwithstanding any other provision hereof, the parties hereto acknowledge and agree that the Exchangeable Shares and Akerna Shares are, as at the date hereof, subject to the terms and conditions of the Escrow Agreement (as defined in the Arrangement Agreement), and for so long as such shares continue to be subject to the Escrow Agreement, any transfer or exchange of Exchangeable Shares pursuant to this Agreement will be made subject to the Escrow Agreement and any Exchangeable Share consideration issued in respect of Exchangeable Shares will be subject to the Escrow Agreement.

The Trustee shall hold the Special Voting Share in order to enable the Trustee to exercise the Voting Rights and shall hold the Exchange Right, the Put Right and the Automatic Exchange Right in order to enable the Trustee to exercise or enforce such rights, in each case as trustee for and on behalf of the Beneficiaries as provided in this Agreement.

ARTICLE 3 SPECIAL VOTING SHARE

Immediately following execution and delivery of this Agreement, Akerna shall issue to and deposit with the Trustee the Special Voting Share (and shall deliver the certificate representing such share to the Trustee) to be hereafter held of record by the Trustee as trustee for and on behalf of, and for the use and benefit of, the Beneficiaries and in accordance with the provisions of this Agreement. Akerna hereby acknowledges receipt from the Trustee, as trustee for and on behalf of the Beneficiaries, of \$1.00 and other good and valuable consideration (and the adequacy thereof) for the issuance of the Special Voting Share by Akerna to the Trustee. During the term of the Trust, and

subject to the terms and conditions of this Agreement, the Trustee shall possess and be vested with full legal ownership of the Special Voting Share and shall be entitled to exercise all of the rights and powers of an owner with respect to the Special Voting Share; provided, however, that:

- (a) the Trustee shall hold the Special Voting Share and the legal title thereto as trustee solely for the use and benefit of the Beneficiaries in accordance with the provisions of this Agreement; and

- (a) the Trustee shall exercise the Voting Rights only on the basis of instructions received pursuant to this Article 4 from Beneficiaries on the record date established by Akerna or by applicable law for such Akerna Meeting or Akerna Consent who are entitled to instruct the Trustee as to the voting thereof;
- (b) to the extent that no instructions are received from a Beneficiary with respect to the Voting Rights in respect of which such Beneficiary is entitled to instruct the Trustee, the Trustee shall not exercise or permit the exercise of such Voting Rights; and
- (c) without prejudice to paragraph (b) above, under no circumstances shall the Trustee exercise or permit the exercise of a number of Voting Rights which is greater than the number of Exchangeable Shares outstanding at the relevant time.

4.2 Number of Votes

With respect to all meetings of shareholders of Akerna at which holders of Akerna Shares are entitled to vote (each, an “**Akerna Meeting**”) and with respect to all written consents sought by Akerna from holders of Akerna Shares (each, an “**Akerna Consent**”), each Beneficiary shall be entitled to instruct the Trustee to cast and exercise, in the manner instructed, that number of votes equal to the Equivalent Vote Amount for each Exchangeable Share owned of record by such Beneficiary at the close of business on the record date established by Akerna or by applicable law for such Akerna Meeting or Akerna Consent, as the case may be (collectively, the “**Beneficiary Votes**”), in respect of each matter, question, proposal or proposition to be voted on at such Akerna Meeting or consented to in connection with such Akerna Consent.

4.3 Mailings to Shareholders

- (1) With respect to each Akerna Meeting or Akerna Consent, the Trustee will mail or cause to be mailed (or otherwise communicate in the same manner as Akerna utilizes in communications to holders of Akerna Shares, subject to applicable regulatory requirements and to the Trustee being advised in writing of such manner of communications and provided that such manner of communications is reasonably available to the Trustee) to each Beneficiary named in the applicable List on the same day as the mailing (or other communication) with respect thereto is commenced by Akerna to its shareholders:
 - (a) a copy of such mailing, together with any related materials, including, without limitation, any proxy circular or information statement or listing particulars, to be provided to shareholders of Akerna;
 - (b) a statement that such Beneficiary is entitled to instruct the Trustee as to the exercise of the Beneficiary Votes with respect to such Akerna Meeting or Akerna Consent or, pursuant to Section 4.7, to attend such Akerna Meeting and to exercise personally the Beneficiary Votes thereat;
 - (c) a statement as to the manner in which such instructions may be given to the Trustee, including an express indication that instructions may be given to the Trustee to give: (A) a proxy to such Beneficiary or his, her or its designee to exercise personally such holder's Beneficiary Votes; or (B) a proxy to a designated agent or other representative of Akerna to exercise such holder's Beneficiary Votes;
 - (d) a statement that if no such instructions are received from such Beneficiary, the Beneficiary Votes to which the Beneficiary is entitled will not be exercised;
 - (e) a form of direction such Beneficiary may use to direct and instruct the Trustee as contemplated herein; and
 - (f) a statement of: (A) the time and date by which such instructions must be received by the Trustee in order for such instructions to be binding upon the Trustee, which in the case of an Akerna Meeting shall not be earlier than the close of business on the Business Day immediately prior to the date by which Akerna has required proxies to be deposited for such meeting; and (B) of the method for revoking or amending such instructions.
- (2) The materials referred to in this Section 4.3 shall be provided to the Trustee by Akerna, and the materials referred to in Sections 4.3(1)(b), 4.3(1)(c), 4.3(1)(d), 4.3(1)(e) and 4.3(1)(f) shall (if reasonably practicable to do so) be subject to reasonable comment by the Trustee in a timely manner. Subject to the foregoing, Akerna shall ensure that the materials to be provided to the Trustee are provided in sufficient time to permit the Trustee to comment as aforesaid and to send all materials to each Beneficiary at the same time as such materials are first sent to holders of Akerna Shares. Akerna agrees not to communicate with holders of Akerna Shares with respect to the materials referred to in this Section 4.3 otherwise than by mail unless such method of communication is also reasonably available to the Trustee for communication with the Beneficiaries. Notwithstanding the foregoing, Akerna may, at its option, exercise the duties of the Trustee to deliver copies of all materials to all Beneficiaries as required by this Section 4.3 so long as, in each case, Akerna delivers a certificate to the Trustee stating that Akerna has undertaken to perform the obligations of the Trustee set forth in this Section 4.3.
- (3) For the purpose of determining the number of Beneficiary Votes to which a Beneficiary is entitled in respect of any Akerna Meeting or Akerna Consent, the number of Exchangeable Shares owned of record by the Beneficiary shall be determined at the close of business on the record date established by Akerna or by applicable law for purposes of determining shareholders entitled to vote at such Akerna Meeting or in respect of such Akerna Consent. Akerna shall notify the Trustee of any decision of the board of directors of Akerna with respect to the calling of any Akerna Meeting or any Akerna Consent and shall provide all necessary information and materials to the Trustee in each case promptly and, in any event, in sufficient time to enable the Trustee to perform the obligations of the Trustee set forth in this Section 4.3.

4.4 Copies of Shareholder Information

Akerna shall deliver to the Trustee copies of all proxy materials (including, without limitation, notices of Akerna Meetings but excluding proxies to vote Akerna Shares), information statements, reports (including, without limitation, all interim and annual financial statements) and other written communications that, in each case, are to be distributed by Akerna from time to time to holders of Akerna Shares in sufficient quantities and in sufficient time so as to enable the Trustee to send or cause to send those materials to each Beneficiary at the same time as such materials are first sent to holders of Akerna Shares. The Trustee shall mail or otherwise send to each Beneficiary, at the expense of Akerna, copies of all such materials (and all materials specifically directed to the Beneficiaries or to the Trustee for the benefit of the Beneficiaries by Akerna) received by the Trustee from Akerna contemporaneously with the sending of such materials to holders of Akerna Shares. The Trustee shall also make available for inspection during regular business hours by any Beneficiary at the Trustee's principal office in [•] all proxy materials, information statements, reports and other written communications that are:

- (a) received by the Trustee as the registered holder of the Special Voting Share and made available by Akerna generally to the holders of Akerna Shares; or
- (b) specifically directed to the Beneficiaries or to the Trustee for the benefit of the Beneficiaries by Akerna.

Notwithstanding the foregoing, Akerna may, at its option, exercise the duties of the Trustee to deliver copies of all such materials to all Beneficiaries as required by this Section 4.4 so long as, in each case, Akerna delivers a certificate to the Trustee stating that Akerna has undertaken to perform the obligations of the Trustee set forth in this Section 4.4.

4.5 Other Materials

As soon as reasonably practicable after receipt by Akerna or shareholders of Akerna (if such receipt is known by Akerna) of any material sent or given by or on behalf of a third party to holders of Akerna Shares generally, including dissident proxy and information circulars (and related information and material) and take-over bid and securities exchange take-over bid circulars (and related information and material), provided such material has not been sent to the Beneficiaries by or on behalf of such third party, Akerna shall obtain and deliver to the Trustee copies thereof in sufficient quantities so as to enable the Trustee to forward such material (unless the same has been provided directly to Beneficiaries by such third party) to each Beneficiary as soon as possible thereafter. As soon as reasonably practicable after receipt thereof, the Trustee shall mail or otherwise send to each Beneficiary, at the expense of Akerna, copies of all such materials received by the Trustee from Akerna. The Trustee shall also make available for inspection during regular business hours by any Beneficiary at the Trustee's principal office in [•] copies of all such materials. Notwithstanding the foregoing, Akerna may, at its option, exercise the duties of the Trustee to deliver copies of all such materials to all Beneficiaries as required by this Section 4.5 so long as, in each case, Akerna delivers a certificate to the Trustee stating that Akerna has undertaken to perform the obligations of the Trustee set forth in this Section 4.5.

4.6 List of Persons Entitled to Vote

Exchangeco shall: (a) prior to each annual or other Akerna Meeting or the seeking of any Akerna Consent; and (b) forthwith upon each request made at any time by the Trustee in writing, prepare or cause to be prepared a list (a "List") of the names and addresses of the Beneficiaries arranged in alphabetical order and showing the number of Exchangeable Shares held of record by each such Beneficiary, in each case at the close of business on the date specified by the Trustee in such request or, in the case of a List prepared in connection with an Akerna Meeting or Akerna Consent, at the close of business on the record date established by Akerna or pursuant to applicable law for determining the holders of Akerna Shares entitled to receive notice of and/or to vote at such Akerna Meeting or to give consent in connection with an Akerna Consent. Each such List shall be delivered to the Trustee promptly after receipt by Exchangeco of such request or the record date for such meeting or seeking of consent, as the case may be, and, in any event, within sufficient time as to permit the Trustee to perform its obligations under this Agreement. Akerna agrees to give Exchangeco notice (with a copy to the Trustee) of the calling of any Akerna Meeting or the seeking of any Akerna Consent, together with the record date therefor, sufficiently prior to the date of the calling of such meeting or seeking of such consent, so as to enable Exchangeco to perform its obligations under this Section 4.6.

4.7 Entitlement to Direct Votes

Subject to Section 4.8 and Section 4.11, any Beneficiary named in a List prepared in connection with any Akerna Meeting or Akerna Consent shall be entitled to: (a) instruct the Trustee in the manner described in Section 4.2 with respect to the exercise of the Beneficiary Votes to which such Beneficiary is entitled; (b) attend such meeting and personally exercise thereat (or to exercise with respect to any written consent), as the proxy of the Trustee, the Beneficiary Votes to which such Beneficiary is entitled; or (c) appoint a third party as the proxy of the Trustee to attend such meeting and exercise thereat the Beneficiary Votes to which such Beneficiary is entitled except, in each case, to the extent that such Beneficiary has transferred the ownership of any Exchangeable Shares in respect of which such Beneficiary is entitled to Beneficiary Votes after the close of business on the record date for such meeting or seeking of consent.

4.8 Voting by Trustee and Attendance of Trustee Representative at Meeting

- (1) In connection with each Akerna Meeting and Akerna Consent, the Trustee shall exercise, either in person or by proxy, in accordance with the instructions received from a Beneficiary pursuant to Section 4.2, the Beneficiary Votes as to which such Beneficiary is entitled to direct the vote (or any lesser number thereof as may be set forth in the instructions) other than any Beneficiary Votes that are the subject of Section 4.8(2); provided, however, that such written instructions are received by the Trustee from the Beneficiary prior to the time and date fixed by the Trustee for receipt of such instruction in the notice given by the Trustee to the Beneficiary pursuant to Section 4.3.
- (2) To the extent so instructed in accordance with the terms of this Agreement, the Trustee shall cause a representative who is empowered by it to sign and deliver, on behalf of the Trustee, proxies for Voting Rights enabling a Beneficiary to attend an Akerna Meeting. Upon submission by a Beneficiary (or its designee) named in the List prepared in connection with the relevant meeting of identification satisfactory to the Trustee's representative, and at the Beneficiary's request, such representative shall sign and deliver to such Beneficiary (or its designee) a proxy to exercise personally the Beneficiary Votes as to which such Beneficiary is otherwise entitled hereunder to direct the vote, if such Beneficiary either: (i) has not previously given the Trustee instructions pursuant to Section 4.3 in respect of such meeting; or (ii) submits to such representative written revocation of any such previous instructions. At such meeting, the Beneficiary (or its designee) exercising such Beneficiary Votes in accordance with such proxy shall have the same rights in respect of such Beneficiary Votes as the Trustee to speak at the meeting in favour of any matter, question, proposal or proposition, to vote by way of ballot at the meeting in respect of any matter, question, proposal or proposition, and to vote at such meeting by way of a show of hands in respect of any matter, question, proposal or proposition.

4.9 Distribution of Written Materials

Any written materials distributed by the Trustee to the Beneficiaries pursuant to this Agreement shall be sent by mail (or otherwise communicated in the same manner as Akerna utilizes in communications to holders of Akerna Shares subject to applicable regulatory requirements and to the Trustee being advised in writing of such manner and provided such manner of communications is reasonably available to the Trustee) to each Beneficiary at its address as shown on the register of holders of Exchangeable Shares maintained by the registrar. In connection with each such distribution, Exchangeco shall provide or cause to be provided to the Trustee for purposes of communication, on a timely basis and without charge or other expense, a current List, and upon the request of the Trustee, mailing labels to enable the Trustee to carry out its duties under this Agreement. Exchangeco's obligations under this Section 4.9 shall be deemed satisfied to the extent Akerna exercises its option to perform the duties of the Trustee to deliver copies of materials to each Beneficiary and Exchangeco provides the required information and materials to Akerna.

4.10 Termination of Voting Rights

Except as otherwise provided in the Exchangeable Share Provisions, all of the rights of a Beneficiary with respect to the Beneficiary Votes exercisable in respect of each Exchangeable Share held by such Beneficiary, including the right to instruct the Trustee as to the voting of or to vote personally such Beneficiary Votes, shall lapse and be deemed to be surrendered by the Beneficiary to Akerna or Callco, as the case may be, and such Beneficiary Votes and the Voting Rights represented thereby shall cease immediately upon:

- (d) the retraction or redemption of the Exchangeable Shares pursuant to Section 6 or 7 of the Exchangeable Share Provisions;
- (e) the effective date of the liquidation, dissolution or winding-up of Exchangeco or any other distribution of the assets of Exchangeco among its shareholders for the purpose of winding up its affairs pursuant to Section 5 of the Exchangeable Share Provisions; or

4.11 Disclosure of Interest in Exchangeable Shares

The Trustee or Exchangeco shall be entitled to require any Beneficiary or any person whom the Trustee or Exchangeco, as the case may be, knows or has reasonable cause to believe holds any interest whatsoever in an Exchangeable Share to: (a) confirm that fact; or (b) give such details as to whom has an interest in such Exchangeable Share, in each case as would be required (if the Exchangeable Shares were a class of “equity securities” of Exchangeco) under Section 5.2 of National Instrument 62-104 – *Take-Over Bids and Issuer Bids* or as would be required under the articles of Akerna or any laws or regulations, or pursuant to the rules or regulations of any regulatory agency, if and only to the extent that the Exchangeable Shares were Akerna Shares. If a Beneficiary does not provide the information required to be provided by such Beneficiary pursuant to this Section 4.11, the board of directors of Akerna may take any action permitted under the articles or by-laws of Akerna or any laws or regulations, or pursuant to the rules or regulations of any regulatory agency, with respect to the Voting Rights relating to the Exchangeable Shares held by such Beneficiary as if, and only to that the extent that, the Exchangeable Shares were Akerna Shares.

ARTICLE 5 EXCHANGE AND AUTOMATIC EXCHANGE

5.1 Grant and Ownership of the Exchange Right, Automatic Exchange Right and Put Right

- (1) Akerna and, in the case of the Exchange Right and Put Right, Callco hereby grant to the Trustee as trustee for and on behalf of, and for the use and benefit of, the Beneficiaries: (i) the right (the “**Exchange Right**”), upon the occurrence and during the continuance of an Insolvency Event, to require Akerna or Callco to purchase from each or any Beneficiary all or any part of the Exchangeable Shares held by such Beneficiary, all in accordance with the provisions of this Agreement; (ii) the Automatic Exchange Right; and (iii) at any other time on not less than fifteen (15) days’ written notice by the Trustee requiring Callco or Akerna to purchase from any Beneficiary all or any part of the Exchangeable Shares held by such Beneficiary, all in accordance with the provisions of this Agreement (the “**Put Right**”). Each of Akerna and Callco hereby acknowledges receipt from the Trustee as trustee for and on behalf of the Beneficiaries of good and valuable consideration (and the adequacy thereof) for the grant of the Exchange Right, the Automatic Exchange Right and the Put Right by Akerna or Callco, as the case may be, to the Trustee.

- (2) During the term of the Trust, and subject to the terms and conditions of this Agreement, the Trustee shall possess and be vested with full legal ownership of the Exchange Right, the Put Right and the Automatic Exchange Right and shall be entitled to exercise all of the rights and powers of an owner with respect to the Exchange Right, the Automatic Exchange Right and the Put Right, provided that the Trustee shall:
- (a) hold the Exchange Right, the Automatic Exchange Right, the Put Right and the legal title thereto as trustee solely for the use and benefit of the Beneficiaries in accordance with the provisions of this Agreement; and
 - (b) except as specifically authorized by this Agreement, have no power or authority to exercise or otherwise deal in or with the Exchange Right, the Automatic Exchange Right or the Put Right, and the Trustee shall not exercise any such rights for any purpose other than the purposes for which the Trust is created pursuant to this Agreement.

5.2 Legended Share Certificates

Exchangeco shall cause each certificate representing Exchangeable Shares to bear a legend notifying the Beneficiary in respect of the Exchangeable Shares represented by such certificate of: (a) his, her or its right to instruct the Trustee with respect to the exercise of the Exchange Right in respect of the Exchangeable Shares held by such Beneficiary; (b) the Automatic Exchange Right; and (c) his, her or its right to instruct the Trustee with respect to the exercise of the Put Right in respect of the Exchangeable Shares held by such Beneficiary;

5.3 General Exercise of Exchange Right

The Exchange Right and the Put Right shall be and remain vested in and exercisable by the Trustee. Subject to Section 6.15, the Trustee shall exercise the Exchange Right and the Put Right only on the basis of instructions received pursuant to this Article 5 from Beneficiaries entitled to instruct the Trustee as to the exercise thereof. To the extent that no instructions are received from any Beneficiary with respect to the Exchange Right or the Put Right, the Trustee shall not exercise or permit the exercise of the Exchange Right or the Put Right.

5.4 Purchase Price

The purchase price payable by Akerna or Callco, as the case may be, for each Exchangeable Share to be purchased by Akerna or Callco, as the case may be, pursuant to the exercise of the Exchange Right or the Put Right shall be an amount per share equal to the Exchangeable Share Price on the last Business Day prior to the day of the closing of the purchase and sale of such Exchangeable Share pursuant to such exercise of the Exchange Right or the Put Right, as the case may be, which price may be satisfied only by Akerna or Callco, as the case may be, delivering or causing to be delivered to the Trustee, on behalf of the relevant Beneficiary, the Exchangeable Share Consideration representing such Exchangeable Share Price. In connection with each exercise of the Exchange Right or the Put Right, Akerna or Callco, as the case may be, shall provide to the Trustee an Officer's Certificate setting forth the calculation of the Exchangeable Share Price. Upon payment by Akerna or Callco, as the case may be, of the Exchangeable Share Price, the relevant Beneficiary shall cease to have any right to be paid any amount in respect of declared and unpaid dividends on each such Exchangeable Share by Exchangeco and Exchangeco shall cease to be obligated to pay any amount in respect of such dividends.

5.5 Exercise Instructions

Subject to the terms and conditions set forth herein, a Beneficiary shall be entitled upon the occurrence and during the continuance of an Insolvency Event and in respect of the Put Right, at any time, to instruct the Trustee to exercise the Exchange Right or the Put Right, as the case may be, with respect to all or any part of the Exchangeable Shares registered in the name of such Beneficiary. In order to cause the Trustee to exercise the Exchange Right or the Put Right with respect to all or any part of the Exchangeable Shares registered in the name of a Beneficiary, such Beneficiary shall deliver to the Trustee, in person or by certified or registered mail, at its principal office in [•] or at such other place as the Trustee may from time to time designate by written notice to the Beneficiaries, the certificates representing the Exchangeable Shares which such Beneficiary desires Akerna or Callco to purchase, duly endorsed in blank for transfer, and accompanied by such other documents and instruments as may be required to effect a transfer of the Exchangeable Shares under the *Business Corporations Act* (Ontario), the articles of Exchangeco and such additional documents and instruments as Akerna, Exchangeco or the Trustee may reasonably require together with:

- (a) a duly completed form of notice of exercise of the Exchange Right or the Put Right, as the case may be, contained on the reverse of or attached to the Exchangeable Share certificates, stating: (i) that the

Beneficiary thereby instructs the Trustee to exercise the Exchange Right or the Put Right, as the case may be, so as to require Akerna or Callco to purchase from the Beneficiary the number of Exchangeable Shares specified therein; (ii) that such Beneficiary has good title to and owns all such Exchangeable Shares to be acquired by Akerna or Callco free and clear of all liens, claims, security interests and encumbrances; (iii) the names in which the certificates representing Akerna Shares issuable in connection with the exercise of the Exchange Right or the Put Right, as the case may be, are to be issued; and (iv) the names and addresses of the persons to whom such new certificates should be delivered; and

- (b) payment (or evidence satisfactory to Akerna, Exchangeco and the Trustee of payment) of the taxes (if any) payable as contemplated by Section 5.8 of this Agreement;

provided that if only a part of the Exchangeable Shares represented by any certificate or certificates delivered to the Trustee are to be purchased by Akerna or Callco pursuant to the exercise of the Exchange Right or the Put Right, as the case may be, a new certificate for the balance of such Exchangeable Shares shall be issued to the holder at the expense of Exchangeco.

5.6 Delivery of Akerna Shares; Effect of Exercise

Promptly after the receipt by the Trustee of the certificates representing the Exchangeable Shares which a Beneficiary desires Akerna or Callco to purchase pursuant to the exercise of the Exchange Right or the Put Right, as the case may be, together with a notice of exercise and such other documents and instruments specified by Section 5.5, the Trustee shall notify Akerna, Callco and Exchangeco of its receipt of the same, which notice to Akerna, Callco and Exchangeco shall constitute exercise of the Exchange Right or the Put Right, as the case may be, by the Trustee on behalf of such Beneficiary in respect of such Exchangeable Shares, and Akerna or Callco, as the case may be, shall promptly thereafter deliver or cause to be delivered to the Trustee, for delivery to such Beneficiary (or to such other persons, if any, properly designated by such Beneficiary) the Exchangeable Share Consideration (as defined in the Exchangeable Share terms) deliverable in connection with such exercise of the Exchange Right or the Put Right, as the case may be; provided, however, that no such delivery shall be made unless and until the Beneficiary requesting the same shall have paid (or provided evidence satisfactory to Akerna, Callco, Exchangeco and the Trustee of the payment of) the taxes (if any) payable as contemplated by Section 5.7 of this Agreement. Immediately upon the giving of notice by the Trustee to Akerna, Callco and Exchangeco of any exercise of the Exchange Right or the Put Right, as the case may be, as provided in this Section 5.6, the closing of the transaction of purchase and sale contemplated by the Exchange Right or the Put Right, as the case may be, shall be deemed to have occurred, and the Beneficiary in respect of such Exchangeable Shares shall be deemed to have transferred to Akerna or Callco, as the case may be, all of such Beneficiary's right, title and interest in and to such Exchangeable Shares and in the related interest in the Trust Estate and shall cease to be a holder of such Exchangeable Shares and shall not be entitled to exercise any of the rights of a holder in respect thereof, other than the right to receive the total Exchangeable Share Consideration in respect of such Exchangeable Shares, unless such Exchangeable Share Consideration is not delivered by Akerna or Callco, as the case may be, to the Trustee for delivery to such Beneficiary (or to such other person, if any, properly designated by such Beneficiary) within five (5) Business Days of the date of the giving of such notice by the Trustee, in which case the rights of the Beneficiary shall remain unaffected until such Exchangeable Share Consideration is so delivered. Upon delivery of such Exchangeable Share Consideration to the Trustee, the Trustee shall promptly deliver such Exchangeable Share Consideration to such Beneficiary (or to such other person, if any, properly designated by such Beneficiary). Concurrently with the closing of the transaction of purchase and sale contemplated by such exercise of the Exchange Right or the Put Right, as the case may be, the Beneficiary shall be considered and deemed for all purposes to be the holder of the Akerna Shares delivered to it pursuant to such exercise of the Exchange Right or the Put Right, as the case may be.

5.7 Exercise of Exchange Right Subsequent to Retraction

In the event that a Beneficiary has exercised its retraction right under Section 6 of the Exchangeable Share Provisions to require Exchangeco to redeem any or all of the Exchangeable Shares held by the Beneficiary (the "Retracted Shares") and is notified by Exchangeco pursuant to Section 6(a)(iii) of the Exchangeable Share Provisions that Exchangeco will not be permitted as a result of solvency requirements of applicable law to redeem all such Retracted Shares, subject to receipt by the Trustee of written notice to that effect from Exchangeco, and provided that neither Akerna nor Callco shall have exercised its Retraction Call Right with respect to the Retracted Shares and that the Beneficiary shall not have revoked the retraction request delivered by the Beneficiary to

Exchangeco pursuant to Section 6(a)(iv) of the Exchangeable Share Provisions, the retraction request will constitute and will be deemed to constitute notice from the Beneficiary to the Trustee instructing the Trustee to exercise the Exchange Right with respect to those Retracted Shares that Exchangeco is unable to redeem. In any such event, Exchangeco hereby agrees with the Trustee, and in favour of the Beneficiary, promptly to notify the Trustee of such prohibition against Exchangeco and to forward or cause to be forwarded to the Trustee all relevant materials delivered by the Beneficiary to Exchangeco or to the Transfer Agent in connection with such proposed redemption of the Retracted Shares and the Trustee will thereupon exercise the Exchange Right with respect to the Retracted Shares that Exchangeco is not permitted to redeem and will require Akerna or, at the option of Akerna, Callco to purchase such shares in accordance with the provisions of this Article 5.

5.8 Stamp or Other Transfer Taxes

Upon any sale or transfer of Exchangeable Shares to Akerna pursuant to the exercise of the Exchange Right, the Put Right or the Automatic Exchange Right, the share certificate or certificates representing the Akerna Shares to be delivered in connection with the payment of the purchase price therefor shall be issued in the name of the Beneficiary in respect of the Exchangeable Shares so sold or transferred or in such names as such Beneficiary may otherwise direct in writing without charge to the holder of the Exchangeable Shares so sold or transferred; provided, however, that such Beneficiary: (a) shall pay (and none of Akerna, Callco, Exchangeco or the Trustee shall be required to pay) any documentary, stamp, transfer of other taxes or duties that may be payable in respect of any sale or transfer involved in the issuance or delivery of such shares to a person other than such Beneficiary including, without limitation, in the event that Exchangeable Shares are being delivered, sold or transferred in the name of a clearing service or depository or a nominee thereof; or (b) shall have evidenced to the satisfaction of Akerna, Callco, Exchangeco and the Trustee that such taxes or duties (if any) have been paid.

5.9 Notice of Insolvency Event

As soon as practicable following the occurrence of an Insolvency Event or any event that with the giving of notice or the passage of time or both would be an Insolvency Event, Akerna and Exchangeco shall give written notice thereof to the Trustee. As soon as practicable after receiving notice from Akerna or Exchangeco of the occurrence of an Insolvency Event, or upon the Trustee otherwise becoming aware of an Insolvency Event, the Trustee shall mail to each Beneficiary, at the expense of Akerna (such funds to be received in advance), a notice of such Insolvency Event in the form provided by Akerna, which notice shall contain a brief statement of the rights of the Beneficiaries with respect to the Exchange Right.

5.10 U.S. Securities Law Compliance and Listing of Akerna Shares

Akerna covenants and agrees that it shall: (a) file a registration statement (the “**Registration Statement**”) under the U.S. Securities Act of 1933, as amended (the “**1933 Act**”) to register any and all of the Akerna Shares to be issued or delivered to holders of the Exchangeable Shares by Akerna or Callco (including, for greater certainty, pursuant to the Exchange Right, the Put Right or the Automatic Exchange Right); (b) cause the Registration Statement to become effective prior to the time that any Exchangeable Shares are first issued; and (c) cause the Registration Statement (or a successor registration statement) to remain effective at all times that any Exchangeable Shares remain outstanding, in each case unless the issuance of such securities is exempt from any requirement for registration under the 1933 Act and all applicable state securities laws. Without limiting the generality of the foregoing, Akerna and Callco each covenant and agree that it shall make such filings and seek such regulatory consents and approvals as are necessary so that the Akerna Shares to be issued or delivered to holders of Exchangeable Shares by Akerna or Callco pursuant to the terms of the Exchangeable Share Provisions, the Support Agreement and this Agreement will be offered, sold, issued and delivered in compliance with the 1933 Act and all applicable state securities laws, and applicable securities laws in Canada and shall ensure that the Akerna Shares will not be “restricted securities” within the meaning of Rule 144 under the 1933 Act. Akerna will in good faith expeditiously take all such actions and do all such things as are reasonably necessary or desirable to cause all Akerna Shares to be delivered to holders of Exchangeable Shares pursuant to the terms of the Exchangeable Share Provisions, the Support Agreement and this Agreement to be listed, quoted and posted for trading on all stock exchanges and quotation systems on which outstanding Akerna Shares have been listed by Akerna and remain listed and are quoted or posted for trading at such time.

5.11 Akerna Shares

Akerna hereby represents, warrants and covenants that the Akerna Shares deliverable as described herein will be duly authorized and validly issued as fully paid and non-assessable and shall be free and clear of any lien, claim or encumbrance.

5.12 Automatic Exchange on Liquidation of Akerna

- (1) Akerna shall give the Trustee written notice of each of the following events (each, a “**Liquidation Event**”) at the time set forth below:
 - (a) in the event of any determination by the board of directors of Akerna to institute voluntary liquidation, dissolution or winding-up proceedings with respect to Akerna or to effect any other distribution of assets of Akerna among its shareholders for the purpose of winding up its affairs, at least 30 days prior to the proposed effective date of such liquidation, dissolution, winding-up or other distribution; and
 - (b) as soon as practicable following the earlier of: (A) receipt by Akerna of notice of; and (B) Akerna otherwise becoming aware of any instituted claim, suit, petition or other proceedings with respect to the involuntary liquidation, dissolution or winding-up of Akerna or to effect any other distribution of assets of Akerna among its shareholders for the purpose of winding up its affairs, in each case where Akerna has failed to contest in good faith any such proceeding commenced in respect of Akerna within 30 days of becoming aware thereof; and
 - (c) definitive documents respecting any Akerna Control Transaction (other than a transaction contemplated by Section 10.4) are entered into by Akerna and the board of directors of Akerna determines in good faith that it is not practicable to substantially replicate the terms and conditions of the Exchangeable Shares in connection with such Akerna Control Transaction.
- (2) As soon as practicable following receipt by the Trustee from Akerna of notice of a Liquidation Event, the Trustee shall give notice thereof to the Beneficiaries. Such notice shall be provided by Akerna to the Trustee and shall include a brief description of the automatic exchange of Exchangeable Shares for Akerna Shares provided for in Section 5.12(3) (the “**Automatic Exchange Right**”).
- (3) In order that the Beneficiaries will be able to participate on a pro rata basis with the holders of Akerna Shares in the distribution of assets of Akerna in connection with a Liquidation Event, immediately prior to the effective date (the “**Liquidation Event Effective Date**”) of a Liquidation Event, each of the then outstanding Exchangeable Shares (other than Exchangeable Shares held by Akerna and its affiliates) shall be automatically exchanged for Akerna Shares. To effect such automatic exchange, Akerna shall purchase each such Exchangeable Share outstanding immediately prior to the Liquidation Event Effective Date, and each Beneficiary shall sell each Exchangeable Shares held by it at such time, free and clear of any lien, claim or encumbrance, for a purchase price per share equal to the Exchangeable Share Price immediately prior to the Liquidation Event Effective Date, which price shall be satisfied in full by Akerna delivering to such holder the Exchangeable Share Consideration representing such Exchangeable Share Price. For greater certainty, the Beneficiary shall upon delivery of the Exchangeable Share Consideration cease to have any rights to be paid by Exchangeco any amount in respect of declared and unpaid dividends on the Exchangeable Shares.
- (4) The closing of the transaction of purchase and sale contemplated by any exercise of the Automatic Exchange Right shall be deemed to have occurred at the close of business on the Business Day immediately prior to the Liquidation Event Effective Date, and each Beneficiary shall be deemed to have transferred to Akerna all of such Beneficiary’s right, title and interest in and to the Exchangeable Shares held by such Beneficiary free and clear of any lien, claim or encumbrance and the related interest in the Trust Estate, any right of each such Beneficiary to receive declared and unpaid dividends from Exchangeco shall be deemed to be satisfied and discharged, and each such Beneficiary shall cease to be a holder of such Exchangeable Shares and Akerna shall deliver or cause to be delivered to the Trustee, for delivery to such Beneficiary, the Exchangeable Share Consideration deliverable to such Beneficiary upon such exercise of the Automatic Exchange Right. Concurrently with each such Beneficiary ceasing to be a holder of Exchangeable Shares, such Beneficiary shall be considered and deemed for all purposes to be the holder of the Akerna Shares

included in the Exchangeable Share Consideration to be delivered to such Beneficiary and the certificates held by such Beneficiary previously representing the Exchangeable Shares exchanged by the Beneficiary with Akerna pursuant to the exercise of the Automatic Exchange Right shall thereafter be deemed to represent the Akerna Shares issued to such Beneficiary by Akerna pursuant to the exercise of the Automatic Exchange Right. Upon the request of any Beneficiary and the surrender by such Beneficiary of Exchangeable Share certificates deemed to represent Akerna Shares, duly endorsed in blank and accompanied by such instruments of transfer as Akerna may reasonably require, Akerna shall deliver or cause to be delivered to such Beneficiary certificates representing the Akerna Shares of which the Beneficiary is the holder.

5.13 Withholding Rights

Akerna, Callco, Exchangeco and the Trustee shall be entitled to deduct and withhold from any dividend, distribution, price or other consideration otherwise payable under this Agreement to any holder of Exchangeable Shares or Akerna Shares such amounts as Akerna, Callco, Exchangeco or the Trustee is required to deduct and withhold with respect to such payment under the *Income Tax Act* (Canada) or United States tax laws or any provision of federal, provincial, territorial, state, local or foreign tax Law, in each case as amended or succeeded. The Trustee may act and rely on the advice of counsel with respect to such matters. To the extent that amounts are so deducted and withheld, such amounts shall be treated for all purposes as having been paid to the holder of the shares in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted to the appropriate taxing agency. To the extent that the amount so required to be deducted or withheld from any payment to a holder exceeds the cash portion of the consideration otherwise payable to the holder, Akerna, Callco, Exchangeco and the Trustee are hereby authorized to sell or otherwise dispose of such portion of the consideration as is necessary to provide sufficient funds to Akerna, Callco, Exchangeco or the Trustee, as the case may be, to enable it to comply with such deduction or withholding requirement and Akerna, Callco, Exchangeco or the Trustee, as the case may be, shall notify the holder thereof and remit to such holder any unapplied balance of the net proceeds of such sale.

5.14 No Fractional Shares

A holder of an Exchangeable Share shall not be entitled to any fraction of an Akerna Share upon the exercise of the Exchange Right, the Put Right or Automatic Exchange Right hereunder and no certificates representing any such fractional interest shall be issued and the number of Akerna Shares to be received by any such holder otherwise entitled to a fractional interest shall be rounded to the nearest whole Akerna Share (with fractions equal to or greater than 0.5 being rounded up).

ARTICLE 6 CONCERNING THE TRUSTEE

6.1 Powers and Duties of the Trustee

- (1) The rights, powers, duties and authorities of the Trustee under this Agreement, in its capacity as Trustee of the Trust, shall include:
 - (a) receipt and deposit of the Special Voting Share from Akerna as trustee for and on behalf of the Beneficiaries in accordance with the provisions of this Agreement;
 - (b) granting proxies and distributing materials to Beneficiaries as provided in this Agreement;
 - (c) voting the Beneficiary Votes on the direction and behalf of the Beneficiaries in accordance with the provisions of this Agreement;

 - (e) exercising the Exchange Right and Put Right and enforcing the benefit of the Automatic Exchange Right, in each case in accordance with the provisions of this Agreement, and in connection therewith receiving from Beneficiaries any requisite documents and distributing to such Beneficiaries the Exchangeable Share Consideration to which such Beneficiaries are entitled pursuant to the exercise of the Exchange Right, the Put Right or the Automatic Exchange Right, as the case may be;

- (f) holding title to the Trust Estate;
 - (g) investing any moneys forming, from time to time, a part of the Trust Estate as provided in this Agreement;
 - (h) taking action at the direction of a Beneficiary or Beneficiaries to enforce the obligations of Akerna, Callco and Exchangeco under this Agreement; and
 - (i) taking such other actions and doing such other things as are specifically provided in this Agreement to be carried out by the Trustee.
- (2) In the exercise of such rights, powers, duties and authorities, the Trustee shall have (and is granted) such incidental and additional rights, powers, duties and authority not in conflict with any of the provisions of this Agreement as the Trustee, acting in good faith and in the reasonable exercise of its discretion, may deem necessary, appropriate or desirable to effect the purpose of the Trust. Any exercise of such discretionary rights, powers, duties and authorities by the Trustee shall be final, conclusive and binding upon all persons. For greater certainty, the Trustee shall have only those duties as are set out specifically in this Agreement.
- (3) The Trustee, in exercising its rights, powers, duties and authorities hereunder, shall act honestly and in good faith and with a view to the best interests of the Beneficiaries and shall exercise the care, diligence and skill that a reasonably prudent trustee would exercise in comparable circumstances.
- (4) The Trustee shall not be bound to give notice or do or take any act, action or proceeding by virtue of the powers conferred on it hereby unless and until it shall be specifically required to do so under the terms hereof; nor shall the Trustee be required to take any notice of, or to do, or to take any act, action or proceeding as a result of any default or breach of any provision hereunder, unless and until notified in writing of such default or breach, which notices shall distinctly specify the default or breach desired to be brought to the attention of the Trustee, and in the absence of such notice the Trustee may for all purposes of this Agreement conclusively assume that no default or breach has been made in the observance or performance of any of the representations, warranties, covenants, agreements or conditions contained herein.

6.2 No Conflict of Interest

The Trustee represents to Akerna, Callco and Exchangeco that, at the date of execution and delivery of this Agreement, there exists no material conflict of interest in the role of the Trustee as a fiduciary hereunder and the role of the Trustee in any other capacity. The Trustee shall, within 90 days after it becomes aware that such material conflict of interest exists, either eliminate such material conflict of interest or resign in the manner and with the effect specified in Article 9. If, notwithstanding the foregoing provisions of this Section 6.2, the Trustee has such a material conflict of interest, the validity and enforceability of this Agreement shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest. If the Trustee contravenes the foregoing provisions of this Section 6.2, any interested party may apply to the courts of Ontario for an order that the Trustee be replaced as Trustee hereunder.

6.3 Dealings with Transfer Agents, Registrars, etc.

- (1) (a) Each of Akerna, Callco and Exchangeco irrevocably authorizes the Trustee, from time to time, to:
- (a) consult, communicate and otherwise deal with the respective registrars and transfer agents, and with any such subsequent registrar or transfer agent, of the Exchangeable Shares and Akerna Shares; and
 - (b) requisition, from time to time, from any such registrar or transfer agent, any information readily available from the records maintained by it which the Trustee may reasonably require for the discharge of its duties and responsibilities under this Agreement.
- (2) Each of Akerna and Callco irrevocably authorizes its respective registrar and Transfer Agent to comply with all such requests and covenants that it shall supply the Trustee or its transfer agent, as the case may be, in a timely manner with duly executed share certificates for the purpose of completing the exercise from time to time of all rights to acquire Akerna Shares hereunder, under the Exchangeable Share Provisions and under any other security or commitment given to the Beneficiaries pursuant thereto, in each case pursuant to the provisions hereof or of the Exchangeable Share Provisions or otherwise.

6.4 Books and Records

The Trustee shall keep available for inspection during regular business hours by Akerna, Callco and Exchangeco at the Trustee's principal office in [•] correct and complete books and records of account relating to the Trust created by, and Trustee's actions under, this Agreement, including all relevant data relating to mailings and instructions to and from Beneficiaries and all transactions pursuant to the Exchange Right, the Put Right and the Automatic Exchange Right. On or before [•], and on or before [•] in every year thereafter, so long as the Special Voting Share is registered in the name of the Trustee, the Trustee shall transmit to Akerna, Callco and Exchangeco a brief report, dated as of the preceding December 31, with respect to:

- (a) the property and funds comprising the Trust Estate as of that date;
- (b) the number of exercises of any Exchange Right or Put Right, as the case may be, and the aggregate number of Exchangeable Shares received by the Trustee on behalf of Beneficiaries in consideration of the issuance and delivery by Akerna or Callco of Akerna Shares in connection with the Exchange Right or Put Right, as the case may be, during the calendar year ended on such December 31; and
- (c) any action taken by the Trustee in the performance of its duties under this Agreement which it had not previously reported.

6.5 Income Tax Returns and Reports

The Trustee shall, to the extent necessary, prepare and file, or cause to be prepared and filed, on behalf of the Trust appropriate Canadian income tax returns and any other returns or reports as may be required by applicable law, by any court, tribunal, government, governmental or regulatory agency or public official, or pursuant to the rules and regulations of any securities exchange or other trading system through which the Exchangeable Shares are traded. In connection therewith, the Trustee may obtain the advice and assistance of such experts or advisors (who may be experts or advisors to Akerna, Callco and/or Exchangeco) as the Trustee considers necessary or advisable. If requested by the Trustee, Akerna shall retain or caused to be retained qualified experts or advisors for the purpose of providing such tax advice or assistance.

6.6 Indemnification Prior to Certain Actions by Trustee

- (1) The Trustee shall exercise any or all of the rights, duties, powers or authorities vested in it by this Agreement at the request, order or direction of any Beneficiary upon such Beneficiary furnishing to the Trustee reasonable funding, security or indemnity against the costs, expenses and liabilities which may be incurred by the Trustee therein or thereby, provided that no Beneficiary shall be obligated to furnish to the Trustee any such funding, security or indemnity in connection with the exercise by the Trustee of any of its rights, duties, powers and authorities with respect to the Special Voting Share pursuant to Article 4, subject to Section 6.15, and with respect to the Exchange Right and the Automatic Exchange Right pursuant to Article 5.
- (2) None of the provisions contained in this Agreement shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the exercise of any of its rights, powers, duties, or authorities unless funded, given security and indemnified as aforesaid.

6.7 Action of Beneficiaries

No Beneficiary shall have the right to institute any action, suit or proceeding or to exercise any other remedy authorized by this Agreement for the purpose of enforcing any of its rights or for the execution of any trust or power hereunder unless the Beneficiary has requested the Trustee to take or institute such action, suit or proceeding and furnished the Trustee with the funding, security or indemnity referred to in Section 6.6 and the Trustee shall have failed to act within a reasonable time thereafter. In such case, but not otherwise, the Beneficiary shall be entitled to take proceedings in any court of competent jurisdiction such as the Trustee might have taken; it being understood and intended that no one or more Beneficiaries shall have any right in any manner whatsoever to affect, disturb or prejudice the rights hereby created by any such action, or to enforce any right hereunder or the Voting Rights, the Exchange Right, the Put Right or the Automatic Exchange Right except subject to the conditions and in the manner herein provided, and that all powers and trusts hereunder shall be exercised and all proceedings at law shall be instituted, had and maintained by the Trustee, except only as herein provided, and in any event for the equal benefit of all Beneficiaries.

6.8 Reliance Upon Declarations

The Trustee shall not be considered to be in contravention of any of its rights, powers, duties and authorities hereunder if, when required, it acts and relies in good faith upon statutory declarations, certificates, opinions or reports furnished pursuant to the provisions hereof or required by the Trustee to be furnished to it in the exercise of its rights, powers, duties and authorities hereunder if such statutory declarations, certificates, opinions or reports comply with the provisions of Section 6.9, if applicable, and with any other applicable provisions of this Agreement.

6.9 Evidence and Authority to Trustee

- (1) Akerna, Callco and/or Exchangeco shall furnish to the Trustee evidence of compliance with the conditions provided for in this Agreement relating to any action or step required or permitted to be taken by Akerna, Callco and/or Exchangeco or the Trustee under this Agreement or as a result of any obligation imposed under this Agreement, including in respect of the Voting Rights, the Exchange Right, the Put Right or the Automatic Exchange Right and the taking of any other action to be taken by the Trustee at the request of or on the application of Akerna, Callco and/or Exchangeco promptly if and when:
 - (a) such evidence is required by any other Section of this Agreement to be furnished to the Trustee in accordance with the terms of this Section 6.9; or
 - (b) the Trustee, in the exercise of its rights, powers, duties and authorities under this Agreement, gives Akerna, Callco and/or Exchangeco written notice requiring it to furnish such evidence in relation to any particular action or obligation specified in such notice.
- (2) Such evidence shall consist of an Officer's Certificate of Akerna, Callco and/or Exchangeco or a statutory declaration or a certificate made by persons entitled to sign an Officer's Certificate stating that any such condition has been complied with in accordance with the terms of this Agreement.
- (3) Whenever such evidence relates to a matter other than the Voting Rights, the Exchange Right, the Put Right or the Automatic Exchange Right or the taking of any other action to be taken by the Trustee at the request or on the application of Akerna, Callco and/or Exchangeco, and except as otherwise specifically provided herein, such evidence may consist of a report or opinion of any solicitor, attorney, auditor, accountant, appraiser, valuer or other expert or any other person whose qualifications give authority to a statement made by such person; provided, however, that if such report or opinion is furnished by a director, officer or employee of Akerna, Callco and/or Exchangeco it shall be in the form of an Officer's Certificate or a statutory declaration.
- (4) Each statutory declaration, Officer's Certificate, opinion or report furnished to the Trustee as evidence of compliance with a condition provided for in this Agreement shall include a statement by the person giving the evidence:
 - (a) declaring that such person has read and understands the provisions of this Agreement relating to the condition in question;
 - (b) describing the nature and scope of the examination or investigation upon which such person based the statutory declaration, certificate, statement or opinion; and
 - (c) declaring that such person has made such examination or investigation as such person believes is necessary to enable such person to make the statements or give the opinions contained or expressed therein.

6.10 Experts, Advisers and Agents

The Trustee may:

- (a) in relation to these presents act and rely on the opinion or advice of or information obtained from any solicitor, attorney, auditor, accountant, appraiser, valuer or other expert, whether retained by the Trustee or by Akerna, Callco and/or Exchangeco or otherwise, and may retain or employ such assistants as may be necessary to the proper discharge of its powers and duties and determination of its rights hereunder and may pay proper and reasonable compensation for all such legal and other advice or assistance as aforesaid;

- (b) employ such agents and other assistants as it may reasonably require for the proper determination and discharge of its powers and duties hereunder; and
- (c) pay reasonable remuneration for all services performed for it (and shall be entitled to receive reasonable remuneration for all services performed by it) in the discharge of the trusts hereof and compensation for all reasonable disbursements, costs and expenses made or incurred by it in the discharge of its duties hereunder and in the management of the Trust.

6.11 Investment of Moneys Held by Trustee

Unless otherwise provided in this Agreement, any moneys held by or on behalf of the Trustee which under the terms of this Agreement may or ought to be invested or which may be on deposit with the Trustee or which may be in the hands of the Trustee may be invested or reinvested in the name or under the control of the Trustee in securities in which, under the laws of the Province of Ontario, trustees are authorized to invest trust moneys or as otherwise agreed upon in writing by the Trustee and Exchangeco, provided that such securities are stated to mature within two years after their purchase by the Trustee and the Trustee shall so invest such money on the written direction of Exchangeco. Pending the investment of any money as herein provided, such moneys may be deposited in the name of the Trustee in any chartered bank in Canada or, with the consent of Exchangeco, in the deposit department of the Trustee or any other specified loan or trust company authorized to accept deposits under the laws of Canada or any province thereof at the rate of interest then current on similar deposits. The Trustee shall not be held liable for any losses incurred in the investment of any funds as herein provided and all interest on monies held by or on behalf of the Trustee shall be for the account of Exchangeco and held by the Trustee for the benefit of Exchangeco.

6.12 Trustee Not Required to Give Security

The Trustee shall not be required to give any bond or security in respect of the execution of the trusts, rights, duties, powers and authorities of this Agreement or otherwise in respect of the premises.

6.13 Trustee Not Bound to Act on Request

Except as in this Agreement otherwise specifically provided, the Trustee shall not be bound to act in accordance with any direction or request of Akerna, Callco and/or Exchangeco or of the respective directors thereof until a duly authenticated copy of the instrument or resolution containing such direction or request shall have been delivered to the Trustee, and the Trustee shall be empowered to act upon any such copy purporting to be authenticated and believed by the Trustee to be genuine. The Trustee shall have the right not to act and shall not be liable for refusing to act if, due to a lack of information or for any other reason whatsoever, the Trustee, in its sole judgment, determines that such act might cause it to be in non-compliance with any applicable anti-money laundering or anti-terrorist legislation or regulation. Further, should the Trustee, in its sole judgment, determine at any time that its acting under this Agreement has resulted in its being in non-compliance with any applicable anti-money laundering or anti-terrorist legislation or regulation, then it shall have the right to resign on fifteen days written notice to the other parties to this Agreement, provided that: (a) the Trustee's written notice shall describe the circumstances of such non-compliance; and (b) if such circumstances are rectified to the Trustee's satisfaction within such fifteen day period, such resignation shall not be effective.

6.14 Authority to Carry on Business

The Trustee represents to Akerna, Callco and Exchangeco that, at the date of execution and delivery by it of this Agreement, it is authorized to carry on the business of a trust company in each of the provinces and territories of Canada but if, notwithstanding the provisions of this Section 6.14, it ceases to be so authorized to carry on business, the validity and enforceability of this Agreement and the Voting Rights, the Exchange Right, the Put Right and the Automatic Exchange Right and the other rights granted in or resulting from the Trustee being a party to this Agreement shall not be affected in any manner whatsoever by reason only of such event but the Trustee shall, within 90 days after ceasing to be authorized to carry on the business of a trust company in any province or territory of Canada, either become so authorized or resign in the manner and with the effect specified in Article 9.

6.15 Conflicting Claims

- (1) If conflicting claims or demands are made or asserted with respect to any interest of any Beneficiary in any Exchangeable Shares, including any disagreement between the heirs, representatives, successors or assigns succeeding to all or any part of the interest of any Beneficiary in any Exchangeable Shares, resulting in conflicting claims or demands being made in connection with such interest, then the Trustee shall be entitled, in its sole discretion, to refuse to recognize or to comply with any such claims or demands. In so refusing, the Trustee may elect not to exercise any Voting Rights, Exchange Right, the Put Right, Automatic Exchange Right or other rights subject to such conflicting claims or demands and, in so doing, the Trustee shall not be or become liable to any person on account of such election or its failure or refusal to comply with any such conflicting claims or demands. The Trustee shall be entitled to continue to refrain from acting and to refuse to act until:
 - (a) the rights of all adverse claimants with respect to the Voting Rights, Put Right, Exchange Right, Automatic Exchange Right or other rights subject to such conflicting claims or demands have been adjudicated by a final judgement of a court of competent jurisdiction and all rights of appeal have expired; or
 - (b) all differences with respect to the Voting Rights, Exchange Right, Put Right, Automatic Exchange Right or other rights subject to such conflicting claims or demands have been conclusively settled by a valid written agreement binding on all such adverse claimants, and the Trustee shall have been furnished with an executed copy of such agreement certified to be in full force and effect.
- (2) If the Trustee elects to recognize any claim or comply with any demand made by any such adverse claimant, it may in its discretion require such claimant to furnish such surety bond or other security satisfactory to the Trustee as it shall deem appropriate to fully indemnify it as between all conflicting claims or demands.

6.16 Acceptance of Trust

The Trustee hereby accepts the Trust created and provided for, by and in this Agreement and agrees to perform the same upon the terms and conditions herein set forth and to hold all rights, privileges and benefits conferred hereby and by law in trust for the various persons who shall from time to time be Beneficiaries, subject to all the terms and conditions herein set forth.

6.17 Third Party Interests

Each party to this Agreement hereby represents to the Trustee that any account to be opened by, or interest to be held by the Trustee in connection with this Agreement, for or to the credit of such party, either: (a) is not intended to be used by or on behalf of any third party; or (b) is intended to be used by or on behalf of a third party, in which case such party hereto agrees to complete and execute forthwith a declaration in the Trustee's prescribed form as to the particulars of such third party.

6.18 Privacy

The parties acknowledge that Canadian federal and/or provincial legislation that addresses the protection of individuals' personal information (collectively, "**Privacy Laws**") applies to obligations and activities under this Agreement. Despite any other provision of this Agreement, no party shall take or direct any action that would contravene, or cause the others to contravene, applicable Privacy Laws. The parties shall, prior to transferring or causing to be transferred personal information to the Trustee, obtain and retain required consents of the relevant individuals to the collection, use and disclosure of their personal information, or shall have determined that such consents either have previously been given upon which the parties can rely or are not required under the Privacy Laws. Specifically, the Trustee agrees: (a) to have a designated chief privacy officer; (b) to maintain policies and procedures to protect personal information and to receive and respond to any privacy complaint or inquiry; (c) to use personal information solely for the purposes of providing its services under or ancillary to this Agreement and not to use it for any purpose except with the consent of or direction from the other parties or the individual involved; (d) not to sell or otherwise improperly disclose personal information to any third party; and (e) to employ administrative, physical and technological safeguards to reasonably secure and protect personal information against loss, theft, or unauthorized access, use or modification.

**ARTICLE 7
COMPENSATION**

7.1 Fees and Expenses of the Trustee

Akerna, Callco and Exchangeco jointly and severally agree to pay the Trustee reasonable compensation for all of the services rendered by it under this Agreement and shall reimburse the Trustee for all reasonable expenses (including, but not limited to, taxes (other than taxes based on the net income or capital of the Trustee), fees paid to legal counsel and other experts and advisors and agents and travel expenses) and disbursements, including the reasonable cost and expense of any suit or litigation of any character and any proceedings before any governmental agency, in each case reasonably incurred by the Trustee in connection with its duties under this Agreement; provided, however, that Akerna, Callco and Exchangeco shall have no obligation to reimburse the Trustee for any expenses or disbursements paid, incurred or suffered by the Trustee in any suit or litigation or any such proceedings in which the Trustee is determined to have acted in bad faith or with fraud, gross negligence, recklessness or wilful misconduct.

**ARTICLE 8
INDEMNIFICATION AND LIMITATION OF LIABILITY**

8.1 Indemnification of the Trustee

- (1) Akerna, Callco and Exchangeco jointly and severally agree to indemnify and hold harmless the Trustee and each of its directors, officers, employees and agents appointed and acting in accordance with this Agreement (collectively, the “**Indemnified Parties**”) against all claims, losses, damages, reasonable costs, penalties, fines and reasonable expenses (including reasonable expenses of the Trustee’s legal counsel) which, without bad faith, fraud, gross negligence, recklessness or wilful misconduct on the part of such Indemnified Party, may be paid, incurred or suffered by the Indemnified Party by reason or as a result of the Trustee’s acceptance or administration of the Trust, its compliance with its duties set forth in this Agreement, or any written or oral instruction delivered to the Trustee by Akerna, Callco or Exchangeco pursuant hereto.
- (2) The Trustee shall promptly notify Akerna, Callco and Exchangeco of a claim or of any action commenced against any Indemnified Parties promptly after the Trustee or any of the Indemnified Parties shall have received written assertion of such a claim or action or have been served with a summons or other first legal process giving information as to the nature and basis of the claim or action; provided, however, that the omission to so notify Akerna, Callco or Exchangeco shall not relieve Akerna, Callco or Exchangeco of any liability which any of them may have to any Indemnified Party except to the extent that any such delay prejudices the defence of any such claim or action or results in any increase in the liability which Akerna, Callco or Exchangeco have under this indemnity. Subject to (ii) below, Akerna, Callco and Exchangeco shall be entitled to participate at their own expense in the defence and, if Akerna, Callco and Exchangeco so elect at any time after receipt of such notice, either of them may assume the defence of any suit brought to enforce any such claim. The Trustee shall have the right to employ separate counsel in any such suit and participate in the defence thereof, but the fees and expenses of such counsel shall be at the expense of the Trustee unless: (i) the employment of such counsel has been authorized by Akerna, Callco or Exchangeco; or (ii) the named parties to any such suit include both the Trustee and Akerna, Callco or Exchangeco and the Trustee shall have been advised by counsel acceptable to Akerna, Callco and Exchangeco that there may be one or more legal defences available to the Trustee that are different from or in addition to those available to Akerna, Callco or Exchangeco and that, in the judgement of such counsel, would present a conflict of interest were a joint representation to be undertaken (in which case Akerna, Callco and Exchangeco shall not have the right to assume the defence of such suit on behalf of the Trustee but shall be liable to pay the reasonable fees and expenses of counsel for the Trustee). This indemnity shall survive the termination of the Trust and the resignation or removal of the Trustee.

8.2 Limitation of Liability

The Trustee shall not be held liable for any loss which may occur by reason of depreciation of the value of any part of the Trust Estate or any loss incurred on any investment of funds pursuant to this Agreement, except to the extent that such loss is attributable to the bad faith, fraud, gross negligence, recklessness or willful misconduct on the part of the Trustee.

**ARTICLE 9
CHANGE OF TRUSTEE**

9.1 Resignation

The Trustee, or any trustee hereafter appointed, may at any time resign by giving written notice of such resignation to Akerna, Callco and Exchangeco specifying the date on which it desires to resign, provided that such notice shall not be given less than 30 days before such desired resignation date unless Akerna, Callco and Exchangeco otherwise agree and provided further that such resignation shall not take effect until the date of the appointment of a successor trustee and the acceptance of such appointment by the successor trustee. Upon receiving such notice of resignation, Akerna, Callco and Exchangeco shall promptly appoint a successor trustee, which successor trustee shall be a corporation organized and existing under the laws of Canada and authorized to carry on the business of a trust company in all provinces and territories of Canada, by written instrument in duplicate, one copy of which shall be delivered to the resigning trustee and one copy to the successor trustee. Failing the appointment and acceptance of a successor trustee, a successor trustee may be appointed by order of a court of competent jurisdiction upon application of one or more of the parties to this Agreement. If the retiring trustee is the party initiating an application for the appointment of a successor trustee by order of a court of competent jurisdiction, Akerna, Callco and Exchangeco shall be jointly and severally liable to reimburse the retiring trustee for its legal costs and expenses in connection with same.

9.2 Removal

The Trustee, or any trustee hereafter appointed, may (provided a successor trustee is appointed) be removed at any time on not less than 30 days' prior notice by written instrument executed by Akerna, Callco and Exchangeco, in duplicate, one copy of which shall be delivered to the trustee so removed and one copy to the successor trustee, provided that such removal shall not take effect until the date of acceptance of appointment by the successor trustee.

9.3 Successor Trustee

Any successor trustee appointed as provided under this Agreement shall execute, acknowledge and deliver to Akerna, Callco and Exchangeco and to its predecessor trustee an instrument accepting such appointment. Thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor under this Agreement, with the like effect as if originally named as trustee in this Agreement. However, on the written request of Akerna, Callco and Exchangeco or of the successor trustee, the trustee ceasing to act shall, upon payment of any amounts then due to it pursuant to the provisions of this Agreement, execute and deliver an instrument transferring to such successor trustee all the rights and powers of the trustee so ceasing to act. Upon the request of any such successor trustee, Akerna, Callco, Exchangeco and such predecessor trustee shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor trustee all such rights and powers.

9.4 Notice of Successor Trustee

Upon acceptance of appointment by a successor trustee as provided herein, Akerna, Callco and Exchangeco shall cause to be mailed notice of the succession of such trustee hereunder to each Beneficiary specified in a List. If Akerna, Callco or Exchangeco shall fail to cause such notice to be mailed within ten days after acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be mailed at the expense of Akerna, Callco and Exchangeco.

**ARTICLE 10
AKERNA SUCCESSORS**

10.1 Certain Requirements in Respect of Combination, etc.

So long as any Exchangeable Shares not owned by Akerna or its affiliates are outstanding, Akerna shall not enter into any transaction (whether by way of reorganization, consolidation, arrangement, amalgamation, merger, transfer,

sale for otherwise) whereby all or substantially all of its undertaking, property and assets would become the property of any other person or, in the case of an amalgamation or merger, of the continuing corporation resulting therefrom, provided that it may do so if:

- (a) such other person or continuing corporation (the “**Akerna Successor**”), by operation of law, becomes, without more, bound by the terms and provisions of this Agreement or, if not so bound, executes, prior to or contemporaneously with the consummation of such transaction, a trust agreement supplemental hereto and such other instruments (if any) as are necessary or advisable to evidence the assumption by the Akerna Successor of liability for all moneys payable and property deliverable hereunder and the covenant of such Akerna Successor to pay and deliver or cause to be paid and delivered the same and its agreement to observe and perform all the covenants and obligations of Akerna under this Agreement; and
- (b) such transaction shall be upon such terms and conditions as to substantially preserve and not impair any of the rights, duties, powers and authorities of the Trustee or the holders of the Exchangeable Shares.

10.2 Vesting of Powers in Successor

Whenever the conditions of Section 10.1 have been duly observed and performed, the parties, if required by Section 10.1, shall execute and deliver the supplemental trust agreement provided for in Section 10.1(a) and thereupon the Akerna Successor and such other person that may then be the issuer of the Akerna Shares shall possess and from time to time may exercise each and every right and power of Akerna under this Agreement in the name of Akerna or otherwise and any act or proceeding by any provision of this Agreement required to be done or performed by the board of directors of Akerna or any officers of Akerna may be done and performed with like force and effect by the directors or officers of such Akerna Successor.

10.3 Wholly-Owned Subsidiaries

Nothing herein shall be construed as preventing: (a) the amalgamation or merger of any wholly-owned direct or indirect subsidiary of Akerna (other than Exchangeco or Callco) with or into Akerna; (b) the winding-up, liquidation or dissolution of any wholly-owned direct or indirect subsidiary of Akerna (other than Exchangeco or Callco), provided that all of the assets of such subsidiary are transferred to Akerna or another wholly-owned direct or indirect subsidiary of Akerna; (c) any other distribution of the assets of any wholly-owned direct or indirect subsidiary of Akerna among the shareholders of such subsidiary for the purpose of winding up its affairs; and (d) any such transactions which are expressly permitted by this Article 10.

10.4 Successor Transactions

Notwithstanding the foregoing provisions of this Article 10, in the event of an Akerna Control Transaction:

- (a) in which Akerna merges or amalgamates with, or in which all or substantially all of the then outstanding Akerna Shares are acquired by, one or more other corporations to which Akerna is, immediately before such merger, amalgamation or acquisition, “related” within the meaning of the *Income Tax Act* (Canada) (otherwise than by virtue of a right referred to in paragraph 251(5)(b) thereof);
- (b) which does not result in an acceleration of the Redemption Date in accordance with paragraph (ii) of the definition of Redemption Date in the Exchangeable Share Provisions; and
- (c) in which all or substantially all of the then outstanding Akerna Shares are converted into or exchanged for shares or rights to receive such shares (the “**Other Shares**”) of another corporation (the “**Other Corporation**”) that, immediately after such Akerna Control Transaction, owns or controls, directly or indirectly, Akerna;

then: (i) all references herein to “Akerna” shall thereafter be and be deemed to be references to “Other Corporation” and all references herein to “Akerna Shares” shall thereafter be and be deemed to be references to “Other Shares” (with appropriate adjustments, if any, as are required to result in a holder of Exchangeable Shares on the exchange, redemption or retraction of such shares pursuant to the Exchangeable Share Provisions or the Plan of Arrangement or the exchange of such shares pursuant to this Agreement immediately subsequent to the Akerna Control Transaction being entitled to receive that number of Other Shares equal to the number of Other Shares such holder of Exchangeable Shares would have received if the exchange, redemption or retraction of such shares pursuant to

the Exchangeable Share Provisions or the Plan of Arrangement, or the exchange of such shares pursuant to this Agreement had occurred immediately prior to the Akerna Control Transaction and the Akerna Control Transaction was completed) but subject to subsequent adjustments to reflect any subsequent changes in the share capital of the issuer of the Other Shares, including without limitation, any subdivision, consolidation or reduction of share capital, without any need to amend the terms and conditions of this Agreement and without any further action required; and (ii) Akerna shall cause the Other Corporation to deposit one or more voting securities of such Other Corporation to allow Beneficiaries to exercise voting rights in respect of the Other Corporation substantially similar to those provided for in this Agreement.

ARTICLE 11 AMENDMENTS AND SUPPLEMENTAL TRUST AGREEMENTS

11.1 Amendments, Modifications, etc.

Subject to Section 11.2, 11.4 and 13.1 this Agreement may not be amended or modified except by an agreement in writing executed by Akerna, Callco, Exchangeco and the Trustee and approved by the Beneficiaries in accordance with Section 11(b) of the Exchangeable Share Provisions.

11.2 Ministerial Amendments

Notwithstanding the provisions of Section 11.1, the parties to this Agreement may in writing, at any time and from time to time, without the approval of the Beneficiaries, amend or modify this Agreement for the purposes of:

- (a) adding to the covenants of any or all parties hereto for the protection of the Beneficiaries hereunder provided that the board of directors of each of Akerna, Callco and Exchangeco shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Beneficiaries;
- (b) evidencing the succession of Akerna Successors and the covenants of and obligations assumed by each such Akerna Successor in accordance with the provisions of Article 10;
- (c) making such amendments or modifications not inconsistent with this Agreement as may be necessary or desirable with respect to matters or questions arising hereunder which, in the good faith opinion of the board of directors of each of Akerna, Callco and Exchangeco and in the opinion of the Trustee it may be expedient to make, provided that each such board of directors and the Trustee shall be of the good faith opinion, after consultation with counsel, that such amendments or modifications will not be prejudicial to the rights or interests of the Beneficiaries; or
- (d) making such changes or corrections which, on the advice of counsel to Akerna, Callco, Exchangeco and the Trustee, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that each such board of directors and the Trustee shall be of the good faith opinion that such changes or corrections will not be prejudicial to the rights or interests of the Beneficiaries.

11.3 Meeting to Consider Amendments

Exchangeco, at the request of Akerna, shall call a meeting or meetings of the Beneficiaries for the purpose of considering any proposed amendment or modification requiring approval pursuant hereto. Any such meeting or meetings shall be called and held in accordance with the articles of Exchangeco, the Exchangeable Share Provisions and all applicable laws.

11.4 Changes in Capital of Akerna and Exchangeco

Notwithstanding the provisions of Section 11.1, at all times after the occurrence of any event contemplated pursuant to Sections 2.7 or 2.8 of the Support Agreement or otherwise, as a result of which either Akerna Shares or the Exchangeable Shares or both are in any way changed, this Agreement shall forthwith be amended and modified as necessary in order that it shall apply with full force and effect, *mutatis mutandis*, to all new securities into which Akerna Shares or the Exchangeable Shares or both are so changed and the parties hereto shall execute and deliver a supplemental trust agreement giving effect to and evidencing such necessary amendments and modifications.

11.5 Execution of Supplemental Trust Agreements

No amendment to or modification or waiver of any of the provisions of this Agreement otherwise permitted hereunder shall be effective unless made in writing and signed by all of the parties hereto. Notwithstanding the provisions of Section 11.1, from time to time Akerna, Callco and Exchangeco (in each case, when authorized by a resolution of its board of directors) and the Trustee may, subject to the provisions of these presents, and they shall, when so directed by these presents, execute and deliver by their proper officers, trust agreements or other instruments supplemental hereto, which thereafter shall form part hereof, for any one or more of the following purposes:

- (a) evidencing the succession of Akerna Successors and the covenants of and obligations assumed by each such Akerna Successor in accordance with the provisions of Article 10 and the successors of the Trustee or any successor trustee in accordance with the provisions of Article 9;
- (b) making any additions to, deletions from or alterations of the provisions of this Agreement or the Voting Rights, the Exchange Right, the Put Right or the Automatic Exchange Right which, in the opinion of the Trustee, will not be prejudicial to the interests of the Beneficiaries or are, in the opinion of counsel to the Trustee, necessary or advisable in order to incorporate, reflect or comply with any legislation the provisions of which apply to Akerna, Callco, Exchangeco, the Trustee or this Agreement; and
- (c) for any other purposes not inconsistent with the provisions of this Agreement, including without limitation to make or evidence any amendment or modification to this Agreement as contemplated hereby; provided that, in the opinion of the Trustee, the rights of the Trustee and Beneficiaries will not be prejudiced thereby.

ARTICLE 12 TERMINATION

12.1 Term

The Trust created by this Agreement shall continue until the earliest to occur of the following events:

- (a) no outstanding Exchangeable Shares are held by a Beneficiary;
- (b) each of Akerna, Callco and Exchangeco elects in writing to terminate the Trust and such termination is approved by the Beneficiaries in accordance with Section 11(b) of the Exchangeable Share Provisions; and
- (c) 21 years after the death of the last survivor of the descendants of His Majesty King George VI of Canada and the United Kingdom of Great Britain and Northern Ireland living on the date of the creation of the Trust.

12.2 Survival of Agreement

This Agreement shall survive any termination of the Trust and shall continue until there are no Exchangeable Shares outstanding held by a Beneficiary; provided, however, that the provisions of Article 7 and Article 8 shall survive any such termination of this Agreement.

ARTICLE 13 GENERAL

13.1 Severability

If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule or law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal

or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the fullest extent possible.

13.2 Escrow Agreement

Notwithstanding any other provision hereof, the parties hereto acknowledge and agree that the Exchangeable Shares and Akerna Shares are, as at the date hereof, subject to the terms and conditions of the Escrow Agreement (as defined in the Arrangement Agreement), and for so long as such shares continue to be subject to the Escrow Agreement, any transfer or exchange of Exchangeable Shares pursuant to this Agreement will be made subject to the Escrow Agreement and any Exchangeable Share Consideration issued in respect of Exchangeable Shares will be subject to the Escrow Agreement.

13.3 Enurement

This Agreement shall be binding upon and enure to the benefit of the parties hereto and their respective successors and assigns and, subject to the terms hereof, to the benefit of the Beneficiaries.

ARTICLE 9

CONCERNING THE RIGHTS AGENT

9.1 NO CONFLICT OF INTEREST

The Rights Agent represents to Akerna that to the best of its knowledge, at the date of the execution and delivery of this Indenture there exists no material conflict of interest in its role as a fiduciary hereunder. In the event of a material conflict of interest arising in the Rights Agent's role as fiduciary hereunder the Rights Agent shall, as soon as practicable but in any case within 20 days after ascertaining that it has such material conflict of interest, either eliminate the same or assign its trust hereunder to a successor rights agent approved by Akerna. Notwithstanding the foregoing provisions of this section, if any such material conflict of interest exists or hereafter shall exist, the validity and enforceability of this Indenture and the Rights Certificate(s) shall not be affected in any manner whatsoever by reason hereof.

9.2 REPLACEMENT OF RIGHTS AGENT

- (a) The Rights Agent may resign its trust and be discharged from all further duties and liabilities hereunder by giving to Akerna at least 45 days' notice in writing or such shorter notice as Akerna may accept as sufficient. The Shareholder Representative shall have the power at any time to remove the existing Rights Agent and to appoint a new rights agent. If the Rights Agent resigns or is removed by the Shareholder Representative or is dissolved, becomes bankrupt, goes into liquidation or otherwise becomes incapable of acting hereunder, Akerna shall forthwith appoint a new rights agent unless a new rights agent has already been appointed by the Shareholder Representative; failing such appointment by Akerna, the retiring Rights Agent or the Shareholder Representative may apply to a court of competent jurisdiction, on such notice as such court may direct, for the appointment of a new rights agent; but any new rights agent so appointed by Akerna or by such court shall be subject to removal as aforesaid by the Shareholder Representative. Any new rights agent appointed under any provision of this section must be a corporation authorized to carry on the business of a trust company in the Province of Ontario and, if required by the applicable trust indenture legislation of any other province or territory, in that other province or territory, and must be a corporation which is independent of Akerna and has no material conflict of interest. On any new appointment the new rights agent shall be vested with the same powers, rights, duties and responsibilities as if it had been originally named herein as Rights Agent.

- (b) Any entity into which the Rights Agent may be merged or with which it may be consolidated or amalgamated or any entity resulting from any merger, consolidation or amalgamation to which the Rights Agent shall be a party or any entity succeeding to the trust business of the Rights Agent, shall be the successor rights agent under this Indenture without the execution of any instrument or any further act.

9.3 EVIDENCE, EXPERTS AND ADVISERS

- (a) In addition to the reports, certificates, opinions and other evidence required by this Indenture, Akerna and Exchangeco shall furnish to the Rights Agent such additional evidence of compliance with any provision hereof, and in such form, as may be prescribed by any trust indenture legislation or as the Rights Agent may reasonably require by written notice to Akerna.
- (b) In the exercise of its rights and duties hereunder, the Rights Agent may, if it is acting in good faith, rely as to the truth of the statements and the accuracy of the opinions expressed in statutory declarations, opinions, reports, written requests, consents, or orders of Akerna, certificates of Akerna or other evidence furnished to the Rights Agent pursuant to any provision hereof or any trust indenture legislation or pursuant to a request of the Rights Agent, not only as to its due execution and the validity and effectiveness of its provisions, but also to the truth and acceptability of any information therein contained which the Rights Agent in good faith believes to be genuine.
- (c) Proof of the execution of an instrument in writing, including a Holders' Request, by any Holder may be made by the certificate of a notary public, or other officer with similar powers, that the Person signing such instrument acknowledged to it the execution thereof, or by an affidavit of a witness to such execution or in any other manner which the Rights Agent may consider adequate.
- (d) The Rights Agent may, at the expense of Akerna employ or retain such counsel, accountants, appraisers or other experts or advisers as it may reasonably require for the purpose of discharging its duties hereunder and may pay reasonable remuneration for all services so performed by any of them, without taxation of costs of any counsel, and shall not be responsible for any misconduct or negligence on the part of any such experts or advisers who have been appointed with due care by the Rights Agent.

9.4 RIGHTS AGENT MAY DEAL IN SECURITIES

Subject to Section 9.1, the Rights Agent may buy, sell, lend upon and deal in securities of Akerna and generally contract and enter into financial transactions with Akerna or otherwise, without being liable to account for any profits made thereby.

9.5 RIGHTS AGENT NOT ORDINARILY BOUND

Except as otherwise specifically provided herein, the Rights Agent shall not be bound to give notice to any Person of the execution hereof, nor to do, observe or perform or see to the observance or performance by Akerna of any of the obligations herein imposed upon Akerna or of the covenants on the part of Akerna herein contained.

9.6 RIGHTS AGENT NOT REQUIRED TO GIVE SECURITY

The Rights Agent shall not be required to give any bond or security in respect of the execution of the trusts and powers of this Indenture or otherwise in respect of the premises.

9.7 RIGHTS AGENT NOT REQUIRED TO GIVE NOTICE OF DEFAULT

The Rights Agent shall not be bound to give any notice or do or take any act, action or proceeding by virtue of the powers conferred on it hereby unless and until it shall have been required to do so under the terms hereof; nor shall the Rights Agent be required to take notice of any default hereunder, unless and until notified in writing of such default, which notice shall distinctly specify the default desired to be brought to the attention of the Rights Agent and in the absence of any such notice the Rights Agent may for all purposes of this Indenture conclusively assume that no default has been made in the observance or performance of any of the representations, warranties, covenants, agreements or conditions contained herein. Any such notice shall in no way limit any discretion herein given to the Rights Agent to determine whether or not the Rights Agent shall take action with respect to any default.

9.8 ACCEPTANCE OF APPOINTMENT

The Rights Agent hereby accepts its appointment as Rights Agent and its duties and obligations in this Indenture declared and provided for and agrees to perform them upon the terms and conditions herein set forth and to hold and exercise the rights, privileges and benefits conferred upon it hereby, subject to all the terms and conditions herein set forth, until discharged therefrom by resignation or other lawful removal.

9.9 DUTIES OF RIGHTS AGENT

The Rights Agent, in exercising its powers and discharging its duties hereunder, shall:

- (a) act honestly and in good faith with a view to the best interests of the Holders; and
- (b) exercise the care, diligence and skill that a reasonably prudent rights agent would exercise in comparable circumstances.

9.10 ACTIONS BY RIGHTS AGENT

- (a) Subject only to Section 9.9, the obligation of the Rights Agent to commence or continue any act, action or proceeding for the purpose of enforcing any rights of the Rights Agent or the Holders hereunder shall be conditional upon the Holders delivering to the Rights Agent:
 - (i) a written request by the Shareholder Representative directing the Rights Agent to take such act, action, or proceeding;
 - (ii) sufficient funds to commence or continue such act, action or proceeding; and
 - (iii) an indemnity reasonably satisfactory to the Rights Agent to protect and hold harmless the Rights Agent against the costs, charges and expenses and liabilities to be incurred thereby and any loss and damages it may suffer by reason thereof.
- (b) None of the provisions contained in this Indenture shall require the Rights Agent to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers unless indemnified and funded as aforesaid.
- (c) The Rights Agent may, before commencing or at any time during the continuance of any such act, action or proceeding, require the Shareholder Representative (for and on behalf of the Holders), at whose instance it is acting, to deposit with the Rights Agent the Rights held by them, for which Rights the Rights Agent shall issue receipts.

9.11 PROTECTION OF RIGHTS AGENT

By way of supplement to the provisions of any law for the time being relating to trustees it is expressly declared and agreed as follows:

- (a) the Rights Agent shall not be liable for or by reason of any statements of fact or recitals in this Indenture or in the Rights Certificates (except the representation contained in Section 9.1 or in the certificate of the Rights Agent on the Rights Certificates) or be required to verify the same, but all such statements or recitals are and shall be deemed to be made by Akerna;
- (b) nothing herein contained shall impose any obligation on the Rights Agent to see to or to require evidence of the registration or filing (or renewal thereof) of this Indenture or any instrument ancillary or supplemental hereto; and
- (c) the Rights Agent shall not be bound to give notice to any Person or Persons of the execution hereof.

9.12 INDEMNIFICATION OF THE RIGHTS AGENT

The Rights Agent, its officers, directors, agents and employees shall at all times be indemnified and saved harmless by Akerna from and against all claims, demands, losses, actions, causes of action, suits, proceedings, costs, charges, expenses, assessments, judgements, damages and liabilities whatsoever arising in connection with this Indenture,

including, without limitation, those arising out of or related to actions taken or omitted to be taken by the Rights Agent contemplated hereby, reasonable expert consultant and legal fees and disbursements on a solicitor and client basis and reasonable costs and expenses incurred in connection with the enforcement of this indemnity, which the Rights Agent may suffer or incur, whether at law or in equity, in any way caused by or arising, directly or indirectly, in respect of any act, deed, matter or thing whatsoever made, done, acquiesced in or omitted in or about or in relation to the execution of its duties as Rights Agent. The foregoing provisions of this section do not apply to the extent that in any circumstance there have been acts of gross negligence, wilful misconduct, or bad faith by the Rights Agent. This indemnity shall survive the termination or discharge of this Indenture and the resignation or removal of the Rights Agent.

9.13 THIRD PARTY INTERESTS

Each party to this Indenture hereby represents to the Rights Agent that any account to be opened by, or interest to held by the Rights Agent in connection with this Indenture, for or to the credit of such party, either: (a) is not intended to be used by or on behalf of any third party; or (b) is intended to be used by or on behalf of a third party, in which case such party hereto agrees to complete and execute forthwith a declaration in the Rights Agent's prescribed form as to the particulars of such third party.

9.14 NOT BOUND TO ACT / ANTI-MONEY LAUNDERING

The Rights Agent shall retain the right not to act and shall not be liable for refusing to act if, due to a lack of information or for any other reason whatsoever, the Rights Agent, in its sole judgment, determines that such act might cause it to be in non-compliance with any applicable anti-money laundering, anti-terrorist or economic sanctions legislation, regulation or guideline. Further, should the Rights Agent, in its sole judgment, determine at any time that its acting under this Indenture has resulted in its being in non-compliance with any applicable anti-money laundering, antiterrorist or economic sanctions legislation, regulation or guideline, then it shall have the right to resign on 10 days written notice to Akerna, provided: (a) that the Rights Agent's written notice shall describe the circumstances of such non-compliance; and (b) that if such circumstances are rectified to the Rights Agent's satisfaction within such 10 day period, then such resignation shall not be effective.

3. Dividends and Distributions

- (a) Dividends and Distributions. A holder of an Exchangeable Share shall be entitled to receive and the Board of Directors shall, subject to applicable law, on each Akerna Dividend Declaration Date, declare a dividend or other distribution on each Exchangeable Share:
 - (i) in the case of a cash dividend or other distribution declared on the Akerna Shares, in an amount in cash for each Exchangeable Share equal to the Canadian Dollar Equivalent of the cash dividend or other distribution declared on each Akerna Share on the Akerna Dividend Declaration Date;
 - (ii) in the case of a stock or share dividend or other distribution declared on the Akerna Shares to be paid in Akerna Shares, by the issue or transfer by the Company of such number of Exchangeable Shares for each Exchangeable Share as is equal to the number of Akerna Shares to be paid on each Akerna Share; provided, however, that the Company may, in lieu of such stock or share dividend or other distribution, elect to effect a corresponding, contemporaneous and economically equivalent (as determined by the Board of Directors in accordance with Sections 3(e) and 3(f)) subdivision of the outstanding Exchangeable Shares; or
 - (iii) in the case of a dividend or other distribution declared on the Akerna Shares in property other than cash or Akerna Shares, in such type and amount of property for each Exchangeable Share as is the same as or economically equivalent (as determined by the Board of Directors in accordance with Section 3(e)) to the type and amount of property declared as a dividend or other distribution on each Akerna Share;and such dividends or other distributions shall be paid out of money, assets or property of the Company properly applicable to the payment of dividends or other distributions, out of authorized but unissued shares of the Company or through the subdivision of outstanding Exchangeable Shares, as applicable. The holders of Exchangeable Shares shall not be entitled to any dividends or other distributions other than or in excess of the dividends or other distributions referred to in this Section 3(a).
- (b) Payments of Dividends and Distributions. Cheques of the Company payable at par at any branch of the bankers of the Company shall be issued in respect of any cash dividends or other distributions contemplated by Section 3(a)(i) and the sending of such cheque to each holder of an Exchangeable Share shall satisfy the cash dividend or other distribution represented thereby unless the cheque is not paid on presentation. Certificates registered in the name of the registered holder of Exchangeable Shares or written evidence of the book entry issuance or transfer to the registered holder of Exchangeable Shares

shall be delivered in respect of any stock or share dividends or other distributions contemplated by Section 3(a)(ii) or any subdivision of the Exchangeable Shares under Sections 3(a)(ii) and 3(f), and the sending of such certificates or written evidence to each holder of an Exchangeable Share shall satisfy the stock or share dividend or other distribution represented thereby. Such other type and amount of property in respect of any dividends or other distributions contemplated by Section 3(a)(iii) shall be issued, distributed or transferred by the Company in such manner as it shall determine, and the issuance, distribution or transfer thereof by the Company to each holder of an Exchangeable Share shall satisfy the dividend or other distribution represented thereby. Subject to the requirements of applicable law with respect to unclaimed property, no holder of an Exchangeable Share shall be entitled to recover by action or other legal process against the Company any dividend or other distribution that is represented by a cheque that has not been duly presented to the Company's bankers for payment or that otherwise remains unclaimed for a period of six years from the date on which such dividend was payable.

- (c) Record and Payment Dates. The record date for the determination of the holders of Exchangeable Shares entitled to receive payment of, and the payment date for, any dividend or other distribution declared on the Exchangeable Shares under Section 3(a) shall be the same dates as the record date and payment date, respectively, for the corresponding dividend or other distribution declared on the Akerna Shares. The record date for the determination of the holders of Exchangeable Shares entitled to receive Exchangeable Shares in connection with any subdivision of the Exchangeable Shares under Sections 3(a)(ii) and 3(f), and the effective date of such subdivision, shall be the same dates as the record and payment date, respectively, for the corresponding stock or share dividend or other distribution declared on the Akerna Shares.
- (d) Partial Payment. If on any payment date for any dividends or other distributions declared on the Exchangeable Shares under Section 3(a) the dividends or other distributions are not paid in full on all of the Exchangeable Shares then outstanding, any such dividends or other distributions that remain unpaid shall be paid on a subsequent date or dates determined by the Board of Directors on which the Company shall have sufficient moneys, assets or property properly applicable to the payment of such dividends or other distributions.
- (e) Economic Equivalence. The Board of Directors shall determine, in good faith and in its sole discretion (with the assistance of such financial or other advisors as the Board of Directors may determine), "economic equivalence" for the purposes of the Exchangeable Share Provisions and each such determination shall be conclusive and binding on the Company and its shareholders. In making each such determination, the following factors shall, without excluding other factors determined by the Board of Directors to be relevant, be considered by the Board of Directors:
 - (i) in the case of any stock or share dividend or other distribution payable in Akerna Shares, the number of such shares issued as a result of such stock or share dividend or other distribution in proportion to the number of Akerna Shares previously outstanding;
 - (ii) in the case of the issuance or distribution of any rights, options or warrants to subscribe for or purchase Akerna Shares (or securities exchangeable for or convertible into or carrying rights to acquire Akerna Shares), the relationship between the exercise price of each such right, option or warrant, the number of such rights, options or warrants to be issued or distributed in respect of each Akerna Share and the Current Market Price of an Akerna Share, the price volatility of the Akerna Shares and the terms of any such instrument;
 - (iii) in the case of the issuance or distribution of any other form of property (including without limitation any shares or securities of Akerna of any class other than Akerna Shares, any rights, options or warrants other than those referred to in Section 3(e)(ii), any evidences of indebtedness of Akerna or any assets of Akerna), the relationship between the fair market value (as determined by the Board of Directors in the manner above contemplated) of such property to be issued or distributed with respect to each outstanding Akerna Share and the Current Market Price of an Akerna Share;
 - (iv) in the case of any subdivision, redivision or change of the then outstanding Akerna Shares into a greater number of Akerna Shares or the reduction, combination, consolidation or change of the

then outstanding Akerna Shares into a lesser number of Akerna Shares or any amalgamation, merger, arrangement, reorganization or other transaction affecting the Akerna Shares, the effect thereof upon the then outstanding Akerna Shares; and

- (v) in all such cases, the general taxation consequences of the relevant event to holders of Exchangeable Shares to the extent that such consequences may differ from the taxation consequences to holders of Akerna Shares as a result of differences between taxation laws of Canada and the United States (except for any differing consequences arising as a result of differing marginal taxation rates and without regard to the individual circumstances of holders of Exchangeable Shares).

- (f) Subdivision on Stock or Share Dividend. In the case of a stock or share dividend declared on Akerna Shares to be paid in Akerna Shares, in lieu of declaring the stock or share dividend contemplated by Section 3(a)(ii) on the Exchangeable Shares, the Board of Directors may, in good faith and in its discretion and subject to applicable law and to obtaining all required regulatory approvals, subdivide, redivide or change each issued and unissued Exchangeable Share on the basis that each Exchangeable Share before such subdivision becomes a number of Exchangeable Shares equal to the sum of: (i) one Akerna Share; and (ii) the number of Akerna Shares to be paid as a share dividend on each Akerna Share.

4. Certain Restrictions

So long as any of the Exchangeable Shares are outstanding, the Company shall not at any time without, but may at any time with, the approval of the holders of the Exchangeable Shares given as specified in Section 11(a):

- (a) pay any dividends or other distributions on the Common Shares or any other shares ranking junior to the Exchangeable Shares with respect to the payment of dividends or other distributions, other than stock or share dividends payable in Common Shares or any such other shares ranking junior to the Exchangeable Shares, as the case may be;
- (b) redeem or purchase or make any capital distribution in respect of Common Shares or any other shares ranking junior to the Exchangeable Shares with respect to the payment of dividends or the distribution of the assets in the event of the liquidation, dissolution or winding up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company among its shareholders for the purpose of winding up its affairs;
- (c) redeem or purchase or make any capital distribution in respect of any other shares of the Company ranking equally with the Exchangeable Shares with respect to the payment of dividends or the distribution of assets in the event of the liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company among its shareholders for the purpose of winding up its affairs; or
- (d) issue any Exchangeable Share or any other shares ranking equally with, or superior to, the Exchangeable Shares, other than, in each case, by way of stock or share dividends to the holders of such Exchangeable Shares or pursuant to a shareholders rights plan adopted by the Company;

provided, however, that the restrictions in this Section 4 shall not apply if all dividends or other distributions on the outstanding Exchangeable Shares corresponding to dividends or other distributions declared and paid on the Akerna Shares shall have been declared and paid in full on the Exchangeable Shares prior to or as at the date of any such event referred to in this Section 4.

5. Liquidation

- (a) Liquidation Amount. Subject to applicable laws and the due exercise by Akerna or Callco of the Liquidation Call Right (which shall itself be subject to the sale and purchase contemplated by the Automatic Exchange Right), in the event of the liquidation, dissolution or winding-up of the Company or any other distribution of the assets of the Company among its shareholders for the purpose of winding up its affairs, a holder of Exchangeable Shares shall be entitled to receive from the assets of the Company in respect of each Exchangeable Share held by such holder on the effective date of

such liquidation, dissolution, winding-up or other distribution (the “**Liquidation Date**”), before any distribution of any part of the assets of the Company among the holders of the Common Shares or any other shares ranking junior to the Exchangeable Shares with respect to dividends or other distributions an amount per share (the “**Liquidation Amount**”) equal to the Exchangeable Share Price applicable on the last Business Day prior to the Liquidation Date, which price shall be satisfied in full by the Company delivering or causing to be delivered to such holder the Exchangeable Share Consideration representing the Liquidation Amount.

- (b) Payment of Liquidation Amount. In the case of a distribution pursuant to Section 5(a), and provided that the sale and purchase contemplated by the Automatic Exchange Right has not occurred and that the Liquidation Call Right has not been exercised by Akerna or Callco, on or promptly after the Liquidation Date, the Company shall deliver or cause to be delivered to the holders of the Exchangeable Shares the Liquidation Amount for each such Exchangeable Share upon presentation and surrender of the certificates representing such Exchangeable Shares, together with such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the OBCA and the articles of the Company, as applicable, together with such additional documents, instruments and payments as the Transfer Agent and the Company may reasonably require, at the registered office of the Company or at any office of the Transfer Agent as may be specified by the Company by notice to the holders of the Exchangeable Shares. Payment of the Liquidation Amount for such Exchangeable Shares shall be made by delivery to each holder, at the address of such holder recorded in the securities register of the Company for the Exchangeable Shares or by holding for pick-up by such holder at the registered office of the Company or at any office of the Transfer Agent as may be specified by the Company by notice to the holders of the Exchangeable Shares, the Exchangeable Share Consideration such holder is entitled to receive pursuant to Section 5(a). On and after the Liquidation Date, the holders of the Exchangeable Shares shall cease to be holders of such Exchangeable Shares and shall not be entitled to exercise any of the rights of holders in respect thereof (including, without limitation, any rights under the Voting and Exchange Trust Agreement) other than the right to receive, without interest, their proportionate part of the aggregate Liquidation Amount, unless payment of the aggregate Liquidation Amount for such Exchangeable Shares shall not be made upon presentation and surrender of share certificates and other required documents in accordance with the foregoing provisions, in which case the rights of the holders shall remain unaffected until the Liquidation Amount has been paid in the manner hereinbefore provided. The Company shall have the right at any time after the Liquidation Date to transfer or cause to be issued or transferred to, and deposited in a custodial account with, any chartered bank or trust company the Liquidation Amount in respect of the Exchangeable Shares represented by certificates that have not at the Liquidation Date been surrendered by the holders thereof, such Liquidation Amount to be held by such bank or trust company as trustee for and on behalf of, and for the use and benefit of, such holders. Upon such deposit being made, the rights of a holder of Exchangeable Shares as of the date of such deposit shall be limited to receiving its proportionate part of the aggregate Liquidation Amount for such Exchangeable Shares so deposited, without interest, and all dividends and other distributions with respect to the Akerna Shares to which such holder is entitled with a record date on or after the date of such deposit and before the date of transfer of such Akerna Shares to such holder (in each case less any amounts withheld on account of tax required to be deducted and withheld therefrom) against presentation and surrender of the certificates for the Exchangeable Shares held by them in accordance with the foregoing provisions. Upon such payment or deposit of the Liquidation Amount, the holders of the Exchangeable Shares shall thereafter be considered and deemed for all purposes to be holders of the Akerna Shares delivered to them or the custodian on their behalf.
- (c) No Right to Participate in Further Distributions. After the Company has satisfied its obligations to pay the holders of the Exchangeable Shares the aggregate Liquidation Amount per Exchangeable Share pursuant to this Section 5, such holders shall not be entitled to share in any further distribution of the assets of the Company.

6. Retraction of Exchangeable Shares

- (a) Retraction at Option of Holder
- (i) Subject to applicable laws and the due exercise by Akerna or Callco of the Retraction Call Right, a holder of Exchangeable Shares shall be entitled at any time to require the Company to redeem any

or all of the Exchangeable Shares registered in the name of such holder for an amount per share equal to the Exchangeable Share Price applicable on the last Business Day prior to the Retraction Date (the “**Retraction Price**”), which price shall be satisfied in full by the Company delivering or causing to be delivered to such holder the Exchangeable Share Consideration representing the Retraction Price. A holder of Exchangeable Shares must give notice of a request to redeem by presenting and surrendering to the Company, at the registered office of the Company or at any office of the Transfer Agent as may be specified by the Company by notice to the holders of the Exchangeable Shares, the certificate or certificates representing the Exchangeable Shares that such holder desires to have the Company redeem, together with: (A) such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the OBCA and the articles of the Company, as applicable, together with such additional documents, instruments and payments as the Transfer Agent and the Company may reasonably require; and (B) a duly executed request (the “**Retraction Request**”) in the form of Appendix I hereto or in such other form as may be acceptable to the Company:

- (A) specifying that such holder desires to have all or any number specified therein of the Exchangeable Shares represented by such certificate or certificates (the “**Retracted Shares**”) redeemed by the Company;
 - (B) stating the Business Day on which the holder desires to have the Company redeem the Retracted Shares (the “**Retraction Date**”), provided that the Retraction Date shall not be less than 10 Business Days nor more than 15 Business Days after the date on which the Retraction Request is received by the Company and further provided that, in the event that no such Business Day is specified by the holder in the Retraction Request, the Retraction Date shall be deemed to be the 15th Business Day after the date on which the Retraction Request is received by the Company, subject to Section 6(a)(v); and
 - (C) acknowledging the overriding right (the “**Retraction Call Right**”) of Akerna and Calco to purchase all but not less than all the Retracted Shares directly from the holder and that the Retraction Request shall be deemed to be a revocable offer by the holder to sell the Retracted Shares to Akerna or Calco in accordance with the Retraction Call Right on the Retraction Date for the Retraction Call Right Purchase Price and on the other terms and conditions set out in Section 6(b).
- (ii) In the case of a redemption of Exchangeable Shares pursuant to this Section 6(a), upon receipt by the Company or the Transfer Agent in the manner specified in Section 6(a)(i) of a certificate or certificates representing the number of Exchangeable Shares which the holder desires to have the Company redeem, together with a duly executed Retraction Request and such additional documents and instruments specified in Section 6(a)(i) or that the Company may reasonably require, and provided that: (A) the Retraction Request has not been revoked by the holder of such Retracted Shares in the manner specified in Section 6(a)(iv); and (B) neither Akerna nor Calco has exercised the Retraction Call Right, the Company shall redeem the Retracted Shares effective at the close of business on the Retraction Date. On the Retraction Date, the Company shall deliver or cause to be delivered to such holder, at the address of the holder recorded in the securities register of the Company for the Exchangeable Shares or at the address specified in the Retraction Request or by holding for pick-up by the holder at the registered office of the Company or at any office of the Transfer Agent as may be specified by the Company by notice to the holders of the Exchangeable Shares, the Exchangeable Share Consideration representing the Retraction Price and such delivery of such Exchangeable Share Consideration by or on behalf of the Company by the Transfer Agent shall be deemed to be payment of and shall satisfy and discharge all liability for the Retraction Price to the extent that the same is represented by such Exchangeable Share Consideration, unless any cheque comprising part of such Exchangeable Share Consideration is not paid on due presentation. If only a part of the Exchangeable Shares represented by any certificate is redeemed, a new certificate for the balance of such Exchangeable Shares shall be issued to the holder at the expense of the Company. On and after the close of business on the Retraction Date, the holder of the Retracted Shares shall cease to be a holder of such Retracted Shares and shall not be entitled to exercise any of the rights of a holder in respect

thereof (including, without limitation, any rights under the Voting and Exchange Trust Agreement), other than the right to receive the aggregate Retraction Price in respect thereof, unless payment of the aggregate Retraction Price payable to such holder shall not be made upon presentation and surrender of share certificates and other required documents in accordance with the foregoing provisions, in which case the rights of such holder shall remain unaffected until such aggregate Retraction Price has been paid in the manner hereinbefore provided. On and after the close of business on the Retraction Date, provided that presentation and surrender of the certificates and payment of such aggregate Retraction Price has been made in accordance with the foregoing provisions, the holder of the Retracted Shares so redeemed by the Company shall thereafter be considered and deemed for all purposes to be a holder of the Akerna Shares delivered to such holder.

- (iii) Notwithstanding any other provision of this Section 6, the Company shall not be obligated to redeem Retracted Shares specified by a holder in a Retraction Request if and to the extent that such redemption of Retracted Shares would be contrary to solvency requirements or other provisions of applicable laws. If the Company believes, after due enquiry, that on any Retraction Date it would not be permitted by any of such provisions to redeem the Retracted Shares tendered for redemption on such date, and provided that neither Akerna nor Calco has exercised the Retraction Call Right with respect to such Retracted Shares, the Company shall only be obligated to redeem Retracted Shares specified by a holder in a Retraction Request to the extent of the maximum number that may be so redeemed (rounded down to a whole number of shares) as would not be contrary to such provisions and shall notify the holder and the Trustee at least two Business Days prior to the Retraction Date as to the number of Retracted Shares which will not be redeemed by the Company. In any case in which the redemption by the Company of Retracted Shares would be contrary to solvency requirements or other provisions of applicable laws, the Company shall redeem Retracted Shares in accordance with Section 6(a)(ii) on a pro rata basis in proportion to the total number of Exchangeable Shares tendered for retraction and shall issue to each holder of Retracted Shares a new certificate, at the expense of the Company, representing the Retracted Shares not redeemed by the Company pursuant to Section 6(a)(ii). If the Company would otherwise be obligated to redeem Retracted Shares pursuant to Section 6(a)(ii) but is not obligated to do so as a result of solvency requirements or other provisions of applicable laws, the holder of any such Retracted Shares not redeemed by the Company pursuant to Section 6(a)(ii) as a result of solvency requirements or other provisions of applicable laws shall be deemed, by delivery of the Retraction Request, to have instructed the Transfer Agent to require Akerna or Calco to purchase such Retracted Shares from such holder on the Retraction Date or as soon as practicable thereafter on payment by Akerna or Calco to such holder of the aggregate Retraction Price in respect of such Retracted Shares, all as more specifically provided for in the Voting and Exchange Trust Agreement.
- (iv) A holder of Retracted Shares may, by notice in writing given by the holder to the Company before the close of business on the Business Day immediately preceding the Retraction Date, withdraw its Retraction Request, in which event such Retraction Request shall be null and void and, for greater certainty, the revocable offer constituted by the Retraction Request to sell the Retracted Shares to Akerna or Calco shall be deemed to have been revoked.
- (v) Notwithstanding any other provision of this Section 6(a), if:
 - (A) exercise of the rights of the holders of the Exchangeable Shares, or any of them, to require the Company to redeem any Exchangeable Shares pursuant to this Section 6(a) on any Retraction Date would require listing particulars or any similar document to be issued in order to obtain the approval of the NASDAQ to the listing and trading (subject to official notice of issuance) of the Akerna Shares that would be required to be delivered to such holders of Exchangeable Shares in connection with the exercise of such rights; and
 - (B) as a result of (A) above, it would not be practicable (notwithstanding the reasonable endeavours of Akerna) to obtain such approvals in time to enable all or any of such Akerna Shares to be admitted to listing and trading by the NASDAQ (subject to official notice

of issuance) when so delivered; the Retraction Date shall, notwithstanding any other date specified or otherwise deemed to be specified in any relevant Retraction Request, be deemed for all purposes to be the earlier of: (i) the second Business Day immediately following the date the approvals referred to in Section 6(a)(v)(A) are obtained; and (ii) the date which is 30 Business Days after the date on which the relevant Retraction Request is received by the Company, and references in these Exchangeable Share Provisions to such Retraction Date shall be construed accordingly.

(b) Retraction Call Rights

- (i) In the event that a holder of Exchangeable Shares delivers a Retraction Request pursuant to Section 6(a), and subject to the limitations set forth in Section 6(a)(ii) (including that Callco shall only be entitled to exercise its Retraction Call Right with respect to those holders of Exchangeable Shares, if any, in respect of which Akerna has not exercised its Retraction Call Right), the Retraction Call Right will be available to each of Akerna and Callco, notwithstanding the proposed redemption of the Exchangeable Shares by the Company pursuant to Section 6(a), to purchase from such holder on the Retraction Date all but not less than all of the Retracted Shares held by such holder on payment by Akerna or Callco, as the case may be, of an amount per share equal to the Exchangeable Share Price applicable on the last Business Day prior to the Retraction Date (the “**Retraction Call Right Purchase Price**”), which price shall be satisfied in full by Akerna or Callco, as the case may be, delivering or causing to be delivered to such holder the Exchangeable Share Consideration representing the Retraction Call Right Purchase Price. Upon the exercise of the Retraction Call Right in respect of Retracted Shares, the holder of such Retracted Shares shall be obligated to sell all of such Retracted Shares to Akerna or Callco, as the case may be, on the Retraction Date on payment by Akerna or Callco, as the case may be, of the aggregate Retraction Call Right Purchase Price in respect of such Retracted Shares as set forth in this Section 6(b)(i).
- (ii) Upon receipt by the Company of a Retraction Request, the Company shall immediately notify Akerna and Callco thereof and shall provide Akerna and Callco with a copy of the Retraction Request. Callco shall only be entitled to exercise its Retraction Call Right with respect to those holders of Retracted Shares, if any, in respect of which Akerna has not exercised its Retraction Call Right. In order to exercise its Retraction Call Right, Akerna or Callco, as the case may be, must notify the Company in writing of its determination to do so (a “**Retraction Call Notice**”) within five Business Days after the Company notifies Akerna and Callco of the Retraction Request. If neither Akerna nor Callco so notifies the Company within such five Business Day period, the Company shall notify the holder as soon as possible thereafter that neither Akerna nor Callco will exercise the Retraction Call Right. If one or both of Akerna and Callco delivers a Retraction Call Notice within such five Business Day period and duly exercises its Retraction Call Right in accordance with this Section 6(b)(ii), the obligation of the Company to redeem the Retracted Shares shall terminate and, provided that the Retraction Request is not revoked by the holder of such Retracted Shares in the manner specified in Section 6(a)(iv), Akerna or Callco, as the case may be, shall purchase from such holder and such holder shall sell to Akerna or Callco, as the case may be, on the Retraction Date the Retracted Shares for an amount per share equal to the Retraction Call Right Purchase Price. Provided that the aggregate Retraction Call Right Purchase Price has been so deposited with the Transfer Agent as provided in Section 6(b)(iii), the closing of the purchase and sale of the Retracted Shares pursuant to the Retraction Call Right shall be deemed to have occurred as at the close of business on the Retraction Date and, for greater certainty, no redemption by the Company of such Retracted Shares shall take place on the Retraction Date.
- (iii) For the purpose of completing a purchase of Retracted Shares pursuant to the exercise of the Retraction Call Right, Akerna or Callco, as the case may be, shall deliver or cause to be delivered to the holder of such Retracted Shares, at the address of the holder recorded in the securities register of the Company for the Exchangeable Shares or at the address specified in the holder’s Retraction Request or by holding for pick-up by the holder at the registered office of the Company or at any office of the Transfer Agent as may be specified by the Company by notice to the holders of Exchangeable Shares, the Exchangeable Share Consideration representing the Retraction Call

Right Purchase Price to which such holder is entitled and such delivery of Exchangeable Share Consideration on behalf of Akerna or Callco, as the case may be, shall be deemed to be payment of and shall satisfy and discharge all liability for the Retraction Call Right Purchase Price to the extent that the same is represented by such Exchangeable Share Consideration, unless any cheque comprising part of such Exchangeable Share Consideration is not paid on due presentation.

- (iv) On and after the close of business on the Retraction Date, the holder of the Retracted Shares shall cease to be a holder of such Retracted Shares and shall not be entitled to exercise any of the rights of a holder in respect thereof (including, without limitation, any rights under the Voting and Exchange Trust Agreement), other than the right to receive the aggregate Retraction Call Right Purchase Price in respect thereof, unless payment of the aggregate Retraction Call Right Purchase Price payable to such holder shall not be made upon presentation and surrender of share certificates and other required documents in accordance with the foregoing provisions, in which case the rights of such holder shall remain unaffected until such aggregate Retraction Call Right Purchase Price has been paid in the manner hereinbefore provided. On and after the close of business on the Retraction Date, provided that presentation and surrender of certificates and payment of such aggregate Retraction Call Right Purchase Price has been made in accordance with the foregoing provisions, the holder of the Retracted Shares so purchased by Akerna or Callco, as the case may be, shall thereafter be considered and deemed for all purposes to be a holder of the Akerna Shares delivered to such holder.

7. Redemption of Exchangeable Shares by the Company

- (a) Redemption Amount. Subject to applicable laws and the due exercise by Akerna or Callco of the Redemption Call Right, the Company shall on the Redemption Date redeem all but not less than all of the then outstanding Exchangeable Shares (other than Exchangeable Shares held by Akerna and its affiliates) for an amount per share (the “**Redemption Price**”) equal to the Exchangeable Share Price on the last Business Day prior to the Redemption Date, which price shall be satisfied in full by the Company delivering or causing to be delivered to each holder of Exchangeable Shares the Exchangeable Share Consideration for each Exchangeable Share held by such holder.
- (b) Notice of Redemption. In the case of a redemption of Exchangeable Shares pursuant to Section 7(a), the Company shall, at least 30 days before the Redemption Date (other than a Redemption Date established in connection with an Akerna Control Transaction, an Exchangeable Share Voting Event or an Exempt Exchangeable Share Voting Event), send or cause to be sent to each holder of Exchangeable Shares a notice in writing of the redemption by the Company or the purchase by Akerna or Callco under the Redemption Call Right, as the case may be, of the Exchangeable Shares held by such holder. In the case of a Redemption Date established in connection with an Akerna Control Transaction, an Exchangeable Share Voting Event or an Exempt Exchangeable Share Voting Event, the written notice of the redemption by the Company or the purchase by Akerna or Callco, as the case may be, of the Exchangeable Shares under the Redemption Call Right will be sent on or before the Redemption Date, on as many days’ prior written notice as may be determined by the Board of Directors to be reasonably practicable in the circumstances. In any such case, such notice shall set out the formula for determining the Redemption Price or the Redemption Call Purchase Price, as the case may be, the Redemption Date and, if applicable, particulars of the Redemption Call Right. In the case of any notice given in connection with a possible Redemption Date, such notice will be given contingently and will be withdrawn if the contingency does not occur.
- (c) Payment of Redemption Price. On or promptly after the Redemption Date, and provided that the Redemption Call Right has not been exercised by Akerna or Callco, the Company shall deliver or cause to be delivered to the holders of the Exchangeable Shares to be redeemed the Redemption Price for each such Exchangeable Share, upon presentation and surrender of the certificates representing such Exchangeable Shares, together with such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the OBCA and the articles of the Company, as applicable, together with such additional documents, instruments and payments as the Transfer Agent and the Company may reasonably require, at the registered office of the Company or at any office of the Transfer Agent as may be specified by notice to the holders of the Exchangeable Shares. Payment

of the Redemption Price for such Exchangeable Shares shall be made by delivery to each holder, at the address of the holder recorded in the securities register of the Company for the Exchangeable Shares or by holding for pick-up by the holder at the registered office of the Transfer Agent as may be specified by the Company by notice to the holders of Exchangeable Shares, the Exchangeable Share Consideration representing the Redemption Price. On and after the Redemption Date, the holders of the Exchangeable Shares called for redemption shall cease to be holders of such Exchangeable Shares and shall not be entitled to exercise any of the rights of holders in respect thereof (including, without limitation, any rights under the Voting and Exchange Trust Agreement) other than the right to receive, without interest, their proportionate part of the aggregate Redemption Price, unless payment of the aggregate Redemption Price for such Exchangeable Shares shall not be made upon presentation and surrender of certificates in accordance with the foregoing provisions, in which case the rights of the holders shall remain unaffected until the Redemption Price has been paid in the manner hereinbefore provided. The Company shall have the right at any time after the sending of notice of its intention to redeem the Exchangeable Shares as aforesaid to deposit or cause to be deposited the aggregate Redemption Price (in the form of Exchangeable Share Consideration) of the Exchangeable Shares so called for redemption, or of such of the said Exchangeable Shares represented by certificates that have not at the date of such deposit been surrendered by the holders thereof in connection with such redemption, in a custodial account with any chartered bank or trust company in Canada named in such notice and any interest earned on such deposit shall belong to the Company. Provided that such aggregate Redemption Price has been so deposited prior to the Redemption Date, on and after the Redemption Date, the Exchangeable Shares in respect of which such deposit shall have been made shall be redeemed and the rights of the holders thereof after the Redemption Date shall be limited to receiving, without interest, their proportionate part of the aggregate Redemption Price for such Exchangeable Shares so deposited, against presentation and surrender of the certificates for the Exchangeable Shares held by them, respectively, in accordance with the foregoing provisions. Upon such payment or deposit of the Redemption Price, the holders of the Exchangeable Shares shall thereafter be considered and deemed for all purposes to be holders of the Akerna Shares delivered to them or the custodian on their behalf.

8. Purchase for Cancellation

- (a) Private Agreement. Subject to applicable laws and the articles of the Company, and notwithstanding Section 8(b), the Company may at any time and from time to time purchase for cancellation all or any part of the Exchangeable Shares by private agreement with the holder thereof.
- (b) Tender Offer. Subject to applicable laws and the articles of the Company, the Company may at any time and from time to time purchase for cancellation all or any part of the outstanding Exchangeable Shares at any price per share by tender to all the holders of Exchangeable Shares then outstanding or through the facilities of any stock exchange on which the Exchangeable Shares are listed or quoted together with an amount equal to all declared and unpaid dividends thereon for which the record date has occurred prior to the date of purchase. If in response to an invitation for tenders under the provisions of this Section 8(b) more Exchangeable Shares are tendered at a price or prices acceptable to the Company than the Company is prepared to purchase, the Exchangeable Shares to be purchased by the Company shall be purchased as nearly as may be pro rata according to the number of shares tendered by each holder who submits a tender to the Company, provided that when shares are tendered at different prices the pro rating shall be effected (disregarding fractions) only with respect to the shares tendered at the price at which more shares were tendered than the Company is prepared to purchase after the Company has purchased all the shares tendered at lower prices. If only part of the Exchangeable Shares represented by any certificate are purchased pursuant to this Section 8(b), a new certificate for the balance of such shares shall be issued at the expense of the Company.

9. Voting Rights

Except as required by applicable laws and by Section 11, the holders of the Exchangeable Shares shall not be entitled as such to receive notice of or to attend any meeting of the shareholders of the Company or to vote at any such meeting. Without limiting the generality of the foregoing, the holders of the Exchangeable Shares shall not be entitled to class votes except as required by applicable law.

10. Specified Amount

The amount specified in respect of each Exchangeable Share for the purposes of subsection 191(4) of the *Income Tax Act* (Canada) shall be an amount equal to C\$•.

11. Amendment and Approval

- (a) Amendment. The rights, privileges, restrictions and conditions attaching to the Exchangeable Shares may be added to, changed or removed only with the approval of the holders of the Exchangeable Shares given as hereinafter specified.
- (b) Approval. Any approval given by the holders of the Exchangeable Shares to add to, change or remove any right, privilege, restriction or condition attaching to the Exchangeable Shares or any other matter requiring the approval or consent of the holders of the Exchangeable Shares in accordance with applicable laws shall be deemed to have been sufficiently given if it shall have been given in accordance with applicable laws, subject to a minimum requirement that such approval be evidenced by resolution passed by not less than two-thirds of the votes cast on such resolution at a meeting of holders of Exchangeable Shares duly called and held at which the holders of at least 10% of the outstanding Exchangeable Shares at that time are present or represented by proxy; provided, however, that if at any such meeting the holders of at least 10% of the outstanding Exchangeable Shares at that time are not present or represented by proxy within one-half hour after the time appointed for such meeting, then the meeting shall be adjourned to such date not less than five days thereafter and to such time and place as may be designated by the Chairman of such meeting. At such adjourned meeting, the holders of Exchangeable Shares present or represented by proxy thereat may transact the business for which the meeting was originally called and a resolution passed thereat by the affirmative vote of not less than two-thirds of the votes cast on such resolution at such meeting shall constitute the approval or consent of the holders of the Exchangeable Shares.

12. Reciprocal Changes, etc. in Respect of Akerna Shares

- (a) Acknowledgement in Respect of Issuances or Distributions. Each holder of an Exchangeable Share acknowledges that the Support Agreement provides, in part, that Akerna will not, except as provided in the Support Agreement, without the prior approval of the Company and the prior approval of the holders of the Exchangeable Shares given in accordance with Section 11(b):
 - (i) issue or distribute Akerna Shares (or securities exchangeable for or convertible into or carrying rights to acquire Akerna Shares) to the holders of all or substantially all of the then outstanding Akerna Shares by way of stock or share dividend or other distribution, other than an issue of Akerna Shares (or securities exchangeable for or convertible into or carrying rights to acquire Akerna Shares) to holders of Akerna Shares: (i) who exercise an option to receive dividends in Akerna Shares (or securities exchangeable for or convertible into or carrying rights to acquire Akerna Shares) in lieu of receiving cash dividends; or (ii) pursuant to any dividend reinvestment plan or scrip dividend or similar arrangement;
 - (ii) issue or distribute rights, options or warrants to the holders of all or substantially all of the then outstanding Akerna Shares entitling them to subscribe for or to purchase Akerna Shares (or securities exchangeable for or convertible into or carrying rights to acquire Akerna Shares); or
 - (iii) issue or distribute to the holders of all or substantially all of the then outstanding Akerna Shares:
 - (A) shares or securities of Akerna of any class other than Akerna Shares (or securities convertible into or exchangeable for or carrying rights to acquire Akerna Shares);
 - (B) rights, options or warrants other than those referred to in Section 12(a)(ii) above;
 - (C) evidence of indebtedness of Akerna; or
 - (D) assets of Akerna;

unless, in each case, the Company issues or distributes the economic equivalent of such rights, options, warrants, securities, shares, evidences of indebtedness or other assets simultaneously to holders of the

Exchangeable Shares; provided, however, that, for greater certainty, the above restrictions shall not apply to any securities issued or distributed by Akerna in order to give effect to and to consummate the transactions contemplated by, and in accordance with, the Arrangement Agreement and the Plan of Arrangement.

- (b) Acknowledgement in Respect of Corporate Changes. Each holder of an Exchangeable Share acknowledges that the Support Agreement further provides, in part, that for so long as any Exchangeable Shares not owned by Akerna or its affiliates are outstanding, Akerna will not without the prior approval of the Company and the prior approval of the holders of the Exchangeable Shares given in accordance with Section 11(b):
- (i) subdivide, redivide or change the then outstanding Akerna Shares into a greater number of Akerna Shares;
 - (ii) reduce, combine, consolidate or change the then outstanding Akerna Shares into a lesser number of Akerna Shares; or
 - (iii) reclassify or otherwise change the Akerna Shares or effect an amalgamation, merger, reorganization or other transaction affecting the Akerna Shares;

unless, in each case, the same or an economically equivalent change is made simultaneously to, or in the rights of the holders of, the Exchangeable Shares; provided, however, that, for greater certainty, the above restrictions shall not apply to any securities issued or distributed by Akerna in order to give effect to and to consummate the transactions contemplated by, and in accordance with the Arrangement Agreement and the Plan of Arrangement. The Support Agreement further provides, in part, that the aforesaid provisions of the Support Agreement shall not be changed without the approval of the holders of the Exchangeable Shares given in accordance with Section 11(b).

- (c) Successorship Transaction. Notwithstanding the foregoing provisions of this Section 12, in the event of an Akerna Control Transaction:
- (i) in which Akerna merges or amalgamates with, or in which all or substantially all of the then outstanding Akerna Shares are acquired by one or more other corporations to which Akerna is, immediately before such merger, amalgamation or acquisition, related within the meaning of the *Income Tax Act* (Canada) (otherwise than virtue of a right referred to in paragraph 251(5) (b) thereof);
 - (ii) which does not result in an acceleration of the Redemption Date in accordance with paragraph (ii) of the definition of such term in Section 1(a); and
 - (iii) in which all or substantially all of the then outstanding Akerna Shares are converted into or exchanged for shares or rights to receive such shares (the “**Other Shares**”) of another corporation (the “**Other Corporation**”) that, immediately after such Akerna Control Transaction, owns or controls, directly or indirectly, Akerna;

then all references herein to “Akerna” shall thereafter be and be deemed to be references to “Other Corporation” and all references herein to “Akerna Shares” shall thereafter be and be deemed to be references to “Other Shares” (with appropriate adjustments, if any, as are required to result in a holder of Exchangeable Shares on the exchange, redemption or retraction of shares pursuant to these Exchangeable Share Provisions or the Plan of Arrangement or the exchange of shares pursuant to the Voting and Exchange Trust Agreement immediately subsequent to the Akerna Control Transaction being entitled to receive that number of Other Shares equal to the number of Other Shares such holder of Exchangeable Shares would have received if the exchange, redemption or retraction of such shares pursuant to these Exchangeable Share Provisions or the Plan of Arrangement or the exchange of such shares pursuant to the Voting and Exchange Trust Agreement had occurred immediately prior to the Akerna Control Transaction and the Akerna Control Transaction was completed) but subject to subsequent adjustments to reflect any subsequent changes in the share capital of the issuer of the Other Shares, including without limitation, any subdivision, consolidation or reduction of share capital, without any need to amend the terms and conditions of the Exchangeable Shares and without any further action required.

13. Actions by the Company under Support Agreement

- (a) Actions by the Company. The Company will take all such actions and do all such things as shall be necessary or advisable to perform and comply with and to ensure performance and compliance by Akerna, Callco and the Company with all provisions of the Support Agreement applicable to Akerna, Callco and the Company, respectively, in accordance with the terms thereof including taking all such actions and doing all such things as shall be necessary or advisable to enforce to the fullest extent possible for the direct benefit of the Company all rights and benefits in favour of the Company under or pursuant to such agreement.
- (b) Changes to the Support Agreement. The Company shall not propose, agree to or otherwise give effect to any amendment to, or waiver or forgiveness of its rights or obligations under, the Support Agreement without the approval of the holders of the Exchangeable Shares given in accordance with Section 11(b) other than such amendments, waivers and/or forgiveness as may be necessary or advisable for the purposes of:
 - (i) adding to the covenants of any or all of the other parties to the Support Agreement if the board of directors of each of Akerna, Callco and the Company shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the holders of the Exchangeable Shares;
 - (ii) evidencing the succession of successors to Akerna either by operation of law or agreement to the liabilities and covenants of Akerna under the Support Agreement (“**Akerna Successors**”) and the covenants of and obligations assumed by each such Akerna Successor in accordance with the provisions of Article 3 of the Support Agreement;
 - (iii) making such amendments or modifications not inconsistent with the Support Agreement as may be necessary or desirable with respect to matters or questions arising thereunder which, in the good faith opinion of the board of directors of each of Akerna, Callco and the Company, it may be expedient to make, provided that each such board of directors shall be of the good faith opinion, after consultation with counsel, that such amendments and modifications will not be prejudicial to the rights or interests of the holders of the Exchangeable Shares; or
 - (iv) making such changes in or corrections to the Support Agreement which, on the advice of counsel to Akerna, Callco and the Company, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error contained therein, provided that the board of directors of each of Akerna, Callco and the Company shall be of the good faith opinion that such changes or corrections will not be prejudicial to the rights or interests of the holders of the Exchangeable Shares.

14. Legend; Call Rights; Withholding Rights

- (a) Legend. The certificates evidencing the Exchangeable Shares shall contain or have affixed thereto a legend in form and on terms approved by the Board of Directors with respect to the Support Agreement, the provisions of the Plan of Arrangement relating to the Liquidation Call Right, the Redemption Call Right and the Change of Law Call Right, the Voting and Exchange Trust Agreement (including the provisions with respect to the voting rights and automatic exchange thereunder) and the Retraction Call Right.
- (b) Call Rights. Each holder of an Exchangeable Share, whether of record or beneficial, by virtue of becoming and being such a holder shall be deemed to acknowledge each of the Liquidation Call Right, the Redemption Call Right, the Change of Law Call Right and the Retraction Call Right, in each case, in favour of Akerna and Callco, and the overriding nature thereof in connection with the liquidation, dissolution or winding-up of the Company or any other distribution of the assets of the Company among its shareholders for the purpose of winding up its affairs, or the retraction or redemption of Exchangeable Shares, as the case may be, and to be bound thereby in favour of Akerna and Callco as provided herein and in the Plan of Arrangement.

- (c) Withholding Rights. Akerna, Callco, the Company and the Transfer Agent shall be entitled to deduct and withhold from any dividend, distribution or other consideration otherwise payable to any holder of Exchangeable Shares such amounts as Akerna, Callco, the Company or the Transfer Agent, as the case may be, is required to deduct and withhold with respect to such payment under the *Income Tax Act* (Canada) or United States tax laws or any provision of provincial, territorial, state, local or foreign tax law, in each case, as amended. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes hereof as having been paid to the holder of the Exchangeable Shares in respect of which such deduction and withholding was made. To the extent that the amount so required to be deducted or withheld from any payment to a holder exceeds the cash portion of the consideration otherwise payable to the holder, Akerna, Callco, the Company and the Transfer Agent are hereby authorized to sell or otherwise dispose of such portion of the consideration as is necessary to provide sufficient funds to Akerna, Callco, the Company or the Transfer Agent, as the case may be, to enable it to comply with such deduction or withholding requirement and Akerna, Callco, the Company or the Transfer Agent, as the case may be, shall notify the holder thereof and remit any unapplied balance of the net proceeds of such sale.

15. Notices

- (a) Notices. Subject to applicable laws, any notice, request or other communication to be given to the Company by a holder of Exchangeable Shares shall be in writing and shall be valid and effective if given by first class mail (postage prepaid) or by telecopy or by delivery to the registered office of the Company and addressed to the attention of the Secretary of the Company. Any such notice, request or other communication, if given by mail, telecopy or delivery, shall only be deemed to have been given and received upon actual receipt thereof by the Company.
- (b) Certificates. Any presentation and surrender by a holder of Exchangeable Shares to the Company or the Transfer Agent of certificates representing Exchangeable Shares in connection with the liquidation, dissolution or winding-up of the Company or the retraction or redemption of Exchangeable Shares shall be made by first class mail (postage prepaid) or by delivery to the registered office of the Company or to such office of the Transfer Agent as may be specified by the Company, in each case, addressed to the attention of the Secretary of the Company. Any such presentation and surrender of certificates shall only be deemed to have been made and to be effective upon actual receipt thereof by the Company or the Transfer Agent, as the case may be. Any such presentation and surrender of certificates made by first class mail (postage prepaid) shall be at the sole risk of the holder mailing the same.
- (c) Notice to Shareholders.
- (i) Subject to applicable laws, any notice, request or other communication to be given to a holder of Exchangeable Shares by or on behalf of the Company shall be in writing and shall be valid and effective if given by first class mail (postage prepaid) or by delivery to the address of the holder recorded in the register of shareholders of the Company or, in the event of the address of any such holder not being so recorded, then at the last known address of such holder. Any such notice, request or other communication, if given by mail, shall be deemed to have been given and received on the third Business Day following the date of mailing and, if given by delivery, shall be deemed to have been given and received on the date of delivery. Accidental failure or omission to give any notice, request or other communication to one or more holders of Exchangeable Shares shall not invalidate or otherwise alter or affect any action or proceeding to be taken by the Company pursuant thereto.
- (ii) In the event of any interruption of mail service immediately prior to a scheduled mailing or in the period following a mailing during which delivery normally would be expected to occur, the Company shall make reasonable efforts to disseminate any notice by other means, such as publication. Except as otherwise required or permitted by law, if post offices in Canada are not open for the deposit of mail, any notice which the Company or the Transfer Agent may give or cause to be given hereunder will be deemed to have been properly given and to have been received by holders of Exchangeable Shares if it is published once in the national edition of *The Globe and Mail*, provided that if the national edition of *The Globe and Mail* is not being generally circulated, publication thereof will be made in the National Post or any other daily newspaper of general circulation published in the City of Toronto.

- (iii) Notwithstanding any other provisions of these Exchangeable Share Provisions, notices, other communications and deliveries need not be mailed if the Company determines that delivery thereof by mail may be delayed. Persons entitled to any deliveries (including certificates and cheques) which are not mailed for the foregoing reason may take delivery thereof at the office of the Transfer Agent to which the deliveries were made, upon application to the Transfer Agent, until such time as the Company has determined that delivery by mail will no longer be delayed. The Company will provide notice of any such determination not to mail made hereunder as soon as reasonably practicable after the making of such determination and in accordance with this Section 15(c). Such deliveries in such circumstances will constitute delivery to the persons entitled thereto.

16. Disclosure of Interests in Exchangeable Shares

The Company shall be entitled to require any holder of an Exchangeable Share or any person whom the Company knows or has reasonable cause to believe holds any interest whatsoever in an Exchangeable Share to: (a) confirm that fact; or (b) give such details as to whom has an interest in such Exchangeable Share, in each case as would be required (if the Exchangeable Shares were a class of "equity securities" of the Company) under section 5.2 of National Instrument 62-104 *Take-Over Bids and Issuer Bids* or as would be required under the articles of Akerna or any laws or regulations, or pursuant to the rules or regulations of any regulatory agency, if and only to the extent that the Exchangeable Shares were Akerna Shares.

17. Fractional Shares

A holder of an Exchangeable Share shall not be entitled to any fraction of an Akerna Share upon the exchange, redemption or purchase of such holder's Exchangeable Share pursuant to Section 5, 6 and 7 and no certificates representing any such fractional interest shall be issued and the number of Akerna Shares or Exchangeable Shares, as the case may be, to be received by an Ample Shareholder otherwise entitled to a fractional interest shall be rounded to the nearest whole Akerna Share or Exchangeable Share, as the case may be (with fractions equal to or greater than 0.5 being rounded up).

Opinion of Financial Advisor to the Akerna Board

Akerna retained Cowen to act as its exclusive financial advisor and to render an opinion to the Akerna Board as to the fairness, from a financial point of view, to Akerna of the consideration paid in the Arrangement.

On December 17, 2019, Cowen delivered certain of its written analyses and its oral opinion to the Akerna Board, subsequently confirmed in writing as of the same date, to the effect that and subject to the various assumptions, qualifications and limitations set forth therein, as of December 17, 2019, the consideration paid in the Arrangement was fair, from a financial point of view, to Akerna.

The full text of the written opinion of Cowen, dated December 17, 2019, is attached as *Annex E* and is incorporated by reference. Holders of Akerna Shares are urged to read the opinion in its entirety for the assumptions made, procedures followed, other matters considered and limits of the review by Cowen. The summary of the written opinion of Cowen set forth herein is qualified in its entirety by reference to the full text of such opinion. Cowen’s analyses and opinion were prepared for and addressed to the Akerna Board are directed only to the fairness, from a financial point of view, of the consideration paid in the Arrangement, and do not constitute an opinion as to the merits of the Arrangement or a recommendation to any stockholder as to how to vote on the proposed proposals. The consideration paid in the Arrangement was determined through negotiations between Akerna and Ample and not pursuant to recommendations of Cowen.

In arriving at its opinion, Cowen reviewed and considered such financial and other matters as it deemed relevant, including, among other things:

- a draft of the Agreement dated December 17, 2019, including the plan of arrangement forming a schedule thereto, the rights indenture with respect to the CVRs and form of CVR;
- certain publicly available financial and other information for Akerna and certain other relevant financial and operating data furnished to Cowen by management of Akerna;
- certain publicly available financial and other information for Ample and certain other relevant financial and operating data furnished to Cowen by Ample management;
- certain internal financial analyses, financial forecasts, reports and other information concerning Akerna prepared by management of Akerna and Ample prepared by the management of Ample or prepared or supplemented by the management of Akerna, and the amounts and timing of the cost savings and related expenses expected to result from the Arrangement furnished to Cowen by the management of Akerna (the “Estimated Cost Savings”);
- discussions Cowen had with certain members of the management of Akerna concerning the historical and current business operations, financial conditions and prospects of Akerna and Ample;
- certain operating results of Akerna and Ample as compared to the operating results of certain publicly traded companies Cowen deemed relevant;
- certain financial and stock market information for Akerna and Ample as compared with similar information for certain publicly traded companies Cowen deemed relevant;
- certain financial terms of the Arrangement as compared to the financial terms of certain selected business combinations Cowen deemed relevant; and
- such other information, financial studies, analyses and investigations and such other factors that Cowen deemed relevant for the purposes of its opinion.

In conducting its review and arriving at its opinion, Cowen, with Akerna’s consent, assumed and relied, without independent investigation, upon the accuracy and completeness of all financial, tax, legal, regulatory, accounting and other information provided to it by Akerna and Ample, respectively, or which was publicly available. Cowen did

not undertake any responsibility for the accuracy, completeness or reasonableness of, or independent verification of, such information. Cowen relied upon, without independent verifications, the assessment of Akerna management as to the existing products and services of Ample and Akerna and the viability of, and risks associated with, the future products and services of Ample and Akerna. In addition, Cowen did not conduct, nor assumed any obligation to conduct, any physical inspection of the properties or facilities of Akerna or Ample. Cowen further relied upon Akerna's representation that all information provided to it by Akerna was accurate and complete in all material respects. Cowen, with Akerna's consent, assumed that the financial forecasts and estimated cost savings provided to Cowen were reasonably prepared by the managements of Akerna and Ample, on bases reflecting the best available estimates and good faith judgments of such managements as to the future performance of Akerna and Ample, respectively, and the estimated cost savings, and that such financial forecasts and estimated cost savings provided a reasonable basis for its opinion. Cowen expressed no opinion as to the financial forecasts or the assumptions on which they were made. Cowen expressly disclaimed any undertaking or obligation to advise any person of any change in any fact or matter affecting its opinion of which Cowen becomes aware after the date of its opinion.

Cowen did not make or obtain any independent evaluations, valuations or appraisals of the assets or liabilities of Akerna or Ample, nor was Cowen furnished with these materials. In addition, Cowen did not evaluate the solvency or fair value of Akerna, Ample or the Purchaser under any state, provincial or federal laws relating to bankruptcy, insolvency or similar matters. Cowen made no independent investigation of any legal, tax or accounting matters related to the Agreement or the Arrangement, and Cowen assumed the correctness in all respects material to its analysis of the legal, tax and accounting advice given to Akerna and the Akerna Board, including without limitation, advice as to the legal, accounting and tax consequences of the terms of, and the Arrangement contemplated by, the Agreement to Akerna and its stockholders. Cowen's opinion addressed only the fairness, from a financial point of view to Akerna of the consideration paid in the Arrangement. Cowen noted that projecting the future results of any company is inherently subject to uncertainty. Cowen expressed no view as to any other aspect or implication of the Agreement or any other agreement, arrangement or understanding entered into in connection with the Arrangement or otherwise. Cowen's opinion was necessarily based upon economic and market conditions and other circumstances as they existed and could be evaluated by Cowen on the date of its opinion. It should be understood that although subsequent developments may affect its opinion, Cowen does not have any obligation to update, revise or reaffirm its opinion and Cowen expressly disclaims any responsibility to do so.

Cowen did not consider any potential legislative or regulatory changes being considered or recently enacted by the United States, Canada or any other foreign government, or any United States, Canadian or other regulatory body, or any changes in accounting methods or generally accepted accounting principles that may be adopted by the Securities and Exchange Commission, the Financial Accounting Standards Board, Canadian securities regulatory authorities or any similar foreign regulatory body or board.

In rendering its opinion, Cowen assumed, in all respects material to its analysis, that the representations and warranties of each party contained in the Agreement are true and correct, that each party will perform all of the covenants and agreements required to be performed by it under the Agreement and that all conditions to the consummation of the Arrangement will be satisfied without waiver or breach thereof. Cowen assumed that the final form of the Agreement would be substantially similar to the last draft received by Cowen prior to rendering its opinion. Cowen also assumed that all governmental, regulatory and other consents and approvals contemplated by the Agreement would be obtained and that, in the course of obtaining any of those consents, no restrictions will be imposed or waivers made that would have an adverse effect on Akerna, the Purchaser, the stockholders of Akerna or the contemplated benefits of the Arrangement. Cowen assumed that the Arrangement will be consummated in a manner that complies with the applicable provisions of the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, and all other applicable state, provincial and federal statutes, rules and regulations.

Cowen's opinion does not constitute a recommendation to any stockholder as to how the stockholder should vote on the proposed Arrangement. Cowen's opinion does not imply any conclusion as to what the value, price or the trading range of Akerna or Ample common stock actually will be before or after the announcement or the consummation of the Arrangement, which may vary depending on numerous factors that generally influence the price of securities. Cowen's opinion is limited to the fairness, from a financial point of view, of the consideration paid by Akerna in the Arrangement. Cowen expressed no opinion as to (i) Akerna's underlying business decision to effect the

Arrangement, (ii) the relative merits of the Arrangement as compared to other business strategies or transactions that might be available to Akerna or (iii) the terms of the Agreement or the documents referred to therein. Cowen's opinion does not in any manner address (i) the fairness of the Arrangement or the consideration paid by Akerna to the holders of any class of securities, creditors or other constituencies of Akerna or Ample, or (ii) whether Akerna or the Purchaser has sufficient cash, available lines of credit or other sources of funds to enable it to pay the consideration at the closing of the Arrangement.

Summary of Material Financial Analyses

The following is a summary of the principal financial analyses performed by Cowen to arrive at its opinion. Some of the summaries of financial analyses include information presented in tabular format. In order to fully understand the financial analyses, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data set forth in the tables without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the financial analyses. Cowen performed certain procedures, including each of the financial analyses described below, and reviewed with the Akerna Board and the management of Akerna the assumptions on which such analyses were based and other factors, including the historical and projected financial results of Akerna and Ample. Financial data utilized for Akerna and Ample in the financial analyses described below was based on public filings or financial forecasts and estimates of Akerna and Ample management, respectively.

Arrangement Overview

For purposes of its opinion, Cowen calculated the implied value of the consideration, as of December 17, 2019, payable by Akerna in the Arrangement pursuant to the Agreement to be CAD\$66.9 million (the "Total Transaction Consideration"), which was determined by adding (1) CAD\$7.5 million, payable in cash by Akerna and expected to be applied to the repayment of Ample's existing debt and liabilities per the Agreement (the "Cash Consideration"), to (2) CAD\$50.7 million, the implied aggregate value of the Akerna Shares to be issued by Akerna at the closing of the Arrangement (the "Upfront Stock Consideration"), which was derived by multiplying the closing price of \$11.68 per Akerna Share as reported by Nasdaq on December 13, 2019, by 3,294,574 Akerna Shares, which number of shares was derived by dividing CAD\$42.5 million upfront stock consideration payable by Akerna under the Agreement by the CAD\$12.90 deemed value per Akerna Share specified in the Agreement, and multiplying the resulting amount of US\$38.5 million by the CAD/US dollar exchange rate of 1.318, as of December 13, 2019, per Bank of Canada, plus (3) CAD\$8.7 million, the implied present value of the CVRs payable in Akerna Shares by Akerna under the Agreement (the "Contingent Stock Consideration"), which was calculated by Cowen by discounting the maximum aggregate amount payable pursuant to the CVRs of CAD\$10 million to present value using a weighted average cost of capital ("WACC") for Ample of 15.5% calculated by Cowen.

Pro forma Ownership Analysis

Cowen analyzed the relative equity values of Akerna and Ample, on a stand-alone basis and excluding Estimated Cost Savings, utilizing (1) estimated 2020 revenue multiple from the Akerna Selected Companies and Ample Selected Companies, respectively, each as defined below, (2) discounted cash flow analysis using a revenue exit multiple and (3) discounted cash flow analysis using an EBITDA exit multiple, each as set forth below under "*Akerna Valuation*" and "*Ample Valuation*," respectively, adjusted for the present value of Akerna's and Ample's respective stand-alone net operating loss tax benefits of US\$2.3 million and CAD\$2.1 million, respectively, calculated by Cowen based on the Akerna Management Projections and Ample Management Projections, respectively, and the relative pro forma ownership of Akerna Shares implied thereby and compared the results to the pro forma ownership of Akerna immediately following the Arrangement contemplated by the Agreement and based on the assumptions described below.

This analysis indicated that Akerna common stockholders' ownership of Akerna common stock after giving effect to the Arrangement based on relative equity values of each of Akerna and Ample on a stand-alone basis calculated utilizing (1) the 2020E revenue multiple from the selected companies analysis, (2) discounted cash flow analysis

using a revenue exit multiple and (3) discounted cash flow analysis using an EBITDA exit multiple, each as set forth below under “*Akerna Valuation*” and “*Ample Valuation*,” respectively, adjusted for the present value of Akerna’s and Ample’s respective stand-alone net operating loss tax benefits of US\$2.3 million and CAD\$2.1 million, respectively, was as follows.

(Equity values in millions of Canadian dollars)	Ample Adjusted Equity Value		Akerna Adjusted Equity Value ⁽¹⁾		Implied Akerna Stockholder Ownership Post-Arrangement	
	Low	High	Low	High	Low	High
	Selected Companies Analysis – 2020E Revenue Multiple	\$ 52.3	\$ 86.9	\$ 156.4	\$ 230.7	64.3%
Discounted Cash Flow Analysis – 2024E Revenue Multiple	\$ 82.2	\$ 140.1	\$ 219.6	\$ 364.8	61.1%	81.6%
Discounted Cash Flow Analysis – 2024E EBITDA Multiple	\$ 135.6	\$ 163.1	\$ 225.8	\$ 267.0	58.1%	66.3%

(1) Converted into Canadian dollars using CAD/USD exchange rate of 1.318 as of December 13, 2019 per Bank of Canada.

Cowen noted that these implied ranges of post-Arrangement fully diluted ownership by Akerna common stockholders compared to Akerna common stockholders owning approximately 76.7% of Akerna’s fully diluted common stock pursuant to the terms of the Agreement, based on the Akerna closing share price on December 13, 2019 and 10,958,656 Akerna Shares outstanding as of December 13, 2019, plus 1,950,000 Akerna Shares to be issued to Solo pursuant to Akerna’s agreement to acquire Solo and assuming the issuance of 89,602 Akerna Shares under 5,814,205 outstanding Akerna warrants as determined using the treasury stock method, and the issuance pursuant to the Agreement of 3,294,574 Akerna Shares in Upfront Stock Consideration and 649,593 Akerna Shares pursuant to the CVRs (which assumes the full CAD\$10 million becoming payable under the CVRs and an issuance price for the Akerna Shares issuable under the CVRs of \$11.68 per Akerna Share, which was the closing price reported by Nasdaq on December 13, 2019).

“Has/Gets” Analysis — Akerna Perspective

Cowen reviewed and compared the equity value of Akerna attributable to Akerna stockholders prior to the completion of the Arrangement with the value of what Akerna stockholders will be receiving in the Arrangement (i.e., the value of such stockholder’s interest in Akerna after giving effect to the Arrangement), in terms of equity value. For this analysis, the stand-alone equity values of Akerna and Ample were calculated utilizing both a discounted cash flow analysis using a revenue exit multiple and a discounted cash flow analysis using an EBITDA exit multiple, as set forth below under “*Akerna Valuation — Discounted Cash Flow Analysis*” and “*Ample Valuation — Discounted Cash Flow Analysis*”, respectively. To conduct a “Has/Gets” analysis, Cowen combined the respective stand-alone Akerna and Ample equity values determined by such standalone discounted cash flow analyses weighted by an assumed Akerna fully diluted capital stock ownership after the Arrangement of 76.7% by Akerna stockholders and 23.3% by Ample stockholders (based on the assumptions described above under “— *Pro Forma Ownership Analysis*” regarding the number of Akerna Shares outstanding and to be issued in the Arrangement, including pursuant to the CVRs), and adjusted such amounts by adding Akerna common stockholders’ aggregate 76.7% post-Arrangement proportionate share of the present values of (1) Akerna’s stand-alone net operating loss tax benefits per Akerna management, which equaled \$1.8 million, (2) Ample’s stand-alone Canadian net operating loss tax benefits, discounted to present value using a WACC of 15.5% and converted into U.S. dollars using the CAD/USD exchange rate of 1.318 as of December 13, 2019 per Bank of Canada, per Ample management, which equaled \$1.2 million, and (3) estimated cost savings, per Akerna management, using a perpetuity growth rate of 0% to 4% and a discount rate range of 15% to 17% based on Akerna’s WACC, which resulted in range of \$3.9 million to \$5.7 million, and deducting \$4.4 million which represented the 76.7% post-Arrangement proportionate share of Ample’s estimated increase in net debt of \$7.5 million.

The following table summarizes the results of Cowen’s “Has/Gets” analysis, in each case assuming Akerna stockholders own 76.7% of the fully diluted capital stock of Akerna, calculated based on the assumptions described above, immediately following the consummation of the Arrangement.

(Equity values in millions of U.S. dollars)	Akerna Adjusted Equity Value (Pre-Arrangement) ⁽¹⁾		Akerna Adjusted Equity Value (Post-Arrangement)		Illustrative Equity Value Accretion to Akerna Stockholders Post-Arrangement	
	Low	High	Low	High	Low	High
	Discounted Cash Flow Analysis – 2024E Revenue Multiple (As Adjusted)	\$ 166.6	\$ 276.7	\$ 175.2	\$ 295.1	5.2%
Discounted Cash Flow Analysis – 2024E EBITDA Multiple (As Adjusted)	\$ 171.3	\$ 202.6	\$ 209.9	\$ 251.6	22.6%	24.2%

(1) Includes \$2.3 million of Akerna stand-alone net operating loss tax benefits.

Ample Valuation

Analysis of Selected Publicly Traded Companies. To provide contextual data and comparative market information, Cowen compared selected historical operating and financial data and ratios for Ample to the corresponding financial data and ratios of certain other companies (the “Ample Selected Companies”) whose securities are publicly traded and which Cowen believes have operating, market valuation and trading valuations similar to what might be expected of Ample. These companies were:

- Akerna Corp.
- AppFolio, Inc.
- Avalara, Inc.
- Blackbaud, Inc.
- Constellation Software Inc.
- Guidewire Software, Inc.
- Phreesia, Inc.
- RealPage, Inc.
- Roper Technologies, Inc.
- Tyler Technologies, Inc.
- Veeva Systems Inc.
- Workiva Inc.

The data and ratios included the enterprise value of the Ample Selected Companies as multiples of estimated 2019 and estimated 2020 revenues and EBITDA (in each case, as available from research analyst reports or, if not so available, First Call) for the Ample Selected Companies. The following table presents, for the periods indicated, the multiples implied by the ratio of estimated revenues and estimated EBITDA for calendar years 2019 and 2020.

Implied Enterprise Value as a multiple of:	Selected Company Multiples				Multiple Implied for Ample by consideration paid by Akerna in the Arrangement ⁽¹⁾
	Low	Mean	Median	High	
2019E Revenue	5.0x	10.3x	9.4x	20.1x	8.2x
2020E Revenue	4.7x	8.5x	7.3x	15.8x	5.8x
2019E EBITDA	21.4x	35.5x	24.0x	67.4x	NM
2020E EBITDA	18.6x	30.7x	24.7x	54.0x	NM

* EBITDA multiples of greater than 75.0x and negative multiples were deemed not meaningful or “NM”.

(1) Includes the implied present value of the CVRs payable in Akerna common stock by Akerna under the Agreement of CAD\$8.7 million.

Cowen then applied a selected range of estimated 2020 revenue multiples of 5.0x to 8.0x derived from the Ample Selected Companies to Ample's estimated 2020 revenue of CAD\$11.5 million, and deducted CAD\$7.5 million of net debt, each per the Ample Management Projections provided by Ample management as adjusted by Akerna management. This analysis indicated an approximate implied equity value range for Ample of CAD\$50.2 million to CAD\$84.8 million.

Although the Ample Selected Companies were used for comparison purposes, none of those companies is directly comparable to Ample. Accordingly, an analysis of the results of such a comparison is not purely mathematical, but instead involves complex considerations and judgments concerning differences in historical and projected financial and operating characteristics of the Ample Selected Companies and other factors that could affect the public trading value of the Ample Selected Companies or Ample to which they are being compared.

Discounted Cash Flow Analysis. Cowen estimated a range of enterprise values for Ample based upon the discounted present value of the projected after-tax unlevered cash flows of Ample described in the Ample Management Projections provided by management of Ample and adjusted by Akerna for the calendar years ended December 31, 2020 through December 31, 2024, and of the terminal value of Ample at December 31, 2024, in one case based upon multiples of revenue and in another case based upon multiples of EBITDA, and in each case discounted back to December 31, 2019 using the mid-period convention. After-tax unlevered cash flow was calculated by taking projected EBIT and subtracting from this amount projected taxes, capital expenditures, changes in working capital and changes in other assets and liabilities and adding back projected depreciation and amortization. This analysis was based upon certain assumptions described by, projections supplied by Ample and adjusted by management of Akerna and discussions held with the management of Akerna. In performing this analysis, Cowen utilized discount rates discounting unlevered fee cash flows and terminal values to present value ranging from 15% to 17%, which were selected by Cowen based on an estimated weighted average cost of capital analysis for Ample. Equity value was calculated as enterprise value less CAD\$7.5 million net debt per the Ample Management Projections.

Cowen utilized terminal multiples of revenue ranging from 5.0 times to 8.0 times, which range was selected by Cowen in its professional judgment and based on multiples implied by the ratios of enterprise values to estimated revenues for the Ample Selected Companies. Utilizing this methodology, the implied equity value of Ample ranged from CAD\$80.1 million to CAD\$138.0 million.

Cowen utilized terminal multiples of EBITDA ranging from 19.0 times to 21.0 times, which range was selected by Cowen in its professional judgment and based on multiples implied by the ratios of enterprise values to estimated EBITDA for the Ample Selected Companies. Utilizing this methodology, the implied equity value of Ample ranged from CAD\$133.5 million to CAD\$161.0 million.

Akerna Valuation

Analysis of Selected Publicly Traded Companies. To provide contextual data and comparative market information, Cowen compared selected historical operating and financial data and ratios for Akerna to the corresponding financial data and ratios of certain other companies (the "Akerna Selected Companies") whose securities are publicly traded and which Cowen believes have operating, market valuation and trading valuations similar to what might be expected of Akerna. These companies were:

The following table presents, for the periods indicated, the multiples implied by the ratio of estimated revenue and estimated EBITDA for calendar years 2019 and 2020. The information in the table is based on the closing stock price of Akerna stock on December 13, 2019 of \$11.68 per share.

	Selected Company Multiples				Akerna
	Low	Mean	Median	High	
Implied Enterprise Value as a multiple of:					
2019E Revenue	5.0x	10.3x	8.7x	20.1x	10.1x
020E Revenue	4.7x	8.7x	7.6x	15.8x	6.9x
2019E EBITDA	21.4x	35.5x	24.0x	67.4x	NM
2020E EBITDA	18.6x	30.7x	24.7x	54.0x	NM

* EBITDA multiples of greater than 75.0x and negative multiples were deemed not meaningful or “NM”.

Cowen then applied a selected range of estimated 2020 revenue multiples of 5.0x to 8.0x derived from the Akerna Selected Companies to Akerna’s estimated 2020 revenue of \$18.8 million per the Akerna Management Projections provided by Akerna management plus US\$22.4 million of cash as of September 30, 2019 per Akerna’s SEC filings. This analysis indicated an approximate implied equity value range for Akerna of US\$116.3 million to US\$172.7 million.

Although the Akerna Selected Companies were used for comparison purposes, none of those companies is directly comparable to Akerna. Accordingly, an analysis of the results of such a comparison is not purely mathematical, but instead involves complex considerations and judgments concerning differences in historical and projected financial and operating characteristics of the Akerna Selected Companies and other factors that could affect the public trading value of the Akerna Selected Companies or Akerna to which they are being compared.

Discounted Cash Flow Analysis. Cowen estimated a range of enterprise values for Akerna based upon the discounted present value of the projected after-tax unlevered cash flows of Akerna described in the Akerna Management Projections provided by management of Akerna for the calendar years ended December 31, 2020 through December 31, 2024, and of the terminal value of Akerna at December 31, 2024, in one case based upon multiples of revenue and in another case based upon multiples of EBITDA, and in each case discounted back to December 31, 2019 using mid-period convention. After-tax unlevered cash flow was calculated by taking projected EBIT and subtracting from this amount projected taxes, capital expenditures, changes in working capital and changes in other assets and liabilities and adding back projected depreciation and amortization. This analysis was based upon certain assumptions described by, projections supplied by management of Akerna and discussions held with the management of Akerna. In performing this analysis, Cowen utilized discount rates discounting unlevered fee cash flows and terminal values to present value ranging from 17% to 19%, which were selected by Cowen based on an estimated weighted average cost of capital analysis for Akerna. Equity value was calculated as enterprise value plus US\$22.4 million cash per Akerna Management Projections.

Cowen utilized terminal multiples of revenue ranging from 5.0 times to 8.0 times, which range was selected by Cowen in its professional judgment and based on multiples implied by the ratios of enterprise values to estimated revenues for the Akerna Selected Companies. Utilizing this methodology, the implied equity value of Akerna ranged from US\$164.3 million to US\$274.4 million, based on the Akerna Management Projections.

Cowen utilized terminal multiples of EBITDA ranging from 19.0 times to 21.0 times, which range was selected by Cowen in its professional judgment and based on multiples implied by the ratios of enterprise values to estimated EBITDA for the Akerna Selected Companies. Utilizing this methodology, the implied equity value of Akerna ranged from US\$169.0 million to US\$200.3 million, based on the Akerna Management Projections.

The summary set forth above does not purport to be a complete description of all the analyses performed by Cowen. The preparation of a fairness opinion involves various determinations as to the most appropriate and relevant methods of financial analysis and the application of these methods to the particular circumstances and, therefore, such an opinion is not readily susceptible to partial analysis or summary description. Cowen did not attribute any particular weight to any analysis or factor considered by it, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. Accordingly, notwithstanding the separate factors summarized above, Cowen believes, and has advised the Akerna Board, that its analyses must be considered as a whole and that selecting portions of its analyses and the factors considered by it, without considering all analyses and factors, could create an incomplete view of the process underlying its opinion. In performing its analyses, Cowen made numerous assumptions with respect to industry performance, business and economic conditions and other matters, many of which are beyond the control of Akerna and Ample. These analyses performed by Cowen are not necessarily indicative of actual values or future results, which may be significantly more or less favorable than suggested by such analyses. In addition, analyses relating to the value of businesses do not purport to be appraisals or to reflect the prices at which businesses or securities may actually be sold. Accordingly, such analyses and estimates are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of the parties or their respective advisors. None of Akerna, Ample, Cowen or any other person assumes responsibility if future results are materially different from those projected. The analyses supplied by Cowen and its opinion were among several factors taken into consideration by the Akerna Board in making its decision to enter into the Agreement and should not be considered as determinative of such decision.

Certain Financial Advisory Fees Paid by Akerna

Cowen was selected by the Akerna Board to render an opinion to the Akerna Board because Cowen is a nationally recognized investment banking firm and because, as part of its investment banking business, Cowen is continually engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes. Cowen is providing financial services for Akerna for which it will receive customary fees. In addition, in the ordinary course of its business, Cowen and its affiliates trade the equity securities of Akerna for their own account and for the accounts of their customers, and, accordingly, may at any time hold a long or short position in such securities. In the two years preceding the date of its opinion, Cowen has been retained to provide investment banking services to Akerna and has received fees in connection therewith in the amount of \$50,000, and has not provided investment banking services to Ample or any other party to the Agreement. Cowen and its affiliates may in the future provide commercial and investment banking services to Akerna and may receive fees for the rendering of such services. The issuance of Cowen's opinion was approved by Cowen's Fairness Opinion Review Committee.

Pursuant to the Cowen engagement letter, if the Arrangement is consummated, Cowen will be entitled to receive a transaction fee equal to approximately \$1.26 million. Akerna has also agreed to pay a fee of \$500,000 to Cowen for rendering its opinion, which fee will be credited against any transaction fee paid. Additionally, Akerna has agreed to reimburse Cowen for its out-of-pocket expenses, including attorneys' fees, and has agreed to indemnify Cowen against certain liabilities, including liabilities under the federal securities laws. The terms of the fee arrangement with Cowen, which are customary in transactions of this nature, were negotiated at arm's length, and the Akerna Board was aware of the arrangement, including the fact that a significant portion of the fee payable to Cowen is contingent upon the completion of the Arrangement.

(h) The execution of this Agreement and the consummation of the transactions contemplated hereby, will not constitute an event under any Company Plan or Material Employee Agreement that will result in any payment, upon a change in control or otherwise, whether of severance, accrued vacation, or other benefit or compensation, acceleration, vesting, distribution, increase in benefits or compensation or the obligation to fund benefits with respect to any Company Employee or any other Person.

(i) The Company and its Subsidiaries have not made any commitment or promise (whether or not written), to establish any new Plan, to materially modify (other than by way of termination) any Company Plan or to enter into any new Plan; nor has any intention or commitment to do any of the foregoing been communicated. Since January 1, 2019, no such Customer has requested in writing any material change in pricing or modification to, or waiver of, any other material term or provision in any Material Contract governing the relationship with such Customer. There has not occurred any event, happening, or fact which would lead the Company to reasonably believe that any of the Customers will not continue to require substantially the same level of service and/or product purchases from the Company or its applicable Subsidiary after the Closing on comparable terms and conditions. Schedule 7.18 sets forth a list of the top twenty (20) suppliers and vendors (the “Key Suppliers”) of the Business determined by dollars paid (x) for the fiscal year ended December 31, 2017, (y) for the fiscal year ended December 31, 2018 and (z) the ten (10) month period ending on October 31, 2019. Since January 1, 2019, no Key Supplier has requested in writing any material change in pricing or modification to, or waiver of, any other material term or provision in any Material Contract governing the relationship with such Key Supplier. The Company, its Subsidiaries and, to Shareholders’ Knowledge, its counterparties are not in material default under the Policies, and no event has occurred that, with the lapse of time or the giving of notice or both, would constitute a material default under any Policy by the Company, its Subsidiaries or, to Shareholders’ Knowledge, any other Person. No notice of cancellation or termination has been received with respect to any such Policy (except Policies replaced in the ordinary course). Neither Shareholder, the Company nor any of its Subsidiaries has received written notice that any of such Policies will not be renewed (upon the same terms and conditions as are currently in effect) upon the expiration thereof.

If at any time after such five year period Akerna intends to dispose of any such records, Akerna may do so if such records are first offered to the Shareholder Representatives in writing and the Shareholder Representatives do not accept such offer within thirty (30) days of receipt of such offer. If the Shareholder Representatives accept such offer, the Shareholders shall pay all costs and expenses associated with the delivery of such records to it.

(b) From and after the Closing Date, Akerna shall, and shall cause the Company to, upon execution by any Shareholder of a confidentiality agreement reasonably acceptable to Akerna, afford such Shareholder and its counsel, accountants and other authorized Representatives, upon reasonable prior notice, reasonable access during normal business hours to the respective premises, properties, personnel, books and records of the Company and/or the Business and any other assets or information that such Shareholder deems reasonably necessary in connection with the preparation of any report or Tax Return required to be filed by such Shareholder under applicable Law or any third-party claim which is the subject of any indemnification claim under Article X (but so as not to unduly disrupt the normal course of operations of the Company or its Subsidiaries), including preparing or defending any Tax Return and any interim or annual report or other accounting statements.

(c) From and after the date hereof, the Shareholder Parties shall not and shall cause their respective Affiliates and their respective officers, and directors not to, directly or indirectly, disclose, reveal, divulge or communicate to any Person other than authorized officers, directors and employees of Akerna or use or otherwise exploit for their own benefit or for the benefit of anyone other than Akerna, any Confidential Information (as defined below). The Shareholder Parties and their respective Affiliates and their respective officers and directors shall not have any obligation to keep confidential any Confidential Information if and to the extent disclosure thereof is specifically required by Law; provided, however, that in the event disclosure is required by applicable Law, the Shareholder Parties shall, to the extent reasonably possible, provide Akerna with prompt notice of such requirement prior to making any disclosure so that Akerna may seek an appropriate protective order. For purposes of this Section 9.4(c), “Confidential Information” means any information with respect to the Business, including methods of operation, customers, customer lists, products, prices, fees, costs, Intellectual Property, inventions, trade secrets, know-how, marketing methods, plans, personnel, suppliers, competitors, markets or other specialized information or proprietary matters. Confidential Information does not include, and there shall be no obligation hereunder with respect to, information that (i) is generally available to the public on the date of this Agreement or (ii) becomes generally available to the public other than as a result of a disclosure not otherwise permissible thereunder. The covenants and undertakings contained in this Section 9.4(c) relate to matters which are of a special, unique and extraordinary character and a violation of this Section 9.4(c) will cause irreparable injury to Akerna, the amount of which will be impossible to estimate or determine and which cannot be adequately compensated.

9.5 Tax Matters.

(a) Tax Indemnity. The Shareholder Parties agree, on a joint and several basis, to indemnify, defend and hold Akerna and its Affiliates (including, following the Closing, the Company and its Subsidiaries) and their respective stockholders, directors, members, managers, officers, employees agents, successors and assigns, harmless from and against: (i) all Taxes imposed on, asserted against or attributable to the properties, income or operations of Shareholder and the Company or any of its Subsidiaries or any Taxes for which Shareholder and the Company or any of its Subsidiaries is otherwise liable, for all Pre-Closing Tax Periods (in the case of a Straddle Period, determined based on principles set forth in Section 9.5(c)); (ii) any liability for Taxes as a result of a contractual obligation to indemnify any Person; (iii) Taxes of any Person imposed on the Shareholders or the Company or any of its Subsidiaries as a transferee or successor where the relationship giving rise to the liability on the part of the Shareholders or the Company or any of its Subsidiaries existed or arose on or prior to the Closing Date, or by Contract (other than any Contract entered into in the ordinary course of business and the primary subject matter of which is not Taxes) entered into on or prior to the Closing Date; (iv) any Taxes of any other Person for which any Shareholder or the Company or any of its Subsidiaries (or any Subsidiary or predecessor of any such entities) is liable as a result of having been a member of an affiliated, consolidated, combined or unitary group on or prior to the Closing Date, including pursuant to Treasury Regulations Section 1.1502-6 or the analogous provisions of any

state, local or non-U.S. Law; (v) Transfer Taxes for which the Shareholders are responsible pursuant to Section 9.5; and (vi) any and all Losses incurred, suffered or sustained by or sought to be imposed upon, Akerna and its Affiliates (including the Company and each of its Subsidiaries) arising out of, or resulting from any breach of or inaccuracy in any representation or warranty (without giving effect to any “material”, “materially”, “materiality”, “material adverse effect”, “material adverse change” or similar qualifiers contained in any of the representations and warranties) made as of the date hereof or as of the Closing Date by the Company in Section 7.12; and (viii) any and all Losses incurred, suffered or sustained by or sought to be imposed upon, Akerna and its Affiliates (including the Company and each of its Subsidiaries) arising out of, or resulting from any non-fulfillment or breach of any covenant, agreement or undertaking with respect to Taxes made by or to be performed by Shareholder, the Company or any of its Subsidiaries, including pursuant to Section 9.6 and this Section 9.5, except to the extent such amounts mentioned herein under this Section 9.5(a) were included as a Current Liability in Closing Net Working Capital.

(b) Tax Returns.

(i) The Shareholder Representatives shall prepare or cause to be prepared at their sole cost and expense and with reasonable assistance from the Company and Akerna all required Tax Returns for the Company and each of its Subsidiaries for Tax Periods that end on or before the Closing Date whether such Tax Returns are filed on, before or after the Closing Date (collectively the “Company Tax Returns”); provided, however, that for each such Company Tax Return, the Shareholder Representatives shall furnish, no later than thirty (30) days prior to the anticipated filing date for the Company Tax Return, a draft to Akerna of all such Company Tax Returns (including copies of all work papers related thereto) and such other information regarding such Company Tax Returns as may be reasonably requested by Akerna for Akerna’s review, comment, and consent (which consent shall not be unreasonably withheld, conditioned or delayed), and the Shareholder Representatives shall consider in good faith comments by Akerna provided that such comments are requested no later than fifteen (15) days after Akerna’s receipt of such draft Company Tax Returns. Such Company Tax Returns shall be prepared in a manner consistent with past practice and custom of the Shareholder Representatives or the Company or any of its Subsidiaries, as applicable, except as otherwise required by applicable Law. In the event that the Shareholder Representatives and Akerna are unable to resolve any dispute with respect to such Tax Returns, they shall not be filed absent the consent of Akerna and such dispute shall be resolved by the Final Accounting Firm in a final binding manner; provided, however, such dispute shall not in any way disrupt or delay the timely filing of such Company Tax Return and Akerna shall file or cause or cause to be filed any amended Tax Return as needed to conform to the Final Accounting Firm’s final determination. The fees and expenses of the Final Accounting Firm shall be borne equally by Shareholders, on the one hand, and Akerna, on the other hand. The Shareholders shall pay all Taxes shown as due on such Company Tax Returns.

(ii) Akerna shall prepare or cause to be prepared and file or cause to be filed all other Tax Returns of the Company and each of its Subsidiaries (collectively the “Akerna Tax Returns”). In the case of a Akerna Tax Return for a Straddle Period (“Straddle Period Returns”), Akerna shall prepare or cause to be prepared such Straddle Period Returns in a manner consistent with past practice and custom of the Company and each of its Subsidiaries unless otherwise required by applicable Law. Akerna shall furnish a draft to the Shareholder Representatives of all such Straddle Period Returns (including copies of all work papers related thereto) and such other information regarding such Straddle Period Returns as may be reasonably requested by the Shareholder Representatives at least thirty (30) days prior to anticipated filing date for such Straddle Period Return, except in the case of a Straddle Period Return due within ninety (90) days following the Closing Date, the draft shall be provided to the Shareholder Representatives within twenty (20) days prior to the anticipated filing date and in the case of a Tax Return that is not an income Tax Return as early as practical. The Shareholders shall pay to Akerna the portion of the Taxes shown as due on the Straddle Period Tax Returns that are allocable to the portion of the Straddle Period ending on and including the Closing Date prior to the due date for the filing thereof, except to the extent such Taxes were included as a liability in Closing Working Capital and reduced the Consideration.

(c) Straddle Periods. In the case of any Straddle Period, the amount of any Taxes and Tax liabilities of the Company or any of its Subsidiaries not based upon or measured by income, activities, events, gain, receipts, proceeds, profits, payroll or similar items for the portion of such Straddle Period ending on and including the Closing Date will be deemed to be the amount of such Taxes for the entire Tax Period multiplied by a fraction, the numerator of which is the number of days in the Tax Period ending on the Closing Date and the denominator of

which is the number of days in such Straddle Period. The amount of any other Taxes that relate to the portion of such Straddle Period ending on and including the Closing Date will be determined based on an interim closing of the books as of the close of business on the Closing Date (and for such purpose the Taxable Period of any partnership will be deemed to end as of the close of business on the Closing Date); provided, however, that any item determined on an annual or periodic basis (such as deductions for depreciation or real estate Taxes) shall be apportioned on a daily basis.

(d) Amended Returns. Except as specifically provided in Section 9.5(b)(i) and Section 9.5(b)(ii), Akerna shall not, and shall not permit any of its Affiliates (including, after the Closing for the avoidance of doubt, the Company) to file, re-file, supplement, or amend any Tax Return of the Company for any Taxable Period ending on or prior to the Closing, without the Shareholders' Representatives' consent (not to be unreasonably withheld).

(e) Refunds and Credits. Any refunds (including, for the avoidance of doubt, overpayments of estimated Taxes) of or credits against Taxes (including any interest paid or credited with respect thereto) of, or with respect to, the Company or any of its Subsidiaries that are attributable or allocable to any Pre-Closing Tax Period will be for the benefit of the Shareholders, but only to the extent that such Tax refund (i) is not reflected in the calculation of Closing Net Working Capital, (ii) does not result from the carryback of any Tax item from a post-Closing Tax period (or portion thereof) and (iii) is in respect of Taxes that were paid prior to the Closing, were indemnified by the Shareholders or were included in the calculation of Closing Net Working Capital in each case as finally determined. Akerna will pay the amount of any such refunds or credits (whether received as a refund or as a credit against or an offset of Taxes otherwise payable for the then current fiscal year), net of reasonable expenses or Taxes incurred by Akerna or the Company in obtaining such refund or credit, promptly after receipt thereto or utilization thereof. To the extent a refund or credit against Taxes that gave rise to a payment hereunder is subsequently disallowed or otherwise reduced, the Shareholders shall pay to Akerna the amount of such disallowed or reduced refund or credit against Taxes.

(f) Cooperation and Tax Record Retention. Each Party, shall cooperate and shall cause its respective Affiliates to cooperate with each other Party and with each other Party's agents, including accounting firms and legal counsel, in connection with any Tax Proceeding in respect of Taxes assessed or proposed to be assessed against the Company or any of its Subsidiaries or the preparation of any Tax Return. Such cooperation shall include each Party making such information and documents in its possession relating to the Company or any of its Subsidiaries reasonably necessary in connection with any such Tax Proceeding available to the other Party. The Parties shall retain all Tax Returns, schedules, and work papers, and all material records and other documents relating thereto, until the expiration of the applicable statute of limitations (including, to the extent noticed by any Party, any extensions thereof) of the Tax Period to which such Tax Returns and other documents and information relate. Each of the Parties shall also make available to the another Party, as reasonably requested and available on a mutually convenient basis, personnel responsible for preparing, maintaining, and interpreting information and documents relevant to Taxes to provide reasonable explanation of any documents or information provided hereunder. Any information or documents provided under this Agreement shall be kept confidential by the Party receiving such information or documents, except as may otherwise be necessary in connection with the filing of Tax Returns or in connection with a Tax Proceeding.

(g) Tax Sharing Agreements. All Tax sharing Contracts or similar Contracts with respect to or involving the Company or any of its Subsidiaries shall be terminated as of the Closing and, after Closing, the Company and each of its Subsidiaries shall not be bound by nor have any liabilities under any such agreements (whether for the current year, a past year or a future year).

(h) Tax Certificates. To the extent available, the Shareholder Representatives or Akerna (as the case may be) shall provide the other Party with any certificates or other document from any Governmental Authority or any other person (other than a Party) as may be necessary to mitigate, reduce or eliminate any Tax liability of the Company or any of its Subsidiaries.

(i) Tax Proceedings.

(i) In the event that a Party (or any Affiliate thereof) receives notice from any Governmental Authority of any proposed audit, assessment, examination, claim or other controversy or proceeding relating to an amount of Taxes of the Company or any of its Subsidiaries (a "Tax Proceeding") with respect to which any other Party may incur liability hereunder, such Party shall promptly notify the applicable Party of such Tax Proceeding.

Such notice shall contain factual information (to the extent known) describing any asserted Tax liability in reasonable detail and shall be accompanied by copies of any notice or other documents received from any Governmental Authority with respect to such matter. If any Party, receives written notice of an asserted Tax liability with respect to a matter for which it has a right to indemnification hereunder (and the other Party does not have knowledge of the asserted Tax liability) and fails to provide the other Party with notice thereof within 30 days in the manner described in the preceding sentence and as a result such other Party is actually and materially prejudiced by such failure to notify, then such other (indemnifying) Party shall be relieved of its indemnification obligations with respect to such asserted Tax liability to the extent of such prejudice.

(ii) At their election, the Shareholder Representatives shall, at the sole expense of the Shareholders, control any Tax Proceedings related to Taxes with respect to a Taxable Period ending on or prior to the Closing Date; provided, that the Shareholder Representatives must control such Tax Proceeding in good faith and with reasonable diligence thereafter to preserve the Shareholders' rights. The Shareholder Representatives shall keep Akerna fully and timely informed with respect to the commencement, status and nature of any such Tax Proceeding. The Shareholder Representatives shall, in good faith, allow Akerna to make comments to the Shareholder Representatives regarding the conduct of or positions taken in any such proceeding. Akerna shall, at its sole expense, be entitled to fully participate in any such Tax Proceeding. Akerna shall have the right to consent to any settlement with respect to any such Tax Proceeding (provided such consent cannot be unreasonably withheld, conditioned or delayed). In the case that Akerna controls such Tax Proceeding because the Shareholder Representatives concede or lose their right to control such Tax Proceeding, Akerna shall keep the Shareholder Representatives fully and timely informed with respect to the commencement, status and nature of any such Tax Proceeding and Shareholder Representatives shall be entitled to fully participate in any such Tax Proceeding and shall have the right to consent to the settlement of any such Tax Proceeding (provided such consent cannot be unreasonably withheld, conditioned or delayed).

(iii) Except as provided in Section 9.5(i)(ii), Akerna shall control in good faith any audit or examination by any Governmental Authority, initiate any claim for refund, amend any Tax Return, and contest, resolve and defend against any assessment for additional Taxes, notice of Tax deficiency or other adjustment of Taxes of or relating to, the income, assets or operations the Company or any of its Subsidiaries for all Taxable Periods, provided, however, Akerna shall keep the Shareholder Representatives informed with respect to the commencement, status and nature of any Tax Proceeding related to the Straddle Period and the Shareholder Representatives shall be entitled to participate fully in any such Tax Proceeding and shall have the right to consent to the settlement of any such Tax Proceeding, which consent shall not be unreasonably withheld, delayed or conditioned.

(iv) Akerna shall bear its expenses incurred in connection with any Tax Proceeding and the Shareholders shall bear its expenses incurred in connection with any such Tax Proceeding; provided, however, if Akerna controls a Tax Proceeding with respect to a Pre-Closing Tax Period that the Shareholder Representatives could have controlled pursuant to the terms of this Agreement but did not elect to control or lost its right to control, then the Shareholders shall bear the reasonable costs and expenses of such Tax Proceeding and reimburse Akerna for its expenses with respect thereto.

(j) Conflicts. To the extent of any inconsistencies between any provision of Section 9.5 and Article X, the provisions of Section 9.5 shall control.

9.6 Transfer Taxes. All Transfer Taxes shall be borne and paid by Shareholders when due. The Shareholders shall, at their own expense, timely file any tax return or other document with respect to such Taxes or fees (and Akerna shall cooperate with respect thereto as necessary.)

9.7 Transaction Expenses. Except as otherwise provided herein, Akerna shall pay all of its expenses in connection with the transactions contemplated hereby and the Shareholder Parties shall pay all of their expenses incurred in connection with the transactions contemplated hereby, including without limitation, all attorneys' fees and expenses and accountants' fees and expenses.

9.8 Broker's Fees. Each of the Parties shall be responsible for, and shall hold each of the other Parties harmless against, any fees or commissions for which such Party is liable to any broker, finder or agent with respect to the transactions contemplated by this Agreement. The Shareholder Parties agree that for purposes hereof, the Shareholders shall hold Akerna, the Company and the Company's Subsidiaries harmless from any such claim made against the Company or any of its Subsidiaries.

9.9 Further Assurances. Each Party hereto agrees that such Party shall, from time to time after the date of this Agreement, execute and deliver such other documents and instruments and take such other actions as may be reasonably requested by any other Party to carry out the transactions contemplated by this Agreement.

9.10 Pre-Closing Distribution. The Company may, prior to the Closing, so long as the Company has no Indebtedness, distribute up to \$50,000 of cash to a trust established by the Company for the benefit of the Company shareholders who sell the Transferred Shares (the "Shareholder Trust"). Any director of the Company prior to Closing may act as a trustee of such trust.

9.11 Akerna Purchase Option.

(a) Grant of Purchase Option. Subject to the terms and conditions of this Agreement, the Shareholders hereby grant to Akerna, during the time period commencing on the Closing Date and ending on the twelve-month anniversary of the Closing Date (the "Option Period") the option to purchase all (but not less than all) shares of the Company then held by Shareholders (the "Akerna Option Shares") for the Akerna Option Price (as defined below) (the "Akerna Purchase Option"); provided, that Akerna shall obtain the approval of its shareholders to the exercise of the Akerna Purchase Option prior to exercising such option (which approval may be obtained at any time on or after the date of this Agreement and prior to the exercise of the Akerna Purchase Option). All of such Shares shall be delivered free of liens, encumbrances or options.

(b) Manner of Exercise. Akerna may exercise the Akerna Purchase Option by delivering written notice of exercise to the Company and to the Shareholders within the Option Period. The date of Company's or the Shareholders' receipt of such notice shall be the "Date of Exercise."

(c) Closing; Payment of Akerna Option Price. Upon exercise of the Akerna Purchase Option, the purchase and transfer of the Akerna Option Shares will take place remotely via the exchange of documents and signatures against payment of the Akerna Option Price by wire transfer as instructed by the Shareholders at a closing, if the Akerna Option Price is paid in cash (the "Akerna Option Closing"), or by delivery of a certificate representing the pro rata portion to which each Shareholder is entitled in respect of the Akerna Shares if the Akerna Option Price is paid in Akerna Shares. The Akerna Option Closing will take place at 10:00 A.M. Eastern Standard Time on the date which is no later than sixty (60) days after the Date of Exercise (the "Akerna Option Closing Date") or at such other date and place as is mutually agreed upon by the parties.

(d) Akerna Option Price. The Akerna Option Price may be paid, at the sole option of Akerna, in either cash or Akerna Shares in an amount equal to either (a) if Akerna Shares are trading at an amount less than or equal to \$16.00 per share, the greater of (i) 800,000 Akerna Shares or (ii) the difference between the number of Akerna Shares worth \$20,000,000 valued at Market Price and 1,950,000 Akerna Shares, or (b) if Akerna Shares are trading at more than \$16.00 per share, the number of Akerna Shares equal to the (A) difference between (i) the product of the Market Price and 1,950,000 Akerna Shares and (ii) \$44,000,000, divided by (B) the Market Price.

(e) Shareholder IP Funding Obligation. Shareholders agree that they shall bear the economic burden of any and all payments in respect of the Intellectual Property Purchase Agreement. Such payments shall be made from funds generated from the IP Purchase Escrow Shares and shall be completed prior to the date which is twelve (12) months from the Closing Date. Following satisfaction of the payment obligations of the Company under the Intellectual Property Purchase Agreement, any IP Purchase Escrow Shares remaining (or funds remaining in escrow in respect of such IP Purchase Escrow Shares) shall be distributed to the Shareholders. Each of Akerna and the Shareholder Representatives shall promptly execute and deliver a joint written direction to the Escrow Agent to release the IP Purchase Escrow Shares (or funds in respect of such IP Purchase Escrow Funds) in accordance with the provisions of this Section 9.11(e).

9.12 Shareholder Repurchase Option.

(a) Grant of Repurchase Option. Subject to the terms and conditions of this Agreement, in the event the Akerna Purchase Option is not exercised by the Akerna during the Option Period and consummated within ninety (90) days after the Date of Exercise, Akerna hereby grants to the Shareholders, during the time period commencing on the day following the expiration of the Option Period and ending on the three month anniversary of such date (the "Repurchase Option Period"), the option to purchase an amount between Forty percent (40%) and Fifty five percent

(55%) of the outstanding Shares of the Company (the “Repurchase Shares”) from Akerna (the “Repurchase Option”) for the Shareholder Repurchase Price (as defined below). All of such Shares shall be delivered free of liens, encumbrances or options.

(b) Manner of Exercise. The Shareholders may exercise the Repurchase Option by delivering written notice of exercise to Akerna, along with proof of a bona fide financing offer, within the Repurchase Option Period. The date of Akerna’s receipt of such notice shall be the “Repurchase Date of Exercise.”

(c) Closing; Payment of Shareholder Repurchase Price. Within ninety (90) days following exercise of the Repurchase Option, the purchase and transfer of the Repurchase Shares will take place remotely via the exchange of documents and signatures against payment of the Shareholder Repurchase Price by wire transfer as instructed by Akerna at closing, with such closing to take place at 10:00 A.M. Eastern Standard Time on the date which is no later than sixty (60) days after the Repurchase Date of Exercise or at such other date and place as is mutually agreed upon by the parties.

(d) Shareholder Repurchase Price. The Shareholder Repurchase Price will equal the lesser of (a) the product of (X) Twenty Million Dollars (\$20,000,000) and (Y) the percentage of the Company’s Shares to be repurchased from Akerna, or (b) the difference between (i) the product of (X) Twenty Million Dollars (\$20,000,000) and (Y) the percentage of the Company’s Shares to be repurchased from Akerna and (ii) the product of (A) One Million Nine Hundred and Fifty Thousand (1,950,000) Akerna Shares and (B) \$8.00 minus the Market Price.

9.13 Akerna Additional Capital Contribution. Following the Closing Date, Akerna will make additional capital contributions to the Company of an aggregate of Two Million Four Hundred Thousand Dollars (\$2,400,000) (the “Additional Capital Contribution”). Akerna’s first Additional Capital Contribution payment will be in the amount of \$250,000 and will be made by Akerna within two (2) Business Days following the Closing Date, with the remainder of the Additional Capital Contribution to be paid based on a budget developed within 30 days of the Closing Date; provided, however, that while the budget is being developed, Akerna will continue to make additional capital contributions of at least \$250,000 per month.

9.14 Payments to The London Fund. Following Closing, Akerna will cause the Company to pay to ACS Pedersen LLC (d/b/a The London Fund SPV 10, LLC) a transaction fee in the amount of Two Hundred Fifty Thousand Dollars (\$250,000), to be paid in four quarterly payments of Sixty-Two Thousand Five Hundred Dollars (\$62,500) each, the first payment to be made on the first Business Day of the month following the Closing, and quarterly thereafter.

9.15 Appointment of Shareholder Representative.

(a) By approving this Agreement and the transactions contemplated hereby and by virtue of the consummation of the transfer of the Shares, each Shareholder shall have irrevocably authorized and appointed the Shareholder Representatives as such Person’s representative, agent and attorney-in-fact to act on behalf of such Person, by majority vote, for all purposes in connection with this Agreement and the agreements ancillary hereto, including the exercise of the power to: (a) give and receive notices and communications on behalf of the Shareholders; (b) review, negotiate and settle the Target Working Capital and each all payments of consideration related thereto; (c) authorize distribution of the Escrow Shares to an Akerna Indemnified Party; (d) object to distributions and set-offs; (e) agree to, negotiate, enter into settlements and compromises of, and demand arbitration and comply with governmental orders with respect to such claims; (f) compromise any indemnity claim on behalf of the Shareholders and to transact matters of arbitration, litigation or other actions; (g) execute and deliver all amendments, waivers, ancillary agreements and documents that the Shareholder Representatives deem necessary or appropriate in connection with the consummation of the transactions contemplated by this Agreement; (h) execute and deliver all amendments and waivers to this Agreement that the Shareholder Representatives deem necessary or appropriate; (i) defend, settle, or compromise any claim, action or legal proceeding for which any Akerna Indemnified Party may be entitled to indemnification hereunder; (j) do or refrain from doing any further act or deed on behalf of the Shareholders that Shareholder Representatives deem necessary or appropriate in their sole discretion relating to the subject matter of this Agreement as fully and completely as the Shareholders could do if personally present; (k) receive service of process in connection with any claims under this Agreement; (l) pay such amounts as the Shareholder Representatives shall determine to any Person pursuant to arrangements between the Shareholder Representatives and any such Person; and (m) take all actions necessary or appropriate in the judgment of the Shareholder Representatives for the accomplishment of the foregoing and any other actions or matters contemplated by this Agreement or the agreements ancillary hereto on behalf of the Shareholders. After the Closing, notices or communications to or from the Shareholder Representatives shall constitute notice to or from each Shareholder.

(b) Indemnification of Shareholder Representatives. The Shareholder Representatives will incur no liability of any kind to the Shareholders with respect to any action or omission by such Shareholder Representative in connection with its services pursuant to this Agreement and any agreements ancillary hereto, except in the event of liability directly resulting from such Shareholder Representative's gross negligence or willful misconduct. The Shareholder Representatives shall not be liable to the Shareholders for any action or omission pursuant to the advice of counsel. The Shareholders shall severally (and not jointly) indemnify, defend and hold harmless the Shareholder Representatives from and against any and all losses, liabilities, damages, claims, penalties, fines, forfeitures, actions, fees, costs and expenses (including the fees and expenses of counsel and experts and their staffs and all expense of document location, duplication and shipment) (collectively, "Representative Losses") arising out of or in connection with the Shareholder Representatives' execution and performance of this Agreement and any agreements ancillary hereto, in each case as such Representative Loss is suffered or incurred; provided, that in the event that any such Representative Loss is finally adjudicated to have been directly caused by the gross negligence or willful misconduct of such Shareholder Representative, such Shareholder Representative will reimburse the Shareholders the amount of such indemnified Representative Loss to the extent attributable to such gross negligence or willful misconduct.

(c) Reliance. Each of the Escrow Agent and Akerna may rely upon any decision, act, consent or instruction of the Shareholder Representatives as being the decision, act, consent or instruction of each and every Shareholder. The Escrow Agent and Akerna are hereby relieved from any liability to any Person for any acts done by them in accordance with such decision, act, consent or instruction of the Shareholder Representatives.

9.16 Management of the Company Post-Closing. Subject to the terms of his Employment Agreement, Ashesh C. Shah shall serve as Chief Executive Officer of the Company following the Closing. For the period between the Closing and the earlier to occur of (i) Akerna's exercise of the Akerna Purchase Option and the closing thereof; (ii) Shareholders' exercise of the Repurchase Option and the closing thereof; or (iii) the expiration of the Repurchase Option (the "Transition Period"), the Board of Directors of the Company shall consist of four persons nominated by Akerna and three persons nominated by the Shareholder Representatives, who shall constitute a Special Committee of the Board of Directors of the Company. In the event any member of the Special Committee dies or resigns, the remaining members shall appoint a person to fill the vacancy, and Akerna shall cause such person to be elected to the Company's Board of Directors. During the Transition Period, the Special Committee shall have sole authority to make all decisions on behalf of the Company concerning transactions between Akerna and the Company, including, without limitation, (a) enforcement of any obligations of Akerna with respect to the Additional Capital Contribution, and (b) the License Agreement referred to in Section 9.17 below. The Board of Directors of the Company shall adopt resolutions in customary form appointing the Special Committee, and empowering it to hire, on terms and conditions acceptable to the Special Committee and at the Company's expense, legal and financial advisors who are independent of Akerna and the Company to assist the Special Committee in the fulfillment of its duties, as described above, and to enter into, on behalf of the Company, agreements to retain such advisors, which may include, among other things, indemnification arrangements that are acceptable to the Special Committee; and that, to the fullest extent permitted by applicable law, the deliberations and records of the Special Committee shall be confidential and, without limiting the generality of the foregoing, all statutory and common law privileges shall be available with respect to legal advice rendered to, and documents prepared by counsel to assist the Special Committee in its deliberations. During the Transition Period, (x) Akerna shall not sell any of the Transferred Shares, (y) shall not sell substantially all of the Company's assets, and (z) shall not issue additional equity securities of the Company or options to purchase equity securities of the Company without the approval of the Special Committee, which shall not be unreasonably withheld.

9.17 License Agreement. At the Closing Akerna and the Company shall enter into a License Agreement on terms acceptable to Akerna and the Company under which Akerna will grant the Company a license to use and exploit data collected by Akerna and its subsidiaries.

9.18 Data Project. Following the Closing the Company shall, subject to and in accordance with the Company's business plan and budget, pursue a project to develop and provide comprehensive data driven cannabis market insights and consumer research information to various participants in the cannabis industry based on terms to be set forth in a separate agreement.

9.19 Option Fees. Following the Closing, during the Option Fee Term, the Company will pay to the Shareholder Trust, in cash, within thirty (30) days following the end of each Option Fee Year, an aggregate amount equal to the Option Fee accrued for Solo Products sold during such Option Fee Year.

9.20 Certain Obligations. Each of the Shareholders party to this Agreement as of the date hereof shall use best efforts to cause those shareholders of the Company not party hereto to become party to this Agreement as a Shareholder prior to the Closing.

ARTICLE X. INDEMNIFICATION

10.1 Survival. The representations and warranties of the Shareholders contained in Article VI and of the Shareholder Parties contained in Article VII shall survive the Closing until the twelve (12) month anniversary of the Closing Date; provided, however, that claims for Losses based on fraud shall survive the Closing indefinitely and claims for Losses based on the representations and warranties set forth in Section 6.2 and Section 6.5 shall survive until the expiration of the applicable statute of limitations with respect thereto. The covenants to be performed after the Closing, including as set forth in Section 9.5, shall survive until fully performed. The representations and warranties of Akerna contained in Article VIII hereof shall survive the Closing for twelve (12) months after the Closing Date.

10.2 Shareholder Indemnification. Subject to Section 10.3, from and after the Closing, the Shareholder Parties, on a several (and not joint) basis, agree to indemnify Akerna, its Affiliates, the Company, the Company's Subsidiaries, their members and any of their successors and assigns, and any of their respective agents, employees, Representatives, officers, managers and directors (the "Akerna Indemnified Parties"), against, and hold Akerna Indemnified Parties harmless from, any and all Losses suffered by any Akerna Indemnified Party to the extent arising out of:

- (a) any breach of or any inaccuracy in any representation or warranty made by (A) each Shareholder in Article VI of this Agreement or (B) the Shareholder Parties in Article VII of this Agreement;
- (b) any breach of or failure by the Shareholder Parties or any of their respective Affiliates to perform any covenant, agreement or obligation set out in this Agreement;
- (c) any Company Transaction Expenses that remain unpaid as of immediately prior to the Closing and are not taken into account in the final determination of the Other Post-Closing Amounts;
- (d) any Indebtedness that remains unpaid as of immediately prior to the Closing and is not taken into account in the final determination of the Other Post-Closing Amounts;
- (e) any demand, claim, suit, cause of action, proceeding or assessment brought by any current or former member, equity holder, warrant holder or option holder of any Shareholder Party or any Affiliate of any Shareholder Party (in such Person's capacity as such) against Akerna, the Company or any of its Subsidiaries in connection with this Agreement, the transactions contemplated hereby or thereby, including any claim that the Consideration or any other amount was not properly distributed to such Person; and
- (f) any amounts payable pursuant to Section 9.5.

10.3 Limitations on Losses.

(a) Deductible. Akerna Indemnified Parties shall have the right to remedies under Section 10.2(a) if, and only to the extent that, Akerna Indemnified Parties shall have incurred as to all matters giving rise to indemnification under Section 10.2(a), indemnifiable Losses in excess of an amount equal to \$250,000 (the "Deductible"); provided, however, that once Losses exceed the Deductible, the Akerna Indemnified Parties shall be entitled to recover all such Losses including the Deductible; provided, further, that, for the avoidance of doubt, the Deductible shall not apply to claims for Losses incurred with respect to the Fundamental Representations, claims for indemnity under Sections 10.2(b)-(g), claims based on fraud or willful misconduct or claims for indemnification for any Taxes, whether pursuant to Section 9.5 of this Agreement or otherwise (collectively, the "Excluded Claims").

(b) Cap. Subject to the terms of Section 9.11(e) (pursuant to which the IP Purchase Escrow Shares are available solely to satisfy the payment obligations under the Intellectual Property Purchase Agreement and the Shareholders' obligation to cause such payment), no Losses shall be recoverable by Akerna Indemnified Parties pursuant to this Agreement in excess of the Escrow Amount (the "Cap"), which shall be satisfied solely from the Akerna Shares comprising the Escrow Shares; provided, however, that the Cap shall not apply to Losses suffered or incurred by Akerna Indemnified Parties arising out of claims based on (i) a breach of the representations and

warranties set forth in Section 6.2 and/or Section 6.5 or (ii) fraud or willful misconduct; provided, however, all such claims shall be limited with respect to each Shareholder to such Shareholders' pro rata portion of the Consideration.

10.4 Indemnification Procedures.

(a) Computation of Losses.

(i) Recovery hereunder may not be obtained hereunder for the same Loss more than once.

(ii) For purposes of (A) determining whether a breach has occurred and (B) calculating Losses in connection with a claim for indemnification under this Article X, each of the representations and warranties that contains any qualifications as to "material," "materiality" or "Material Adverse Change" or similar qualifications shall be deemed to have been given as though there were no such qualifications.

(b) Exclusive Remedy. The sole and exclusive liability and responsibility of the Shareholder Parties to Akerna Indemnified Parties under or in connection with this Agreement, or the transactions contemplated hereby or thereby, and the sole and exclusive remedy of Akerna Indemnified Parties and the Shareholder Parties with respect to any of the foregoing, shall be as set forth in Article X of this Agreement or as set forth in any of the Documents. Notwithstanding the foregoing, (i) this Article X shall not prevent or restrict the right of any Party to obtain injunctive relief or specific performance from a court of competent jurisdiction and (ii) in the case of fraud or willful misconduct by the Company or any Shareholder, the foregoing provisions shall not be exclusive as to the Company or any Shareholder, but shall be in addition to any other rights or remedies to which Akerna Indemnified Parties and their respective assigns, as the case may be, may be entitled at law or in equity.

(c) Net Losses. Notwithstanding anything contained herein to the contrary, the amount of any Losses incurred or suffered by an Indemnified Person shall be calculated after giving effect to any insurance proceeds actually received by the Indemnified Person with respect to such Losses, net of the costs associated with the recovery thereof. If any such proceeds are received by an Indemnified Person with respect to any Losses after an Indemnifying Person has made a payment to the Indemnified Person with respect thereto, the Indemnified Person shall pay to the Indemnifying Person the amount of such proceeds, benefits or recoveries, net of the costs associated with the recovery thereof.

(d) Claims. Subject to the applicable time periods set forth in this Article X, and as promptly as is reasonably practicable after becoming aware of a claim for indemnification under this Agreement that does not involve a third party claim, or the commencement of any suit, action or proceeding of the type described in Section 10.4(e), the Indemnified Person shall give notice to the Indemnifying Person of such claim, which notice shall, to the extent such information is reasonably available, specify the facts alleged to constitute the basis for such claim, the representations, warranties, covenants and obligations alleged to have been breached and the amount that the Indemnified Person seeks hereunder from the Indemnifying Person, together with such information, to the extent such information is reasonably available, as may be necessary for the Indemnifying Person to determine that the limitations in Section 10.3 have been satisfied or do not apply.

(e) Notice of Third Party Claims; Assumption of Defense. The Indemnified Person shall give notice as promptly as is reasonably practicable after receiving notice thereof, to the Indemnifying Person of the assertion of any claim, or the commencement of any suit, action or Proceeding, by any Person not a party hereto in respect of which indemnity may be sought under this Agreement (which notice shall, to the extent such information is reasonably available, specify in reasonable detail the nature and amount of such claim together with such information as may be necessary for the Indemnifying Person to determine that the limitations in Section 10.3 have been satisfied or do not apply). Failure of the Indemnified Person to give the Indemnifying Person notice as provided herein shall not relieve the Indemnifying Person of any of its obligations hereunder, except to the extent that the Indemnifying Person is actually prejudiced by such failure. The Indemnifying Person may, at its own expense, (i) participate in the defense of any such claim, suit, action or proceeding, or (ii) upon notice to the Indemnified Person at any time during the course of any such claim, suit, action or Proceeding, assume the defense thereof with counsel reasonably acceptable to the Indemnified Person and shall thereafter keep the Indemnified Person reasonably informed with respect thereto; provided, however, that the Indemnifying Person shall not be entitled to assume the defense of any claim if (A) such claim primarily seeks an injunction or equitable relief against the Indemnified Person, (B) to the extent the Indemnified Person has been advised by counsel in writing (with a copy provided to the Indemnifying Person) that a conflict exists between the Indemnified Person and the Indemnifying

Person in connection with the defense of the third party claim, (C) the third party claim consists of a criminal Proceeding or regulatory Proceeding or (D) the amount of such claim, together with the amount of all then pending claims, exceeds the then remaining balance of the Escrow Shares. If the Indemnifying Person assumes such defense, the Indemnified Person shall have the right (but not the duty) to participate in the defense thereof and to employ counsel, at its own expense, separate from the counsel employed by the Indemnifying Person. Whether or not the Indemnifying Person chooses to defend or prosecute any such claim, suit, action or Proceeding, all of the Parties shall cooperate in the defense or prosecution thereof.

(f) Settlement or Compromise. Any settlement or compromise made or caused to be made by the Indemnified Person or the Indemnifying Person, as the case may be, of any such claim, suit, action or Proceeding of the kind referred to in Section 10.4(e) shall also be binding upon the Indemnifying Person or the Indemnified Person, as the case may be, in the same manner as if a final, non-appealable judgment or decree had been entered by a court of competent jurisdiction in the amount of such settlement or compromise; provided, that (i) the Indemnifying Person shall not be entitled to enter into any settlement or compromise unless: (A) the Indemnified Party shall receive an unconditional release as part of any such settlement or compromise, (B) no obligation, restriction or Loss shall be imposed on the Indemnified Person as a result of such settlement or compromise without its prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed, (C) no injunction or equitable relief shall be imposed on the Indemnified Person as a result of such settlement or compromise, (D) such settlement or compromise provides solely for the payment of money by the Indemnifying Party (or, in the case of a Shareholder, by the Escrow Agent from the Escrow Shares and the amount to be paid does not exceed the remaining Escrow Shares less the amount of any other pending claims) and the Indemnifying Party (or Escrow Agent) makes such payment (less any applicable Deductible), and (ii) the Indemnified Person will not compromise or settle any claim, suit, action or Proceeding without the prior written consent of the Indemnifying Party, which consent shall not be unreasonably withheld, conditioned or delayed.

(g) Release of Escrow Shares

(i) On the first Business Day following the date twelve (12) months after the Closing Date (the "Release Date"), Akerna and the Shareholder Representatives shall deliver to the Escrow Agent a joint notice instructing the Escrow Agent to deliver to the Shareholders: (i) the Escrow Shares remaining in the Escrow Account minus (ii) the sum of all amounts (the "Indemnity Reserve Amounts") asserted in good faith by a Akerna Indemnified Party in respect of a claim for indemnification under this Agreement for which such Akerna Indemnified Party shall have delivered a notice to the Shareholder Representatives in accordance with the terms of this Agreement and which claims remain outstanding (each, a "Pending Claim"). Any Claim not duly asserted prior to the Release Date shall be forever barred.

(ii) After the Release Date, following final resolution of all Pending Claim matters for which an Indemnity Reserve Amount has been established and payment thereupon, upon request by the Shareholder Representatives, the Shareholder Representatives and Akerna shall instruct the Escrow Agent under the Escrow Agreement to deliver to the Shareholders the excess of any Escrow Shares remaining in the Escrow Account.

(h) Payment. Once it has been determined (by mutual agreement of Akerna and the Shareholder Representatives, including as a result of failure to dispute an indemnity claim, or under a final adjudication or determination) that the Shareholder Parties are obligated to indemnify a Akerna Indemnified Party under this Article X (a "Determined Claim" and, the Losses payable in connection therewith, the "Determined Losses"), then the Determined Losses shall be payable as follows:

(i) *first*, Akerna and the Shareholders shall promptly issue a joint written direction to the Escrow Agent to release the amount of such Determined Losses to Akerna from the Escrow Shares; and

(ii) *finally*, with respect to any Determined Losses for claims based on fraud or willful misconduct for which the Akerna Indemnified Parties have not fully recovered after giving effect to subpart (h)(i) of this Section 10.4 (including any Determined Losses for claims based on fraud or willful misconduct), the Shareholder Parties shall, on a several basis, pay to Akerna the amount of such remaining Determined Losses claims based on fraud or willful misconduct promptly in cash by wire transfer of immediately available funds.

(i) Tax Treatment of Indemnification Payments. Any indemnification payments pursuant to this Agreement shall be treated as an adjustment to the Consideration by the Parties for Tax purposes, unless otherwise required by Law.

**ARTICLE XI.
MISCELLANEOUS**

11.1 No Third Party Beneficiaries. Except as expressly set forth in Sections 9.4(a) and 10.2, this Agreement is intended to be solely for the benefit of the Parties to this Agreement, and shall not confer any rights or remedies upon any Person other than the Parties and their respective successors and permitted assigns, personal Representatives, heirs and estates, as the case may be. For purposes of clarification, the Indemnified Persons constitute third party beneficiaries of this Agreement and are entitled to enforce the terms of Article X.

11.2 Entire Agreement. This Agreement and the other Documents referred to herein constitute the entire agreement among the Parties and supersede any prior correspondence or documents evidencing negotiations between the Parties, whether written or oral, and all understandings, agreements or representations by or among the Parties, written or oral, that may have related in any way to the subject matter of any Document.

11.3 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns and heirs. No Party may assign either this Agreement or any of its rights, interests, or obligations hereunder without the prior written approval of the other Parties; provided, however, that (a) Akerna may, without the need for further consent from the Shareholders or the Shareholder Representatives (i) assign any or all of its rights and interests hereunder to one or more of its Affiliates; (ii) designate one or more of its Affiliates to perform its obligations hereunder after the Closing; (iii) assign any or all of its rights hereunder in connection with a sale of all or substantially all its business or all or substantially all of the Business (whether by merger, sale of stock or assets, recapitalization or otherwise); and/or (iv) collaterally assign its rights hereunder to any lenders or financing sources, provided that in any or all of such cases Akerna nonetheless shall remain responsible together with such assignee or designee for the performance of all of its obligations hereunder.

11.4 Counterparts; Execution. This Agreement may be executed in counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. This Agreement and each of the other Documents may be transmitted by facsimile machine or by electronic mail or transmission and any Party's signature appearing on a faxed copy of this Agreement or an electronically transmitted copy of this Agreement shall be treated as an original signature for all purposes under applicable Law, including, without limitation, for admission into evidence in any legal proceeding.

11.5 Headings. The article and section headings contained in this Agreement are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement.

Any Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Party notice in the manner herein set forth.

11.7 Governing Law. This Agreement will be governed by and construed in accordance with the Laws of the State of Delaware without regard to conflicts of laws principles that would require the application of the Law of any other jurisdiction, and the obligations, rights and remedies of the Parties under this Agreement shall be determined in accordance with such Law.

11.8 Amendments and Waivers. No amendment or waiver of any provision of this Agreement shall be valid unless the same shall be in writing and signed by Akerna and the Shareholder. No waiver or failure to enforce by any Party of any default, misrepresentation, or breach of warranty or covenant hereunder, whether intentional or not, shall be deemed to extend to any prior or subsequent default, misrepresentation, or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent such occurrence.

11.9 Specific Performance. Each of the Parties agrees that this Agreement is intended to be legally binding and specifically enforceable pursuant to its terms and that Akerna and Shareholder would be irreparably harmed if any of the provisions of the Agreement are not performed in accordance with their specific terms and that monetary damages would not provide adequate remedy in such event. Accordingly, in addition to any other remedy to which a non-breaching party may be entitled at law, a non-breaching party shall be entitled to injunctive relief without the posting of any bond or other security to enjoin or prevent breaches of this Agreement and to specifically enforce the terms and provisions hereof, and the breaching party waives the defense that an adequate remedy at law may exist.

11.10 Incorporation of Exhibits and Schedules. The Exhibits, Schedules and other attachments identified in this Agreement are part of this Agreement as if set forth in full herein.

11.11 Exclusive Submission to Jurisdiction; Waiver of Jury Trial.

(a) ANY LEGAL SUIT, ACTION OR PROCEEDING ARISING OUT OF OR BASED UPON THIS AGREEMENT, THE OTHER DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY SHALL BE INSTITUTED IN THE FEDERAL COURTS OF THE UNITED STATES OF AMERICA OR THE COURTS OF THE STATE OF DELAWARE, IN EACH CASE LOCATED IN WILMINGTON, DELAWARE AND EACH PARTY HERETO IRREVOCABLY SUBMITS TO THE EXCLUSIVE JURISDICTION

OF SUCH COURTS IN ANY SUCH SUIT, ACTION OR PROCEEDING. SERVICE OF PROCESS, SUMMONS, NOTICE OR OTHER DOCUMENT BY MAIL WITH DELIVERY CONFIRMATION TO SUCH PARTY'S ADDRESS SET FORTH HEREIN SHALL BE EFFECTIVE SERVICE OF PROCESS FOR ANY SUIT, ACTION OR OTHER PROCEEDING BROUGHT IN ANY SUCH COURT. THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY OBJECTION TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR ANY PROCEEDING IN SUCH COURTS AND IRREVOCABLY WAIVE AND AGREE NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(b) EACH PARTY HERETO ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT OR THE OTHER DOCUMENTS IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND, THEREFORE, EACH SUCH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL ACTION ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. EACH PARTY HERETO CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE OF ANY OTHER PARTY HERETO HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT SEEK TO ENFORCE THE FOREGOING WAIVER IN THE EVENT OF A LEGAL ACTION, (B) SUCH PARTY HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) SUCH PARTY MAKES THIS WAIVER VOLUNTARILY AND (D) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 11.11(b).

11.12 Public Announcements. The Shareholder Parties and Akerna each agree that they and their Affiliates shall not issue any press release or otherwise make any public statement or respond to any media inquiry with respect to this Agreement or the transactions contemplated hereby without the prior approval of Akerna and the Shareholders, which shall not be unreasonably withheld or delayed, except as may be required by Law, including the Securities Exchange Act of 1934 and the regulations promulgated thereunder, or by any stock exchanges having jurisdiction over Shareholder, Akerna or their respective Affiliates.

11.13 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. If an ambiguity or question of intent arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement. The word "including" shall mean including without limitation and the word "herein" shall mean "in this Agreement," in each case, for any and all purposes in this Agreement. If any payment is required to be made or other action is required to be taken pursuant to this Agreement on a day which is not a Business Day, then such payment or action shall be made or taken on the next Business Day. Any reference in this Agreement to any statute or any section thereof shall, unless otherwise expressly stated, be deemed to be a reference to such statute or section as amended, restated or re-enacted from time to time. All currency amounts contained herein refer to United States Dollars.

11.14 Severability. It is the desire and intent of the Parties that the provisions of this Agreement be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Agreement shall be adjudicated by a court of competent jurisdiction in accordance with Section 11.11 to be invalid, prohibited or unenforceable for any reason, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of this Agreement. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision.
